authored by Michael Leal <maikutx at awesomenet dot net>  
with contributions from many, many people. :)

This FAQ can be found on the following websites:

<http://www.gamefaqs.com>

<https://www.neoseeker.com>

If you want to use this FAQ on your site, e-mail me, or contact me via AIM  
(nickname Maikeru1984)

This FAQ is not to be altered in any way, and if you wish to use information from it, please credit me, or at least put up a link to the FAQ. It would be very appreciated, considering I spent many hours of my life finding several of the hidden characters. I'd, at least, like to be acknowledged for that work!

WHAT'S NEW?

----

version 1.21, 8/9/02 : Added another site to the authorized website list, but nothing else is new.

version 1.2, 8/7/02 : Added stuff here and there. Nothing big.

version 1.1, 7/25/02 : A lot. Moved characters around-- namely Gary Albright, the Shiek, etc. Corrected three names, as well. I still need a fed for the Gracie family, but I'm guessing it's PRIDE.

version 1.0, 7/22/02 : Everything! Compiled information from GameFAQS board and other contributions.

#### 0. HOW TO UNLOCK HIDDENS

Hiddens are mostly unlocked by way of the scouting option in Management of Ring. It is the first option in the third menu of the mode-- essentially, you select a scout, have them look around the world for wrestlers fitting a style, and you might just get a new wrestler for the taking. Some of them are rookies, such as Kenzo Suzuki and Hiroshi Tanahashi, members of Kensuke Sasaki's Swing-Lows team, but there are also legends to be had-- Hansen, Baba, Inoki, and others come to mind.

The menu is like so:

Scout: ??? - MP 600

Devil Masa (Masa Saito, NJPW) - MP 500

Richter Madness (???) - MP 400

Willy ??? (Wally Yamaguchi, AJPW) - MP 500

Mr. Question (???) - MP 300

Style: Strong (NJPW)

Ouja / King's Road (AJPW and NOAH)

Showman (Some members of FMW, WWE, WCW, many Americans)

Stoic (Shootfighting style)

Lucha Libre (Pretty self-explanatory; if not, then Mexican wrestling)

Hardcore (Some of FMW, some of WWE [like the Dudley Boyz])

Freestyle (Dedicated to winning. The two former W.A.R. members seem to use this.)

Any style (Anything. It's not very useful, really)

Country: Japan

America

Mexico

Europe

anywhere (Several wrestlers can only be found this way, it seems)

Months of searching: 1 to 12 months. The more time you dedicate, the better your chances of getting a wrestler. However, it also gets expensive, but... if you're successful enough, a few thousand bucks won't matter, right? ^\_^
