I: Introduction

I made this FAQ after seeing that many people have trouble understanding what the Lyrics for Shadow the Hedgehog songs are. All the Lyrics in the FAQ were understood by me by listening to the songs. Until Sonic Team release their album, I can not write the official lyrics. This FAQ will go through a Major update as soon as I get the official Shadow the Hedgehog Soundtrack. If you think some lyrics are wrong, feel free to e-mail me, if I think it does sound a lot better I will correct them and credit you in the credit section. Don't be offended if I don't correct it, it's probably that I just think that the lyrics you are sending me are not the right one. (That doesn't mean you are wrong, it could only be me that don't understand the right thing)

II: Contact info

email: shadowblackhedgehog@gmail.com

III: Informations

At least three quarter of those lyrics where obtained by listening to the songs and I completed what I was missing by browsing the messages on the Shadow the Hedgehog message board. This faq does not intend to take credit from anyone, so everyone I saw that post the lyrics for one of those songs will be given credit in the credit section. If your name is not there, please contact me and I will add it as soon as I receive it.

IV: Lyrics for I am (All of me) by Crush 40

(You have this song at the beginning of the game, this is the opening version of the song)

I see no, hear no evil
Black writings on the wall
Unleashed a million faces
And one by one they fall

Black hearted evil
Brave hearted hero
I am all, I am all, I am

I, I, I, I am

Here we go buddy, here we go buddy, here we go
Here we go buddy, here we go

Go ahead and try to see through me
Do it if you dare
One step forward, two steps back now
I'm here (One step forward, two steps back)

Do it, do it, do it, do it!

Can you see all of me?
Walk into my mystery
Step inside and hold on for dear life

Do you remember me?
Capture you or set you free
I am all, I am all of me
I am, I am all of me!

I am, I am, I'm all of me
I am, I am, I'm all of me
I am, I am, I'm all of me

Here we go
Here we go
I am, I am, I'm all of me
Here we go go go go go go go
I am, I am! I'm all of me

VI: Lyrics for All Hail Shadow

by Magna-Fi

(You get this song after beating the Hero path)

All hail Shadow

Heroes rise again

Obliterating everything that's not your friend

Nothing can stop you now

No ghosts to bring you down

When there's nothing left to lose you win

All hail Shadow

All hail Shadow

Suffer long and it will set you free

Only through trial do we find the strength we need

It's never over, just another day

Of hope and tragedies and everything that comes our way

Determination of the strong
Found the meaning that you searched for so long

All hail Shadow
Heroes rise again
Obliterating everything that's not your friend
Nothing can stop you now
No ghosts to bring you down
When there's nothing left to lose you win

All hail Shadow
All hail Shadow

Somewhere in chaos we all find ourselves
This destruction is the only tale we tell
White is black and black is white
Right is wrong and wrong is right
Nothing ever fills this hole inside your heart

Determination of the strong
Found the meaning that you searched for so long

All hail Shadow
Heroes rise again
Obliterating everything that's not your friend
Nothing can stop you now
No ghosts to bring you down
When there's nothing left to lose you win

All hail Shadow
All hail Shadow

All hail Shadow
Heroes rise again
Obliterating everything that's not your friend
Nothing can stop you now
No ghosts to bring you down
When there's nothing left to lose you win

All hail Shadow
All hail Shadow

VII: Lyrics for Chosen One
by A2

(You get this song by beating the semi-hero path)

I can't remember anything at all
I've been turning it all around
I'm sorry, oh so sorry
Is this what I have become?

Wish I may, wish I might
Be someone else tonight
Sometimes I wish I was never born at all
And I'll try to save the world

Cause in the end I know
I'm the chosen one
I'm the chosen one

I can't remember what I used to be
Something's turning me upside down
You made me
And I love you
But I can't change the things I've done
I'm the chosen one

Wish I may, wish I might
Be someone else tonight
Sometimes I wish I was never born at all
And I'll try to save the world
Cause in the end I know
I'm the chosen one
I'm the chosen one

The chosen one
I'm the chosen one

VIII: Lyrics for Waking up
by Julien-K

(You get this song by beating the neutral path)

Waking up, breaking out, this is what it's like to be free
Rip it up, tear it down, this is what it means to be free

Jet sounds a distant roar behind you
As you try to clear your head
You start to look and answers find you
Your inner purpose lies ahead

Waking up, breaking out, this is what it's like to be free
Rip it up, tear it down, this is what it means to be free
Waking up, breaking out, this is what it's like to be free
Rip it up, tear it down, this is what it means to be free

One step to calm a storm inside you
Unlock the secrets in your head
Not another day, no more confusion
No more living like you're dead

It seems it's just out of sight
The ones with answers always get their way
But I think they should know
That I'm coming from them

Now

Waking up, breaking out, this is what it's like to be free
Rip it up, tear it down, this is what it means to be free

Waking up, breaking out, this is what it's like to be free

Rip it up, tear it down, this is what it means to be free

Waking up, breaking out, this is what it's like to be free

Rip it up, tear it down, this is what it means to be free

IX: Lyrics for Almost Dead
by Powerman 5000

(You get this song by beating the semi-dark or dark path)

No more gods, no more graves
Are you friend or fiend?
No more life, no more death
Somewhere in between

No more gods, no more graves
Are you friend or fiend?
No more life, no more death
Somewhere in between

Well we're almost dead, almost dead, almost dead in the world
We're almost dead, almost dead, almost dead in the world

Heaven can't save us, hell is a joke
No place left to go
What you see you cannot believe
But when we'll rise you'll know

Well we're almost dead, almost dead, almost dead in the world
We're almost dead, almost dead, almost dead in the world

Well we're almost dead, almost dead, almost dead in the world
We're almost dead, almost dead, almost dead in the world

Well we're almost dead, almost dead, almost dead in the world
We're almost dead, almost dead, almost dead in the world

Well we're almost dead

X: Lyrics for Never Turn back
By Crush 40

(You get this song after beating the final boss of last story)

Whoa whoa whoa yeah
Whoa whoa whoa yeah
Whoa whoa whoa yeah

Whoa yeah

Whoa whoa whoa yeah
Whoa whoa whoa yeah

Whoa whoa whoa yeah

It's been a long, rough road
And I'm finally here
I move an inch forward
Feels like a year
Everything I feel seems so unreal
Is it true?
Is it true?

I take one step forward
And two steps back
Got a hundred thousand pounds
Sitting on my back
Up, down, all around
Don't know quite what to do
To get through

Well I'm on my way
On my way
On my way
On my way

Here I am, here I am
Made it to the end of you
You Never had a chance while I'm around
No! No!

No, no, no, no!

Well, now I'll never turn back, I'll never turn back
I'll never turn that way
No matter how life tries to face me
I'll turn the other way

Now and then, now and then
My head starts to spin, starts to spin
But I'll never turn back again
No! No!
From this moment on, moment on
I am moving on, moving on
And I'll never turn back
No!

Whoa whoa whoa yeah
Whoa whoa whoa yeah
Whoa whoa whoa yeah

I guess I'm moving all right and I'm on my way
Facing every moment day by day
Take a chance, go back, got no time to answer why
Head straight, head straight
What will I become if I don't look back
Give myself a reason for this and that
I can learn, no U-turns, I will stay right here where I'm at, where I'm at

But I'm on my way
On my way
On my way

On my way

Here I am
Made it to the end of you
You never had a chance while I'm around
No! No!

No, no, no, no!

Well now I'll never turn back, I'll never turn back
I never turn that way
No matter how life tries to face me
I'll turn the other way

Now and then, now and then
My head starts to spin, starts to spin
But I'll never turn back again
No! No!
From this moment on, moment on
I am moving on, moving on
And I'll never turn back
No!

Whoa whoa whoa yeah
Whoa whoa whoa yeah
Whoa whoa whoa yeah

I'll, I'll, I'll never turn back!

XI. Frequently ask Questions

There is none now, as the FAQ is new but I will answer two questions before you all ask about them ;).

Q) Are those lyrics official from Sonic Team?

A) NO they are not, they are what I understand in the songs, the FAQ will be update as soon as I get the official Soundtrack

Q) When will the official soundtrack be release?

A) I have no idea, I don't even know if they will make one. I just hope they will ^_^

XII: Informations About Official Soundtrack/Lyrics

If you do have some infos (with a place to verify them) please email me

For now, I emailed Sega and Jun Senoue and got no helpful answer yet.
I will update this everytime I get new infos

XIII: Uncertain Corrections

In this section I will write the corrections I received but did not change. If I did not change them, it's because I am unsure if they are right or not, but since I might have made mistakes, the corrections are still put here, you can judge if they are right or not.
