Menyoki [MNKI]

How to unlock: Level up Piyopiyo and Buhyokko

Lv.1 - Lv.4: Good Cnc Ratio and HP but needs to level up to unleash its potential. Just a sprout yet, but still easy to catch on fire.

Lv.5 - Lv.9: Became a small tree! High Cnc Ratio and HP. Easier to catch on fire than its sprout stage.

Lv.10: Became a large tree! Best Cnc Ratio and HP. Very easy to burn and fire damage received is doubled.
