3. The Lyrics

Bring Tha Noize - Public Enemy & Anthrax

Bass! How low can you go?
Death row what a brother knows
Once again, back is the incredible
The rhyme animal
The incredible D. Public Enemy number one
Five-0 said 'Freeze!' and I got numb
Can't I tell 'em that I really never had a gun?
But it's the wax that the Terminator X spun
Now they got me in a cell 'cause my records they sell
'Cause a brother like me said 'Well
Farrakhan's a prophet and I think you ought to listen to
What he can say to you, what you ought to do'
Follow for now, power to the people say,
'Make a miracle. D, pump the lyrical'
Black is back, all in, we're gonna win
Check it out, yeah y'all, here we go again

Turn it up! Bring tha noize!

Never badder than bad 'cause the brother is madder than mad
At the fact that's corrupt as a senator
Soul on a roll, but you treat it like soap on a rope
'Cause the beats in the lines are so dope
Listen for lessons I'm saying inside music that the critics are
blasting me for
They'll never care for the brothers and sisters now across the
country has us up for the war

We got to demonstrate, come on now, they're gonna have to wait
Till we get it right
Radio Stations I question their blackness
They call themselves black, but we'll see if they play this

Turn it up! Bring tha noize!

Get from in front of me, the crowd runs to me
My deejay is warm, he's X, I call him Norm, ya know
He can cut a record from side to side
So what, the ride, the glide should be much safer than a suicide
Soul control, beat is the father of your rock'n'roll
Music for whatcha, for whichin', you call a band, man
Makin' a music, abuse it, but you can't do it, ya know
You call 'em demos, but we ride limos, too
Whatcha gonna do? Rap is not afraid of you
Beat is for Sonny Bono, beat is for Yoko Ono
Run DMC first said a deejay could be a band
Stand on its feet, get you out your seat

Beat is for Eric B, and L.L. as well, hell
Wax is for Anthrax, still it can rock bells
Ever forever, universal, it will sell
Time for me to exit, Terminator X-it

Turn it up! Bring tha noize!

From coast to coast, so you stop being like a comatose
'Stand, my man? The beat's the same with a boast dose
Rock with some pizzazz, it will last why you ask?
Roll with the rock stars, still never get accepted as
We got to plead the fifth, we can investigate
Don't need to wait, get the record straight
Hey, posse's in effect, got the Flavor Terminator
X to sign checks, play to get paid
We got to check it out down on the avenue
A magazine or two is dissing me and dissing you
Yeah, I'm telling you

Bonecracker - Shocore

I'm the bonecracker, I'm the bonecracker,
I'm gonna come from behind in the back attackka
I'm the bonecracker, I'm the bonecracker,
I'm gonna get in your mind and you'll find ill unwrap ya

sraight in your face im like mace
when you cry, you'll need a backbrace
the day that they find you unwind
you unbind you'll find that I'm lethal
I will give the beat to you in a hand-drill.

Inside, your mind,
inside your mind,
get it in, get it in,
come on get it in,
get it in, get it in,
come on get it in.

Get to the side 'cause I'm the bonecracker,
I'm gonna come from behind in the back attackka,
rock and a rhyme and I start with the basement,
down to your feet and it aint 'cause you're wet,
the crack in the back and the cruisers of the night
strip the pipe at the bull-tip right to the bull-bed.

Inside, your mind,
inside, your mind,
inside, your mind,
inside, your mind.

Get it in, get it in,
come on get it in,
get it in, get it in,
come on get it in.

I'm the bonecracker, I'm the bonecracker,
I'm gonna come from behind in the back attacka,
I'll track you back you track you so you track me,
drop down for the bonecrack 1-2-3!

Inside, your mind,
inside, your mind,
inside, your mind,
inside, your mind,
inside, inside,
inside your mind.

I'm the bonecracker.

come on get it in.

Polyamorous - Breaking Benjamins

The day has come to an end
The sun is over my head
My polyamorous friend
got me in a mess of trouble again
so
Just when you think that you're all right
I'm crawlin out from the inside
I never hurt anyone
I never listen at all

They've come to get me again
The cloud is over my head
My polyamorous friend
Got me in a mess of trouble again
so
Just when you think that you're all right
I'm crawlin out from the inside
I never hurt anyone
I never listen at all
just stay away from the white light
I'd say your worst side's your best side
I never hurt anyone
I never listen at all-

well how do you know?
well how do you know?

well how do you know?
well how do you know?

Just when you think that you're all right
I'm crawlin out from the inside
I never hurt anyone
I never listen at all
Just stay away from the white light
I'd say your worst side's your best side
I never hurt anyone
I never listen at all
Let's go

Firefly - Breaking Benjamins

You my friend
You're a lot like them
But I cut your line
And you know I did
Now I'm lost in you
Like I always do
And I'd die to win
'Cause I'm born to lose

Firefly
Could you shine your light
Now I know your ways
'cause they're just like mine
Now I'm justified
As I fall in line
And it's hard to try
When you're open wide

Take my hand
We'll be off and then
We'll come back again
To a different land
Now I like this way
You can go away
If you guess the name
You cannot replace

Firefly
Could you shine your light
Now I know your ways
'cause they're just like mine
Now I'm justified
As I fall in line
And it's hard to try
When you're open wide

Bring me your enemies
Lay them before me
And walk away

Firefly

Could you shine your light
Now I know your ways
'cause they're just like mine
Now I'm justified
As I fall in line
And it's hard to try
When you're open wide

F**k you firefly
Have you lost your light
Now I hate your ways
'cause they're just like mine
So you lost my friend
Such a sorry end
Now I don't know why
So I choke and smile

Alone - Zebrahead

I broke down on a Japanese street
Words unsaid they scar so deep
Bullshit, Palanuik both make me choke
Too much JD too much coke
She says speed up I want to go faster
She holds on but I outlast her
Build it up but what does that matter
We can build it up but we always watch it shatter

Get up the house is on fire
Get up I want to get higher
Get up you mother f**king liar

You make me feel alone
I burned out in Shibuya station
Lost all my friends hazard occupation
Manic Compression like quicksand slip
Ate too many mushrooms I'm gonna be sick
She says slow down you're going through the motions
I start to crash like a plane in the ocean
Build it up but what does that matter
When the shit goes down we all f**king scatter

Get up the house is on fire
Get up I want to get higher
Get up you mother f**king liar

I never said I wanted to try
Never said I wanted to live this lie
All you said was good-bye
All I ever said was to get me out of here
I focus on the flame
Set it off
Wasted what a shame
Set it off
Focus on the flame
Set it off

We were once the same

Get up the house is on fire
Get up I want to get higher
Get up you mother f**king liar

Falling Apart - Zebrahead

Stutter step through another trap set by deception
Mention rejection
Always lies in your eyes
Settles in your action
Jeopardize everything that I want
And I won't compromise anything anymore
In any way victimize myself any more
Liberty (YEAH)

Manipulations on my mind
Expectations well defined
Frustrate me
Liberate me
Cause everything's falling apart
You can't control me, You can't control me
Everything's falling apart
Now I can't see you
Doesn't matter what I do
I can't see you
Cause everything's falling apart

I got exposed to a deeper form of infection
Shout out "I need acception"
Always lies in your eyes
Settles in your action
Criticize everything that I do
And I will overcome anything that's in store
Nevermore look up to you and adore
Liberty (YEAH)

Manipulations on my mind
Expectations well defined
Frustrate me
Liberate me
Cause everything's falling apart
You can't control me, You can't control me
Everything's falling apart
Now I can't see you
Doesn't matter what I do
I can't see you
Cause everything's falling apart

Manipulation is on my mind
Inspect me - try to check me
Expectations well defined
Dissect me - want to wreck me
Violator of my own will
Accept me - reject me

Separate or SHOOT TO KILL

Manipulations on my mind
Expectations well defined
Frustrate me
Liberate me
Cause everything's falling apart
You can't control me, You can't control me
Everything's falling apart
Now I can't see you
Doesn't matter what I do
I can't see you
Cause everything's falling apart

CAUGHT, cause we never rest, drop this on ya

I rock heavy like a 70's icon
Led Zeppelin - Stairway to Heaven, my mind's gone
Even though I only did acid twice
My rap's a vice; your head's in it ask the price
For you to be released and me to be happy
With all of your suffering I'm brutally crafty
Coming up with the best selections
To get inside of you like I'm a chest infection
Your best protection is to get down and drown
Remember that the Members don't clown around

I'm found downtown with rolls of cash
My passion is smashing you disposable cats I'm old fashion
With swift abilities to lift and drop
And ambulant skill plus whip and chop
I dump on a chump and punk ya assoc ass
I'm done with rap, now I'm prepared to cash in

ROCK, we're the heaviest
STOP, or you're gonna get
CAUGHT, cause we never rest, drop this on ya

Attacking competition I'm back in my position
Pop off with the must stop opposition
You have to listen cause mad division of beauty and grace
See what I do to your face, might be me, might be my friends
I might need an alibi it all depends

I'm addicted to speed but not the drug
I lead by example my breed can hunt
Seen enough mayhem, step into the A.M
Weapons of contention for any given occasion
I attack with Battleaxe Warriors from the armory
Some of us kill you mentally; some of us hurt you bodily (Heavy)
A miracle of modern science
With the naturally passionate carnivorous diet (Heavy)
We're an anomaly, not a novelty
Enter at your own risk, private property
Do not trespass beware of dogs

Bear traps, alarms, and a right to bare arms
Where laws ain't applied my jaws homicide
The water ain't safe whoever said it was lied

Chasing After - Tantric

You said that you'd never hurt me
But you did anyway

My Piece of mind now deserts me
(It fills my mind with despair)
And here I lie

Down in the cold again
But still I do pretend
That I have no one
But myself to count on

Cuz I've tried to work things out
But a little mistake has slowed me down
To find out what I'm chasing after

Another day of this conflict
Once again I've bit my tongue

For this greater reward here
Life's turned into somewhat of a lie

Down in the cold again
But still I do pretend
That I have no one
But myself to count on

Cuz I've tried to work things out
But a little mistake has slowed me down
To find out what I'm chasing after

Who do you want to be
If this is what you see
Who do you *bleep*ing blame
You're driving me insane

Cuz I've tried to work things out
But a little mistake has slowed me down

To find out what I'm chasing after

Cuz I've tried to work things out
But a little mistake has slowed me down
To find out what I'm chasing after
