4/20/06: None for now.

2: Disclaimer

Seems some of the people liked the English voice act of this 3D fighting game. This is the only fighting game I ever played that had so many voices to use and hear. This game script only comes from one of the hidden unlockable secrets called "Congratulations" in the "Extra" menu. This game script will tell you all of the voices that the characters are saying in this scene since it is only a one-screen illustration filled with voice-overs. Looking for the whole dialogue, here you are. Remember to e-mail me first before you even try to use the script for your website.

3: "Congratulations" Game Script

Erel: Ready?

Danzaiver: Hey, mission completed! Congratulations!

Erel: Hi! I'm the MC for this occasion. I'm the one who is in love with Al at the end of the mission. Well, let's have every character in the game say something. The first person is Sho, also known as Danzaiver. The one who was playing love games with the twin sisters behind our backs.

Danzaiver: Who did what? Hi all! Hope everyone's okay. As you know, everyone was able to complete the mission with the main character which was me!

Erel: That's not true. They chose me as the main character.

Danzaiver: No, no. There are lots of guys in their late 20s who feel nostalgic for a special inspector like me. That's why I was the main character everyone used. You understand that, Armor-clad Miss?

Erel: What did you call me? This isn't a film, a living piece of armor. Well, you haven't changed at all.

Danzaiver: Heh, heh, heh. I'll morph if you wish.

Erel: No you can't!

Danzaiver: You're putting me on. Here I go. Zerochaku!

Danzaiver morphs.

Erel: You listen to me!

Danzaiver: Danzaiver!! Well?

Erel: You know you can't change!

Danzaiver: Well, everyone, are you ready to be in heaven with me? Damn.

Erel: Don't be ridiculous.

Danzaiver: You ruined my wonderful line!

Erel: That's enough. You can go.

Danzaiver played out.

Erel: The one who stole my heart is next. Here, is Al.

Al: Hello! I'm Alty Lazel.

Erel: Oh. What about your middle name? Dropped it?

Al: I quit being a court magician.

Erel: Is that right? Something's fishy. Are you getting ready for a sequel?

Al: (clueless) What is that?

Erel: Never mind. I'm just mumbling.

Al: By the way, I wonder how many players are watching this?

Erel: Uh...

Al: Maybe this the part where no one cares.

Erel: Don't scare me. I'm sure everyone's interested.

Al: Do you think so?

Erel: Yes I do! Stop being so negative! Do you want to say something to everyone?

Al: Uh, thank you for playing! I hope to see you again.

Erel: Okay. That was my sweetheart, Al. Whew. This part makes me tired. Hey! Those watching the monitor, are you bored? There's a lot more coming!

Al played out.

Erel: Next, is the Yin-Yang sorcerer, Keiya.

Keiya: Thanks. I expected a better introduction though.

Erel: (literally) Sorry. Your speech please.

Keiya: ... It was difficult for you to complete this mission using other weak characters, but on behalf of all of us, thank you.

Erel: Your sarcastic remarks always get on my nerves. You should take advantage of this opportunity to get everyone a good impression of yourself.

Keiya: No need for that. It's my nature. I'm just telling the truth.

Erel: Boooo! Your ending was too vague!

Keiya: That's right. That was a very suggestive ending.

Erel: Even though you're alive, you can't be in the sequel.

Keiya: What? Is there a sequel?

Erel: Don't have the same reaction.

Keiya: Ahem. It's a hard to pretend to be the bad guy. I risked myself to play a villain, but I made trouble for you and I'm sorry.

Erel: (confused) What are you saying?

Keiya: Please mark my name as your favorite character on the questionnaire. Thanks, bye-bye.

Erel: You're disgusting.

Keiya played out.

Erel: Next, is the fiery fighter Midori!

Midori: Thanks! Congratulations on destroying Evil Zone! Did you enjoy this? (noticed Erel shedding tears of joy) Hey, what happened to you?!

Erel: (slightly crying in joyfulness) I'm crying because you started out so beautifully!

Midori: Is that right? That's good!

Erel: Oh, I can't forgive myself! Midori, please start over!

Midori: No, I can't!

Erel: Well, then let's have a question in answer session for Midori.

Midori: What?!

Erel: At this session, we'd like to ask some questions.

Midori: I think we've got off on a tangent.

Erel: Does your fool in school have a rival? And is there a competition for a successor?

Midori: Uh, I am the only successor! We have a rival in Osaka. I don't want to acknowledge it though.

Erel: Yes, I see! There's another possibility for another sequel! That was Midori!

Midori: You're too much!

Erel: Whew! I finished half of it. Next, is Setsuna and Karin. There the favorite characters of our programmer, who collects school uniforms.

Setsuna: Hi! I'm Setsuna.

Karin: I'm Karin.

Setsuna: I like to correct something here, Erel.

Erel: What?

Setsuna: The programmer doesn't collect uniforms.

Erel: Is that so? I heard he has three uniforms from some of the most prestigious schools.

Karin: It sounds credible, but it's not true.

Erel: But if you're his favorite, there is a high chance to be in the sequel!

Setsuna: I heard everyone could be in the sequel.

Erel: Not everybody. It's not that easy.

Setsuna: Is that so?

Karin: What shall we do, Setsuna?

Erel: I don't want you to worry about it. That's all for Setsuna and Karin. You can leave now.

Setsuna: Okay, okay.

Karin: Setsuna, let's be cheerful.

Setsuna: Hmm. I feel guilty somehow.

Setsuna and Karin played out.

Erel: Next, is Gally.

Gally: Ha, ha, ha, ha! Thanks for waiting! I'm Gally! I'll play about 12 measures of music on the piano, as a reward for your accomplishment!

Erel: Oh no! We don't have room for that on the CD.

Gally: This is the rare occasion for you to listen to my performance. (getting drunk) Ughh...

Erel: You listenin'? I think Gally is getting sick. So I'm going to call the next person.

Gally played out.

Erel: Lie, come here. Quickly!

Lie: Hi!

Erel: W-wow! You look nice! You have on a black jacket with metal trinkets and pants that shine like a snake's skin! Whew, plus over-decorated pointy boots, I don't believe this.

Lie: Unlike you people, I don't have to be in the sequel. (in a slight outburst) I don't have to be nice at all!!

Erel: Yes, I see. that was Lie who will definitely not be in the sequel.

Lie: I was just trying to be stubborn!

Erel: (annoyed by Lie) Yes, yes. Thank you very much.

Lie: Wait! Wait!

Erel: I think it went like this in the preview.

Lie played out.

Erel: The last people, Kaku and Iha. Both of you, come here.

Ihadurca: (doesn't take kind) Don't call me, "Iha"!

Erel: Sorry, but your name is too long!

Kakurine: I think it's cute. I like "Iha"!

Ihadurca: ...

Erel: Let's get to the point. Your speeches please.

Ihadurca: Hmm, yeah.

Kakurine: I hope you'll keep playing this game.

Erel: Hey, you have to say something too, Iha!

Ihadurca: Hmm. I'm Iha and I'm happy you've played the game. Don't forget to write my name on the questionnaire for the favorite character. Okay?

Kakurine and Ihadurca played out.

Erel: Brainfreeze, I'd like to conclude this part of the game. I want everybody to come out and say, "thank you".

All of the characters came back on camera.

Kakurine: Thank you very much!

Al: I wonder if anyone's still with us?

The audiences gave the characters an applause. This concludes the "Congratulations" scene.

THE END

4: Credits

Thanks, goes to Yuke's Co. Ltd. for developing this awesome game with an incredible anime opening scene and various English voice actors and actresses. Thanks, goes to Titus Software who brought this game to the US before they are no more.

Thanks, goes to the English voice actors and actresses for their magnificent voice performances.
