Disclaimer: I send the newest version of this file to only three Websites:

If you downloaded or read this file at other Websites, the SysOps of the other Websites probably leached it from one of the above Websites.

1. NUTRITION INFORMATION (Introduction)

Title: Exodus Guilty Neos
Genre: Bouken katsugeki RPG adventure
Rating: -
OS: Dreamcast
Maker: Abel
On Sale: 18 May 2001

2. HIDDEN COMMANDS

Disclaimer II: I don't have this game or a Dreamcast, thus I can't verify this hidden command.

To play the movies in the game, when the "Abel" logo mark appears, input:

A, B, R, L, Start

When the input is successful, a random chara introduces the movie mode.

The player can choose a movie from the Past Chapter (1200 BC), Present Chapter (2000 AD), Future Chapter (13800 AD), and all.

During a movie, the player can press Start to skip to the next movie.

3. CAST

This is a partial list of the seiyuu (voice actors) who perform in this game, conveniently typed up in the format of Doi Hitoshi han's Seiyuu Database at <http://www.win.ne.jp/~doi/seiyuu/index.html>
