I. Introduction

I have never really liked using The Big Show in this game, but I felt like there are some people out there who probably like using him for some reason, so I should do a guide for him for those people who might need help using him. So, I decided to make a guide for him. Hope you find this FAQ useful, please send any questions to the address listed above. Thanks and enjoy the guide!

Wrestler Bio: Big Show
=====

(bio from Prima Games)

How does a 7'4", 500 pound man have to dress and act? Well, any way he wants to, of course! With on year of World Wrestling Federation under his belt, the Big Show decided it was time to stop playing games and just be himself! Excluding the charming personality that won him rave reviews in a number of movie and television roles, Show has been winning over legions of Federation fans with his portrayals of characters such as Showkishi and the Showster.

Even though the 2000 Royal Rumble was his first, the Big Show played a major part. Looking to pick up the victory, Big Show tossed The Rock over the top, but The People's Champion amazingly hung him over the rope and watched as Big Show's momentum carried him over. Controversy rose, however. Big Show claimed The Rock's feet touched the floor - and apparently he had pictures to prove it! Both men eventually carried the grand prize - the right to challenge for the World Wrestling Federation Championship at Wrestlemania!

The Big Show tore into the World Wrestling Federation-literally. He first showed up at St Valentine's Day Massacre in February 1999 by ripping through the ring canvas and, in an amazing display of strength, throwing Stone Cold Steve Austin through a steel cage! Since then, the Big Show has proved that his big debut wasn't a fluke. Simply put, the Big Show is a blue chipper. Whether it is lifting up an entire ring or pulling the TitanTron down to the floor, he puts on a 'show' that fans won't soon forget. The Big Show, still in his twenties, has had an amazing impact in only a few months. Imagine what the Big Show can accomplish in the years that he will be a part of the federation. At over 7 feet tall and 500 pounds, who can stop the Big Show from attaining all his goals?

Although being 7'4 and 500 pounds has many advantages (dunking a basketball without leaving the ground, never losing your lunch to a school bully), it also has a downside. Other than having a difficult time finding a loner ball at the bowling alley, the problem with being so huge is that you have to figure out a way to make all of your appearances - especially your first one - as intimidating as your size.

Armed with the knowledge of how strong first impressions can be, World Wrestling Federation officials and the Big Show have spent many a night trying to figure out the best way to introduce him to the fans when he finally debuted in the Federation a little less than a year ago. And then bang! What better way to burst onto the screen, then to burst onto the screen?

So all the Big Show did on his first night was break through the canvas, pull himself up through the ring, and throw a Stone Cold Steve Austin fastball right through the steel cage. Big Show did not stop there; in the coming months he lifted the entire ring because he was having one of those days, choke slammed the Undertaker straight to hell, and flipped a car that nearly ended Hardcore Holly's days as a super heavyweight. And did we mention that he won the World Wrestling Federation Tag Team Title and World Wrestling Federation Championship?

If the Big Show's first year as a World Wrestling Federation Superstar is any indication of how the rest of his career will go, it appears he is going to lift a lot of really heavy things... and win even more WWF gold in the process!

=====
My Two Cents: Big Show

=====
Big Show teamed up with the Undertaker and they became an unstoppable duo until undertaker got injured. Big Show suddednly turned babyface and did a cancer angle involving his father. It was not a very popular angle, but it cumulated with Big Show winning the WWF title at Survivor Series 1999 in match expected to be HHH vs Austin vs Rock. The angle soon led to the Big Boss Man showing no respect for the Big Show's dad, and this led to a boring WWF title match at Armageddon. Big Show soon lost to HHH, but became number 1 contender at No Way Out by beating the Rock when Shane McMahon interfered. With Shane McMahon on his side, and 500 pounds of weight, Big Show is one scary dude that could walk out of WrestleMania WWF Champion.

Big Show came back and shocked the world when he turned on the Undertaker and helped Shane out. It kind of made sense, but I am sick of tired of all of the heel and babyface turns that the Big Show is doing. It really takes away from his overall character, because one month he is in an emotional feud with Big Boss Man about his father dying and Boss Man not caring, and the next month he is feuding with the Rock.
