Part III:How to get the digimon's

BlackWarGreymon:go through with any digimon undefeated
 and before you get toReapermon he should interfer a battle and that
 battle ends and you and him start fighting and if you beat him and go
on and defeat Reapermon without him defeating you I think that will
unlock BlackWarGreymon, but if you do get defeated and quit you
will lose BlackWarGreymon you must beat Reapermon for it to count

Omnimon:beat Reapermon with both Agumon and Gabumon
 to unlock Omnimon.

Impmon:beat Reapermon with everyone and that will unlock
 Impmon.

Beelzemon:beat Reapermon with Impmon.

Imperialdramon Paladin Mode:Can't remember but i think
that if you beat Reapermon with everyone from season one and
season two that will unlock Imperialdramon Paladin Mode.

Reapermon:beat Reapermon with anyone and without
 using a continue will unlock Reapermon.
