### ~~Section 4 FAQ~~

Q:)

i am at the end of sandy bay or beach and that girl ham wants me to give the blue tailed soccer ham the love note and i tried like a million times and i just cant get it???

A:)

\*Go back To Sandy Beach.

\*Use Thump-P On the mat. Now use Tah-Dah on the Ham with the blue tail. You give him the love letter. Somehow a new love is born. And saved. You learn Jamout.

Q:)

I'm

kind of stuck at a part. At part 5 (Boo Manor) when you have to say Gasp-P to the lost boy's mother, when I press the "A" button in front of her portrait, picture thingy, Gasp-P doesn't show up. Only Hamha, Hif-Hif, Tack-Q, DigDig, Lookie and Perksie are there.

A:) Round Up The Ham Rangers before going to Boo Mansion

Q:

I Go to the ham screen title.. I press Yep-P and a big black circle is in the way and the game freezes.. HELP!

A: This means.. You are using a rom. It is way way way worse then the actual game. I really recommend you get the real game... But if you are dirt poor.. then Press F9. The game will unfreeze, but the speed is horrible! Press F4 TWO times.. Then the speed will be ok.

Q.)Where is the 3rd board?

A.)In the clubhouse From boss after you get the puzzle in spat tower.

Q.)In your walkthrough.. where is Sandy Beach and Fun Park?

A.)I Got messed up with what people said on gamefaqs V\_V. It is Sandy Bay and Fun Land.
