/ How the Story Began #2 /

This is Dreamland. In Dreamland, there is a fountain called the Fountain of Dreams. It held the dreams of all beings in Dreamland. It also gave the rest from a full night of sleep. Then everyone couldn't dream! The greedy King Dedede was taking a bath in the Fountain! He broke the source of its power,the Star Rod,and gave them to his servants! Kirby now has to get the Star Rod back! And in one piece!
