## Lyrics

This game does NOT have the full version of any song, only a part of each. The game's songs do not always begin at the beginning of a song. Many words are different for a number of reasons:

- Curse words replaced with more child-friendly words
- Words based on gender (female version shown in parenthesis)
- Creators of the game not following the exact lyrics

What is shown in the game is what is displayed in this document.

### "I Will Survive"

So you're back  
From outer space  
I just walked in to find you here  
With that sad look upon your face  
I should have changed my stupid lock  
I should have made you leave your key  
If I had known for just one second  
You'd be back to bother me

Go on now go walk out the door  
Just turn around now 'Cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
You think I'd crumble  
You think I'd lay down and die  
Oh no, not I  
I will survive  
As long as i know how to love  
I know I will stay alive  
I've got all my life to live

I've got all my love to give  
And I'll survive  
I will survive

## "I Wanna Dance With Somebody"

---

Clock strikes upon the hour  
And the sun begins to fade  
Still enough time to figure out  
How to chase my blues away  
I've done alright up till now  
Its the light of day that shows me how  
And when the night falls the loneliness calls

Chorus: Oh I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah I wanna dance with somebody  
With somebody who loves me  
Oh I wanna dance with somebody  
I wanna feel the heat with somebody  
Yeah I wanna dance with somebody  
With somebody who loves me

## "Twist and Shout"

---

Well, shake it up, baby, now  
Twist and shout  
Cmon cmon, cmon, cmon, baby, now  
Come on and work it on out

Well, work it on out, honey  
You know you look so good  
You know you got me goin, now  
Just like I knew you would

Well, shake it up, baby, now  
Twist and shout

## "Escape"

---

Here's how it goes  
You and me  
Up and down  
But maybe this time  
We'll get it right  
Worth the fight  
Cause love isn't something you can shake  
When it breaks all it takes is some trying

If you feel like leaving  
I'm not going to beg you to stay  
But soon you'll be finding  
You can run  
You can hide  
But you can't escape my love

You can run  
You can hide  
But you can't escape my love

## "Evergreen"

---

Eyes like a sunrise  
Like a rainfall down on my soul  
And I wonder  
I wonder why you  
Look at me like that

What you're thinking  
What's behind  
Don't tell me  
But it feels like love

I'm gonna take this moment  
And make it last forever  
I'm gonna give my heart away

And pray we stay together

'Cos you're the one good reason  
You're the only girl (boy) that I need 'Cos you're more beautiful  
Than I have ever seen  
I'm gonna take this night  
And make it evergreen

## "A Moment Like This"

---

What if I told you  
It was all meant to be  
Would you believe me  
Would you agree

It's almost that feeling  
That we've met before  
So tell me that you  
Don't think I'm crazy  
When I tell you love  
Has come here and now

A moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss

Ooooooh I can't believe  
It's happening to me  
Some people wait a lifetime  
For a moment like this

## "Thank You"

---

My tea's gone cold I'm wondering why  
I got out of bed at all  
Morning rain clouds up my window  
And I can't see at all  
Even if I could it would all be gray  
But your picture on my wall  
It reminds me that it's not so bad  
It's not so bad

And I want to thank you  
For giving me the best day of my life  
Oooh just to be with you  
Is having the best day of my life

## "Genie In a Bottle"

---

I feel like I've been locked up tight  
For a century of lonely nights  
Waiting for someone to release me  
You're licking your lips  
And blowing kisses my way  
But that don't mean I'm gonna give it away  
Baby baby baby

Ooooo my bodies let's go  
Ooooo but my heart is saying no  
If you wanna be with me  
Baby, there's a price to pay  
I'm a genie in a bottle  
You've got to rub me the right way

If you wanna be with me  
I can make your wish come true  
Gotta make a big impression  
I gotta like what you do  
I'm a genie in a bottle baby

## "Livin' La Vida Loca"

---

She's into superstition  
Black cats and voodoo dolls  
I feel a premonition  
That girl's gonna me me (you) fall

She's into new sensations  
New kicks in the candle light  
She's got a new addiction  
For every day and night

She'll make you take your clothes off  
And go dancing in the rain  
She'll make you live a crazy life  
But she'll take away your pain  
Like a bullet through your brain  
Come on! Upside inside out  
Livin' la vida loca

She'll push and pull you down  
Livin' la vida loca  
Her lips are devil red  
And her skins the color mocha  
She will wear you out

Livin' la vida loca  
Come on! Livin' la vida loca  
Come on! Livin' la vida loca

## "Bye Bye Bye"

---

I'm doing this tonight  
You're probably gonna start a fight  
I know this can't be right  
Hey baby come on

I loved you endlessly  
And you weren't there for me  
So now it's time to leave  
And make it alone

I know that I can take no more  
It ain't no lie  
I wanna see you out that door  
Baby bye bye bye

Don't wanna be a fool for you  
Just another player in your game for two  
Cos you may hate me but it ain't no lie  
Baby bye bye bye

Don't really wanna make it tough  
I just wanna tell you that I had enough  
It might sounds crazy but it ain't no lie  
Baby bye bye bye

## "Baby One More Time"

---

Oh baby baby  
Oh baby baby  
Oh baby baby  
How was I supposed to know  
That something wasn't right here

Oh baby baby  
I shouldn't have let you go  
Now you're out of sight yeah  
Show me how you want it to be  
Tell me baby cos I need to know now  
What we've got

My loneliness is killing me. And I  
I must confess I still believe  
Still believe  
When I'm not with you I lose my mind  
Give me a sign  
Hit me baby one more time

## "I Want It That Way"

---

You are my fire  
The one desire  
Believe when I say  
I want it that way

But we are two worlds apart  
Can't reach to your heart  
When you say  
I want it that way

Tell me why  
Ain't nothing but a heartache  
Tell me why  
Ain't nothing but a mistake  
Tell me why  
I never want to hear you say  
I want it that way

## "Oops!...I Did It Again"

---

Yeah yeah yeah yeah yeah yeah  
Yeah yeah yeah yeah yeah yeah  
I think I did it again  
I made you believe  
We're more than just friends

Oh baby  
It might seem like a crush  
But it doesn't mean that I'm serious 'Cos to loose all my senses  
That is just so typically me

Ooo baby baby  
Oops I did it again  
I played with your heart  
Got lost in the game

Ooo baby baby  
Oops you think I'm in love  
That I'm sent from above  
I'm not that innocent

## "Fast Love"

---

Looking for some education  
Made my way into the night  
All that foolish conversation  
Baby can't you read the signs

I won't bore you with the details baby  
I don't even want to waste your time  
Let's just say that maybe  
You could help to ease my mind

Baby I ain't Mr. (Mrs.) right  
But if you're looking for fast love  
If that's love in your eyes  
It's more than enough  
Had some bad luck  
So fast love  
Is all that I've got on my mind

## "Like a Virgin"

---

I made it through the wilderness  
Somehow I made it through  
Didn't know how lost I was  
Until I found you

I was beat  
Incomplete  
I'd been had  
I was sad and blue

But you made me feel  
Yeah you made me feel  
Shiny and new

[Repeat 2x] Like a virgin  
Touched for the very first time  
Like a virgin  
When your heart beats  
Next to mine

Like a virgin

## "Let Me Entertain You"

---

Hell has gone and heaven's here  
There's nothing left for you to fear  
Shake your ass come over here  
Now scream

I'm a burning effigy  
Of everything I used to be  
You're my rock of empathy my dear  
So come on let me entertain you  
Let me entertain you

Life's too short for you to die  
So grab yourself an alibi  
Heaven knows your mother lied  
Mon cher

Separate your rights from wrongs  
Come and sing a different song  
The kettles on so don't be long  
Mon cher  
So come on let me entertain you  
Let me entertain you

## "Spinning Around"

---

I'm spinning around  
Move out of my way  
I know you're feeling me 'Cos you like it like this

I'm breakin' it down  
I'm not the same  
I know you're feelin' me 'Cos you like it

Traded in some sorrow  
For some joy that I borrowed  
From back in the day  
Threw away my old clothes  
Got myself a better wardrobe  
I've got something to say

I'm through with the past  
Ain't no point in looking back  
The future will be  
And did I forget to mention  
That I've found a new direction  
And it leads back to me yeah

I'm spinning around  
Move out of my way  
I know you're feeling me 'Cos you like it like this

I'm breakin' it down  
I'm not the same  
I know you're feelin' me 'Cos you like it like this

## "Waiting For Tonight"

---

Like a movie scene  
In the sweetest dream  
I have pictured us together

How to feel your lips  
On my finger tips  
I have to say it's even better

Than I ever thought  
It could possibly be  
It's perfect it's passion  
It's setting me free  
From all of my sadness  
The tears that I've cried  
I have spent all of my life  
Waiting for tonight

Whooooh-oooh  
When you would be here in my arms  
Waiting for tonight  
Haaauuu  
I've dreamed of this love  
For so long  
Waiting for tonight

## "Suspicious Minds"

---

We're caught in a trap  
I can't walk out  
Because I love you  
Too much baby

Why can't you see  
What you're doing to me  
When you don't believe  
A word I say

We can't go on together  
With suspicious minds  
And we can't build our dreams  
On suspicious minds

So if an old friend I know  
Drops by to say hello  
Would I still see  
Suspicion in your eyes

## "I'm A Believer"

---

I thought love was  
Only true in fairy tales  
Made for someone else  
But not for me

Love was out to get me  
That's the way it seems  
Disappointment haunted  
All my dreams

Then I saw her (his) face  
Now I'm a believer  
Not a trace  
Of doubt in my mind  
I'm in love  
Oooh I'm a believer  
I couldn't leave her (him) if I tried
