2. INTRODUCTION

=====

Eternal Eyes is a role playing game based around the life of a young boy known as Luke. Early on in the story Luke learns that he, like his father before him, has the power to control and animate muppets through the use of Jewels. With the aid of these Muppet Monsters and his friends, Luke must embark upon an epic quest to thwart the plans of the evil General Vorless, the main villain in the game, and his henchmen, who plan to reawaken the Goddess of Destruction, Luna.

This is my third FAQ after Vanguard Bandits and Valkyrie Profile FAQs. If you have comment, correction, suggestion send me e-mail at <syusup@hotmail.com>. I am trying to complete the list of evolution. I worked very hard to find the evolution, so please don't plagiarize my FAQs. Always check the newer version at GAMEFAQS.

8. GAMESHARK CODES  
=====

Why it is so hard to find these Gameshark Codes and evrybody kept asking me about Gameshark Codes? I looked everywhere on the web and didn't find it before. So after a long search I found it. These are all the Gameshark Codes that I've got. Please remember I didn't have Gameshark so I didn't test it. So don't blame me if it didn't work. Send me e-mail if these codes didn't work.
