I. Introduction ********************************************************
**************************************************************************
In this FAQ I have typed up the dialogue and story related text that appears
in Splatterhouse 2 for the Sega Genesis. The text is as it appears in the
game except it's not all capitals.

**************************************************************************
II. Version History ****************************************************
**************************************************************************
1.0 - May 22, 2006

**************************************************************************
III. Script ************************************************************
**************************************************************************
*******************************************
*               Prologue                  *
*******************************************
It's been three months since
your escape.

Haunted by guilt and tormented
by nightmares...nightmares of...

Jennifer's screams and the
infernal temptations of the mask.

Terror Mask: She doesn't have to die, Rick.
             We can save her.
             Go back to the house.
             I'll find you there...
             Only I can give you the power.
             You need me.

**********
Cutscene 1
**********
Rick: An elevator.
      A secret entrance to the house?

**********
```

```
Cutscene 2
*********
Rick: The stench of this foul river is
      overpowering.
      I must continue upstream.

*********
Cutscene 3
*********
Rick: I see a building on that island.
      It's the house!

*********
Cutscene 4
*********
Rick: Jennifer must be somewhere in
      there.
      I'll do whatever it takes to
      save her.

*********
Cutscene 5
*********
Rick: The secret to the gate must be
      in the diary.

Diary reads: The mask can open a portal to
             the void.

*********
Cutscene 6
*********
Rick: As I step into the portal...
      ...The void pulls me in...

*********
Cutscene 7
*********
Rick: The house is collapsing.
      Let's get outta here.

********************************************
*                  Ending                  *
********************************************
The monstrous visage
disappeared into the lake.

And the Terror Mask has left me
as I was with Jennifer.

But what of the mask?

As long as that mask remains....

It can happen again.
