II-Game History

Deep in the heart of hyperspace...
Uka Uka: That incompetent Neo Cortex. He can't do anything right!
His last scheme to shrink the heart failed miserably! You have been a great asset
to the cause of evil over the year's N.Tropy.
N.Tropy: Thank you my lord.
Uka Uka: That is why I trust you with the task of aiding me in universal
domination.
N.Tropy: Great Uka Uka. I am honored!
And I have the perfect sceme.
Scene switches to jungle, the tutorial level
After you complete the tutorial level...
N.Tropy: Allow me to harness my powers of time and space to peer into the
future...
Of course! Since those wretched Bandicoot's keep thwarting us, the solution is
to get them on our side and I know the fellow for the job.
Uka Uka: A new recruit?
N.Tropy: Indeed. Meet my secret weapon.
N-Trance: I am N.Trance, master of hypnotizm!
Meanwhile...
Scene switches to Crash house
Crash is sleeping, Coco is playng in her computer and Crunch is doing gymnastic.
Coco: Crash, heeeeeeeelp!
Coco and Crunch are abducted in a vortex.
Aku Aku: Crash! Wake up! Coco and Crunch have been abducted! Find me a power
Crystal so I can look into what's going on! Hurry!
Intro level start's
After the intro level...
Aku Aku: Oh, no! Watch out Crash!
*Crash is being abducted in another vortex!*Aku Aku: I've got you Crash!
Scene switches to N.Tropy secret base
N.Tropy: Something is holding on to Crash. We need more power!
Scene switches to Aku Aku tryng to save Crash
Aku Aku: This must be the work of N.Tropy.
Scene switches to N.Tropy secret base
N.Tropy: I've finally captured that infernal Bandicoot!
A deformed Crash appar's
N.Tropy: I finally got all you obnoxious bandicoot's! Would you do the honors
N.Trance!
N.Trance: Whith pleasure
Somewhere else in hyperspace...
Aku Aku: That took almost all the power I had, Crash. Good job getting the power
cristal before you where pulled into the vortex. But, I'll need a lot more
crystals if we are to put an end to N.Tropy plans.
That flotaing island up ahead will allow us to go to different worlds and find
crystals.
Hopefully we can find Coco and Crunch and stop N.Tropy!
