I. Steven Richards' Bio  
-----

Everything Steven Richards does is for your own good. Although it may bother you that Steven has done away with the Godfather and his Hos, keep in mind, he's looking out for your best interests. You may be frustrated that Val Venis has left his old lifestyle behind in order to follow Steven's message, but don't forget, Steven cares about you.

Steven Richards believes the World Wrestling Federation has sunk to an all-time moral low, and he's taken it upon himself to clean it up. His Right to Censor group mistakenly believes in their name. They truly believe that there's nothing wrong with trying to tell you what is right and what is wrong. Steven doesn't feel that you can make that decision on your own, so he tries to do it for you. And he's not alone. Emulating infamous cult figures, it seems that Steven brainwashes other men into following his message. Bull Buchanan, the Godfather, and Val Venis have all fallen under Steven's aggressive guidance.

Sane individuals have no problem realizing that Steven is out of control. But how long will it take for someone to get physical and teach Steven a lesson in responsibility?
