[VII] Frequently Asked Questions
#####

Q: How to get Shin Musha Gundam/Musha Gundam Mk. II/Knight Gundam?
A: You need to use the campaign codes if you want to get them fast. Read up GameFAQs message board for detailed instructions. Or if you think the method are just way too complicated, just finish the game first. After you get Master Phoenix (from evolving Halphas Gundam), combine it with any main character's Gundam to get Shin Musha Gundam, then evolve it to get the rest.

Q: Is there 00 Seven Sword/G or ELS Qan[T] in this game?
A: Nope.

Q: How can I get those Overworld original secret Units?
A: Beat "Last Stage" in "Overworld Mode", save the game, and then load up your game. Halphas Gundam will be registered to your Production List.
