1.0 - INTRODUCTION

=====

This is my second guide!

We've been enjoying this great game for some years already, but many of us are

still not aware that there is a small side-quest the first time you visit Wall Market in Sector 6, which is fun and interesting to take a look at!

The side-quest is all about "Who will be chosen by Don Corneo?" when you disguise as a girl to save Tifa in Corneo's mansion. In the ordinary course of the game, Tifa will be chosen, but do you know that if you fulfill certain requirements, the Don may rather choose Aeris or... CLOUD!

Just to note, to those doing the dating quest, some of the decisions you make in this quest may help affect the outcome you want (Check the Dating FAQ).

This guide is directed especially to the newbies, I hope you will find this side-quest enjoyable, and of course, the guide... useful.

Happy gaming!

2.0 - DON CORNEO ATTRACTION MECHANICS GUIDE
=====

The side-quest will start once you're in the boutique and Aeris asked you to collect some items needed for your disguise. The variations in who will be chosen by the Don is based on what Key Items you possess on the time the Don makes his pick.

2.1 - Disguise Requirements

2.1.1 - Basic

(1) DRESS

To get a dress, from the boutique, enter the bar in the northern part of Wall Market and talk to the drunk man near the entrance. Ask him to make you a dress and you will be given a few choices (with regard to the type of dress you want):

Something:
 that feels clean
 that feels soft

Something
 shiny
 that shimmers

Depending on what you have chosen, you'll get the following dress:

1. Clean & Shiny - COTTON DRESS
2. Clean & Shimmers - COTTON DRESS
3. Soft & Shiny - SATIN DRESS

4. Soft & Shimmers - SILK DRESS

Return to the boutique to receive your dress. Now, you'll be asked to get a wig.

(2) WIG

To get a wig, from the boutique, enter the gym in the northeast part of the second area of Wall Market. You'll be challenged by a trainer to a squat contest.

All you need is to press the following buttons in order:

"square", x, o

Repeat it over and over until the timer ends.

Depending on your performance, you'll get the following wig:

- 1. Win - BLONDE WIG
- 2. Tie - DYED WIG
- 3. Lose - WIG

Now that you have a dress and a wig, you may return to the boutique, but if you want to have Aeris or Cloud to be chosen... check 2.1.2 & 2.2.

2.1.2 - Optional

(1) COLOGNE

The following items MAY cause the Don to choose between Tifa or Cloud:

Once you have a dress and a wig (Check 2.1.1), do not return to the boutique. Instead, enter the diner near the boutique and you'll be asked to make your order:

- Korean B.B.Q. Plate
- Sushi Plate
- Today's Special

It doesn't matter what you choose. Once you're finished, you'll be asked what you can say about the food:

.....
It was all right
I've had better dog food

Depending on what you choose, you'll get the following:

- 1. - (none)
- 2. It was all right - PHARMACY COUPON
- 3. I've had better dog food - (none)

Enter the pharmacy just below the restaurant and show the Pharmacy Coupon to the counter. You'll be given three (3) options:

Disinfectant
Deodorant
Digestive

Depending on what you chose, give the "item" to the woman locking herself in the rest room at the bar to receive the following items:

1. Disinfectant - COLOGNE
2. Deodorant - FLOWER COLOGNE
3. Digestive - SEXY COLOGNE

(2) TIARA

Next, enter the materia store and talk to the guy on the counter. He'll ask you to "... " in the inn. Stay at the inn, and during the night, you'll wake up.

Depending on the amount you spend in the vending machine, you'll get the following items from the owner of materia store:

1. 200 Gil - DIAMOND TIARA
2. 100 Gil - RUBY TIARA
3. 50 Gil - GLASS TIARA

(3) UNDERGARMENT

Lastly, go to the Honey Bee Inn. On your way there, you'll encounter a fat man walking and pondering around. Talk to him and he'll give you the "Member's Card" to gain access to the Inn.

Enter the inn and choose a room.

Depending on what room you have chosen, you'll receive the following items:

1. Room 1: The Group Room - BIKINI BRIEFS
2. Room 2: The &\$#% Room - LINGERIE
3. Room 3: The Dressing Room - n/a
4. Room 4: The Lover's Room - n/a
5. Room 5: The Queen's Room - n/a

2.2 - Key Item Combinations and Effects

The following key items are the only ones that can affect the Don's decision:

DRESS

- Cotton Dress - Cotton-woven dress
- Satin Dress - Dress made of satin
- Silk Dress - Dress made of silk

WIG

- Wig - Wig made from messed up hair
- Dyed Wig - A dyed wig
- Blonde Wig - A blonde wig

COLOGNE

- Cologne - Cheap perfume
- Flower Cologne - Flower scented perfume
- Sexy Cologne - Perfume that amorously arouses

TIARA

- Glass Tiara - A glass tiara
- Ruby Tiara - A ruby tiara
- Diamond Tiara - A diamond tiara

UNDERGARMENT

- Lingerie - Perfumed underwear
- Bikini Briefs - Tight-fitting briefs

There are many key item combinations and I don't have enough time to try all. I just used the following combination format in coming up with this guide:

Dress + Wig

Dress + Wig + Cologne

Dress + Wig + Cologne + Tiara

Dress + Wig + Cologne + Tiara + Undergarment

The following are the possible item combinations you can have if you followed the sequence on how I got the key items and its corresponding effect (I tested the following thoroughly. If you find discrepancies, please e-mail me):

[Jumps from his chair and over the table!]
[Scrutinizes Aeris]
"Now, let's see... Which girl should I choose? Hmm--- hmm--- !"
[Scrutinizes Cloud]
"This one?"
[Scrutinizes Tifa]
"Or this one?"
[Returns to Cloud and scrutinized "HER" more]
"Woo-hoo, I've made up my mind!!"
"My choice for tonight is....."

Don : [Faces his lackeys]
"You can have the other ones!"

Lackeys: [Salutes]
Yes, sir! Thank you sir!"

Don : "Well then, shall we go my pretty!?"
[Tifa goes with the Don in his room]

[Shifts to the lackeys' room]
