- 1- Introduction [A100]

Welcome to another one of my FAQ's. As usual, I don't say a word about the game in the Introduction. I won't update the FAQ section not anymore after I release the complete version. But everybody can send me tips and questions. If they are big enough, I might consider updating it despite that.

[1] [Q]. What are those numbers like [A300] next to the title of every section?
[A] It is the search engine of this FAQ. Press Ctrl and F. Type in the search code for the section you want to go to. You should be there in two steps.

[2] [Q]. Why are there so many spelling errors in this document?
[A] They are in the game but I corrected some of them.

3- Game Script

[A300]

Every line of text that is said will be placed here as I progress. If a random type of person like a Human says something, it will all be placed with one person of that kind.

Saiyan Saga

Master Roshi's Island

Narrator: Our story begins with our humble hero, Goku. It has been a long time since he has last seen his childhood friends, and so he has decided to meet with them at the house of his old Martial Arts master. Coming along with him is his young six-year old son, Gohan...

Goku: What an interesting magazine... I better keep Gohan from seeing this magazine! Master Roshi's bedroom is upstairs. I better stay down here. Whoa, this one has quite a cover!

Bulma: Hi Goku! Who is this little cutie?

Goku: This is Gohan! Chi-Chi and I named him after my grandfather.

Bulma: Hi there, little guy!

Gohan: ...

Bulma: Hahaha! Boy, he sure is cute... it is good to see you again, Goku. That little Gohan sure is cute.

Gohan: Daddy, who are these people?

Goku: Don't worry, Gohan, they're my best friends!

Gohan: ...

Krillin: Hey Gohan, are you going to be a great martial artist like your dad?

Gohan: Uhmmm...

Goku: Er, um, Chi-Chi wants him to concentrate on his studies. She doesn't want him doing anything dangerous.

Krillin: Hmm, that's no fun... It sure is good to see everyone again, isn't it

Goku?

Turtle: Welcome back, Goku!

Goku: Thanks Turtle.

Turtle: Best of luck, Goku.

Goku: Thank you, Turtle.

Master Roshi: I've got to keep better track of these magazines! Thanks, Goku!

Narrator: You received a Senzu Bean!

Master Roshi: Oooh, I guess I didn't lose that one after all! Thanks, Goku!

Narrator: You received a Senzu Bean!

Master Roshi: I though Oolong had stolen that one from me!

Goku: Of course, Master Roshi. Don't stare at those girls too long though...

Master Roshi: Hee hee! Yippee!

Turtle: I don't know what he sees in those magazines...

Narrator: You received some herbs. You receive 350 experience points. You reached level 11.

Master Roshi: *gasp*

Bulma: I can't believe this is happening!

Krillin: Oh man.

Goku: What?!

Raditz: There you are, Kakarot!

Goku: Who is Kakarot?

Raditz: You are, of course! You're not from this planet. You are a Saiyan warrior, like me... your brother.

Goku: A Saiyan? Your brother? I don't believe you!

Raditz: You were sent here as a child to cleanse this pitiful planet of these humans. But somehow you've forgotten who you really are.

Master Roshi: It must have happened when you hit your head as a child. Oh my!

Goku: I would never do anything to hurt people! This is my home, and these are my friends.

Raditz: I see you have become soft. Perhaps your son will make do in your place.

Goku: What? Gohan! No!

Gohan: Daddy!

Krillin: Great, now Piccolo too?!

Piccolo: Calm down, I'm not here to fight you.

Master Roshi: Huh?

Goku: Why are you here then, Piccolo? We have enough to worry about.

Piccolo: That guy who was just here... I met him earlier. I think he's much more powerful than both of us, Goku. So I suggest a truce. We can settle our own differences later.

Goku: Why should we trust you?

Piccolo: Because he is a bigger threat to me than you, Goku. Together maybe we have a chance.

Krillin: No way, Goku. Don't listen to him!

Piccolo: I'll go ahead without you and we can meet up later.

Goku: Us a team? Sounds risky... but I like it! I'd better get going; I need to rescue my son. The fastest way to travel is... NIIIMBUUSSS!!!

Master Roshi: Your brother needs a real attitude adjustment, Goku!

Turtle: This is terrible! Go, Goku! You can't waste any time - find Gohan!

Take care, Goku!

Bulma: This is horrible! Poor little Gohan!

Krillin: Go and find Raditz, Goku! We have to get Gohan back!

East District 439

Goku: There is no time to rest around the house - I've got to get going! Chi-Chi warned me yesterday about a snake problem in the woods. I better watch my step!

Chi-Chi: Goku! You're back already?

Goku: Hey Chi-Chi! Well, er, yes...

Chi-Chi: Where is Gohan?

Goku: He's... you see... it's a long story...

Chi-Chi: Goku!

Goku: Everything is fine! I'm about to pick him up to bring him home. Don't worry!

Chi-Chi: If anything happens to our son, I swear... Why haven't you picked up Gohan yet?

Goku: It looks like Gohan has been feeding the crabs too much! This stone might be useful...

Bird: *sniff* Waaaaaaghghhhhh! *Whimper* *sniff* He stole my egg... that heartless monster... *sniff*

Goku: That poor mother lost her egg. I understand how she feels...

Bird: *sniff* My precious egg... my poor little baby... *sniff*

Goku: I sense a powerful presence just across this river...

Chiaotzu: Hello Goku!

Goku: Good to see you, Chiaotzu!

Chiaotzu: Are you ok? You look worried about something.

Goku: My son is in trouble. I'm searching for him right now.

Chiaotzu: Oh no! Well, if we can help, let us know!

Goku: I will, Chiaotzu, but I'm afraid I need to take care of this myself.

Chiaotzu: Whatever is best!

Narrator: You receive 500 experience points!
Chiaotzu: I'm sorry to hear about Gohan. I hope he is alright...

Tien: Hey there, Goku! What brings you out here?
Goku: I was about to ask you the same thing! I'm looking for Gohan - something bad has happened.
Tien: Oh no! Is there anything we can do to help?
Goku: Thanks, Tien, but I need to handle this myself.
Tien: Well, Chiaotzu and I are just training out here, so if you need help give the word.
Goku: I think I can handle this. Besides, Piccolo is going to assist me.
Tien: Piccolo!? You're kidding, right?
Goku: Don't ask.
Narrator: You receive 500 experience points!
Tien: Good luck, man.

Bird: My egg! You found it!
Narrator: You receive 350 experience points!
Bird: *growl* GET AWAY FROM MY EGGS!
Goku: Whoa...

Old Man: *grumble* I can't believe I got stuck out here again! I hate water.
Goku: Um, ok... Maybe I could fly you back across?
Old Man: Are you crazy?! In the air?! Worse than water! I wish I had some kind of darn bridge! Well, look at that! Thanks for the stepping stones, boy!
Goku: I'm not sure how you got there in the first place... but try not to get stuck again, ok?
Old Man: I'll do my best.
Narrator: You receive some herbs. You receive 350 experience points. Your speed increases.
Old Man: Thanks again, boy!

The Town

Old Man 2: What is it that troubles you?
Goku: I'm searching for my son who has been kidnapped by my evil brother. He's extremely dangerous.
Old Man 2: I see. Perhaps I can be of assistance.
Goku: Really?
Old Man 2: Yes, but you are not yet ready to proceed!
Goku: What do I need to do?
Old Man 2: There are several disturbances in this forest. Quiet the forest and you shall be ready.
Goku: Certainly, I'll see what I can do.
Old Man 2: My poor little kitty Neko has wondered off somewhere... Neko must be so frightened. The forest is still unsettled. Perhaps you should continue your investigation. Return to me when you have completed your task for I have something special for you.

Cat: Meeeow.

Goku: Here kitty... kitty. Little kitty, where are you?

Cat: Meeeow.

Goku: Your name tag says 'Neko'. Hey little Neko, you must be lost.

Cat: Meeeow.

Old Man 2: Neko tells me that you are the one who helped him.

Cat: Meow.

Goku: He is a playful little thing!

Old man 2: I cannot thank you enough, young man. Neko and I are in your debt.

Goku: Looks like some smithing goes on in here.

Lady: Where could my daughter be? *sniff* I'm so worried about her! She usually doesn't go far - just picking flowers and playing by the river. She always talks about a grove of flowers high up that she can't reach. I hope she doesn't try to climb the rocks!

Husband: I feel like I've looked everywhere, but I can't find her.

Goku: Mmmmm, something good is cooking in there!

Lady: That is a chocolate cake for Sue. Her favorite.

Boy: I though Sue would come out to see me - I wonder where she is...

Old Lady: Oh! You startled me! Who are you?

Goku: My name is Goku. I'm searching for my son, Gohan.

Old lady: Kids just keep running away! Our neighbor's child is missing right now too. Well, I hope my sons don't get any ideas of running off.

Boat Boy: Awww, man, it's not fair.

Goku: What is not fair?

Boat boy: Me and my brother Cory got into a fight and since he is bigger than me, I lost. Then he took my favorite boat and threw it out onto the island in the middle of the pond! I can't swim out that far!

Narrator: You retrieved the boat.

Boat boy: You got my boat! Yaaaay! Thanks a lot.

Narrator: You receive 200 experience points.

Boat boy: My brother is annoying - all he talks about is stupid girls. Blech! Doesn't he know girls have cooties? Everyone knows that.

Sue: *sniff*

Goku: What's wrong?

Sue: I'm lost and I can't find my way back home. Can you help me?

Goku: Well sure! Just tag along beside me ok?

Sue: Oh, thank you, thank you, mister!

Puar: Whee, it's Goku!

Goku: Hey Puar - what's happening?

Puar: Oh, Yamcha wanted to train out here for a little while, but I warned him he shouldn't.

Goku: Why is that?

Puar: Because he has to play in a baseball game today!

Goku: That is dedication.

Narrator: You receive 500 experience points!

Puar: You should come out and see Yamcha play ball!

Yamcha: What's up, Goku? It's been a while!

Goku: Hey, Yamcha! Yeah it has...

Yamcha: Hey, if you see Bulma, will you tell her I said 'hello'?

Goku: No problem. What are you up to these days?

Yamcha: I'm playing baseball right now, but I usually skip practice to polish my fighting skills. Coach isn't too happy about that.

Goku: I'll have to come see you play sometime!

Yamcha: Sure! I have a game in just a few hours actually!

Goku: Well, er, I won't be able to make that. But some other time!

Yamcha: You got it.

Narrator: You receive 500 experience points!

Yamcha: You'll have to come spar with me out here sometime!

Boy: Hi! Your poppa came over here asking if you were around.

Sue: I have to get back right away! Thanks Cory.

Cory: Hey! Who are you, mister?

Goku: My name is Goku. I'm helping her get back home.

Cory: I could have helped you, Sue!

Sue: Gou found me and saved my life!

Cory: Hemmph. Yeah, well, we'll hang out sometime Sue, ok?

Lady: Thank you for rescuing our daughter, Goku! I'll keep a closer eye on Sue in the future. Someday if you have kids you'll understand my worries...

Goku: I have a son, Gohan. He's as much as I can handle right now.

Husband: My little girl! She's ok!

Sue: Poppa, this man found me and brought me home!

Lady: Thanks you so much for keeping her safe!

Husband: There are few things worse than fearing for your child's safety.

Goku: Believe me, I know.

Husband: Have you heard of the old Wise Man of the forest? I hear that if you yell 'North Star' outside his door, he'll bring you inside. I'm too afraid to try.

Cory: *Mumble* ... *mumble*...

Goku: Can I help you?

Cory: Huh? Oh hey, it's you. I'm thinking about what I can get for someone.

Goku: You mean that girl, Sue, right?

Cory: Er, well, um...

Goku: Ha ha! No problem - I'll help you out!

Cory: Really? Thanks!

Goku: Any ideas what she might like?

Cory: I dunno. Girls really like flowers don't they? I don't know why, but...
No good flowers yet, huh?

Narrator: You picked a pretty flower!

Cory: These flowers are Sue's favorite color, I bet! Alright! Thanks!

Narrator: You receive 400 experience points!

Cory: Thanks again!

Old Man: I sense that the forest is at peace. I also sense gratitude from the forest for your efforts.

Goku: So you will be able to help me with my search?

Old Man: Yes. I know who you are, Goku. The exit through the skull behind me will lead you to the lands of your enemy.

Goku! I almost forgot about your reward! I shall teach you the technique of Solar Flare! Use it wisely, for it temporarily blinds your enemies. It is time to continue creating your legacy.

The Battlefield

Narrator: Raditz must be defeated.

Gohan: Help me, daddy!

Piccolo: It is about time you got here. He's right up ahead.

Goku: Gohan, we're coming to save you...

Piccolo: C'mon, let's do this.

Goku: Give Gohan back to me... now!

Raditz: Are you then prepared to join me? Come Kakarot, we could rule the universe!

Goku: ...

Raditz: Your whole purpose in life is to conquer, and destroy! We are Saiyans!
It is in our blood!

Goku: I may have been born a Saiyan, but that is not my purpose! Don't make
this any more difficult!

Raditz: Very well, brother. Now you will see the wrath of a true Saiyan! It is
a shame.

Narrator: You receive 4000 experience points.

Raditz: Ugh! Don't be a fool, brother! His blast will kill us both!

Goku: If that's what it takes to save this planet, I'm ready.

Raditz: Argh!

Piccolo: Special Beam Cannon!

Goku: ...

Gohan: Daddy! Get up, daddy!

Goku: I... I can't, Gohan... not this time...

Gohan: *cry*

Goku: I love you, Gohan.

Piccolo: Your father died to save Earth, kid. He was more noble than I
thought. The afterlife will be ready for him...

Gohan: Daddy...

Snake way

Narrator: This door doesn't lead to Snake Way.

King Yenma: Welcome to the afterlife, Goku. Tell me you're not going to create
any problems like your brother.

Goku: I'm a bit different than my brother.

King Yenma: Haha! I'm sure you are. King Kai will be pleased to meet you.

Kami: That was a brave sacrifice you made, Goku.

Goku: I would do anything for my son, Kami.

Kami: You saved not only Gohan, but perhaps everyone else on Earth. But all is
not well.

Goku: What is wrong?

Kami: As we speak, two more Saiyan warriors are on their way to Earth. They
are coming to get the Dragon Balls so that they may gain eternal life. But
your friends are collecting the Dragon Balls so that they can wish you back to
Earth, in order to protect it once again! Go to the End of Snake Way and train
with King Kai. He will make you powerful enough to face these new foes.

Goku: I'm on my way.

Kami: There is no time to waste, Goku. Snake Way is not a short road to cross.

Princess Snake: Why hello there! A handsome stranger on Snake Way!

Goku: Thanks. I think...

Princess Snake: Perhaps you'd like to dance with me?

Goku: Well, I don't really dance...

Princess Snake: Then better yet, why don't I eat you?

Goku: What?

Narrator: You receive 3500 experience points!

Goku: I'm losing my balance! I fell a long way! What is this place?

Goku: Wow, a fountain of juice! This is my lucky day! ...wait a second...
that's blood! Yuck!

Ghost: What a moron...

Ghost 2: You're telling me...

Red HFIL helper: Ergh! What do you want, funny guy?

Goku: I'm just trying to see King Kai.

Red HFIL helper: You know, you've got to be fast if you want to get across Snake Way! Let's see if you can catch me, slow poke! Then maybe I'll show you where he is.

Goku: Holy cow, that guy is fast! I can't even see where he went... Maybe one of these spirits saw which way he went.

Goku: Man, check out that tree! There is a fruit on it that looks pretty amazing...

Blue HFIL helper: This tree is none of your business! Looks like you're lost there little buddy.

Goku: Yes I am. I'm looking for a guy named King Kai, but I fell off Snake Way and now I don't know how to get back.

Blue HFIL helper: Well move along, this is King Yenma's fruit, and you're not allowed to touch it! There's a magical barrier there just for people like you.

Goku: I guess this is where dead people go to get buns of iron...

Purple HFIL helper: How could I have lost him? I'm going to lose my job this time. King Yenma won't be pleased. I've gone all week without losing a spirit.

Spirit: Yes, I'm dead and I'm lost. So how are you doing?

Spirit 2: If I come with you, I might get lost... again! Come back and get me when you're alone!

Purple HFIL helper: Thank you! You found him! You're coming with me, trouble-maker.

Spirit: Here is another lost soul!

Narrator: You receive 500 experience points.

Spirit 2: They told me to take a right turn at the fumes. You'd think they could provide more specific directions.

Spirit 2: So I'm not the only one...

Purple HFIL helper: Still missing a spirit or two...

Spirit 3: I agree I made some mistakes, but an Infinite Loser? That is harsh.

Spirit 3: Ahh, I'm slightly less lonely now.

Purple HFIL helper: Wow, that's all of them! Maybe King Yenma won't find out after all...

Goku: Now that I have helped you, can you help me?

Purple HFIL helper: That is what HFIL assistants do!

Goku: I'm really hungry; do you have anything to eat?

Purple HFIL helper: This is the Home For Infinite Losers, not a restaurant! The only one allowed to eat here is King Yenma, and his fruit is guarded by the red devil and a magical barrier... I can lift the barrier if you can distract the red devil.

Blue HFIL helper: You again? Tell you what, if you go help out my buddy over by the fitness center, then maybe I'll let you go up those stairs... But don't count on it! Just leave me alone, and don't create any mischief!

Goku: This fruit looks pretty tasty!

Red HFIL helper: What?! Is that King Yenma's fruit?! Give me that! That's only for King Yenma!

Goku: Got you!

Red HFIL helper: Hey wait a second! You tricked me!

Goku: Now will you show where King Kai is?

Red HFIL helper: Well, alright. Observe... Let's see, how do I get that crack to appear... Ah ha! There we are. Alright, well... Go through here. This will take you to King Kai.

Goku: Hey, thanks a lot!

Blue HFIL helper: What? You just let him go like that?!

Red HFIL helper: Hahaha... He's got a surprise coming to him!

Goku: Oh great! I'm back at the beginning!

Goku: Snake Way seems to go on forever! I've got to be getting close to the end now! I can see King Kai's Planet floating in the air to the left... I'll have to fly over there!

Planet of King Kai

Goku: Are you King Kai?

King Kai: Well of course I am! Do you see any other Kais around here? I didn't think so!

Goku: Er, ok. Well, um, can you train me to defeat the Saiyans who are approaching Earth?

King Kai: Saiyans, eh? There aren't many of them left in the universe. Their whole planet was destroyed, but the ones who survived are extremely powerful! You'll have to train hard!

Goku: Thank you, King Kai.

King Kai: First let's see how well you can run on this high-gravity planet. Chase Bubbles and try to catch him! If you do, we can move on to the next test!

Goku: Sounds easy enough.

King Kai: Go Bubbles.

King Kai: Well done! Now you must hit Gregory on top of his head with this heavy mallet. Don't go easy on him because he is a flying cricket!

Goku: King Kai has a pretty sweet looking car!

Gregory: I don't get it... I'm the fastest there is! You shouldn't have caught me in a million years!!

King Kai: My goodness, you're the best student I've ever had! Incredible timing! It took King Yenma longer!

Goku: Really?!

King Kai: Oh my, yes! Since you have improved so much, I am able to teach you the Kame Hame Ha attack, which is more powerful than any attack you have seen so far!

Narrator: Your speed increases! You receive 1500 experience points.

King Kai: Your friends have collected the Dragon Balls and made the wish! It is time for you to return to Earth - Kami is waiting for you at his lookout. Please visit me again! Hehehe! I mean, I hope you don't have to visit me again!

Goku: I could fly down to Earth from here...

Korrrin: It has been a long while.

Goku: Yes, it has been master.

Korrrin: Take these Senzu Beans with you. They will greatly aid your cause.

Goku: Thank you very much, Korrrin.

Korrrin: I wish you luck! Ah, there's nothing quite as nice as a Senzu Bean...

Mr. Popo: You're looking very fit, Goku! I'm really worried though... These Saiyans are true monsters! Be careful.

Goku: Don't worry Mr. Popo... and thanks!

Kami: Welcome back, Goku. The fate of the world is now in your hands. Your friends have been fighting valiantly, but meeting defeat! Go now to the wastelands where your opponents await!

The City

Boy: Hey, you! Can you help me out?

Goku: How'd you get stuck up here on the ledge?

Boy: I was exploring out here, and the wolves chased me up the rocks! Thanks so much, mister.

Mister: Hey there, do you mind? I'm trying to thin up ideas for capsules.

Lady: I wonder how the stock market is doing today... Did you hear that the Capsule Corporation is debuting some new gizmo in South City? It sounds rather exciting! I think one of these days I'm going to move to South City. Pepper Town bores me.

Man: Sounds like there's some commotion going on in the city!

Old Lady: My son won't be hanging out with wolves anytime soon. Thanks for your help. Here's something that you might find useful. Good luck.

Other Lady: Wow! The police aren't handling things very well! They should have gotten those robbers by now.

Lady 3: I'm sure the cops are going to take care of the situation easily. I don't know; I've been hearing a lot of shots.

Guy: Did you hear that someone is trying to rob the bank?

Lady: Yeah, that's illegal isn't it?

Guy 2: I sure am hungry. Maybe I'll head to the cafe. Do you think eight cups of coffee a day is too much? I'm glad there any coffee robbers! That would be a real tragedy.

Goku: Those robbers sure did a number on this bank.
Narrator: The bank is closed.

Owner: Sir, can you help me... I mean, help us please? Er, I mean, she is so scared.

Nurse: *whimper* ... They killed the poor security guard and tore up the place!

Agent: Don't bother me right now. Get lost or you could get hurt.

Agent 2: You really shouldn't be here right now. This is a dangerous situation. *mumble* ... need backup *mumble*

Agent 2: Thank you very much, citizen! That was remarkable.
Goku: No problem. Anything to help.
Agent 2: How would you like a job with the force, young man?
Goku: Hmm, I have other problems to take care of, but thanks.

Soldier: Those aliens took out the whole Northern Army! It is unbelievable.

King Kai: Goku!
Goku: Yes, King Kai? I can hear you!
King Kai: You must hurry to help your friends! The Earth is in extreme danger.

Soldier 2: Sorry civilian, no trespassing.

Nurse 2: A quick checkup is important for your health. You should feel much better now.

Soldier 3: Oh man! Did you hear what is going on?

Krillin: Goku, you made it!

Goku: Yep! Just in time!

Krillin: Yamcha, Tien, and Chiaotzu are all gone... These Saiyans must have unbelievable power levels... I know you can do it, Goku!

Gohan: Dad, you're back.

Goku: Yes, Gohan, I'm back. Don't worry - I'll handle it from here.

Gohan: Dad, Piccolo is dead. They've killed everyone except me and Krillin.

Krillin: It is true, Goku... We trained so hard... for nothing!

Goku: Not for nothing, you held them long enough for me to return. More powerful than ever!

Gohan: Be careful, daddy!

Vegeta: So you're the one who beat Raditz? Hopefully you're a lot more challenging than your pathetic friends. Why don't you have a little chat with Nappa so that I don't have to waste my time destroying you? Talk to Nappa, I'd rather not waste my time on a weakling you.

Nappa: So, this is Kakarot, eh? Doesn't look too tough to me!

Goku: ...

Vegeta: I sense Kakarot's power has grown since Raditz was here. You should still be able to handle him easily though, Nappa.

Nappa: I'll crush the little traitor, Vegeta!

Vegeta: You just don't get it do you? You are nothing compared to me. I am the prince of all Saiyans!

Goku: We'll see about that.

Vegeta: Fool.

Vegeta: I must confess - you're stronger than I gave you credit for. But enough is enough.

Vegeta: Since you don't have your tail, I wouldn't expect you to know the form of a true Saiyan. Only the sight of a moon will reveal it. Watch and learn, weakling!

Krillin: Goku, can you hear me? Vegeta's too powerful for us in that giant ape form.

Gohan: Daddy, are you alright?

Goku: Don't worry Gohan, I... I think I'm ok.

Krillin: Wait... what is that?

Krillin: Hey, Yajirobe is here! He cut off Vegeta's tail! it is about time he did something useful!

Gohan: Look! He is transforming back to normal!

Vegeta: No... This isn't possible... my tail...!

Krillin: Way to go, Yajirobe! Without his tail, Vegeta can't transform anymore. Gohan...? Oh no! Gohan is beginning to transform now too.

Krillin: Wow, Gohan sure did a number on Vegeta! We need to kill Vegeta now that he's vulnerable!

Goku: Stop! Don't do it, Krillin! That's not the way to end this...

Krillin: But Goku, after all he's done to our friends you're just going to let him get away?!

Goku: I don't feel right about this, Krillin. We need to show him mercy.

Krillin: Ok Goku, I just hope we don't end up regretting this!

Vegeta: I've somehow been defeated by this common Saiyan. I'll have my revenge once I recover from this... Perhaps I'll go to Namek and collect the Dragon Balls there. Then eternal life and limitless power will be mine!

Krillin: He is run away, Goku. I sure hope you're right about letting him go...

Goku: Hey Gohan, are you alright?

Gohan: I'm ok daddy, are you ok?

Goku: Yeah, I'm alright but I think I have some serious healing to do!

Krillin: Chi-Chi's going to send you guys to the hospital!

Goku: What?! Oh no, not that!

Krillin: Well, the sooner you're healed, the sooner you can meet the rest of us on the planet Namek! Gohan, Bulma and I had better start heading to Namek right away. You can catch up with us using a Capsule ship as soon as you're better, Goku!

Goku: I guess that's what we have to do. See you all on Namek!

Frieza Saga

Namek

Goku: Something awful has happened here...

Namek: H-Have you s-seen any saplings, friend?

Goku: I'm sorry... I'm not sure what you mean.

Namek: Our trees must be saved... They once g-gave life to our world, but are now vanishing. These evil ones who have a-attacked our world, they are k-killing us and our source of life. I must p-plant the saplings before I can rest. If you find any baby t-trees, will you please plant them for me? It's our o-only hope for the future...

Goku: This poor guy seems to be traumatized. If I come across any, I should help him out.

Namek: *sniff* We thank you, stranger... Please, friend... there are still more saplings to save...

Goku: The door is fused shut. It looks pretty destroyed anyway.

Narrator: This tree will grow big and strong one day.

Namek 2: They're looting and destroying our people's buildings! They're in the temple now...! *cry*

Namek 3: Hmm, you don't look like Frieza or one of his men. Those fiends who brought death to my village.

Goku: This Frieza must be looking for the Dragon Balls, like me. But I want to use them to wish my friends back, not for power! I wonder if Frieza and Vegeta are connected somehow...

Namek 3: My present weakness saddens me. I weep knowing that I can do nothing to save the Dragon Balls or the ancient artefacts of my people.

Goku: What's this about ancient artifacts?

Namek 3: Three precious artifacts lie in a temple to the north of here. These artifacts must be placed on their protective pedestals in the heart of the temple. When all three are placed, they shall be saved. For the love of Namek and our people, please do this. I beg you.

Goku: I'll take care of it, don't worry.

Namek 4: *sniff* Only me and my older brother are left.

Goku: What happened here?

Namek 4: Those men came here for our Dragon Ball. They took it and left. We have nothing now! *cry*

Goku: ...

Namek 4: ... don't hurt me.

Goku: It is ok. I'm here to help.

Namek 4: D-don't come closer.

Namek 5: ... everything is gone... all of our people... our sacred structures...

Goku: Wow, this is sure an old temple.

King Kai: Hello, Goku?

Goku: King Kai?

King Kai: Your friends, Tien, Yamcha, Chiaotzu, and Piccolo are all up here with me! I'm training them hard! And teaching them jokes too! If Gohan and Krillin can get the Dragon Balls from Frieza and his henchmen, we'll be able to wish Piccolo back to life, which will bring the Earth Dragon Balls back...

Goku: Great! I haven't seen them yet, but I hope everything is ok.

Namek: The threes... thank you for helping me save an important legacy of our

planet.

Narrator: Banished will be he who keeps from his village. Give freely to your brothers, and honor will be yours. Wither under your enemy and your name will be eternally shamed. Once you accept your fate, you will know no bounds. Youth will be treated with respect, for they will replenish the planet. Remember that a scorned youth could be a future enemy. Blind strength will bring darkness to Namek. Wisdom will always prevail over brutality.

Goku: I have all the artefacts! Now all I need to do is find where to place them...

Goku: What was that sound? I thought I heard it coming from the left... I have a bad feeling about this teleport...

Goku: Are you ok, Gohan?

Gohan: Hey dad! Bulma told us you were on your way to Namek! But I don't think we can beat these guys. These are some of Frieza's best warriors! We have to stop them somehow.

Goku: Hey Krillin, looks like you guys have your hands full here!

Krillin: Wow! I'm so glad you made it, Goku! We were really worried. This monster Frieza, he's trying to get the Dragon Balls of Namek. And he's destroying everything in his path! His elite fighting force, the Ginyu Squad is here!

Recoome: Come and get it, shorty!

Krillin: You can beat 'em, Goku!

Vegeta: So you decided to show up, eh Kakarot?

Goku: Vegeta?! What are you doing here?

Vegeta: I'm here to get the Dragon Balls you idiot! Your little friends and I have formed a team. You see, we have a common cause - none of us want Frieza to have the Dragon Balls!

Goku: ...

Vegeta: You seem more powerful than the last time I was you, Kakarot.

Strange...

Recoome: Buzz off tiny, unless you want some of this.

Goku: This is for my friends...!

Recoome: I'll get some exercise this time! Argh.

Burter: I hope you're ready for a real fight, little guy! He's too good! Ungh!

Captain Ginyu: A Saiyan... without a tail... ha! Very interesting.

Goku: ...

Captain Ginyu: I will enjoy watching the Ginyu Squad defeat you. Perhaps they have a special pose they would like to perform after wiping you out. Besides, I'd rather not break a sweat.

Jeice: You may have had a chance against the other members if the Ginyu Squad, but now prepare for a real fight! I can't believe I've been beaten...

Captain Ginyu: You defeated Recoome, Burter and Jeice? Hmph. Obviously you are more of a challenge than I expected. No matter, this will be an excellent opportunity for me to showcase my marvellous strength... and my new pose. Ugh! I had a fantastic new pose ready for when I defeated you, and now nobody will see it...

Goku: The Ginyu Squad wasn't as tough as their reputation. I need a real challenge. Where is Frieza? I can see his ship to the East...

Goku: This must be an outpost for Frieza's forces... Hmm, I think I can see Frieza's ship over the cliffs to the east! It looks like I could fly into the top of the ship. There seems to be just enough power in this rejuvenation chamber for one more use. I should only use this rejuvenation chamber if I'm strong enough to beat Frieza. After this, there is no turning back!

Gohan: Dad, Frieza is on his way here!

Vegeta: Get into that rejuvenation chamber, Kakarot. Frieza will be here soon...

Krillin: Hey, do you like my new armor?

Goku: Not bad.

Krillin: We got re-equipped in the armory. You need to rest in the rejuvenation chamber. Frieza will be here soon.

King Kai: Goku, good luck!

Goku: Thanks, King Kai.

King Kai: Now that your friends have wished Piccolo back to life, the Earth Dragon Balls are back! Mr. Popo is collecting them so that we can wish everyone that Frieza has killed back to Earth... Namek is unstable, Goku! You must defeat Frieza and escape before it is too late.

Gohan: Dad, Frieza just killed Vegeta! You have to stop him! Be careful, dad!

Krillin: Frieza is over the hills to the North-East. *shivers* He is awful, Goku. If you don't stop him, nothing will stand in his way, Goku!

Frieza: So this is the little monkey who seeks to spoil my plans... After I've put you down, I'll find another way to gain immortality through the Dragon Balls. I cannot be defeated. Congratulations, Saiyan. You've actually pushed me to my next form. Prepare for a true battle now! Wipe that smirk of your face, monkey. My third form is far more powerful than this one. Behold.

Frieza: I'm impressed. It looks like you will be the first to witness my final and most awesome form. Do you realize now that you can't win?

Krillin: Don't listen to him, Goku! You can do it!

Frieza: I've had enough of your mouth, little one!

Krillin: Aghhh, Goku, help me!

Goku: Krillin!!! No!!! How dare you Frieza! You've pushed me too far now - I've become a Super Saiyan! Your time here is at an end!

Frieza: Super or not-super, you are taking your last breaths, monkey. This planet is breaking under the stress of our battle. Die!

Frieza: Beaten by... a monkey... how...? At least I die knowing that you will go with this planet's destruction.

Goku: Live or die, I can rest knowing that your evil stops here.

Narrator: The evil tyrant Frieza was defeated at the hands of Goku, the legendary Super Saiyan. Back on the planet Earth, Goku's friends use the power of the newly restored Dragon Balls to wish all of Frieza's victims back to life. The Namekians, now on Earth and without a world of their own, wonder what the future will hold for their people...
