I. Mae and Moolah's Bio

Most women Mae's age consider winning a bingo or baking a cake a major accomplishment, but for Young, get powerbombed through a table courtesy of the Dudley Boyz or giving out a bronco buster is all in a day's work.

The almost 80-year-old Superstar has gotten finer with age and proven that the World Wrestling Federation has become a multi-dimensional entertainment product. Playing the role of alcoholic party girl who likes to dance it up with the guys, Mae was the life of Stephanie McMahon-Helmsley's bachelorette party-until she started a cake fight. She then became one of the only women who could fill Mark Henry's hefty appetite for lovin'! In fact, Mae was in such good shape that she actually tired the big guy out!

Mae also amazes everyone with her ability to contribute to

the sporting side of sports entertainment. Not afraid to mix it up in the ring-especially if she gets her hands on her former friend the Fabulous Moolah-Young leaves fans' jaws dropping at the amount of punishment that she can dish out...and take! Do you know of any senior citizen pitchers who could start a World Series game? Didn't think so!
