I. Introduction

=====

This FAQ does not contain any spoilers that will ruin the story for you.
This is the second FAQ that I've ever written so please bear with me here.
But I promise that my FAQ's will get better as I continue to write more.
Just to let you know, I still haven't finished this game yet, but I'm about
90% through with the game.

II. Version History

=====

Version 1.0: May 10, 2002

The "Birth" of my Armor Guide. I started with Vahn and finished at
"Master Boots".

Version 1.3: June 5, 2002

Finally finished with Vahn's section. Looks like Gala is up next.

Version 1.5: June 10, 2002

Started on the Gala's section and I'm halfway done. Vahn's list is twice the size as Galas and Noas. I'm hoping to finish Gala by the 16th.

Version 1.6: June 13, 2002

Looks like I'm 75% done with Gala. I should be able to make my deadline of the 16th! :)

Version 1.7: June 16, 2002

Yes, I made my deadline! Looks like Noa's next and the FAQ will be completed! I about 25% of Noa done. She should be finished by the 19th!

Final: June 19, 2002

Well, this is it. I had lots of fun. There won't be any more updates unless I plan on submitting this to more sites or any spelling errors...
