Introduction
=====

Welcome to my 4th FAQ, my Grandia 2 Complete Items Guide. I hope to make this the ultimate item list for Grandia 2. I plan on adding all the items, weapons, armor, and anything else that can be bought or found, and where to get them.

If you have anything to add to this FAQ, send it to me at fifty5names@yahoo.com and I will give credit where credit is due. Don't expect a reply though, as I do have other things that require my time.

I added a whopping 80 items, bringing the grand total to 138.
I'm planing on a little layout change eventually.

Version 0.1: September 26th 2001 - Because I am a sucker for abuse, I decided to start
YET ANOTHER FAQ, this one is the Grandia II Complete Items Guide. And
