-- Introduction --

Welcome to Mario Party 6. The sequel to Mario Party 5 (Which I have a FAQ on). In Mario Party 6, you get new and more MiniGames, new characters, and a sweet new microphone to use. You can also purchase things with the Stars you gain in different modes at the Star Bank. Which is what this FAQ is about.

To get Stars, play Party or the Star game with the Microphone. The stars you collect go into your funds to purchase things, which is what you need to get these things. Without further ado, here it is.

Note: Just because the file is labeled "Final", it doesn't mean it will never be updated ever again. A file is almost NEVER Final. So if you have information to add, please feel free to email me.

Well, thats a wrap. This is probably the shortest FAQ I have ever made, but I hope it helps somewhat. Anyway, If you want to find out what the Secrets and things do, check out another FAQ. There are a few good ones there. So have a nice day :).
