Shadows jin for just about all the monster info in this guide.

r.cavan for the info on numbers 38 and 42.

master sord for numbers 41, 90, 93, 95, 100, 102, 104, and 105.

Miko for lots of minor things.

Steve Knight for 062.

Pichaya Reansuwan for 089, 091, 098, 108, 131, 156, 158, 161, 162, 178, 179, and 181.

Notepad for being so simple and funny looking.

VII. Version Updates

0.00- First night working on it.

0.5- Copied and pasted the stuff that shadows jin emailed me. Thanks dude.

0.51- Oops, messed up on the first one because it was put under FAQs/Guides in the list so this will hopefully help.

0.6- Added 038 and 042 which I got from r.cavan and made a couple other minor changes.

0.65- Added a bunch of monsters from master sord and minor changes from Miko. Also listed the sites that are allowed to use this FAQ.

0.7- Added 13 monsters to the list. I'll go through the rest of my emails with monster info in them once my account starts to fill back up.

Here are the sites that have my permission to use this FAQ:
