Hello, all. This is my first official FAQ. This game doesn't have any FAQ guides at the moment, so I thought I'd do one. This FAQ is only to be posted on GameFAQs, if you see it posted anywhere else, or if you find anything that you think will help me in the next version please e-mail me at mindless.mike@gmail.com.

2. GAME MODES

\*\*One on One\*\*

As the name implies, a one-on-one match is simply one man versus another man. The match is ended by a pin fall.

### \*\*Tag Team\*\*

In a tag team match, a 2 player team will be competing against another 2 player team. Only one man may be in the ring at one time from each team. The team members may switch by tagging their partners.

### \*\*Survivor Series\*\*

Similiar to a tag team match, a survior series pits a 4 man team against another 4 man team. Only one man may be in the ring at one time from each team. The team members may switch who is in the ring by tagging one of their partners.
