Legal Information:

I wrote this guide and it is illegal for you to use this for anything other than personal/private use. Selling this guide is illegal. If you want to use this on your web-site e-mail me asking for permission and give me your sites URL. If your site has something to do with Harvest Moon, Video Gaming or FAQ's/Walkthrough and/or guides I will most likely let you use it. Currently the only sites allowed to use this guide: <http://www.gamefaqs.com>, <http://www.geocities.com/rowanfighter/harvestmoon.html> and <http://www.wogaming.com>. Please note that I will not be including recipes in my guide or where to get food you can get by cooking. I also will not have information on how to get the other houses.

I will not be updating this guide any more All e-mail concerning adding or changing info on this guide will be deleted*

06/19/05 Version Final- Added more information

11/15/04 Version 3.0- Added some information

10/14/04 Version 2.9- Added where to get the stocking

08/20/04 Version 2.8- Made some corrections

07/04/04 Version 2.6- Add a piece of information

05/30/04 Version 2.5- Made minor corrections

03/05/04 Version 2.3- Added some minor information in Special Items

02/27/04 Version 2.2- Added Awl items that you get in Fomt by connecting

02/12/04 Version 2.0- Added some missing information

01/18/04 Version 1.9- Added stuff to special items section, My email account was overloaded with Junk Mail and I may have deleted important messages so If you have e-mailed me recently and I didn't respond send me an e-mail again.

01/13/04 Version 1.5- Added a few minor things.

01/05/04 Version 1.4- Added golden lumber to special items section. I listed where to get the goddess, kappa and truth gems.

11/11/03 Version 1.0

Found by collecting all 9 Kappa jewels, regains your Fatigue when equipped

Gem of Truth-

Found by collecting all 9 truth jewels, displays your fatigue and strength

Teleport Stone-

Found In: Floor 255 of the spring mine after year 3

You get to teleport anywhere in Mineral town

Recipe-

Found In: Floor 255 of the spring mine

Gives you the recipe for Fried Potatoes

Ball- Credit goes to JC for telling me what the ball does

Found In: Buy from Won for 100G

Throw to your dog and it makes him come to you better. He can come to you from anywhere on the farm.

Frisbee-

Found In: Buy from Won for 5000G

Throw to your dog on the beach and make him better for the Beach Festival

Golden Lumber- Credit goes to BrMPro15@aol.com and Shao-Ti

Found In: Given to you by mayor when you do a favor for him (He'll come to your farm to ask) or by having 999 pieces of lumber, or by winning it in the goddess festival by guessing 50-59 times

Its indestructible but if you put it in your field all the villagers will yell at you until you remove it.

Sunblock- Credit goes to Shao-Ti Meredith and Tim Fay

Found In: Win in Goddess Game Show by guessing 15-19 times or exchange 30 medals for it from the Horse Race

Give it to a girl as a gift

Book from Harvest Goddess- Credit goes to Shao-Ti Meredith and Annika

Found In: Win in Goddess Game Show by guessing 100 or more times

Can be given as a gift to Mary(Unconfirmed)

SUGDW, HMSGB and AEPFFE Apples-Credit goes to Butterfish and Katterree Fengari

Found In: Buy from Won for 500G

Won will come to your house (When he comes is completely random but he'll show up at your door after you leave your house) and ask if you want to buy one.

These apples only have three known uses. The first is that they count towards the shipped items so you'll need to ship them if you want to marry the Harvest Goddess. The second is when the Mayor comes to your house and he will ask for a random item for a contest. One of these apples might end up being that random item. The third is that they are used to complete the recipie list. (*Note Please don't ask me for the recipies)

Stocking

Found In: If your good friends with Ellen then give her a ball of yarn in Winter between the 1st and 23rd and she will give you one

Hang this in your house and the Mayor will give you a gift on the Stocking

Festival. (Nothing great though)

Blue Power Berry- credit goes to scpizzaguy

Found In: Throw a cucumber into the lake on Mother's hill, he'll pop out. The next day do it again and again the next day and so on until you get to the 10th day and he'll give it to you. It's recommended that you save before throwing in the cucumber.

Reduces the affect bad weather has on you

7. Tools

Cursed tools can be found in the winter mine after all your tools are at the Mystril level and will become blessed after completing certain requirements.

Upgrades Cost: Copper-1000G, Silver-2000G, Gold-3000G, Mystril-5000G, Mythic-50000G. Upgrades can be obtained by taking ore and your tool to the blacksmith.

Hoe-

Found In: Toolbox, Cursed: Floor 39

Used in the mines and to plow your field. You need to plow your field before planting seeds.

Sickle-

Found In: Toolbox, Cursed: Floor 79

Used to cut grass and weeds. Grass can be used to feed livestock.

Milker-

Found In: Buy from blacksmith for \$2000G

Get milk from full-grown cows.

Clippers-

Found In: Buy from blacksmith for \$1800G

Get wool from sheep.

8. AWL Items:

This section includes items that you get in Friends of Mineral Town by connecting to A Wonderful Life on your gamecube. I've obtained this information from my friend Craig who has an imported version of AWL. Note that

there may be some differences to these items in the Japanese and North American versions. Certain items may require connecting multiple times before they appear in your game.

Credit goes to Bill Toivonen for telling me that the name is actually Van not Ban.

Record Player-

Found In: Buy from Van the merchant for 2000G on the 2nd floor of Doug's Inn.

Plays Records

Records-

Found In: Buy from Van. The first record is 500G and it will keep going up by 100G until you've bought them all. There are 10 records in total so the last record will cost 1400G. Every time you connect (after you buy the record player) he will have a new record for sale.

9. Credits/Special Thanks:

Natsume for making this game.

Gamefaqs for allowing me to post my guide

BrMPro15@aol.com for telling me about the golden lumber

Jehuty666 for suggesting I list where to get the truth gems

JC for telling me what the ball does

Shao-Ti Meredith for giving me a lot of information on the Harvest Goddess Game Show

Tim Fay for providing missing information

XFLiPAAtaCkx for making a correction

Craig for the information on items you can get by connecting to the gamecube version.

Butterfish for the information on the apples Won sells you.

Supergreymoon for some information on the horse race

Bill Toivonen for making a name correction

Annika for providing a piece of information

Katterree Fengari for providing a piece of information

Cubebrothers for correcting a spelling error

Stacy Nguyen for some information

PolskaSpic4Life for some information and reminding me about the medicine

scpizzaguy for reminding me I forgot to add the blue power berry

10. Final Words:

Please don't email me asking for the ROM to this game or any game for that matter. Do not send me any Spam. If you notice any errors in my guide or would like to add anything please e-mail me, I will fix/add it and credit you.
