Introduction

I was in the mood to do another character guide, so I decided to pick one of the hottest women in the WWF today: TRISH STRATUS!! She debuted on an episode of Sunday Night Heat, by coming out on the entrance way during one of Test's matches and one of Prince Albert's (now Albert) matches. The next night on Raw Is War, she announced that she had joined Test and Albert together to form the team T & A. She would manage them, and sometimes compete as her team feuded with teams such as Al Snow/Steve Blackman, The Dudley Boyz, The Hardy Boyz & Lita, and The Acolytes. During the summer, she started to manage Val Venis, and under her management, he became the Intercontinental Champion. Val lost it in a tag team match, with her as his partner, dropped her as his manager, and joined RTC. At the end of 2000, T & A split up, and Trish turned on Test. She started hanging around with Vince McMahon, and they, supposedly, are having a relationship together.
