=====  
1.) Introduction  
=====

Howdy and welcome to my Equipment List guide for Skies of Arcadia Legends. SoAL is one of those games that you can't forget once you play it. Many people felt that way towards the Dreamcast version, and once the Gamecube version was released, many more people fell in love with this classic. This guide will list all the weapons, armor, and accessories in the game.

=====  
2.) Legal Stuff  
=====

The latest version of this guide will always be posted at GameFAQs first.

This FAQ is copyrighted by me, and may be used for personal use. This FAQ may NOT be used for any kind of profit, or be put in any kind of magazine. I write these on my spare time for free, and you shouldn't be able to get money from ripping this, claiming it as your own, and selling it off. You may NOT use this on your website. You may NOT copy and paste part of any part of my work, as that is still plagiarising.

I am no longer allowing any more sites to use any of my present or future FAQs any longer. The only sites that are allowed to use my present and future FAQs are the sites listed below.

6.) Credits/Thanks  
=====

GameFAQs and the other hosting sites: For hosting this guide.

Sega: For this wonderful game.

FAQ Contributor Boards: You guys are the best.

And a huge thanks to you, the readers. Without you guys, I wouldn't be doing these guides in the first place.
