>>>THEME MUSIC LYRICS<<<

Countdown

Explosion

You know I got ya (Yeah, one)

Break the wall down! (Ahhh)

For those about to rock,
What ya want?
Baby, you know you're Judas And I'm your priest
Baby, what I got is not from the least
Bring it to the stage in the rage of the beast

Step in the arena and break the wall down
Step in the arena and break the wall down

Awaken from a deep sleep
You're all weak
You're living in the agony of defeat
I am the master of your whole heap
I am the pasture, flock ya like sheep
Step into the town and break the wall down
Your heart beat is the only sound
Step into the light and then ya know
You were stopped and dropped by the walls of Jericho

What ya gonna do? (Jericho)
Comin' down (Ya feel me now)
Uh, ya feel me now
Break the wall down!
Jericho

For those about to rock,
Set the track
For those about to jump,
I'm all pumped
For those about to roll,
Watch me flow
Break down the walls of Jericho

What you want?
Break it down
What you want?
Jericho all around

=====Frequently Asked Questions=====

Q : Does the Music start at the Beginning when you win?

A : Yes, it starts from the Countdown, not in the Middle of the Song, unfortunately.

Q : Does Y2J have the Sleeper Hold Drop in the Game?

A : Unfortunately, he doesn't have it.

Q : Are there Pyros during the Entrance?

A : No, there are no Pyros.

Q : How true to Life is Chris Jericho in this Game?

A : Not very true to Life. There are many things missing like the Pyros in his Entrance, the Sleeper Hold Drop, the Cocky Pin, A Lot of his Attacks (because there isn't space), a Lot of his Grapples, no REAL Springboard Dropkick, no good Taunts, just very disappointing. 2/10 for Realism.
