## Version History

1.0 8/4/00 Athletic interests completed

1.1 8/5/00 Winter interests completed, minor changes in scale

Each interest in Virtua Athlete 2K's edit mode affects the created athlete. Some affect the created athlete in obvious ways, while others are not so obvious, hence this FAQ. When this FAQ is completed, all interests will have been rated. However, I am still working on testing and unlocking interests. Expect this FAQ to be updated fairly frequently. Please do not post this FAQ anywhere besides GameFAQs or cite or reprint information contained in this FAQ without expressed consent from me first. This FAQ is Copyright 2000 Evan Oxfeld. All ratings are APPROXIMATE.
