1. DISCLAIMER-

This document was written by Angel Blade27. (Kristina if you must know) None of the pieces in the text were copied from anywhere other than my good old Game cube screen, and all of it was earned by my hard work. Some parts such as the stats come from the walkthrough I used though. I am not associated with Nintendo, Namco, Game cube, or any other big shot company, and no one is allowed to rewrite this text, sell it for money, or steal it. It's only currently available on <https://www.neoseeker.com>

-CREDITS-

I wrote this document myself. I worked hard to earn all the titles, and I hand wrote all of the stats onto a notebook whilst playing to type it onto here. Well I had to use the walkthrough to introduce the characters, and get some of the stats of the titles, but that's it. Currently I don't have any websites to help me, just the walkthrough for the ?HP, DEF, STR? etc etc, and for the ?Conditions?.

## 2. UPDATES-

-July 27, 2004: I just realized every time I make a F.A.Q., I use the same introduction, credits, disclaimer's, and yada yada. That isn't stealing is it? I mean I'm the one who made them anyways. Heh? Anyways I'm going to try to write this all in one day, since neoseeker somehow won't let me update. Hopefully it works! (it always says my text isn't in .html form, when it is -.-? )

-3 hours later- I'm done I'm done! Now I just have to submit this to Neoseeker, and hopefully it'll be accepted, heh. I got shoulder cramps for typing all that in one go? Stupid me for trying to get this submitted early :P

## 3. CHARACTERS-

Lloyd Irving: Lloyd is the courageous young man who is the main protagonist of this story. Found abandoned in the woods as an infant, Lloyd was raised by his dwarven stepfather, Dirk. He travels through Iselia Forest every day to attend the school in Iselia Village. Though his heart is extremely large and there are a few places he fears to tread, Lloyd is not academically gifted. Sometimes his lack of common sense confuses and bewilders his best friend, Genis. Lloyd's fondness for Colette drives him to accompany the Chosen on her perilous journey to regenerate Sylvarant and replenish the world with mana, the essence of life and magic. Little does Lloyd realize that this journey is deeply tied to his unknown past, and that the truth behind his birth lies ahead.

Colette Brunel: Born in Iselia Village holding a Cruxis Crystal in her hand, Colette was instantly recognized as the new Chosen of Mana. The purpose of the Chosen is to enter the Tower of Salvation and revitalize the supply of mana in the decaying world of Sylvarant. Descended from angels, Colette spent her childhood years preparing for the Journey of World Regeneration. She became a good friend to classmates Lloyd and Genis. Colette sometimes seems clumsy and bubbly, but in truth she is a responsible young woman who understands that the fate of the whole world lies in her hands.

Genis Sage: Genis lives in Iselia Village with his sister Raine. Lloyd is his best friend. Unlike Lloyd, Genis is an incredibly intelligent child prodigy. Sometimes his brains get the better of him, and he enjoys making fun of Lloyd's dimwitted remarks. However, he secretly idolizes Lloyd, and Genis often shares his most precious secrets with his schoolmate and chum. Genis is intelligent enough to control powerful magic spells, and through this he proves to be an invaluable comrade in battle.

Kratos Aurion: Kratos is a mysterious mercenary who travels to the Iselia region at the time of the Chosen's Journey. After Kratos saves Colette from Desian attackers, he is hired by Colette's grandmother to protect the Chosen as

she travels to the Tower of Salvation. Kratos is a thoroughly trained and skilled swordsman. In spite of immediate friction between himself and Lloyd, he takes a keen interest in the boy's development and training. Kratos handles every situation with a somewhat cold attitude, but the logic of his actions is undeniable. Still it is difficult for Lloyd to trust this secretive man.

Raine Sage: Raine is Genis's sister, and the teacher of the students at Iselia Village. Sylvarant is nothing like our world, and so Raine has no problem administering corporal punishment to her students. Lloyd is especially bad in class, and often suffers punishment. A dichotomy in personality, Raine handles most situations in a cool and logical manner. However, whenever she discovers ancient ruins and archaeological relics, she cannot contain her enthusiasm. Her passion for history and literature indicates that just under her exterior, Raine's personality is overflowing.

Sheena Fujibayashi: Some antagonistic elements in Sylvarant oppose the Chosen's journey of regeneration. Seemingly acting on her own, Sheena is also attempting to stop Colette from completing her journey. However, at each attempt to kill the Chosen, she displays uncharacteristic clumsiness and fails. In spite of her "orders", Sheena is truly a kind-hearted young woman who merely wants to save her world, an alternate planet called Tethe'alla that is somehow connected to Sylvarant. As she travels the dying world, her feelings regarding her mission begin to change, and Sheena begins to search for a better way to save her world. The answer may lie in her untapped summoning abilities, but a tragedy in her past prevents her from wanting to create pacts with the elemental spirits of the temples.

Zelos Wilder: The Chosen of the flourishing world Tethe'alla, Zelos lives a life quite unlike Colette. Descended from a long line of Chosens, Zelos is a rich playboy and flirt who enjoys the nightlife of the imperial city, Meltokio. However, his flamboyant flirtatiousness may hide his true feelings regarding his role as the Chosen. Zelos is assigned by the Church of Martel to accompany Sylvarant's Chosen and keep tabs on her. But Zelos' agenda may run even deeper.

Presea Combatir: Though Presea appears to be a young girl, she has the combined strength of several fully-grown men. Her starry-eyed stare and blank demeanor indicate that something terrible happened to Presea in the past. Genis's instant fondness for her causes him to plead with the others to bring Presea along on their journey, so that her dilemma might be resolved. However, the party may be unwise to trust that Presea has not been programmed to cause greater harm.

Regal Bryant: A convict who attacks the heroes in the sewers of Meltokio, Regal displays an uncharacteristic persistence by pursuing them on their journey. Though Regal eventually surrenders and joins the heroes on their quest, he insists that his arms remain bound to atone for some heinous crime he committed in his past. Not a typical convict Regal displays a refined quality that is uncommon amongst criminals. His knowledge of Tethe'alla is surprising and also useless to the heroes.

## 6. ENDING

-Why did I start a Character Titles list?-

Well in the Tales of Symphonia forums, there?s a thread somewhere about the titles and stuff. I just did a little copying from the screen, and made the list. It?s to help people who like beating ALL of the game ^\_^

---

- Things to do ?

Well there isn?t really anything much for me to do, since I?m totally finished with this F.A.Q., I want nothing more to do with it. (the shoulders? they hurt :( ) But:

-Submit this to neoseeker

-Pray that neoseeker accepts it(I have it on .html? I swear I do!!)

-? Uh, post the link on the thread with the Character Titles questions I guess.

---

- CONTACT ME ?

If you have any questions about the F.A.Q., or about the game in general, give me an Email at orangeangelx13@aol.com or give me an IM at OrangeAngelX13. You can also PM me on neoseeker at Angel Blade27.

Hope this helped!!
