1. Introduction [INTRO]

Hey guys, sorry for the long wait. Here it is, without further ado,
Syphon Filter: Logan's Shadow's complete hidden evidence list.

Just a quick note, I just really want to thank each and every contributor
of the hidden evidence. A lot of people from GameFAQs have helped me,
and without their help, this list would have taken a lot longer to complete.
Thanks again guys!

Oh, and this is actually my first ever FAQ, so it's kind of shoddy. But you are
here to read the list right? Well, head on down to the complete list below.
