I. Introduction

Hey people! This is Gruel again, with yet another wrestling character guide. ECW finally has its first video game out and I decided to do a character guide for it, and will be doing so for future guides to come. This FAQ is for Leisure purposes only, and I only made this guide because I was extremely board. If there's any mistakes please e-mail me at dkulas@hotmail.com.

On a side note for what's coming up, the second ECW game, Anarchy Rulz, is due out this fall, and expect a character guide for that, plus I'm missing a list of the wrestlers for Hardcore Revolution in Game Boy, if anybody owns the game will you please e-mail me a list of the wrestlers in it to: dkulas@hotmail.com with "ECW GB Wrestlers List" in the subject.
