INTRODUCTION [INTRO0000]

Hello everyone and welcome to my Yu-Gi-Oh! 5D's Tag Force 5: Character Gift FAQ where I've documented which items every character (at the moment just the main characters) likes and dislikes! This is my very first FAQ here on GameFAQs so I'm a little excited and I'm happy to help out the community! Sorry if there's so little in this FAQ, it's my first one so bare with me!

With this guide you can easily figure out what items each character likes and dislikes to help increase their Heart Gauge and their Emotion Level.

Also please note that the Regular Yusei, Akiza, Leo, and Luna and their alternative costumes Poncho Yusei, Duel Students Akiza, Leo, and Luna share the same likes and dislikes.
