"I walk Alone" By Saliva

Yeah

I walk alone

I walk for miles inside this pit of danger

A place where no one follows me

I walk alone

Huh

Yeah

I'm sick of all these people talkin' out their heads

I've never understood a damn thing that they said

From words to actions

Never knowing what they're about

I guess I'll have to chew them off and spit them out

And I'll say yeah

I walked for miles inside this pit of danger

I've swallowed down a thousand years of anger

The weight of the world fall below my shoulders

A place where no one follows me

I walk alone

I walk alone

Yeah

I walked for miles inside this pit of danger

I've swallowed down a thousand years of anger

The weight of the world fall below my shoulders

A place where no one follows me

I walk alone

I walk alone

-----

But whatever you need  
Ever you got  
Ever you want  
I'll take back again

There's no holding me back  
I'm not driven by fear  
I'm just driven by anger  
And you're under attack  
Just climbing up slowly  
I'm the one and only, I  
The tease, the ways, the lie  
The stumble in your mind  
The fear, the hope inside  
They hit there

-----

Chris Jericho

"The Walls"

Come on  
You know I got ya, yeah  
One, Break the wall down  
(Break down the walls)

For those about to rock and what ya want  
Baby you know you're Judas  
And I'm your priest  
Baby what I got is not from the least  
Bring it through the stage in the rage of a beast

Step in the arena and break the wall down  
Step in the arena and break the wall down

So good (You know I got ya), So right  
Yeahhh, Yeah

I wake up from a deep sleep  
You're all weak  
You're living in the agony of defeat  
I am the master of your whole heap  
I am the pack that flock ya like sheep  
Step into the town and break the wall down  
Your heart beat is the only sound  
Step into the light and then you'll know  
You were stopped and dropped by the  
Walls of Jericho

Whatcha ya gonna do?  
Jericho  
You're coming down  
Feel me now, Jericho  
Can't stop, uh, (Feel me now)  
Break the walls down,  
Can't stop, Jericho

"Close your eyes" Waterproof Blonde

Decieved by my eyes and all I was told I should see  
Opinions not mine, the person they taught me to be  
One night in the dark, a vision of someone I knew  
And in the darkness I saw a voice say 'I'm you'

Inside me, a light was turned on  
And then I was alive

If you close your eyes  
Your life, a hidden truth revealed  
Dreams you never lived  
And scars never healed  
In the darkness  
Light will take you to the other side  
And find me waiting there  
You'll see if you just close your eyes

Absent in spite, trapped inside somebody's dream  
Too close to the fire, yet cold and so numb with the pain  
But the fever has broken, and the river has run to the sea  
Washed to the ocean, and saved by your voice inside me

Inside me, a light was turned on  
And then I was alive

If you close your eyes  
Your life, a hidden truth revealed  
Dreams you never lived  
And scars never healed  
In the darkness  
Light will take you to the other side  
And find me waiting there  
You'll see if you just close your eyes

Never thought I would be here, so high in the air  
This is my unanswered prayer  
Defined by another, so much wasted time  
Out of the darkness which bled that I take will be mine

If you close your eyes  
Your life, a hidden truth revealed  
Dreams you never lived  
And scars never healed  
In the darkness  
Light will take you to the other side  
And find me waiting there  
You'll see if you just close your eyes

"Walk Idiot Walk" The hives

Well, Is it true what they say about it  
You wanna do what I do and I doubt it  
And then they tell you anything about it  
Yeah, I know

I got some people say it's this way  
I got some people say it's that way  
And then some people say there's no way  
Hell, I know

[Chorus:]  
See that idiot walk  
See that idiot talk  
See that idiot shock up his name on the backboard  
See that robot walk  
See that robot talk  
See that robot write up his name on the battle  
They say this is all I need you to get by  
The truth is, baby, it's a lie-ie-ie-ie-ie

Well, Is it true what they say about it  
You gotta do what I do and I doubt it  
I announce I wanna do something about it  
Ain't it fair

I got some people doing it this way  
I got some people doing it that way  
And then some people  
Ain't it fair

[Chorus]

I got a martulation  
And through a miracle of bad equation  
You gave up and you started thinking  
They were true

If you are beauty and combination  
Body at work and a mind on vacation  
We're on a tray we started thinking  
It was you

[Chorus]

Eddie Guerrero

Can you feel the heat?

Lie! Cheat! Steal!

Say hello to Eddie.  
Lie! Cheat! Steal!  
I dont care if you don't like me.  
Bite me.  
Lie! Cheat! Steal!  
Do you feel it? Hey.

Latino Heat. Yo!  
I can't be weak, coming from the streets at the ghetto.  
At the end of the week, I get to keep your dinero.  
Your fast asleep when I sneak in your casa.  
Your life sucks 'cause your bankrupt and I'm laughing.  
You can't trust me ese, cause I'm Latin.

Lie! Cheat! Steal!  
Lie! Cheat! Steal!  
Yeah.  
Lie! Cheat! Steal!  
Yo.  
Too many try to tell me what I already know. (know)  
Yeah. Uh-huh. (know)  
Viva la raza.  
Lie! Cheat! Steal!  
Lie! Cheat! Steal!  
You want to be Latino?  
Lie! Cheat! Steal!  
If your not cheating, your not trying.

Mamacita I got the passion that's lasted long.  
Los mujeres fall in love with the Latin charm.  
One woman isn't enough amigo.  
Siempre recojiendo mas mujeres por que somos latinos.  
And I'm tougher than tough, calling your bluff cuz.

I don't care if you like me, Everybody wants to fight me.  
(Do you feel it?)  
Hey, oyelo claro I aint the one you want to meet.  
Ay nada mas caliente.  
I'm too hot for you.  
Latino heat.

Lie! Cheat! Steal!  
Lie! Cheat! Steal!  
Lie! Cheat! Steal!  
Lie! Cheat! Steal!

Edge

"Metalingus" Alterbridge

I've been defeated and brought down  
Dropped to my knees when hope ran out  
The time has come to change my ways

On this day I see clearly everything has come to life

A bitter place and a broken dream  
And we'll leave it all, leave it all behind

I'll never long for what might have been  
Regret won't waste my life again  
I won't look back  
I'll fight to remain:

On this day I see clearly everything has come to life  
A bitter place and a broken dream  
And we'll leave it all behind

On this day it's so real to me  
Everything has come to life  
Another chance to chase a dream  
Another chance to feel  
Chance to feel alive

Fear will kill me, all I could be  
Lift these sorrows  
Let me breathe, could you set me free  
Could you set me free

On this day I see clearly everything has come to life  
A bitter place and a broken dream  
And we'll leave it all behind

On this day it's so real to me  
Everything has come to life  
Another chance to chase a dream  
Another chance to feel  
Chance to feel alive

"Real American" Rick Derringer

I am a real American, Fight for the rights of every man,  
I am a real American, fight for what's right, fight for your life!

When it comes crashing down, and it hurts inside,  
ya' gotta take a stand, it don't help to hide,  
Well, you hurt my friends, and you hurt my pride,  
I gotta be a man; I can't let it slide,  
I am a real American, Fight for the rights of every man,  
I am a real American, fight for what's right, fight for your life!

I feel strong about right and wrong,  
And I don't take trouble for very long,  
I got something deep inside of me, and courage is the thing that keeps us free  
I am a real American, Fight for the rights of every man,  
I am a real American, fight for what's right, fight for your life!

Well you hurt my friends, and you hurt my pride,  
I gotta be a man; I can't let it slide,  
I am a real American, Fight for the rights of every man,  
I am a real American, fight for what's right, fight for your life!

I am a real American, Fight for the rights of every man,  
I am a real American, fight for what's right, fight for your life!

"The Time is Now" John Cena

[Chorus: John Cena]

Your time is up, my time is now  
You can't see me, my time is now  
It's the franchise, boy I'm shinin now  
You can't see me, my time is now!

[John Cena]

In case you forgot or fell off I'm still hot - knock your shell off  
My money stack fat plus I can't turn the swell off  
The franchise, doin big bid'nness, I live this  
It's automatic I win this - oh you hear those horns, you finished  
A soldier, and I stay under you fightin  
Plus I'm stormin on you chumps like I'm thunder and lightning  
Ain't no way you breakin me kid, I'm harder than nails  
Plus I keep it on lock, like I'm part of the jail  
I'm slaughterin stale, competition, I got the whole block wishin  
they could run with my division but they gone fishin -  
- with no bait, kid your boy hold weight  
I got my soul straight, I brush your mouth like Colgate  
In any weather I'm never better your boy's so hot  
you'll never catch me in the next man's sweater  
If they hate, let 'em hate, I drop ya whole clan  
Lay yo' ass DOWN for the three second TAN

[Chorus]

[Tha Trademarc]

Yeah, uhh  
It's gon' be what it's gon' be  
Five pounds of courage buddy, bass tint pants with a gold T  
Uhh - it's a war dance and victory step  
A raw stance is a gift, when you insist it's my rep  
John Cena, Trademarc, y'all are so-so  
And talk about the bread you make but don't know the recipe for dough though  
Aimin guns in all your photos, that's a no-no  
When this pop, you'll liplock, your big talk's a blatant no-show  
See what happens when the ice age melt  
You see monetary status is not what matters, but it helps  
I rock a timepiece by Benny if any  
The same reason y'all could love me is the same reason y'all condemn me  
A man's measured by the way that he thinks  
Not clothing lines, ice links, leather and minks  
I spent 20 plus years seekin knowledge of self  
So for now Marc Predka's livin live for wealth

[Chorus - repeat 2X]

"Slow Chemical" Finger Eleven

The wonder of the world is gone, I know for sure.  
All the wonder that I would have found in her.  
As the hole becomes apart I strike to burn, And old flame returns.

Every intuition fails to find its way, One more table turned around im  
back again. Finding I'm more lost than found, When she's not around,  
When she's not around, I feel it coming down!

Give me what I could never ask for.  
Connect me and you could be my chemical now.  
Give me the drug you know I'm after.  
Connect me and you could be my chemical.

When everybody wants you (The chemical goes slow).  
When everybody wants you (The chemical goes so slow).  
When everybody wants you (so, slow).  
When Everybody wants your soul.

Give me what I could never ask for.  
Connect me and you could be my chemical now.  
Give me the drug you know I'm after.  
Connect me and you could be the chemical.

You could be the chemical.(repeat 4 times)

Lita

"Lovefury passionenergy" Boyhits carr

She's like a lost flower growing up through a crack,  
In the busting sidewalk moving like a river so sad.

So hey where we going? Tell me where we've gone?  
Was there love and fury, energy and passion?

So \*\*\*\* you rules man. you'll step up, you'll go down fast.  
I've got to rid these of the \*\*\*\* that has made up my past

So go paint your face and proclaim thy warrior song, cuz life is a  
brutal fight until we show,

A shade of timelessness, for we all are distinct and the waiting hour  
transcend and to release

So \*\*\*\* you rules man. you'll step up, you'll go down fast. I've got to  
rid these of the \*\*\*\* that has made up my past.

So go let your soul dance baby. Time to be yourself at last.  
Unshackle your life spirit. Try a waver from the past.

'Cuz it's gone.

Like a lost flower growing with mad wind  
Like a Sad river who has no end.

So \*\*\*\* your rules man  
'cuz here comes my passion  
So \*\*\*\* your rules man  
'cuz here comes my love  
So \*\*\*\* your rules man  
here comes pure energy  
So \*\*\*\* your rules man  
'cuz here comes my fury

So \*\*\*\* your rules man  
So \*\*\*\* your rules man  
So \*\*\*\* your rules man  
So \*\*\*\* your rules man

So \*\*\*\* you rules man. you'll step up, you'll go down fast. I  
've got to rid these of the \*\*\*\* that has made up my past.  
So go let your soul dance baby. Time to be yourself at last.  
Unshackle your life spirit. Try a waver from the past.

"Do What I want to"

Nothing new but the money, huh.  
I do what I want to.  
Act how I want to.  
Say what I want to.  
Mack who I want to.

When it comes to cars, I do it big.  
When it comes to money, I do it big.  
When it comes to making moves, I do it big.  
Whenever I do something, I do it big.

Man its good, its got to be a gift and a curse.  
Because I'm feeling my best and y'all feeling the worse.  
Simply means, somebody's gonna get hurt.  
No pain felt here unless y'all feeling it first.  
Don't play with me, I mean, you should know.  
I'm getting dress up 'cause I'm might be going to a funeral.  
No stopping me, that's unlikely.  
Why when I can just do it like Nike.  
Man, yeah, they want to be like me.  
'Cause the girls want to creep with me nightly.  
Ladies, yeah I'm single, but I'm far from the wedding thing.  
But I have married women switching up their wedding ring.  
And I'll take on anybody for the right price.  
If you want to know really what's my life like.

(manicure) Check  
(masseur) Check  
(chef) Check and I demand my respect.

I do what I want to.  
Act how I want to.  
Say what I want to.  
Mack who I want to.

When it comes to cars, I do it big.  
When it comes to money, I do it big.  
When it comes to making moves, I do it big.  
Whenever I do something, I do it big.

I'm getting richer, yeah y'all get the picture.  
From country boy to city slicker.  
I represent ever since.  
I'm not cocky, I'm just confident.  
I put it down. like 40 lbs of bricks.  
You ain't ever seen nobody put it down like this.  
Like (yeah, yeah, yeah, yeah, yeah, yeah. woo)  
I'm back but I never left y'all.  
Maybe for a second, yep I stepped off.  
But let me pick up where I left off.  
If you don't want any problems, you better step off.  
See, I'm cool, but I can get crazy too.  
And come from every angle like a photo shoot.

When it comes to cars, I do them big.  
When it comes to money, I do it big.  
When it comes to making moves, I do it big.  
Whenever I do something, I do it big.

"Burn in my light" Mercy Drive

Hey!

Hey!

Hey!

Nothing you can say  
Nothing's gonna change what you've done to me  
Now it's time to shine  
I'm gonna take what's mine  
Take what's mine

Hey!

Nothing you can say  
Nothing's gonna change what you've done to me  
Now it's time to shine.  
I'm gonna take what's mine

You're gonna burn in my light

They try so hard to follow  
But no one can  
Inside you're all so hollow  
You understand

Hey!

Nothing you can say  
Nothing's gonna change what you've done to me  
Now it's time to shine  
I'm gonna take what's mine  
While you're burning inside my light

I gave and you take and I waited for you but I've made a mistake  
It's clear that your fear is so near because I see the look on your face  
You try to hold me under, I held my breath  
Alone and now you wonder, what I possess

Hey!  
Nothing you can say  
Nothing's gonna change what you've done to me  
Now it's time to shine  
You're gonna burn in the light

Hey!  
Nothing you can say  
Nothing's gonna change what you've done to me  
Now it's time to shine  
I'm gonna take what's mine  
While you're burning inside my light

You're gonna burn in my light

They try so hard to follow  
But no one can  
Inside you're all so hollow  
You understand

Hey!  
Nothing you can say  
Nothing's gonna change what you've done to me  
Now it's time to shine  
I'm gonna take what's mine  
While you're burning inside my light

Rey Mysterio

"King Mysterious" WWE

Who's that jumpin' out the sky?  
R-E-Y Mysterio, Here we go  
When the mask out, the girls they pass out,  
the boys just black out, better tap out.

GO!  
Off the tops ropes so look out below,  
cause, the next thing you know you'll  
be on the floor,  
What you gonna do when you're on  
your back,  
from a mean body slam, aw damn you're  
wack.  
You're like: 'What the heck?,All of a sudden,  
this dude's sittin' on my neck, where's  
the ref?'  
Straight from the WWE, how much trouble  
you'd see,  
when you face the man of mystery?  
Flippin' an' spinnin' an' doin' it fast,

you can't remove the mask (Why?)  
Cause he's kickin' your ass. (C'mon)

Who's that jumpin' out the sky?  
R-E-Y Mysterio, Here we go  
When the mask out, the girls they  
pass out,  
the boys just black out, better tap out.  
YEAH!

Who's that jumpin' out the sky?  
R-E-Y Mysterio, Here we go  
When the mask out, the girls they  
pass out,  
the boys just black out, better tap out.

Mr. Mysterious is serious,  
and he gets furious and delirious  
and everybody's curious.  
Wanna know where he's from and know  
who is he.  
You don't know an damn thing, but he  
gets busy.  
The entertainer, and hes now on the stage  
and it dont matter if your in the ring or trapped  
in a cage.  
What he looks like, you're all dying to see,  
But guess what? Looks like a winner to me.

"No stopping"

Ain't no stopping me, nooooo!

You can't rob the man, no stopping.  
You can't rob the man, no stopping.  
You can't rob the man, good dropping.  
Ain't no stopping me, nooooo!

You can't rob the man, no stopping.  
You can't rob the man, no stopping.  
You can't rob the man, good dropping.  
Ain't no stopping me, nooooo!

Going for it all, just trying to be the best.  
Soon I'll be breaking out nothing more, nothing less.  
Wanna be known, want their respect.  
Throw me anything, I'll pass that test.

Believe in yourself man, changes everything.  
Yeah I want it all, I'm taking the brass ring.  
Call me underdog, you can call me anything.  
I got a lot of blessings, that's what faith brings.

You can't rob the man, no stopping  
You can't rob the man, no stopping  
You can't rob the man, good dropping  
Ain't no stopping me, nooooo!

"Time on my own" Lillian garcia

I just need a little space to call my own  
Just a corner of the world where I can be alone  
With you  
What do you do when everybody wants you  
How do you breathe when they take you in  
Who do you turn to when you need to get away  
I know only your love can get me there  
What do you do when everybody wants you  
How do you breathe when they take you in  
Who do you turn to when you need to get away  
I know only your love can get me there

I just need some satisfaction (just me)  
Some private interaction (just you)  
Some animal attraction (just you)

Triple H

"The Game" Motorhead

Time to play the game!  
Time to play the game!  
(weird laughing)

(laughing)

It's all about the game  
And how you play it  
All about control  
And if you can take it  
All about ya debt  
And if you can pay it  
It's all about pain  
And who gonna make it

I am the game  
You don't wanna play me  
I am control  
No way you can shake me  
I am heavy debt  
No way you can pay me  
I am the pain  
And I know you can't take me

Look ova ya shoulda  
Ready to run  
Like a good little bitch  
From a smokin' gun  
I am the game  
And I made the rules  
So, move on out  
Or, you can die like the fool  
Try to figure out what the move's gonna be  
Come on over, sucka  
Why don't you ask me  
Don't you forget there's a price you can pay

Cause I am the game and I want ta play

Time to play the game

(laughing)

Time to play the game!

It's all about the game  
And how you play it  
It's all about control  
And if you can take it  
It's all about ya debts  
And if ya can pay it  
It's all about the pain  
And who gonna make it

I am the game  
You don't wanna play me  
I am control  
There's no way you can shake me  
I am your debt  
And I know you can't pay me  
I am your pain  
And I know you can't take me

Play the game  
You're gonna be the same  
You're gonna change ya name  
You're gonna die in flames

(laughing)

Time to play the game!

Time to play the game

Time to play the game

Time to play the game

(laughing)

Time to play the game!

(weird laughing)

Oh,It's Time To Rock And Roll  
This Time I'm In Control  
Right Now I Own The Streets

I Got The Keys To The City  
That's cause I Get Down

Sometimes I Wonder  
How I Made It This Far  
With All These People Hating On Me  
Y'All Know Who You Are  
Take A Chance And Try To Come Up  
In This Game Being A Star  
Now I Own The Keys To A Brand New Fancy Car,Baby  
It's My Turn To Burn And Now I'm Here To Rub It In Your Face(Ha,Ha,Ha,Oh)  
When Will You Learn, I'm the Queen And I'll Put You In Your Place

Oh,It's Time To Rock And Roll  
This Time I'm In Control  
Right Now I Own The Streets  
I Got The Keys To The City  
That's cause I Get Down

Bounce,Bounce,Bounce  
How Dare You Try To Go Against The Glorious One,Hon  
I'll Slaughter Your Son, It's Over, The Story Is Done  
You Can Be Number Two But I'm Second To None  
What, You Forgot Queen Bee Is The Notorious One
