BIOGRAPHY (Source: www.wwf.com)

This fiery redhead has proven time and time again she packs more than a sultry look. Both men and women have fallen victim to Lita's arsenal of moonsaults and hurracanranas.

As of late, she's had her eyes on the Hardy Boyz. Given her ability in the ring, combined with her stunning looks, Lita could easily get her hands on anything she wants -- be it Tag Team gold for the Hardys or the WWF Women's Championship for herself.

Career Highlights: Women's Champion (1)

COOL!

Here's a great move, but it's hard to pull off in a match with more than 2 people. When you are "SPECIAL," throw your opponent into the corner and hit him/her with a Super Hurricane Rana. Oh, look where they landed. Climb the turnbuckle right behind your laying opponent and hit a Back Flip Splash 01 for the pin, it'll work almost every time.
