### - I: Introduction

This is basically a run down of the Heroes and Villains of Star Wars Battlefront II for the Playstation Portable. This is my second FAQ ever written, the other being a Character FAQ for Shining Tears (PSP).

The Star Wars franchise has fathered many video games over it's time and the Battlefront series has been its best selling so far. this game puts you in the key battles during the Star Wars movies either as a regular soldier, or one of the key characters in the movies.

So, strap yourself in and join the War!!!

-----

### - II: Controls

There are 4 styles of controls for the PSP Version of Star Wars Battlefront II, but since it will probably be easier for you to learn them via your game, I will list only the Default preset controls.

#### Default Infantry Controls

-----

Start: Pause Menu  
Select: Map

Analog: Move/Strafe  
L: Jump (Tap)/Sprint (Hold)  
R: Primary Attack  
Left: Primary Next  
Right: Zoom  
Up: Enter  
Down: Target Tracking  
Triangle: Look Up  
Square: Turn Left  
X: Look Down  
Circle: Turn Right

#### Default Vehicle Controls

-----

Start: Pause Menu  
Select: Map  
Analog: Throttle/Strafe  
L: Secondary Attack  
R: Primary Attack  
Left: Next Position  
Right: N/A  
Up: Exit  
Down: Boost  
Triangle: Look Up  
Square: Turn Left  
X: Look Down  
Circle: Turn Right

- VIII: FAQs

Q. Can You Play As Jedi?

A. Yes, you can play as Jedi or members of the Sith, or even a couple of main Star Wars characters. I wouldn't have written this FAQ if you couldn't.

Q. Which Jedi/Sith are playable?

A. Read the FAQ

Q. How can you play as Jedi/Sith?

A. It depends on what game you are playing.

If it's Galactic Conquest, you have to purchase a Hero upgrade, activate the upgrade before you do a battle, and then select him/her when the battle starts.

If it's Instant Action, depending on your settings, either gain enough points to unlock the Jedi, or play for a certain amount of time. If you want to play as a Jedi for a whole game, play the Assault on Mos Eisley.

Q. My Jedi was killed, where is he/she now?

A. Unless your playing Assault on Mos Eisley, you will have to perform the certain conditions mentioned above to play as Jedi.

Q. Is this Ad-Hoc or Infrastructure?

A. Sadly, this amazing game is Ad-Hoc only...

Q. How fast is the loading time?

A. It's not lightning fast, and it's not too slow either. Figure about 20s for loading in between battles.

Q. How big is the save data?

A. It's 64kb for your profile/settings and 64kb for Galactic Conquest.

Q. Which Planets are in the game?

A. Read the FAQ. There are also 2 space levels in this game.

Q. Is there a story mode?

A. Sadly, this game offers no story mode...

Q. How do you land in enemy hanger?

A. You can land in the enemy hangar by flying your starship into a clear rectangular box in usually in the middle of the enemy main ship. Slowly approach the box, then when your inside the hangar, land it.

Q. How many people can play Ad-Hoc at once?

A. Up to 4 players can play at once

Q. How many bots does this game use?

A. 10 Bots per team, so maximum of 20 bots.

Q. What are the medals and what do they do?

A. Gunslinger - 6 Kills with a pistol in one life equips you with a Precision Pistol

Demolition - 4 Rocket Launcher Critical Hits on a vehicle within one life rewards you with a Remote Rocket Launcher

Technician - Slicing yourself into a vehicle will grant you a vehicle regeneration bonus

- Marksman - Score 6 headshots with your sniper rifle within one life and you'll unlock the beam rifle
- Regulator - The Flechette Shotgun is available to someone who earns 8 kills with a shotgun in one life
- Endurance - Earn 9 points in one life to unlock an energy regeneration bonus
- Guardian - After you've earned 24 points in one life you'll gain a damage reduction bonus
- War Hero - Earning 36 points on the battlefield within one life grants you an increased damage bonus
- Frenzy - 12 kills with a blaster rifle in one life will grant you access to the Elite Rifle

Q. Which Space Maps are there?

A. The two space maps in the PSP Version are:

- Space Yavin (For Galactic Civil War)
- Space Kashyyyk (For Clone Wars)

Q. What are the rankings beside the medals?

A. Green: Lets you earn the medal

Vetern: Lets you earn and use the medal

Elite: Lowers the requirement, and lets use earn and use the medal

Legendary: The bonus never goes away, u can still earn the medal

Q. What are the medal counts to get these levels?

A. Green: 0

Vetern:4

Elite: 32

Legendary: 64

Q. How do i get promoted in RANKING?

A. You get promoted in ranking by earning more medals.

25 Medals to Sergeant

100 Medals to Captain

300 Medals to General

Q. What does the Rankings mean? i.e. Dead Eye, Bantha Fodder, etc.

A. Killing spree: who ever gets the most kills in 5 seconds

Tank Buster: Most vehicles destroyed

Camper: Whoever sits in one place the longest

Traitor: Most team-kills

Public Enemy: Most kills in onelife

Survivor: who ever had their health drop below half and then replenish it the most times in one life

Dead eye: Most headshots.
