A day of non－stop working

When you wake up gather all eggs，milk and wool from your animals in the barn and if your plants are ready to be harvested harvest them．Go to the mountains and gather all gatherable things then put it on the shipping bin．Head to the mine bring your basket if you have then start breaking stones（I suggest that you saved your game inside the mine then start smashing the rocks，memorized the
rocks that have something profitable inside them then load your game then smash the rock you memorized put them in the basket get out of the mine then get inside then do it all over again it might take your time but it worth it because you can save energy to fill your basket.) after that throw the things you have in the basket in the shipping bin and sit in the hot spring for about an hour then head to the mine and fill your basket put them in them in the bin. If you have some time you can fish by the water that flows in your farm and ship them. I think you can earn 2,000 +++ if you keep working in that way.
\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$
Profitable plants that can make you super rich

I suggest that you plant many of these plants I have listed:

Pineapple
Green pepper
Sweet potato

They are really profitable.
\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$
KNOWING WHO WILL WIN THE HORSE RACE!

Head to the rose square but don't enter yet save your game then enter (DON"T FORGET TO BRING YOUR BASKET). Witness all the races and write all the winners (don't blame me if the winners you have listed don't win because sometimes they really change...). Load your game then enter. Place many bets on the name you have listed after all the races exchange your medal for truffles and stuff them all in your basket then next morning dump them in the shipping bin and note truffles sell 500 each you'll earn about let's see 500 x 30 about 15,000.
\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$
Mining

Why mine?
Well mining is one way to earn money. First of all, there are to mines one is the spring mine located near the hot spring the other one is the winter mine hence the name it's only accessible in the winter season. On the spring mine you can find ores like gold ores, bronze ores, silver ores, adamantite, mystrile, orichalc and others. At the winter mine you can find moneymaking stuff like amethyst, sand rose and others. Well there are two things you should bring to the mine one is the hammer for smashing rocks and hoe for digging stairs.
\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$ Fishing

Fishing is also one way to gain extra income. You can fish at different areas like the ocean, river, lake and others. Upgrade your fishing rod to mystrile so you can fish large fish
\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$
