1.INTRODUCTION

Hello Hunters all over the world and welcome to my faq! It may not be the best in the world, but I have tried to make it, so I can help you in the best way possible. This guide was written to help people find the certain items. I hope you like it. If you see anything wrong or want to add anything, or just want to ask a question. Please e-mail me at dr_dre543@yahoo.com and you will be credited for it. I will update the list as soon as possible. If you are looking for something in particular, use your browser's Find feature [Ctrl and F] to get to the item quickly.
