The title pretty much explains it all.This guide does belong to me,and may only be posted on Gamefaqs or NeoSeeker.If you would like to use it on your own website, e-mail me at EdgeHead01@gmail.com

If you see somebody using this guide on a site other than Gamefaqs,please contact me.

2.About Day of Reckoning

WWE:Day of Reckoning is the new Gamecube wrestler from THQ.It is a huge improvement over the first two games,and one of the best wrestling games around today.It's also the first of the Gamecube series to boast a "real" season mode, although it is slightly linear.
