Salutations. I'll be your quide for this walkthrough. My name
is Khrisstian and I am from Alaska. Cool story. Anyways, the
aim of this guide is to provide brief (but complete!) listings
of the items found within Crystalis. I'll try to keep the user
interface throughout the guide as relaxing and easy as my work
ethic allows. Furthermore, you probably won't catch me ranting

too much, though I'm not making any promises. >:)
