Version History:

v1.01 - Fixed up some of the ASCII art above.
v1.0 - First Version!!
=====

Introduction

Like most of my character guides, I decided to do one, and I picked The Kat. The current wife of Jerry "The King" Lawler (no joke!) started out as a manager for Jeff Jarrett (known then as Miss Kitty). When Jeff left for WCW, Miss Kitty joined Chyna. At Armageddon, Miss Kitty became the Women's champion, in an 4-Way Evening Gown in a Pool Match (it happens to be pretty well known how she celebrated!). She lost the Women's Championship to Harvey Whippleman (don't ask), and since losing it, she has had problems with Terri, having a Kat Fight at Wrestlemania (lost due to the Fabulous Moolah), two Arm Wrestling Challenges (won the one at Insurrexion, lost the one on SmackDown), and a Thong Stinkface match at SummerSlam (won this match as well). Since then, she hasn't been on TV much, but I'm sure everybody will be happy to see her return for good.
