I. Dean Malenko's Bio

Dean Malenko is considered one of the greatest technical competitors to ever grace a World Wrestling Federation ring. In fact, his moves are so skillful that he has earned the moniker "Man of 1,000 Holds." This seasoned veteran can find a counter for any maneuver used on him.

Despite having many years of experience under his belt, Dean Malenko has been in the WWF for only a short time. However, in that time, he has managed to make a huge impact. He arrived alongside Chris Benoit, Perry Saturn, and Eddie Guerrero. Collectively, the foursome was known as the Radicalz. As a member of the Radicalz, Malenko captured the World Wrestling Federation Light Heavyweight title.

Dean and the Radicalz have since gone their separate ways. In doing so, each member has adopted his own unique personality. Dean has become a ladies' man. Now, each time Dean makes his way to the ring, he is followed by several beautiful women.

II. Dean Malenko's Moves
