Contact

To be able to contact Stephen "Warhawk" Harris please drop me an e-mail at gamefaqswarhawk@gmail.com, with any questions, comments or any information that you may believe that I may have missed in this guide. Please don't send any hateful mail because I will not tolerate it because it can be considered harassment, so please make sure you know what you want to ask / comment before you send the e-mail to me. Be sure to have **Silent Hill Origins: Song Lyrics** in the subject so I don't accidentally delete the e-mail. This includes sending e-mails with some picture which may be inappropriate. Please if you send me any e-mails with any kind of vulgar language such as the "F" word unless in a good way. You may also like me on Facebook to know about any future plans I will have with guide writing and all. Any questions asked on the page I will try my best at answering to the best of my knowledge about any of the guides I have done in the past, and yes even if it's a question on that game I done one for. Even if it is to ask me what I plan of doing next and all.

Song Lyrics

Shot Down In Flames

Swear at the walls
They make fun of me
Day after day
Eyes that follow me
Is it you again? Can this be the end forever?

See through your eyes
Child's heart that cries
Raven flight, flies
And the meaning dies
As it was before
It will be no more
Time does that

Say it again
Like you said

Does it sound like you? Where are you now? Does the young one know you're here? Breath on the glass

Once again

Feel her you in

Nobody leaves

You won't let you You're afflicted

Can you hide who you are? Take a look at yourself

Can you stop what will be? You think running will help? Can't give up on the past

When the past never ends

Now the dead that you raised Live in me

What have you done? You're insane

Can you bring God down? Plans that you made

Don't include me

One more time

But I will dance

On the wind

Breathing in your heart

Your sacrifice

Wasn't wanted

Still you try

Say it again

Like you said

Does it sound like you? Where are you now? Does the young one know you're here? Breath on the glass

Once again

Feel her pull you in Nobody leaves

You won't let you

You're afflicted

O.R.T.

Is it lonely where you are...

In there... Dad? Does the darkness know your name? Does Mom?

What's it like? Can you feel? She said her blood turns to ash

Laughing...

Dad, do you know what you've done this time to me?

Oh,

Burning eyes can't forgive you

Howling moon drives on

And deep in me

Your illusion What you see in me Is...

Did you have that dream again? Release...

Breathe...

You're receiving what you said

Said she

Never mind

Emptiness, dead eyes and lost what you found

Maybe there on the edge is your hope

But you don't look down

Why? There you go saying nothing

Here's my mind unclear

Or Could it be? Maybe something has a hold of me Like...

Blow Back

Daylight Dark light

Blinds me

Am I fading in light?

I can see through the fear, nice try

Just a matter of time, it's another lie

When the fire turns cold, who's here? It sure looks like it's me

Closer to the source of my pain

Mirror yours

Oh, I'm not myself

My God, what have you done? Oh, the memories of them keep coming home...

And the nightmares are good, so good

Will I ever wake up? Am I here right now? Was the question too hard? Dad was right He said nightmares are good

Mommy, Am I dead now? Tell me Why do we...?

Hole In The Sky

Oh yeah, I've been here before
I can see it with eyes closed
Shadows that look like blood
Dead as far as the mind goes

Fear that comes from my head
Lives in the mirror
Why won't you let me out? Does the evil excite you?

Haven't you had enough? Does the feeling control you? Just when I think I'm okay
Shadows surround me

All of the monster you are
I can feel in my head

Let me out, let me out
Let me out, let me out
Let me out, let me out
Let me out, let me out

No more, I'm through
You win, I'm dead
You're sorry, sorry? No you're a lie!

It's over, Nothing here left alive

Let me out, let me out
Let me out, let me out
Let me out, let me out
Let me out, let me out
