--INTRODUCTION--

This is my fourth FAQ I have ever written. You may know me from my Syphon Filter: Dark Mirror, Syphon Filter: Logan's Shadow, and the Mortal Kombat: Unchained Fatality list. I love the PSP system and what it can do and MKU is a perfect port of Deception and doesn't one bit disappoint. I hope you enjoy the game and I hope my FAQ helps you through Konquest mode.

I have written a separate FAQ from Deception because Midway made some changes. All of the characters are unlocked from the start so the Krypt key chests in Konquest have different items then they normally would. Same goes with chests that hold arenas. They are all already unlocked and not all the arenas are in Unchained.

This FAQ is for private and personal use. It can only be reproduced electronically. This FAQ is NOT to be used for PROFITABLE or PROMOTIONAL purposes. This includes being incorporated, reprinted, or otherwise used by magazines, books, guides, etc., in ANY way. This FAQ was created and being maintained currently by Richie Baker. All copyrights and trademarks are acknowledged that are not specifically mentioned in this FAQ.

Just please don't use this FAQ or walkthrough to sell or make money please and your cooperation would be appreciated.

A HUGE thanks goes to P Jay from GameFAQs.com for letting me use his guide as a reference.

Mortal Kombat: Unchained is © Midway Amusement Games and Midway Chicago.

2.--VERSION HISTORY--

1.0 12/07/07 - My first run through of Konquest mode. If I have missed anything I will fill it in later and if anyone find anything let me know. Anything that has ??? means I didn't find it on my first run through and I need to find out what's in there.

3.--CONTACT--

Please contact me at ivorysoul@gmail.com with the subject MKU if you see any things I missed in the walkthrough ,misspelled words I did not list.

To make this easy on me just copy the whole. All your help is greatly

appreciated.

4.--STORY--

You are Shujinko. A boy who is tasked with a quest from the Elder Gods to collect each realm's Komidogu and to stop the realms from vanishing. Throughout your journey you meet fellow members of the Mortal Kombat universe and train, kombat, or help them to earn MK Kurrency. Use the kurrency to unlock items in the Krypt and you may also discover keys as well. A mysterious spirit, Damashi, guides you through your travels but is he who he really says he is? Find out through Mortal Kombat: Unchained's Konquest adventure mode.

--EARTHREALM OUTSIDE VILLAGE--

ERO.1 --NOTES--

You can go anywhere here except the Shoalin Temple. You can only go here after you talk to Master Shen or Wen and BEFORE you leave Earthrealm. When you come back to Earthrealm the second time, and after training with Nightwolf, you can get in there.

--THE WHITE LOTUS EMBLEM--

To get the White Lotus Emblem, you'll have to make sure to talk to Master Shen and Master Wren (E4 and D4) to activate a mission for them. You won't be able to complete until you train with Nightwolf (which will be part of the storyline so don't worry) Talk to them afterward and you'll get the White Lotus Emblem. (You might also want to complete your recently assigned mission beating Baraka at G4)

To get Raiden's Staff go to Earthrealm when you are older (before going to the last Realm, Edenia, preferably) and go to the big temple to the south (C7) to find Kung Lao. You'll have to do a 10 hit combo on him. When you do, he'll ask you to find Kai at Outworld, which will be in the Ice Caves. Kai will then give you Raiden's Staff. What does it do? Hmmm...

--LOCK PICK--

You can get this item by hitting a burglar at night roaming the houses at D4 With the lock pick tools, you will be able to open the huts in this coordinates

in C5, and in C6. With this you'll also have access to a mission from a man standing outside a hut in C6.

NR.1 --NOTES--

--AWAKENING KOCHAL--

In the F2-G2 area you will see the Black Dragon Clan members (Kabal, Kira and Kobra) and you can fight them to awaken the mysterious Kochal. Each match has a different stipulation, but they are not described before the match starts.

Kabal
Dark Kombat! You can not block
400 koins

Kobra:
Defeat him while he does 400% - 500% damage
400 koins

Kira
Defeat her before you bleed to death and she recovers life
400 koins

After beating them, a portal will open. This portal will take to the other portal (to the Nexus) and you'll see there a chest with 1000 onyx koins. Is this all we can get by awaking Kochal? Many people agree that Kochal means KOin CHALLENGE. Also some Onis says that Kochal is a 3 headed demon. Well, there are 3 pillars with a giant skull behind each Black Dragon Clan member, and when you defeat one of them the skull pillar behind him/her starts spitting lava.
