```

Follow the path then walk N. You will fight a minion. It's up to you if you want
to capture the minion or kill it. But remember this : if you want to kill the
minion, make you minion do the job. Don't make Levant kill the minion because
you got no experience point from killing a minion. The only way for Levant to
get some experience points is by capture the minion. So make your minion kill
the enemy. By doing this, your minion will get experience points. Just remember
to go back to Mother Garai's home when your fireflies is full and let Mahbu do
the Purification job.

After you killed or capture the minion, walk N to fight another minion. Follow

Continue NE. You will see 3 intersection. First go to the E and fight a minion.

Follow the path to the save point and save your game. Continue to the NE to pick
up Beetle Warp Key on the floor. From now you can use the teleporter. Just walk
to the teleporter and you will be transported to the first place you saw a save
point and a teleporter. But don't do it right now. Go back to the 3 intersection

Level            : UNKNOWN
```

But if you don't want to fight him continue to the S. I suggest you fight him to
gain experience level for your minion. After that walk to the W then follow the
path to the S. Continue to the S then to the W. In this area choose the path to
the E. Follow the path until you see a chest on the floor. Open the chest by
using the Skeleton Key and you will get : Meta Mugwort (4), Shab Liquor (4), and

some minions.

Go N until you reach the 3 intersection. From the intersection, go N to enter

capture some minion. You will be automatically back to Mother Garai's house.
After the conversation you can stock up some supplies, buy a new weapon, purify
your minion or talk to Poto to hear more stories about your next mission Kikinak
the Bird Man. Notice that every time you finish a mission, new armor, weapon,

I remove all the names  inside my List of the Damned  except the first two. From
now on I will focused this Damned List only for those damn plagiarist.

1. Name    : VEGA
   E-mail  : vdirect@bdg.centrin.net.id
   Website : http://www.vegindo.com
   He plagiarized my Dino Crisis walkthrough and sell it in his store.He sold it
   for Rp. 12.500,-.  Although  he has translate my walkthrough  into Indonesian
   language,  I can still recognize it.  That stupid son of a ***** translate it
   words-by-words.  The book's title  is  GAME GUIDE Volume 9.  All the previous
   volume  of that book  is  also  ripping  someone else's faq  (especially from
   GameFAQs) and translate it into Indonesian.
   For HS,  the animal that I suspect responsible for that,  I got few words for
   you :
   F*** YOU BASTARD.  HOW DARE YOU PLAGIARIZE MY WALKTHROUGH AND SOLD IT IN YOUR
   FILTHY STORE.  ENJOY THAT MONEY WHILE YOU CAN.  BECAUSE SOON  I WILL MAKE YOU
   REGRET FOR BEING BORN INTO THIS WORLD.
   For any of the reader that want to do me any favor, please send flames, hate
   mail, viruses, bomb, nuclear, or anything to his address.

2. Name    : Game Station
   E-mail  : gameguys@bdg.centrin.net.id
   Website : http://www.vegindo.com/gamestation
   Address : Jl. Pungkur 155 Lt. 2, Bandung 40251.
   He plagiarized my friend's walkthrough (also from GameFAQs),  so I think that
   this animal is worthy enough to enter my Damned List. They publish it in Game
   Station, October 1999, 3rd week, volume 21, Rp. 3.500,-
```

For KSH, Sir Maul, Tik Tan, Ratu Bedak, Blue Beo, and anybody that I forgot
to mention, I just want to say this : SCREW YOU ALL!!!!! Someday I will visit
your office carrying a BIG Shotgun, ready for blowing your f***ing brains out
from your f***ing head.
Reader, please send this a**hole some 'nice' stuff.

3. Name   : X-Boy a.k.a Pansy-Boy a.k.a X-Gay
   E-mail : x-boy@gundam.com
   This son of a ***** is the webmaster of that ****ing site (www.vegindo.com).
   He's the world's dumbest son of a ***** that I have ever met. In their
   ****ing messageboard, it says that we (faq author) are the same as the
   plagiarist, cause all we do is just finished the game and then write it down.
   Ha ha ha ha ha ha, what a good reason. Now you know why I said that he's the
   world's dumbest son of a *****.
   If you said that we just finished the game and then write it down, why don't
   you do that by yourself, mother****er?!?!?! Why you have to ripp my faqs?!?!

For Pansy-Boy, Miss Maul, and the rest of your ****ing crew :

DIN PAPPA ŀR EN GRIS KNULLARE, Sⱦ KAN KNULLADE DIN MAMMA OCH HON FƎDDE DIG!

Dein Vater ist ein Schweineficker, darum hat er deine Mutter gefickt und ich in
die Welt gesetzt!

Tu padre es un follador de cerdos, por eso follo a tu madre y hizo possible
tu nacimiento!

tu padre es un cerdo, que se cogio a tu mama y naciste tu pendejo

hijo de toda tu puta madre te voy a matar y vas a sentir mi verga en la
garganta hasta que te salga por el culo,,solo asi sentiras lo mismo que le
hice a tu madre hijo mio bastardo.

jigoku eiku no wa.. omaega saki da. te vas a ir al infierno antes que yo pendejo

Bapaklu tukang ngawinin babi, maka ia kawin sama babi terus tuh babi
ngelahirin elu. Dasar anak babi.

My last note for Damned #1, #2, and Damned #3
   All of you will surely burn in hell for what you did, so enjoy that blood
   money while you can....

Hey, faq-makers, you should read this section. I just receive an e-mail and he
told me that he has asking everybody who made a walkthrough (including myself)
and I'm the ONLY one that answered. Have you all forgot the manner that your
father and mother taught you when you were kids? If someone asking for your help
and you can help him, then do so. If you don't want people to send you an e-mail
then said so on your faq. Don't let people disappointed. I also have the same
experience. I asked someone and he didn't answered me. I don't know if he's a
busy man or not, but he didn't answered me. I'm very disappointed. Just because
you have made a great faq, and a lot of people e-mail you, it don't make you a
great man. What makes you a great man is your attitude.

And for myself, I guarantee that I will answer your questions, even if I can't
answer it. And if I haven't answered your mail within a week , please mail me

```
back, because maybe I don't read your faq, or something like that.
