v 1.02 (08/22/2006) : Whew two months without an update. Talk about being lazy. Well here's another very minor Tuesday update. Added the song translation and frequently asked questions sections. Also corrected a few typos. Lots of them are still left though. Oh and the puppets section is still totally incomplete. It'll get done eventually. Probably on a Tuesday.

v 1.01 (06/23/2006) : A very minor update. Simply added the lyrics for the three last songs along as the song info, such as composer name and stuff. Also added the cast section.

v 1.00 (06/20/2006) : It's Tuesday today...so here's an update. And what is added this time? No less than three chapters so now the game's script is completely covered! And we managed to do it on time for Tuesday which is probably the most incredible part! Or perhaps not. Well anyway there will be other updates in the future, cuz they're really needed, but at least the first version is up!

v 0.75 (06/13/2006) : Well here's another Tuesday update but not quite the usual Tuesday update either! No additionnal chapters but a lot of new sections! Puppets, skills, ultimate spells, illustrations&secret stuff sections added! Some are obviously still incomplete but this will change soon. Well, at least it should.

v 0.7 (06/06/2006) : Another week, another update. Added chapters 5&6. Still no other sections. Still.

v 0.5 (05/30/2006) : Already an update! We added chapter 4, which is freaking long btw. No other sections. Yet.

v 0.4 (05/27/2006) : First three chapters and the prologue translated and corrected. Also added the menu translation part.

Foreword  
-----

Finally a guide for that cute little game after all those years! The main point of this file is to translate the game obviously but since there are no FAQs and virtually no English ressource on that game, we'll try to cover everything we can about it, so other sections will soon appear in later versions. Of course the translation itself can be used as a walkthrough since we put indications about what to do to progress through the game, how to get optionnal events and puppets, etc... They're indicated between brackets to separate them from the script of the game. Do feel free to let us know about anything in particular you want to see covered in this guide. Don't complain about the songs romanizations though. I truly suck at romanizing so I'm fully aware that there are probably grammatical mistakes. Well, enough of my ramblings, I'll hope you'll enjoy this and once it's done we'll be taking care of covering Tenshi no Present so the whole serie will be complete! :)

=====  
===== Introduction =====

(Don't press any buttons and you'll watch this before getting to the title screen)

A long, long time ago, on the outskirts of the castle town of the Marl kingdom, there was a small village called Orange. There lived a young girl who could become friends with puppets thanks to a mysterious power.

That girl name was Cornet. Cornet dreamed of being able to meet the dreamy prince of the country and falling in love with him.

One day while Cornet was in the Wonder Woods, she was rescued by the prince and fell in love with him.

However because he saved her that day, the prince was turned to stone by the evil witch, Marjory.

In order to save the prince, Cornet and her puppets set off on a journey. At times fun, at times happy, at times painful, at times sad, Cornet experienced a lot in her travels.

And finally, she was able to defeat the evil witch Marjory, and declare her love for the prince.

Soon after this happy ending, a little girl from those two was born.

And now, 12 years later....

=====  
===== Prologue =====  
===== Princess Kururu =====

(a bunch of weirdos is gathered around a giant birthday cake)

All of them : Happy birthday Akurjo-sama!!

Skampy outfit weirdo : Now Akurjo-sama, blow out the candles! Everyone helped decorate it.

Flexing weirdo : We made sure to get the number of candles right.

Dorky weirdo : Keesheeshee...I can't believe you're already 999 nya....

All weirds cats : Make a wish nya! Make a wish nya!

Akurjo : A wish? Hm, that's right, there's but a thing that I want. I want to get my hands on the "shadow of beauty" and with it I'll be able to stay young and beautiful for all eternity!

Skampy outfit weirdo : That's Akurjo-sama for you! She's so greedy!

Weird cats : Akurjo-sama, hurry and blow out the candles! We're hungry nya!

Akurjo : I know, I know, can't you shut up for once? (blows out the candles)

---

Male officer : What's wrong with the princess? Etoile-sama has already arrived.

Maids : Forgive us, General Gio. We've been calling her for a while now...

(Gio sighs)

Female officer (thinking): (A bunch of grown adults that can't even get a kid to obey. How pathetic.)

Gio (knocking on the door) : Princess!

Gio (knocking harder) : Kururu-sama! It's already morning! (sighs again)

Gio : Princess, be reasonable and get up now. Today, you have to meet with Etoile-sama as a representative of your father.  
(he opens the curtains of the bed and there's only a Kururu plushie to be found)

Gio : (Sigh) She got out again.

Female officer : Father, you and Randy are too leniant with her. Kids shouldn't be spoiled.

Gio : You never change Sonia. Once you'll be married and have kids of your own, you'll understand. Ah, I can't wait to see the face of my grandchildren too...

Sonia : I am not interested in neither marriage nor children.

Gio : (sighs) In any case, it's troubling that the princess is such a tomboy. Geez, where could she have gotten it from...(looks at a painting showing Ferdinand and Cornet holding a baby)

---

((girl climbing down a wall))

Kururu : Whew! It feels great to be outside! It's finally spring break, there's no way I'm gonna stay inside the castle! Since Mom and Dad are out today, I'm gonna go on a adventure in the outside world!

(screen get pink as she enters dreaming mode)

Kururu : And just like Mom I'm going to find a prince for myself and live happily ever after! A gentle, smart, strong, handsome prince just for myself ...aah wait for me my prince!

(if you go north and climb the tree there's a healing candy and a speed band)

(talking to NPC on the way)

Maid : Cleaning, cleaning, lalala...Are you going outside Princess? If you don't start acting right you're going to give General Zio a heart attack.

Gardener : The weather's so nice and warm. We can thank the king for living in such a peaceful kingdom.

Servant : Ah, Princess. You've escaped of your room again.

Kururu : Yep. Dad and Mom are both out today, so I had to make the best of it!

Servant : But the queen surely anticipated your actions, princess.

(on the next screen Kururu will notice a treasure chest)

Kururu : What's this? Who put a treasure chest here in the middle of the walkway?

W-what? A puppet...? There's also a letter...

"To Kururu,

Seeing as you're such a tomboy I'm sure you'll find this treasure chest. Since your mother is away I'm sure you must be thinking something like "I'm going to travel in the outside world and find myself a prince!!" Right? You're so predictable.

Instead of telling you not to go, I want you to take this puppet with you. I'm sure it will be useful. It will protect you on the road, so be sure to take it with you alright?

Also, there should be others puppets from before lying around. Call them if you see them. I'm sure they will help you.

Well then, please take care of yourself. I'm cheering on for you. Do your best.

Remember, "Girls take initiative", Kururu!

Your mother."

Kururu : Mom... That's right! "Girls take initiative!!" No matter what I'm gonna find my prince!

(she then plays her trumpet and the puppet awakens)

Puppet : I am...kid Legdem...pleased to meet you....

Maid : Cornet-sama left a treasure on the other side. She said it was a surprise. What was inside?

Servant : There are lots of toads ahead. The princess hates 'em. You should turn back.

(The little puppets on the road are for tutorial purpose. Ignore them)

Servant : I heard a rumor that Randy likes the knight's captain, Sonia.

Kururu : What, Randy and Sonia? ...is that true?

(on the next screen you'll hear toads)

Kururu : Uuh...Toads are singing... I hate going through here... but I have to, this is the only way to get to town.

(toads ambush her)

Kururu : H-h-here they are!

(after the fight)

Kururu : A-ah, that was scary. I really h-h-hate toads! (enter dream mode)  
I'm sure my prince will come and save me from them!

(next screen)

Knight : Princess! Wait up please! Huf, puf, huf, are you going outside?

Kururu : Yup, just for a bit.

Knight : What's with this "just for a bit" nonsense?! You left the castle without telling anyone again didn't you?

Kururu : ...

Knight : Please think about what you're doing! Think about who you are more, leaving the castle alone is a definite no-no!

Kururu : Shut up. I'm just gonna go play for a bit. Besides, we used to go out and play together a lot, didn't we Randy?

Randy : We can't go out. General Gio will be mad.

Kururu : Humph. I'm not afraid of him! Since Mom is away, I'm not scarred of anyone!

((Randy joins the party - Randy doesn't have anything equipped)

(talking to NPCs near the fountain)

Guard 1 : Didn't see a thing. Princess? What Princess? I haven't seen any Princess.

Guard 2 : Ah, Cornet-sama, please hurry up and get back! We can't stop her by ourselves...

Maid : Isn't it weird how the Princess and Queen can both speak with Puppets...? I wonder why...?

Woman near the fountain : All the girls in Mothergreen want to be like Sonia-sama. Ahh, Sonia-sama...

Servant : I wonder what the King and Queen are up to now...  
They've certainly been given a wonderful reception at the New Frog Kingdom.  
How I envy them...

Kururu : Frog Kingdom eh...I'll never go there, for sure.

(next screen)

Woman : Oh my, sister Tera. We've come all this way to thank Cornet-sama and she's not here.

Tera : It can't be helped, sister Sharte. We'll just have to come back again.

Kururu (thinking) : Those girls seem to know my Mom...

Sharte : Ah? Did you need something from us little girl?

Tera : Wait sis. That child looks familiar... Hmm, the more I look at her...

Kururu : W-What? Is there something about my face?

Tera : Are you the daughter of Cornet-san?

- 1) Yep
- 2) Nope

(1)

Tera : Thought so! You know, a really long time ago, Cornet-san did us a huge favor!

Kururu : She did?

Tera : Me and my sister were seperated, but Cornet-san brought us together! Oh I know, there's something I want to give you!

Kururu : Really? What is it? What is it?

Tera : At first we were gonna give them to Cornet-san, but...

Sharte : Back then, we traveled the world with your mother as those puppets.

Tera : And thanks to Cornet-san we were able to become humans! These puppets are identical to our fomer selves. Now, play your horn and bring them to life!

Sharte : They're sure to help you out!

(Kururu plays and both Tera and Sharte joins. Note: If you equip both Tera and Sharte to Kururu, she'll obtain the skill "Sister's Love", which, for 30HP will revive a fallen ally. Its kind of useless now considering how few HP Kururu currently has.)

Sharte : Ah, that melody brings back memories, doesn't it sister? ...Back then, Puppets would repay Cornet-san for her help by following her. If you meet others on your adventures, call them the same way.

Kururu : Yeah, I got it! Thanks!

Tera : Please give our regards to your mother.

(2)

Tera : Really? You look a lot alike. Oh well, let's go home Sharte.

(on the next screen)

Servant (guy) : We'd like to be a good looking couple like the King and Queen. But she thinks of me more like a friend than a lover.

Servant (girl) : That guy is pissing me off, he can't make up his damn mind about anything.

(on the next screen in front of the church)

Girl : Etoile-sama was looking for you earlier, princess.

Maid : Lalalala! Cleaning is fun.

Gardener : Man, I'm beat. Its hard work here at the Castle.

(after going south)

Soldier : The Princess has breached the perimeter!

Kururu : Crap! They spotted us!

Randy : What should we do Princess? Are we going for the usual head-on surprise attack?

1) Chaaaaaaaaaarge! Let's get 'em! Head first even!

2) You'll do great Randy! I'll be over here. Good luck!

(1)

Randy : Ha.... we're gonna die, aren't we?

(2)

Randy : "You'll be over there"? T-t-this was you idea!

(talking to the surrendering soldier)

Soldier : Don't kill me! P-p-please Princess!

(examining the first Sonia statue)

"Goddess of War"

(examining the second Sonia statue)

"The Elegance of Battle"

(next screen after the battle)

Etoile : Oh my. Is that you Kururu-chan?

So you were out playing instead of meeting me?

Kururu : Etoile-san!

Etoile : Are you breaking out again? General Gio will be upset. At the rate you're going, you'll drive him into early retirement.

Kururu : I-I'm sorry.

Etoile : Hooohohoho! Don't apologize! Its important for a child to have fun! I won't tell anyone. Go ahead and play Kururu-chan.

Kururu : Thank you Etoile-san!

Etoile : Hooohohoho! Really, you're such a cute and innocent child Kururu-chan. So unlike, your dear, dear mother, who isn't the least bit cute or innocent and is so conceited and vain I want to...

Kururu : Etoile-san, I gotta go! If we stay here someone will find us!

Etoile : ...I mean, really, she acts as if though she's the only one on

the planet and... Oh, right. Have fun, and be careful!

Kururu : Will do!

Etoile : Oh, and you can come over and play with Crea anytime! You don't even have to tell your mother where you're going!

(talking to the girl near)

Girl : Queen Cornet's life is like a fairy-tale. She fell in love with the handsome prince and they got married immediately!  
All the girls in the country want to be so lucky... I want to meet a prince too!

Kururu : Me too!!

(in the left hall)

Soldier : Code Orange! The Princess is here! Requesting back up! For the love of god, send back up!

Randy : P-Princess, let's just go back! Sonia-san is gonna be angry too!

Kururu : (Glares at Randy)

Randy : Y-yes ma'am. I'll handle it. (sigh). (battle start)

(talk to the puppets in one of the room connected to the hall to get a healing candy)

(when exiting the room and going back in the hall)

Soldier : I've got you now Princess! I'll be a hero!

Kururu : You'll never catch me!

(they start to "dance")

Soldier : I'm the undefeated tag champion for the past 20 years! No one's ever beaten me!

Randy : ...I guess that means we have to... (battle start)

(examining the Sonia statue)

"Our Beautiful Goddess Sonia-sama" this was made by Sonia fan club

(examining the Gio statue)

"General Gio" this is a second edition.

(after going south to where Etoile was)

Mustach guy : You're a brave one aren't you? They told me the Princess was a little spit fire. Congratulations.  
But Captain Sonia-sama told me not to let you through. As long as I, the Substitute Captain of the Marl Kingdom Imperial Guard, The Great

Zolbaref continues to breathe, I won't let you escape! Let's go!

(battle against Zolbaref and two soldiers)

Zolbaref : Hmph... I had to hold back... I can't seriously attack a child...  
(passes out right after saying that)

Kururu&Randy : ...

Kururu : Mission successful! Now that we're out, I can do anything!  
Here I come world! I'm coming for you my prince!

Randy : (sigh) I wonder if we should even bother coming back... maybe  
they'll just lecture us...? ...naaaah.

Kururu : C'mon Randy!

Randy : C-coming!

==== Chapter 1 =====  
==== First adventure =====

Kururu : Uwahh! The town looks so different! I guess it's because I'm always  
riding in a carriage instead of walking...

Randy : Yep. Mothergreen is the Captial of Marl Kingdom, so there's always a  
lot of people here!

Kururu : Still, it looks a lot different than it did when I broke out of the  
castle a few years ago.

Randy : The RosenQueen Company has spent a lot of money developing  
Mothergreen over the past few years.

Kururu : Hummm... so that means I can meet a lot of new people... maybe  
even my Prince! ...maybe.

(talking to the people on the same screen)

Girl : I love Spring Break!

Artist : Get out of my way you brat!

Kururu : (Hmph! I'm the Princess! Who does he think he is?!)

Randy : Calm down Princess. It isn't like people know your face.

Man : Hm? You... could you be...

Kururu : Aaaaah!

Man : A tourist?

Kururu : Er, um... kinda...

Man : You should head over to the "Blessed Lake" sea-food restaurant.  
They got the best meals in all Mothergreen!

Kururu : Sea-food? Sounds pretty good. Awright! Randy let's go!

(You can now wander around Mothergreen. West is Etoile's mansion and east is Kururu and Crea's school. At Etoile's place people will tell you that Crea went out looking for Kururu. You can also get a little money by playing the trumpet for a puppet there. At the school Professor Sergei Jostagovich mention how Kururu is a terrible student so unlike her friend Crea. To progress in the story go south to the fountain place and then head east.)

(once you're in front of the "Blessed Lake" restaurant)

Kururu : \*Sniff sniff\* That smells great!

Randy : This is a pretty well-known place, I heard that his Majesty the King loves the food here.

Kururu : Father does? Eh, I didn't know that...

Randy : But I guess now that Cornet takes care of him, he doesn't come here anymore...

Kururu : Let's go in and look around!

Randy : Alright.

(entering the room in the back)

Kururu : This... this is it! This is what smells so good!

Randy : Princess, you can't just barge in like that!

Head Chief : Hey, what are you doing! If you don't hurry the food's going to get cold!

Kururu : (Let's dig in!) Chomp, chomp.

Randy : Aaah, w-what are you doing?! You aren't in the castle!

Kururu : Munch, munch... Yeah, yeah whatever. This is great! (the cooks noticed her)

Randy : (You can't do this sort of thing outside the castle!)

Kururu : Don't you want some, Randy?

Head Chief : Miss, what exactly are you doing?

Kururu : What does it look like I'm doing? I'm eating. This is really good, do you want to try some old man?

HC : You like it? Thank you! Nothing warms my heart more than knowing

my food has brought joy to others! Hahahaha....(screaming) YEAH RIGHT, like hell!! You stupid brat, it takes 3 hours to prepare that dish and you've eaten it in 3 minutes! Prepare for divine retribution!!

Randy : H-hey, calm down!

HC : Get the hell outta my way!

Kururu : Why are you so mad old man? I said your food was good!

HC : Now listen, Miss I'm-Too-Good-To-Pay-For-Food: You know what it's called when you take things that aren't yours? It's called stealing you thief!

Randy (drawing out his sword) : Hey. What did you just call her?!

Young girl : Please put your weapons away.

Randy : Crea-sama!

Crea : I'll pay for any damages. Here.

HC : Th-this is a RosenQueen Company Special Gold Card?!

Cooks : T-that means...

Crea : Indeed. I am Etoile RosenQueen's daughter, Createur RosenQueen.

All cooks : Please forgive our rudeness!

Kururu : Crea...

Crea : Teeheehee, are you okay, Kururu-chan?

Kururu : Ah, um, yes. Thanks!

HC : Err, excuse me Miss?

Crea : Yes?

HC : Thank you for covering her bill, but since your friend ate the food, we're out of some ingredients and... we don't have any men to spare to go get more.

Crea : Is that so? That's a shame. Don't worry, we'll see to it. Until we return, please keep Randy-san here as collateral. Is that okay with you, Head chief?

HC : Yes! This is simply fabulous. Thank you very much.

Randy : C-Crea-sama, y-you can't use me like t-this!

Crea : Teeheehee. Just remember you're doing it for Kururu's sake.

HC : We need the Bobo fish. They live in the Nathalie River. Nathalie River is out in the Wonder woods.

Crea : I understand. A Bobo Fish you'll have. Let's get going, Kururu-chan. (Crea joins the party. Crea doesn't have anything equipped)

(once they both left)

Kururu : Whew. You saved my butt, Crea.

Crea : I'm glad I could help.

Kururu : But... why were they angry? And they bowed to you, but not me. What's that about? I'm a Princess!

Crea : Teehee, you aren't in the castle now, Kururu-chan. When we get back to school, study "Society's Rules" a little more, alright? At least until you find your prince, teehee.

Kururu : Wha-?

Crea : When I went to go visit you at the castle, they said you broke out. A lightbulb came on in my head. After all, you're always saying how you want to get out of the castle and find your Prince.

Kururu : Uu, yeah...that's right. Yep, a gentle, smart, strong, cool, and, and, tall, with long feets and knows how to dress well and...aaah my prince....smack(starts kissing thin air in front of her)

Crea (slapping her with a giant fan) : Please come back to reality.

Kururu : Oooow.

Crea : First, we need to get the Bobo fish. You'll find your Prince someday.

Kururu : R-right!

(upon leaving town)

Kururu : Nathalie river... it's a long walk, isn't it? Haaah, and here it's finally spring break and we have to run errands...

Crea : Teehee. I think this is called "You reap what you sow," Kururu-chan.

Kururu : ...sorry.

Crea : It's fine. Oh, speaking of spring break, we have some assignments!

Kururu : Yup! But I haven't even looked at 'em!

Crea : I figured as much. We should do the "Observation Notebook" together!

Kururu : "Observation Notebook"? Whaddaya mean?

Crea : We're supposed to go out and record stuff about the wildlife. This is supposed to count for a a high percentage of our grade.

Kururu : Awright, let's work together!

Crea : Teehee, alright then. (Received Observation Notebook. Observation Notebook added to the main menu.)

Crea : All of the monsters we meet will go into the notebook!

- 1) OK!
- 2) I don't get it

(1)

Crea : Then let's head to Nathalie river!

(2)

Crea : Listen well. (she basically repeats what she just said earlier)

(signpost on the way) : Up ahead: The Wonder woods. Good boys and girls don't go inside alone!

Crea : Teehee, I've got you and you've got me, so we aren't alone!

(on the way you can stop and visit Orange village which hasn't changed at all. By talking to a puppet in Cornet's house you can get a healing candy. Otherwise not much to do. Kids will pick on Kururu saying her clothes are strange and calling her "pumpkin pants")

(a bit later on the road)

Kururu : Uwaaah... its so pretty!

Crea : Kururu-chan, is this your first time here at the Wonder woods?

Kururu : Yeah. I didn't know that the outside world was this beautiful. So this's the Wonder woods. Mom and Dad met around here.

Crea : Hehehe. Come on, let's go Kururu-chan. Nathalie river is nearby.

(keep on going west until you reach a signpost. it reads : west : orange village, south Nathalie river)

(once you reach the river)

Kururu : This is Nathalie River? Where are the fish?

Crea : To catch fish, we'll need bait.

Kururu : Bait? We don't have anything like that, do we?

Crea : Teehee, it's fine. If you walk down the pier...

Kururu : Eh? Do you keep bait over here? (Kururu looks down in the water and some weird fish assault her)

Crea : Teeheehee. See, you caught one! (battles against the fish ensues)

(after winning)

Crea : Once we bring this to the Head chief, Randy-san will be free.

Kururu : ...how...how could you use the future Queen as bait? That's so like you to do something like that...

Crea : Teehee. Details, details.

(on the way back)

(rumbling sound)

Kururu : D-did you hear that?

Crea : It sounded like... stepping?

Kururu : Stepping? More like an Earthquake!

Crea : Y'know, now that I think about it, I've heard people saying they've seen a Dragon around here lately...

Kururu : D-d-d-d-d-dragon!!! Y-you could have said something earlier!

Crea : A,a,a....

Kururu : I-it's...!! (fight against dragon, you obviously can't win this battle)

(after the fight)

Kururu : We can't even scratch it!

Kururu : Kyaaah!!

(a boy suddenly appears and dispatch the dragon with a slash of his sword)

Kururu : ... (aah, ...this is... this is how Mom and Dad met!)

Kururu : (S-so that means,...this person is my....)

Kururu : (Aah, my prince...!!)

Boy : (....Cherie?)

Boy : (No...she looks a lot like her but she isn't....)

Boy : Leave this forest and never come back.

Kururu (still in her fantasy) : ....eh?

Boy : I said leave this forest and never come back... Pumpkin Pants.

Kururu : P-pupmkin Pants!!?

Crea : Snort.

Kururu : IT ISN'T FUNNY!

Boy : This forest is a dangerous place, kids shouldn't be here.

Kururu (mad) : W-what are you talking about?! Aren't you a kid?!

Kururu : What's with that guy?! At first I thought he might be my Prince, but was I wrong or what?!

---

Akurjo : Ho, isn't that the Princess of Marl Kingdom? She may be useful.

Skimpy outfit weirdo : Here it comes! Deathblow: "Using others to reach your own goal"

Flexing weirdo : Whew. I just can't find the right pose... Does this make my bicep look sexy enough? Wait, there's no such thing as sexy enough...

Skimpy outfit weirdo : Hold on FonFon! Akujo-sama's falling back on her "I'm too lazy to do it myself so I use other people to do it for me" plan!

FonFon : Oh my. Do we have to work on it, too?

Dorky weirdo : ...It'll be a pain in the ass to have to work after all these years, nya...

Skimpy outfit weirdo : Won't it though? See, you know what you're talking about, NyanNyan.

NyanNyan : ...keesheeshee. I've been praised by RanRan nya.

Akurjo : ...shut up, all of you. This girl, I'll be able to use her for sure.

---

Kururu : grumble...geez! That guy pissed me off!

Crea : Come on, stop pouting Kururu-chan. Let's go get Randy.

(entering the kitchen of the restaurant in Mothergreen)

Cooks : Those girls are taking their sweet time...

Head chief : Maybe we should just use him instead of the Bobo fish.

Randy : I'd rather you not! Y-you wouldn't want me anyway! I taste awful!

Kururu : Here's your fish.

Randy : It took you long enough! They were about to cook me!

Crea : Oh my. That would have been such a shame.

HC : Alright, this is a quality Bobo. Good job, little girl. Now listen to me: You can't just go around taking stuff that doesn't belong to you. Don't let it happen again.

Kururu : Sure thing. Sorry 'bout that Old Man.

HC : Next time you want to eat, talk to the waiters like a normal person, and pay for your meal. I'll make sure to cook you a great meal, got it?

Kururu : Yeah!

(outside)

Randy : I... I thought I was going to die.

Kururu : Geez, I said I was sorry. What more do you want Randy?

Kururu : Uncle Gio! Sonia!

Gio : We've been looking for you, Princess. You can't keep breaking out...

Kururu : Hey, hey, uncle Gio, get this! Today, I went to the Wonder Woods! It was my first time seeing it! It was sooo pretty!

Gio : Ho. The vegetation there sure is beautiful. It sounds like you had fun...

Sonia : Father!!

Gio : I-in any case, Princess. Let's go back to the castle.

Sonia : This goes for you too Randy. You need a serious lecture on the ethics of sneaking out with the girl you're supposed to be protecting.

randy : Eh? A lecture from Sonia-san? (Lucky!!)

Sonia : Wipe that stupid grin off your face. We're leaving.

Randy : Yes mad'm!

Crea : Take care, Kururu-chan. We'll play again!

==== Chapter 2 =====  
==== How to make delicious softcream =====

Sonia : Correct. Now Princess, define this word.

Kururu : Hummmm....

Sonia : Princess. We just went over this 5 minutes ago.  
Pay closer attention.

Kururu : Hummmmm....

Sonia : You play too much. Listen well. You'll be the Queen of this country.  
You have to conduct yourself like a Queen.

Kururu : Geez, Sonia, you're such a hard ass.

Sonia : I'm the Captain of the knights. My job isn't to be "nice."

Sonia : (This is embarassing... the Captain of the knights working as a  
tutor.)

Sonia : (If Cornet-sama hadn't asked me to do it as a favor, there's no  
way I'd be here.)

Kururu : Hey, Sonia. I'm beat.

Sonia : ...I see. To tell the truth, I'm a bit tired too. Let's take a  
short break. (walking towards the door then stopping suddenly)  
And stop trying to escape alright?

Kururu (sweatdrop) : I know, I know. (Sonia leaves)

Kururu (huge yawn) : ...yeah right, that's totally gonna happen.  
Studying sucks soooooo much. Adventure in the great outdoors awaits me!  
Even if ya fall down two times, you gotta get up three!  
"Girls take initiative"!! One day I'll definitely find my prince!

Kururu (reminiscing about the boy in the forest) : Aaaargh!! Why can't  
I get that brat off my mind?!

(Look around Kururu's room. You can get Illustration 6 from the drawers.  
Use it in the item menu to change the background picture in the menu window.  
Then escape through the window like last time)

Voice : Where do you think you're going Princess?

Kururu : Crea?!

Crea : Teehee. I found you Kururu-chan.

Kururu : Geez, don't scare me like that.

Crea : You came to play again, right? I just heard about this great place!

Kururu : Heh? Where, where?

Crea : The softcream shop.

Kururu : Softcream?

Crea : Yes. It's like candy, except its cold and kind of mushy. It's really sweet.

Kururu : Sweet? I love sweet things!

Crea : Teehee, I know you have a sweet tooth. The shop just opened, but its become really popular for going on dates and stuff.

Kururu : Eeh...you don't look like it, but you sure know a lot about the world. But it sounds like fun, let's go!

(Crea joins party, as usual don't forget to equip her since even her monsters have been removed)

(once you reach the inside of the castle)

Soldier : S-she's busting out again! (battle)

(once you exit the castle towards town)

Zolbarev : Princess! Today I won't show you any mercy! I, Zolbaref of the "dawn", will become a demon if I must for Sonia-sama's sake!

(Battle time, he's a bit tougher than before, but not by much)

Zolbarev (beaten) : ugh...Knight's kindness knows no boundaries. I could never become a demon...

(once near the fountain in town)

Crea : Ah by the way, Kururu-chan, the softcream shop is in the shopping district.

(basically it's the area west of the fountain spot, just go there and you'll see the next event)

Kururu : Eh?! There's no one here... you'd think there'd at least be a few people waiting outside if this place is supposed to be so popular.

Crea : This is strange, isn't it? Let's go inside and ask the owner about that.

(inside shop)

Shop clerck : Welcome. Sorry, but we're closed for the day.

Crea : Today isn't a holiday, is it? What happened?

SC : Everyone's missing, the owner, the workers... all gone.

Kururu : Missing?

SC : This shop is our dream... we finally managed to make become a reality and they all go off on a vacation?

Kururu : You should go look for them and drag them back.

SC : Eh? But I don't have any idea where they are...

Kururu : And so you sit here waiting? I thought you said this place was your dream! Get off your butt and protect your dream! That's what mom used to say "If you don't take the initiative, then you'll never capture your dreams."

SC : ...taking the initiative....myself...

Crea : Well said, Kururu-chan!

Kururu : Hey, we're going to help you find them.

SC : R-really? Thank you very much!

Kururu : But, in exchange for our help, you'll give us free softcream!

SC : I'll galdly do so! I'll make sure its the best softcream you've ever had!

Kururu : Alright, then it's settled!

Crea : Kururu-chan are you sure about this? It may not be that easy...

Kururu : As the (future) queen of this country, I won't stand for scandals like this! And besides this is a good chance to find my prince!

Crea : You're always so positive Kururu-chan.

Kururu : Right! "Girls take the inititive!!"

(speaking to the people around the area you'll learn that a new softcream shop has settled in the Wonder woods so head there. Keep going all the way west. You'll get the following event once you get west on the Nathalie river)

Kururu : Ah!

Boy : .....

Crea : Thank you very much for rescuing us the other day.

Boy : Didn't I say not to come here anymore?

Kururu : Y-you think you can order us around? I'll have you know I'm--

Boy : Next time I won't protect you. ...if you don't want to get hurt, you better leave immediatly. (he leaves)

Kururu : Beeeda! (sounds of sticking one's tongue to someone^^)  
We don't need his protection anyway!!

Crea : ...

Kururu : What's wrong Crea?

Crea : That boy kinda reminds me of your father, Kururu-chan.

Kururu : My father? Don't compare him to that lowlife brat. My father is...

Crea : Gentle, smart, strong and cool right?

Kururu : Exactly. Exactly the type of guy I want to marry! He's nothing like that brat!

Crea : ...hummm.

Crea : (Somehow this seems suspicious.)

(Now keep going west, you'll soon reach a shop named BagBurg)

Crea : I guess this is the new shop we heard about.

Kururu : (sounds of stomach growling).

Crea : ? What was that?

Kururu : Ah err...I was just thinking about how good softcream must be...

Crea : Teeheehee. Then, should we buy something here?

(speaking to the people around they'll tell you how the softcream here are so much better than in Mothergreen. There's also a weird cat at the entrance who welcome you. Inside the shop you can't do much unless you buy a softcream. People around are all busy eating. A soldier will spot Kururu and try to bring her back but Crea threaten him to tell everyone he was dighting his job to come here so he gives up. Soldiers sure are spineless.)

(talking to the cat at the counter)

Cat : Welcome nya! May I take your order nya! Will you buy a softcream?

- 1) Yes
- 2) No

(1)

(will bring you to the buy/sell menu. Pick up first choice to select then buy a softceam. Just buying one is enough)

(2)

Crea : I thought you said you wanted to try some?

(after buying one)

Kururu : Aah! It's cold but it tastes sooo good! Hm, alright, I'm done.  
Do you want one, Crea?

Crea : Thank you Kururu-chan but I'm fine. Somehow I have a bad feeling about this but if you're still fine tomorrow Kururu-chan, then I'll eat one.

Kururu (sweatdrop): ...what do you think I am? Your test rat?

Crea : Teeheehee. Do tell me if your stomach hurt later. I'll make sure to watch over you if you get sick.

(you then see a cook being abducted by some of the cats hanging around)

Kururu : ...did, did you see that?

Crea : Yes. It appears to be one of the missing workers from the Mothergreen softcream shop. What is going on here?

Kururu : This smells fishy. Let's follow them!

Crea : Teehee. Sounds exciting.

(follow the cats through the door. You'll be in a hall. Talk to the cats standing guards in front of the doors.)

Cat : Halt! No one can set foot in this door! ...well actually it's what Burg-sama said nya. I could care less.(battle start)

(talking to the cook inside)

Cook : I am one of the worker at the softcream shop in Mothergreen. They kidnapped us and tortured us until we gave them our softcream recipe! My comrades are still inside. P-please, save them!

(next door leads to the end of that dungeon. For now keep going west and rescue all the cooks. They will tell you various bit of info like the boss of this place is cat called Burg and had created an automated process to create softcreams faster, Burg's boss is a scary person called NyanNyan,... you also find some money and a protector that boost you DEF. Once you're done, go back the first area and take that second door. On the next area 3 more doors guarded by cats. Inside the cooks will keep spouting uninteresting stuff like the cats goal is to raised some Inochium. You'll find an Hayabusa band also that raise your speed. After saving the three cooks the next door will be boss battle time.)

(Inside last room)

Cat : This is the last one nya.

Burg : Good job BANG! Now we will have the monopoly over the softcream business BANG! NyanNyan-sama will be proud of us BANG. Gyahahaha, NyanNyan-sama you're the best BANG! Good, you guys, it's production time.  
(kidnapped cook leaves the room)

Bang : Gyahahah! Now, time for some fun cooking BANG!

---

Kururu : Uuurrrghhhhh. (vomiting all over)

Crea : Whew. I'm glad I didn't eat any of it.

Kururu : WHAT?! You don't even care that I ate cat shit?!  
(in the game shit is censored by a beep sound^^)

Crea : That's bad Kururu-chan. Young ladies shouldn't use words like "shit"  
(censored again by a shooting sound^^)

Burg : Hm? What's with you guys? How did you get here BANG? Could you be...  
spies BANG?

Cats : They're spies nya! They're spies nya!

Burg : Time to give you your punishment BANG!

Cats : Punishment nya! Punishment nya!

Burg : Guess I could use you to make some toppings for the next softcream  
BANG!

Cats : Yayyy! Topping nya! Topping nya! (battle starts)

(after beating up on the cats)

Bang : You're pretty good BANG. But since you know our secret process,  
you'll have to die here BANG!

Kururu : Shaddap!! How dare you feed me that crap?! I'll never forgive you!!

Crea : That's right. We can't possibly stay silent about that kind of thing.

Kururu : Prepare yourself!! (boss battle)

(after winning)

Bang : I've lost BANG. This won't be so easy next time BANG! (runs away)

Kururu : haahaa....ah! I have to block that out of my mind. You got that  
Crea? What happened today never leaves this room!

Crea : Of course.

Kururu : IT NEVER LEAVES THIS ROOM.

Crea : Teeheehee. A secret just between the two of us. How ro-man-tic  
Kururu-chan.

Kururu : ...what part of it is romantic, exactly?

Cooks : Err...thank you very much for saving us. Thanks to you we've learned  
to protect our own dream! "Taking the initiative", I won't forget that!

Kururu : Yup! Good luck with your shop!

Cooks : Remember, if you ever want some softcream, come to our shop anytime!

Crea : ...well that's the end of that. Should we go Kururu-chan?

Kururu : ...I never want to see a softcream again.

Crea : Don't be so bitter. It didn't work this time, but I'm sure we'll find  
your prince soon Kururu-chan. "Girls take the initiative" right Kururu-chan?

Kururu : Right! I'm gonna do my best and keep taking initiatives!

Crea : That's the spirit.

(walking outside the store, you'll see Randy with a softcream)

Randy : (lick, lick) Yum, it's delicious!! Its the perfect blend of chocolate  
and softness! Its... its beautiful!

Randy : Ah, Princess! You came here, too? ...you got out again. You're going  
to be the death of me, Princess.

Kururu : Puh! (trying hard not to laugh)

Crea : Teehee.

Kururu : Hahahaha!

Randy : ??? What's wrong you two? Did I say something funny...?

=====  
===== Chapter 3 =====  
===== Because the two of us will always be together =====

Sonia : Are you listening Princess? Geez, how many times will I have to keep repeating the same thing before you finally understand?! You will be the Queen of this kingdom!! You have to learn to conduct yourself like a Queen!

Sonia : You can't just do whatever you want because of childish dreams like wanting to meet Prince Charming!

Randy : She's right, Princess. Sonia-san has a reason to be angry.

Sonia : Silence, you! Besides, you're acting as her enabler! Giving in to every little whim she has! You're just as responsible for this as she is!

Randy : Well, the thing is...

Randy : Yes. You are right.

Sonia : You... spineless... URGH! Stand up straight! H-how could someone like you become a Knight?!

Randy : Ha...ha...ha... I wonder about that too, sometimes.

Sonia : .....

Randy : Wh-what? I was just kidding. S-stop glaring at me like that!

Sonia : (When I think back about all the hardships I had to go through to become a Knight even though I'm a woman... and yet there are men like him...)

(Gio enters)

Gio : Sonia, Randy. Today is the day of the Knights and Marine Defense Mutual Practice Battle. The others have already assembled. Hurry up and get prepared too.

Randy : Y-yes sir! (Whew, I'm not going to die!)

Sonia : ....understood. (they both leave)

Gio : Seems like Sonia's warming up to you. Princess, please stay here quietly for a while. That's all I'm asking.

Kururu : Wew...they finally left. If my ears weren't attached to my head they would have fallen off. But why did Sonia get so angry? ..bah, whatever.

Time to make another bold escape!

(look on the bed to get some offensive item, then inspect the shining spot in the fire place)

Kururu : What? There's a button here! "square, cross, L, R".... What's that?

(the game then tell you there's a letter in the back of the fire place. Pick the first choice to read it.)

"To Kururu

Seeing as you are your mother's daughter, I'm sure you'll find this hidden switch. Right now we're away from the kingdom so you're probably thinking about escaping on your own right?

(blah blah sorry I didn't have time to get it. They talk about how they made this especially for her and that the hint about square, cross, L and R is the trick to open it and they picked it after Kururu's name)

Normally, I'd tell you not to try and leave the castle alone, but I know how much good that'll do.

Your father and mother are always watching over you Kururu.

Your Father"

Kururu : "square, cross, L, R".... What could that mean?

(obviously you have to press that sequence of buttons on the controller in front of the fire place to trigger the opening of the tunnel.)

(after doing it)

Kururu : Got it!! Great! Now I can escape. Thanks father! Well, let's see what's inside....

(Crea appears along with tons of smoke)

Crea : Whew... I finally got to the bottom...

Crea : Ah! Kururu-chan, there you are!

Kururu : cough, cough, it's youuuuu....

Crea : I was thinking Kururu-chan would try to escape soon, so I've come to pick you up!

Kururu : ....your guesses are disturbingly accurate.

Crea : Guesses? That's no guess. I've been exploring this escape route very thoroughly. Teehee.

Kururu : ...ah. I see. Bah, I'm glad you came anyway. Thanks!

Crea : Teehee. Don't mention it. After all we...

(they begin to sing a little sentence "futari wa itsumo isshoni dakara", they will do so quite a bit in this chapter and guess what? It means

"because the two of us will always be together")

Kururu : Ahaha!

Crea : Teeheehee.

Kururu : Let's go, Crea!

Crea : Yes! (she joins the party, remember that all her accessories and monsters were unequipped. I know, I know, its becoming a pain.)

(Crawl throught he sewers, you'll get a mystic robe that boost you Def quite a lot and an item to restore 5HP per turn along the way. You'll end up in the graveyard of orange village. Bring back memories doesn't it?^^)

(once outside)

Kururu : Whew! We're finally outside! I'm glad we're out by now, but where are we...?

Kururu : Today let's go on a grand adventure! ...not silly little ones like from before. Besides if I get in a pinch, my awesome prince will come to rescue me!!

Crea : Teehee. Then how about going to that mansion in the Wonder woods?

Kururu : Eh? The haunted one?

Crea : Yes. I'm sure that something exciting will happen there!

Kururu : B-but, y'see... t-the thing is... me and ghosts d-don't get along that w-well...

Crea : Oh my? Are you afraid?

Kururu : Uh...

Crea : So, the brave Kururu-chan is afraid of ghosts? How cute teehee.

Kururu : I-I'm not afraid! Grr, looks like fun, let's hurry!

Crea : Teehee. False bravado. Really, that's so cute of her!

---

Akurjo : ...then you're telling me that the "Shadow of beauty" is really there?

Blond cat-girl : Really nya. The "Shadow of beauty" is in Marjory's throne room in Beauty Castle nya.

Akurjo : And, how are we to get inside Beauty Castle?

BCG : Except for the members of the Marjory family, those who want to enter must have the "five treasures" nya. Those "five treasures" are in the Marl Castle in Mothergreen nya.

Akurjo : I know that you dolt. And you're certain that the "Shadow of Beauty" is in Marjory's room?

BCG : Yes nya.

Akurjo : Haha, I see. Then as promised, here is the medicine that will turn you into an adult. With this even someone as flat-chested as a board, will have big breasts. Go ahead and try one if you don't believe me.

BCG : It worked nya! Now no one can make fun of me for being flat-chested nya!

Akurjo : To think she'd sell her master out so easily...how ridiculous... The Marjory family is filled with idiots. Marl Castle and the "five treasures" ... I didn't think that theis princess girl would come in handy so soon.... Hahaha...Ahahahahaha!!

(those who played the first game will recogize the blond cat girl as Myao obviously^^)

---

(Nothing to do in Orange village, a priest will talk about how Cherie, Kururu's grandmother used to work at the church, other people mention a haunted house in the Wonder woods, etc... For now let's go back to Burg restaurant. Inside go back to the boss fight room. You'll get "Illustration 3" select it in the item menu and you'll change the menu screen to that scene where Kururu is furious at Burg. Nice artwork^^. Now look into those rooms where the cooks were locked. In one of them you'll find a knight-looking puppet. Save your game and talk to him.)

Duke : Do you have business with me?

- 1) Yes
- 2) No

(1)

Duke : Those who can understand Puppets have the blood of the Ancient people running through their veins. Could you be the daughter of Lady Cornet?

- 1) Yup!
- 2) Nope!

(1)

Duke : I see! So let me lend you my strength.

Kururu : Huh?

Duke : Being unable to repay your debts, this is a warrior's greatest shame. The favor Lady Cornet accorded to me, I shall repay it now!

Kururu : Hah? That's gre...

Duke : But, for you to become my master, I must first test your determination!

Kururu : Wh-hey hold on a minute!

Duke : En garde! (battle start. He's probably too strong for you now though. His element is water so having a fire-element puppet will help tremendously. Other wise charge up a level 4 pastry attack is always a good idea too^^)

You can win even if you're level 11 by throwing a level 4 pastry attack then a level 2 and adding a few mega- spell like megameteor or megasaint. He needs three turns to wipe you out so plan well.)

(once you won)

Duke : Superb! I now recognize you as my new master.

Kururu : ...gee, thanks.

Duke : I am called Duke. I will be now serving you as your sword.

(needless to say Duke is pretty good despite being only lvl.12 so do equip him. You'll probably want to keep Sharte for healing though and Terra for her meteor bomber which is quite useful at this point)

(now you'll simply need to head west to reach the mansion. It's south west of the softcream shop. You'll know you'll get near when you reach an area where the trees are withering. There you'll also see a puppet, Legdem who asks you if you want to get out of here. First choice is yes second is no. He tends to appear in dungeons too so don't speak to him unless you want to exit the place.)

(once you reach the entrance)

Crea : Oh my, the weather seems to be changing for the worst...let's get inside quickly to avoid getting wet.

Kururu : Ah, it's not locked.

Crea : Indeed.

Kururu : L-let's go inside then...

Crea : Yes, let's.

(inside)

Kururu : Is someone here?

Crea : Come out Mr. Ghost~ Its rude not to greet your guests~

Kururu : Hey, cut it out! What would happen if a ghost really showed up?!

---

Cat : NyanNyan-sama. They fit Akurjo-sama's descriptions nya. We've found the queen of this country and....nya?

NyanNyan : ...

Cat : NyanNyan-sama? What are you doing nya?

NyanNyan : ...intruders nya.

Cat : Nya? Intruders nya? We must inform Akurjo-sama immediatly nya!

NyanNyan : ....there won't be any need for that nya.

Cat : Why nya?

NyanNyan : ...I'll use them as an experiment for my new spell nya.

Cat : Nyaha?! Yaaay! Experiment nya! Experiment nya!

NyanNyan : Keesheeshee. This will be fun nya.

---

Kururu : ....I don't think anyone is here...

Crea : I guess that means we're free to explore the place at our heart's content!

Kururu : Geez, you...that's what burglars do...

(well as Crea said explore around starting by the lowest floor. You'll find some nice items like one allowing you to escape more easily from random encounters. Get upstairs once you're done to move on with the plot. Once upstairs don't worry too much about missing items and searching all the rooms. All floors are the same and they're all empty. Just keep going up.)

(after climbing a few floors)

Kururu : Eh? This is... the same place?

(after climbing one more flight of stairs)

Kururu : The same place? Again?!

Crea : We may have been going in circles from the beginning...

Kururu : Something's wrong here. Let's get out of here!

(now go down. After going down enough times you'll get the following event.)

Kururu : I'm sick of this! What's wrong with this place?!

Crea : Calm down, Kururu-chan.

Kururu : How can I calm down? We've stuck in this place! Besides Crea this is all your fault! You were the one who said we should come here!

Crea : But you said you wanted to have a great adventure Kururu-chan.

Kururu : If I picked the adventure, we wouldn't have ended in that haunted house! Really, you just wanted to come here but were afraid so you dragged me along for the ride, right?!

Crea : Putting all the blame on people like that is unfair, Kururu-chan.

Kururu : But its your fault Crea! I didn't do anything wrong! I'm going

back! From now on, I'll look for my Prince by myself!

Crea : Kururu-chan...

Kururu : I hate you Crea, I don't ever want to see you again!! (she enters a room and they get separated)

(inside)

Kururu : ...m-maybe I went a little bit too far... B-bah! It'll be nice without her always around! Well, let's get back to adventuring!

(leaving the room)

Voice : Kyyaaahh!

Kururu : W-what was that scream just now?! ...did something happened to Crea?! N-no! I said I wasn't going to worry about her anymore!

Kururu : ....but.....

(now just go down the stairs once)

Kururu : Crea?! You! What have you done to her?!

Cats : Nyahahaha! We don't know nya. We don't know nya.

NyanNyan : Keesheeshee. It's an experiment nya.

(they suddenly dissapear inside Crea's body)

Kururu : ...what was that? Hey Crea! Wake up!

Boy : It's useless. After what happened, that girl won't wake up.

Kururu : Y-you...why are you here? And what do you mean, she won't wake up?

Boy : That girl has been put to sleep by magic.

Kururu : Magic?!

Boy : She isn't dead but if you leave her like that, she'll probably sleep forever.

Kururu : No....why....? There's got to be a way to stop the magic!

Boy : That's...

Kururu : If you know something please tell me!

Boy : ....fine. But let me warn you: This will put your life in danger.

Kururu : ...That doesn't bother me!

Boy : Understood. Close your eyes. Oh Ancient Gods, hear our prayers from a distant star and lend us your strength!

---

Kururu : Ouch!! Ah, that hurts...

Kururu : Where are we? It felt like I was falling for a long time...

Kururu : Is someone there!? (sounds of an echo afterwards)

Kururu : No one's there...I guess.

Boy : Of course. Right now we're in the heart of your friend. More specifically, the world within her heart.

Kururu : Wh-world within the...? Nothing like that exists! And even if it did, how could we possibly go there?!

Boy : Believe it or not, this is your choice.

Kururu : Hey, don't say it like that! I was just... surprised that's all! All right, I believe you!

(Cello joins the part and as usual have nothing equipped except for an awesome puppet named "Ancient Weapon". Also, though you can't see anything in the place you are, simply keep moving in one direction will do.)

(after moving left for a few screen)

Kururu : Randy?! What are you doing here? Did you come to bring me back?

Randy : Bring you back? Why would I have to come all the way here to bring back a selfish brat like you?

Kururu : What? ...Randy.

Randy : Always doing whatever you please, never paying attention to others around you... In the end, you even end up hurting your best friend. You're scum.

Kururu : ...what's wrong? What are you saying Randy....

Randy : You deserved to be punished!! (battle. Careful he does fight like Randy and he's quite powerful so use big spells to take him out immediately.)

(after winning)

Kururu : I thought you wanted to take me down but...are you alright Randy?

Randy : Uhh...we've been defeated nya.

Kururu : "Nya"??

(Randy turn into a couple of cats who run away)

Kururu : Wh-what?

Boy : That was an illusion. Don't mind it. More importantly pick that "key"

they dropped.

Kururu : "Key"...?

Boy : Yes. If you use that key, you can open your friend's heart.

Kururu : Opening Crea's heart? What do you mean?

Boy : You hurt her didn't you? You may think you only said a few things, but to her it was...

Kururu : No...I was just...

Boy : But because of what you've said, that girl closed her heart off... the darkness and the cold that surrounds us now are here proof of this...

Kururu : Then what can I do? What can I do to fix Crea's heart?!

Boy : Figure it out yourself. I'll take care of those bothersome cats. Use your brains for once.

Kururu : W-what's with you! You're so full of it!

(now resume moving. Same as before keep going straight ahead)

(after opening a chest on the way)

Kururu : Th-this is...?!

Boy : Your friend's memory. Since she's hurt, she sealed away her memories of you in boxes like these...

Crea (as a child) : Sob, sob....

Bullies : Hah, hah! Mom said that your Mom was a "player" ! She said that nobody know who's your father! Yay!

Crea : That's a lie! Mama's a good person!

Kururu (as a child) : Hey you there! I won't let you bully her! I'm going to punish you!

Bullies : Punishment? Try it if you can!

Kururu (using her 1HP skill move) : Fuh...weak guys like you are boring!

Bullies : Eh? (their pants drop down) Eeeh! Let's get out of there!

Kururu : That'll teach you! Uncle Gio taught me this "Higi Mueizan".  
(Kururu, Sonia and Gio first skill it roughly means "secret invisible-eternal-blow")

Crea : ...

Kururu : Are you alright?

Crea : Y-yes. Thank you very much.

kururu : I'm Kururu. You are?

Crea : My name is....(end of flashback)

Kururu : Now that I think about it, that's how we first met... then mama caught me outside of the castle and I got scolded...

(after moving across a few screens as usual)

Kururu : Sonia... Uncle Gio....

Boy : Don't forget about the spell. This is another illusion.

Gio : So you were here.

Sonia : Now your selfishness has even hurt other people! I can't overlook it anymore!

Gio : Well, Princess, let's end this.

Sonia : Fear not, we'll only put you to sleep. Forever.

(battle start. As usual end this as fast as possible before they use their special moves. If both uses the Higi Mueizan, you're dead. Though if you managed to get Duke you'll kick their asses quickly)

(after winning you'll get another key)

Kururu : Can we really get out by doing this?

Boy : ...it depends of you.

(after getting the second chest, you'll get another flashback where Kururu and Crea are practicing singing with Etoile.)

Etoile : Wonderful! Crea and Kururu-chan you're both so cute!

Crea : Mo-mother, that hurts...

Etoile : Ohohohoho!! Sorry dear. You're just so cute I couldn't help myself...Kururu-chan. Keep getting along with Crea, alright?

Kururu : Yes!

Etoile : Hoho, that's a promise then. Ohohohoho! But you're really such a cutie pie, Kururu-chan! So different from Cornet! Your dear mother during her childhood... poor thing was worse than she is now, if you can imagine! Her nose was always dripping snot because she was always crying about every little thing!

(This scene is pretty funny because if you played the first game, you'd know it was Etoile with the snop dripping :D)

Kururu : ...

Boy : What's wrong? Are you ok?

Kururu : ...I'm fine. It's nothing.

(and now the walking in dark resumes until next event.)

Kururu : Etoile-san?!

Etoile : How dare you! How dare you do such a thing to my precious Crea!  
That promise you made... You liar! I'll never forgive you!

Kururu : No, that's not...

Etoile : Ah, my poor Crea...that selfish girl hurt her... I'll destroy you!  
(battle start, they've got high HP so try to use a pastry attack first  
instead of Duke's skills)

(after winning, you'll get another key)

Kururu : I know its just an illusion, but...

Boy : Are you saying you're regretting this? Didn't you say you'd do  
anything to help your friend? Those guys... they're showing you these  
illusions to try and break your will.

Boy : Go ahead and give up if you want to. You won't help your friend and  
you won't be able to leave, but if its too difficult for you...

Kururu : Sh-shut up! I was just getting a bit sentimental! That's all!

(upon opening the third chest)

Crea : Say, Kururu-chan, what kind of people are your parents?

Kururu : Hmm, my father is very strong and smart, and gentle and cool, too.  
My dream is to marry someone just like him. And my mother she is....always  
giving me lectures! But she's really gentle too. I love my Mom!

Crea : I see. How nice.

Kururu : And you Crea?

Crea : I love my mother too! I don't have a father, but since I spend  
all my time with Mom and you, it doesn't bother me!

Kururu : Crea....

(and the walking continues...)

Kururu : I-it can't be...Father! Mother!

Cornet : We're back Kururu. Did you miss us?

Ferdinand : Have been a good girl while we were away?

Kururu : Father, Mother, I missed you so much, it was so scary... I got  
into an argument with Crea and then...

Cornet : I see. Its alright, don't think about it anymore. Mama's here, she'll protect you.

Kururu : Mother...

Boy : Dummy! Don't forget about the spell! Those are illusions!

Cornet : But... someone who hurt her best friend like that deserves to be punished!

(The boy steps in as Cornet tries to stab Kururu)

Kururu : Stop it!!

Boy : Those are illusions! Don't you remember?!

Kururu : I know! I know! But... But...

Cornet : Kururu. Since when did you become such a delinquent? Now come here, greet you mother properly!

Kururu : This... this is... this is too horrible!  
battle start. Do take out Ferdinand first)

(after winning, another key as usual)

Kururu : Father...Mother...

Boy : Here...

Kururu : ...

Boy : You real parents are still alive right? Stop crying you'll meet them again.

Kururu : ...right.

(after opening the fourth chest)

Kururu : Huh? There's nothing...?

Boy : ...this is strange. It would mean that the memories in this chest have no connection with you. Or perhaps it's something that that girl herself doesn't remember.

Kururu : Something Crea doesn't remember?

Boy : Yes, for instance...

Boy : No. Let's not speculate. There are some things that we have no business with.

Kururu : ...

(after more wandering around in the dark)

Crea : Teehee. Let's go play Kururu-chan.

Kururu : Crea... (Kururu steps back towards the boy)

Kururu : No, I can't play with you Crea. You're just an illusion!

Crea : Come on, let's play Kururu-chan.

(battle start. Easy since she's alone. She's still quick and packs quite a punch though)

(after winning)

Kururu : Huh? nothing happens this time. ...this... this isn't an illusion...?!

Kururu : Crea?! are you alright Crea?!

Crea : ...

Kururu : Crea! Crea!! Wake up! Open your eyes! Please!

Randy : Haa...how horrible. Being so mean to your friend and then killing her...

Sonia : You killed the only friend you ever had... how pathetic.

Etoile : Ah...my poor Crea... sob...

Cornet : You are no longer our daughter. Leave this country and never return!

Kururu : I'm sorry Crea! I'm so sorry... I told you that I hate you and that I didn't want to see you again but that's wrong... Wake up Crea! Call me Kururu-chan again! Please! Didn't we say we would always be together...? sob ...Crea...we promised... Please don't go! I'm sorry Crea, it was all my fault...

(another key appears and all illusions are undone)

NyanNyan : ...crap nya. She broke the spell nya.

Cats : Escape nya! Escape nya!!

Boy : It's the exit. If you open that door...

Kururu : But how did we break it...?

Boy : The last key was within your own heart. Your feeling of regret and repentance about hurting your friend became the last key. The illusions we've been fighting up to now were here to make you realize your own faults. If you failed to face you own faults then...

Kururu : I see...

Boy : Come. Your friend is waiting for you behind that last door. It's the honesty of your heart that will open hers.

Kururu : Alright.

Boy : ...from now on be sure to take care of your friend.

Kururu : Hold on! Why did you help me? If you weren't there then I would have been...

Boy : That's because you're...

Boy : (You're Cherie's...)

Boy : Nothing. I just took pity on a stupid kid.

Kururu : Wh-who are you calling stupid?!

Boy (smirking) : Hah...

Kururu : Ah! I'm Kururu! What's your name?

Cello : ....Cello.

Kururu : Hmph, what a snob. I really do hate him. But, still... thanks.

(now just go up and puch O on the light to trigger the next event)

NyanNyan : ....you won't escape nya.

Kururu : You guys, you're still here?!

NyanNyan : ...you've caused us quite a lot of trouble nya.

Cat : Punishment nya! Punishment nya!

NyanNyan : ..I will use you your body for my next dissection nya!  
(battle start, you can't win it)

NyanNyan : ...keesheeshee, I won. Did I overdid it nya?

Cats : Yaay! NyanNyan-sama, you're so strong nya!

NyanNyan (blush) : ..fufu.

Kururu : Uuh, ...it can't end like this...

Kururu : I finally understand. Up until now I was only thinking about meeting my prince or something like that... I want to be with Crea. No matter what prince I might find, that wouldn't make me happier!

Kururu : Really, I was so stupid. I didn't even realize it was me who was hurting Crea... Sorry Crea, next time we meet I'll apologize...(but...right now it may be...)

NyanNyan : ...uh, that light...so dazzling nya...

Crea : Don't give up Kururu-chan. Come on, open your eyes, grab your courage and come towards me.

Kururu : Right! I'll follow you Crea! I'm always with Crea, and Crea's always with me! I'm not afraid of you guys!

(same battle as before except it's easy to win this time)

(after winning)

Kururu : Uh..huh..

Crea : Ah, I'm so relieved. Are you feeling better Kururu-chan? It seemed you had a nightmare. It looked like it was quite scary...

Kururu : ...yeah. IT was scary, and sad...but you were there so...if you weren't then I...I would...Crea!

Crea : My, my what happened?

Kururu : Sorry Crea. I said such mean things to you...

Crea : No, it's alright. It was my fault, too.

Kururu : Then, will you ever forgive me?

Crea : Teehee. Of course. After all we're...(they're singin again the futari wa isshoni thing^^)

Kururu : Hahaha!

Crea : Teeheehee.

Kururu : Aah, I feel better now that I've apologized. (I understand now. Why my mother could realize her dream and meet with father. It's because she had friends. With the support of those irreplaceable friends and because she didn't give up. I guess I should be grateful to those cats guys for helping me realize how important Crea is to me. Also, this guy too...)

Kururu : Crea!

Crea : Yes?

Kururu : From now, let's always stay together okay!

Crea : Sure.

==== Chapter 4 =====  
==== Trip of the tomboy princess =====

==== Throne's room =====

Sieglinde : Kururu, I've heard from Gio. It seems that you've been misbehaving lately.

Kururu : ...

Sieglinde : How many times have you been told not to leave the castle?

Kururu : ....But, it's sooooo boring here. Outside is much more fun.

Sieglinde : Hoho, true it's quite austerous and there isn't a whole lot to

do here.

Gio : Your Majesty!

Sieglinde : Ah, right. Excuse me. Tell me Kururu, why do you keep escaping the castle? Do you hate it?

Kururu : I don't hate it... Everyone's so nice and I love this place, but...

Sieglinde : But?

Kururu : ...

Sieglinde : It's fine. Do tell what's on your mind.

Kururu : ...it's something I realized during the times I was outside. I...I'm still just a kid and I don't know anything. I said I dreamed of finding a prince just like Mother did but...but for that to happen, I realized there is so much I still have to learn. If I want my dream to come true someday, then I can't keep on waiting! I want to explore the world outside even more, learn many more things, so that I can make my dream come true someday!!

Sieglinde : Wh-what...!? This child she's....!

Randy (stepping in) : Y-your Majesty! I understand your anger but...

Sieglinde : You're such a good girl Kururu!

Sonia (looking at Randy) : ...

Randy : (sweatdrop)

Sieglinde : That's very well said. I'm so proud of you. You will become the queen of this country one day. It's a good thing that you want to learn about the outside world and broaden your horizons. I'm allowing you to go.

Kururu : Grandmother, I love you!

Gio : Your Majesty!

Sieglinde : Hoho, but you must promise me three things first.

Kururu : Promise?

Sieglinde : Kurusale Cherie Marl Q, you will have to behave as a representative of the king. Also I want you to give this written invitation to my birthday ceremony to the great sage. He lives in the tower of the great sage in Blue Cat. This will be the goal of your first travel.

1) Is that all right?

2) Could you tell me that again?

(1)

Sieglinde : Randy and Sonia will accompany you during this trip.

Randy : I'll be with....Sonia? I humbly accept your Majesty!!

Sonia : This can't be! Majesty!

Kururu : What's the third promise?

Sieglinde : The third one is....to come back safe and sound.

Kururu : Grandmother....Alright! I will definitely keep the promises!

Sonia : ...

Gio : sigh...and here I thought this way the princess would be scolded,  
I should just have kept quiet...

---

=====  
===== Kururu's room =====

Kururu : Hmmm, I've got my toothbrush, my towel, pajamas....  
what did I forget...? Oh yeah, I better take some sexy pants just in case...

(you get a notice that Kururu got the item "sexy pants"...and I'm not  
kidding you. That item let you recruit monsters more easily.  
Monsters have no taste seriously.)

(someone knock)

Randy : Princess, we're going on ahead. When you're ready, come to the harbor.  
We'll be waiting for you. Alright?

- 1) Yes
- 2) No

(1)

Randy : Oh yeah, before you leave, please sell any unnecessary stuff at the  
second-hand shop in the town. We don't need any more than what we can carry.

Kururu : Yup, I got it.

Kururu : ! (she gets closer to him) Randy, what's with the goofy grin?

Randy : Eh? Th-there's no goofy grin! I-I mean no more of a goofy grin  
than usual!

Kururu : Reaaally? (Randy escapes the room)

Kururu : Hehe. I guess I should be going, too.

---

=====  
===== near the fountain in the castle courtyard =====

Kururu : Ah, right. I should go tell Crea. But this time it's such a long  
trip, she probably won't be able to go with me...

(talking to people around a few got some new lines)

Soldier : I won't have to stare Death in the face anymore when she tries to escape! Ah! I wish you a pleasant trip Princess!!

Servant : Blue Cat is the biggest port town of the Marl Kingdom.  
A lot of people visit the town.

Kururu : A port town...traveling alone...a meeting in a faraway place...  
this is sooo romantic!

Gardener : Gosh, It's so hot! On days like this, I really enjoy eating a softcream. Don't you Princess?

Kururu : Don't say "softcream" in front of me ever again.

(there a few other people around in the castle, mentionning various stuff like how the ancient people had beautiful wings in their back, or what a shame that the softcream shop in the wonder woods closed down.  
Well random stuff. Right now you need to go to visit Crea in Etoile's house)

===== Etoile's house =====

(upon entering)

Crea : I was expecting you Kururu-chan.

Kururu : Expecting me... hey, what's with that huge bag?

Crea : Things I'll bring along on the trip of course.

Kururu : You're planning on coming along? On such a long trip?

Kururu : Wait, how did you even know I was going?

Crea : Teehee. How many times do I have to tell you?  
I can see right through you, Kururu-chan.

Kururu (sweatdrop) : ...nevermind. I get it. It was stupid to even ask.  
(Crea joins the part and as usual don't have anything equipped.  
Though that time you don't want to equip her accessories for the time being. Now go the harbor. Also, if you haven't done it yet you might want to go to the softcream shop. They'll give you a special softcream that heals 100HP, instead of 10 for the regular one, for free.  
To reach the harbor go east from the fountain place in town.)

===== At the harbor =====

(upon reaching it)

Kururu : This might get ugly if Sonia sees you...  
you better hide in the luggage.

Crea : That's true. She is a strict woman. Understood.

Kururu : Sorry for making you wait! I'm ready to go!

Sonia : You're late. What kept you?

Kururu (sweatdrop) : We-well, ah, various things. I had to get mentally prepared for this, make sure I have all my neccessities... things like that.  
(Crea sneakily get into the luggage behind them)

Sonia : ...I see. Then, let us depart. Randy, get the bags.

Randy : Yes mad'm! (the girls leave and Randy start struggling with the luggage)

Randy (panting) : Huh? Was it this heavy before?

---

Akurjo : It seems like the little princess is going on a trip.

FonFon : A trip in search of a prince, how romantic.

RanRan : Ho. I guess even flaming homosexuals can understand a woman's heart, after all.

NyanNyan : ...keesheeshee. Flamers are surprising, nya.

FonFon (mad) : Who's a flamer?!

Akurjo : Stop fighting over stupid matters. ...besides I wonder if that princess girl is really going to look for a prince. Hahaha, in any case it'd be nice for her to find a wonderful prince...

---

=====  
===== Inside the ship =====

Kururu : Say, Randy. Are we there yet?

Randy : Hmm, I'd say we should reach the sea in about half a day.

Kururu : The sea...it will be the first time I see it!  
Have you seen the sea Sonia?

Sonia : No. This will be my first time, too.

Randy : Eh? Sonia-san, it'll be your first time too? The sea is so nice!  
The deep-blue sea, on a white sandy beach, it's really romantic!

Sonia : So you've been to the sea before?

Randy : Ah no, but I read about it in a guide book! Do you want to read it?

Kururu : Hahaha. So it's the first time for everyone then. Alright, I'm gonna go look around for a bit. Randy, where's the luggage?

Randy : Ah, it was so heavy I just left it upstairs on the deck.

Sonia : Princess, remember you're supposed to be traveling incognito. Don't draw attention to yourself.

Kururu : I know. (Randy and Sonia joins the party. They don't have anything equipped as usual)

(you're now free to roam around. people mention something like a giant Bobo fish that lurk in the vicinity, and how it's supposed to be a pet of the Marjory family. Only thing you have to do is to go outside to get the next event)

=====  
On the deck  
=====

Kururu : Are you alright Crea? It isn't too cramped is it?

crea : No, I'm fine. I was having a wonderful nap.

Kururu (sweatdrop) : You were sleeping in that? ...I wasn't aware you could relax in such a small space.  
(boat begins to shake)

Sailor : All hands on deck! I-It's here!  
(they're referring to the giant bobo fish)

Kururu : Wh-what? What's here?

Sonia : What's going on?

(a Giant fish appears and smaller fish got out of its mouth)

Sonia : Randy! We must protect the Princess!

Randy : Yes mad'm! (battle start against big bobo.mini. You'll beat it in no time with Duke's Excalibur and Sonia's Holy slash.)

(after winning)

Randy : Did we get it?!

Sonia : No, it just escaped. Princess, are you alright?

Kururu : I'm fine, thanks.

Kururu : ...? Huh? What happened to the luggage here?

Randy : Ah, crap. I was supposed to watch over it but... it probably got eaten by that fish. Hahaha, sorry!

Kururu : Ah, I see. So it got eaten? Ahahaha....

Kururu : Noooooooooooooooooooo!!

(back in their room)

Randy : Have they found it yet?

Sonia : Who knows. You'd be better asking that fish.  
Just find some bait and wait for it.

Randy : Ahem...Sonia-san? Aren't you angry with the Princess?

Sonia : Of course I am! But right now, rescuing Crea-sama is our priority.

Randy : That's true.

Sailor : We spotted it! Hurry and come to the deck!

(back on the deck)

Randy (sweatdrop) : Uwaah...do we really have to climb in the mouth  
of that thing? Do you mind if I pass on this?

Sonia : Understand, Princess? You're responsible for this situation,  
you have to clean up your own mess.

Kururu : I know. I'll assume responsibility for my own mistakes.

Sonia : That's right. If you're serious about pursuing your dream,  
then you can't be spoiled anymore. We'll help you, but we won't do  
anything more than necessary.

Kururu : Yes.

Sonia : Then, let's go.

(head into the fish mouth, that's indeed a dungeon. One of the sailors  
outside will offer to help by asking if you have any last words before going^^.  
Before getting inside the mouth though you'll have to fight another  
bigbobo.mini)

(after beating it)

Sailor : Preparation ok!

Captain : Hey, you guys! Get going now! If you take too much long,  
we'll be leaving without you! Use that rope to get back on the ship!  
Don't be slow down there, keep your heads up and get out quickly!

Kururu : ...got it!! I'll definitely save Crea and be back!

---

Narration : Meanwhile Crea was....

Crea : Yaawn... That Kururu-chan, what could she be up to?

(flashback)

Crea : Sob, sob. I want to go back home...

(Small Kururu come crashing on a ground)

Kururu : Crea, I've found you! Let's go back now!

Crea : Kururu-chan. Your clothes are...

Kururu : Ah it's fine. Don't worry about it! Mom will get mad, but that's about it. You're more important than this Crea! Huh, what's wrong?

Crea : (Kururu-chan...you're truly my prince...)

(end of flashback)

Crea : I remember now. I'm sure she'll be here soon.  
I'll just have to wait for her.

---

Kururu : Urgh. It smells like fish in here!

Randy : You realize we are inside a fish, don't you?

Sonia : We don't have time for useless babbling.  
Let's hurry and find Crea-sama.

(starightforward dungeon, simply keep going left. After a few screens,  
the music will change and you'll meet a familiar face)

Wolfish girl : Hm? Wow, we don't have guests that often here.  
So what's up guys? Did the fish eat you too?

Nyanko : Gao-sama, we found something to eat nya!

Gao : Those are fish bones. Again. Dumbass.  
You can't get any energy from bones!

Kururu : What the heck are you doing down here?!

Gao : ..well...The great outdoors was calling me lately and then...

Kururu : Outdoors huh...I can understand that, but...

Randy : These guys are idiots. It's okay if we don't understand  
what they're saying.

(if you talk to them some more, you'll learn that the Big Bobo you're in  
is Myao's pet and because Gao was making fun of Myao calling her  
flat-chested, she used them as food for her pet. The Nyankos being their  
usual dim-witted selves enjoy their situation though, "it feels like  
we're going picknicking" while Gao is just trying to find a way to leave

cause she's getting hungry. Anyway resume going left as usual. You'll end up finding Crea in one of the rooms)

Kururu : Crea!! What's wrong, Crea? Are you injured?!

Crea : zzz...zzzz...

Randy : Seems like she's just asleep.

Crea : Yaaawn. I slept well. Ah, Kururu-chan. You're here finally.

Kururu : Did you have a nice dream, princess?

Crea : Yes. Because I was sure that you'd come for me, my prince.

Kururu : Crea...Sorry about that Crea.  
You were in danger because of me again....

Sonia : Princess, we don't have time for this. Let's go.

Kururu : Alright! (Crea joins and have nothing equipped as usual. Though now you can go back you should obviously keep on exploring the fish inside. On the bottom room you'll find a dog in a room. Talk to it and pick the first choice to take it along)

(upon getting back on the ship)

Sailor : Oh, they made it back in time!

Randy : Hm? Why isn't it moving at all? Did we kill it? Hah, I wonder how many people could eat if we cooked it?  
(the fish then moves and Randy gets swallowed)

Crea : Oh dear, what a silly person. So, anyway, how did I get eaten by such a large fish?

Kururu : ...you just saw someone get eaten in front of you and you can't figure it out?

Sonia : Geez, what is he doing? (you get to fight another Big bobo mini)

(after winning)

Randy : Whew, I thought I was a goner there.

Captain : I thought the same thing. Thankfully, these guys saved you.. Wait...now that I think about it, this whole mess is because of you guys.

Sonia : We apologize. I there's any way we can help for the repairs...

Captain : Bah, we'll just let him do that. The deck is the only thing that's damaged... let's just head to Blue Cat. Men! Back to your posts!

Kururu : Sorry, it was all my fault....  
(Sonia slaps her)

Randy : So-Sonia-san!!

Kururu : ...Sonia...

Sonia : Your mistake put everyone in danger. This is your punishment.

---

(another flashback, this time about Sonia)

Gio : By the way Sonia, do you have a boyfriend now?

Sonia (looking totally different and talking like Crea) : Father, you know I'm not that interested in romance.

Gio's wife : That's true, dear. Sonia is still a child after all. But since I can't give you a heir with that weak constitution of mine, I understand your worries...

Gio : S-sorry...I wasn't asking because of something like that.

Sonia : My, father. Don't you consider me as your heir? Despite how I look, I ranked first in the fencing competition at school, you know. It's my dream to become a knight and to be able to succeed you one day, father.

Gio's wife : Oh my, what are you saying Sonia...

Gio : Hey hey, forget about that now... I've never seen a girl wielding a sword anyway.

(a few years later, in a church during a funeral)

People gossiping : It's such a pity. With the death of his beloved wife, General Gio must be heart-broken.. But who will succeed him? His daughter Sonia isn't expecting a child or even engaged. After so many generations, it's finally the end of this military family....

(Sonia in her room cutting her long hair short with a knife)

Sonia : (...I have no regrets. I will protect this family, the one that mother loved! If she was alive that would maybe have made her sad but... I swear it on those hair. I will become a knight!)

(end of flashback)

---

Sonia : (When pursuing one's dream, whether a woman or a child, one can't be pampered. The princess will understand that one day...)

Randy : Sonia-san! I don't care even if it's you! Raising your hand to the Princess is too much!

Sonia : Hahaha. You get so upset whenever something like that happens to the Princess, but you're too leniant with her. Don't forget that. There is a limit to how kind you should be with your companions. ...but maybe that's

something you can't grasp.

=====  
Blue cat harbor  
=====

Captain : Well then, take care.

Kururu : Yes. Thank you for everything! (Randy joins back the party.  
You have to equip him again)

(getting inside the town)

Crea : Say, Kururu-chan. Isn't Blue Cat supposed to be the second biggest town after Mothergreen? In such a big city, you shouldn't have any trouble finding your Prince!

Kururu : Aha, maybe...

Crea : ?? You're not as energetic as usual.  
...Ah, did you already find someone?!

Kururu : I-it's nothing like that! But hey, isn't it weird that there's no one around...?

Crea : Maybe they're sleeping...?

Kururu : In the middle of the day? That's ridiculous...right?

(a bunch of men gather around them)

Kururu : What? What's wrong with these guys?!

Kururu : ..??? What's this?

Old man : Fear not everyone. They're humans!

Kururu : W-what's that supposed to mean? These people are so rude!  
(they leave)

Kururu : What's with that town?

(You can now visit the town and enquire about what's going on.  
This is not mandatory to progress but it's the natural thing to do right? Plus you'll get some funny dialogue like that one.)

Guy in green clothing : Young girls like you should leave that town quickly.

Kururu : Oh my! Hearing people call me young, radiant and cute!  
That's so embarrassing!

Randy : ...

Crea : ...

Sonia : ...

Kururu : What's with the stone faces?

Crea : Teehee. Oh dear, Kururu-chan...

Sonia : Sigh, it seems like something happened in this town.

(looking around you will hear that young girls of the town get kidnapped by a bunch of weird cats. For some reason Kururu can also manage to read the dogs thoughts and they say they're afraid of those cats cause they're somehow demon cats things. Wow. Note that the shop has some nice accessories to boost ATK and DEF by 10 points also. Do take the stairs north of town, you'll end up in front of the mayor's house. He's that guy who use the weird item earlier in front of your group. Talk to him to get the following event. It's event 56 in Kururu's diary)

Mayor : I apologize for what happened earlier.

Kururu : What was that about?

Mayor : Well...that was...to insure the safety of the town.

Crea : You said we were humans, right...? What else would we be...?

Mayor : Don't get involved in this. ...for your own sake. Especially young girls like you. Leave this town as soon as possible.

(there's another optionnal event to see before leaving town it's that house just on the right of the stairs going to the mayor house. Go inside and visit the kid's room upstairs. This one is event 55th^^)

Randy : Linda...?

Sonia : ??? Do you know that girl?

Randy : N-no. She just looks like a kid I know.

(now let's move on with the story and go east of town. You'll be in a forest)

Sonia : Well then, we'll be waiting in town. The princess should go the Great Sage's Tower" by herself.

Randy : T-this is dangerous!

Sonia : Silence, you. Understood, Princess? Making one's dream cone true isn't easy. People suffer and cry for the sake of their dreams. From now on Princess, you won't be protected. Maybe you'll learn how important it is to work for your dreams on this trip.

---

Voice : One, two, three....there's three girls BANG!

Voices : Launch the plan nya! Launch the plan nya!

Voice : We have to capture young girls for NyanNyan-sama experiments BANG.  
Then she'll promote me back to where I was before the softcream shop debacle  
BANG.

Voices : Promotion nya!

Voice : Yes! I'll return to NyanNyan-sama side BANG! Unlike those guys who  
won't see the light of day again BANG!

Voices : Roger nya! Nyahaha!

---

Kururu : Huh? I feel like someone's watching us..

Crea : ??? What's wrong?

Kururu : That's weird? Maybe I'm just imagining something...?

(now just keep going east until you reach a crossroad. The north path lead to  
the sage's tower while the south take to you to some mines. So go north  
for now. You'll get the following event as soon as you take that path)

Kururu : Ah...Cello...san.

Crea : Oh my, this person is...did you say Cello-san?

Kururu : Yeah. He's the one who saved us in the Wonder woods and they one  
who helped me break the spell on you.

Crea : Humm. I s-e-e. So that's h-o-w it is then.

Kururu : Wh-what do you mean by that?!

Crea : I heard about you from Kururu-chan. Thank you for rescuing me.  
May I ask what you are doing here today? Are you also on a trip?  
Or could it be that you were waiting to ambush Kururu-chan secretly and...

Kururu : SHADDAP SHADDAP!

Crea : Oh my? Why is your face getting so red? Are you embarassed?

Kururu : Wh-?

Crea : Or could it be jealousy's ugly head?

Kururu : That's not it...it's nothing like that!

Kururu to Cello : Hahah...don't pay attention to what she just said...  
she's a little bit soft in the head...

Kururu : M-more importantly, I wanted to say thanks for last time...

Cello : ....

Kururu : If you weren't there last time....

Cello : ...beware of cats.

Kururu : Cats? (he leaves)

Kururu : Cats? Cats? Does he means those ones going "nya, nya" all the time?  
Like the ones from...

Crea : I wonder? But more importantly, you were really red just now...  
maybe you were just excited to run into your Prince...

Kururu (sweatdrop) : I-I told you that's not it!

---

Akurjo : My, my would you look at that now...it seems like the little  
princess has just found a wonderful prince. Hahaha, really, this is too rich,  
I can't stop laughing! I think I will keep watching this at my leisure.

RanRan : That's not news. That's all you do anyway.

FonFon : Yup. Perhaps one day, God will hear your prayers.

NyanNyan : Oh Lord, please bless Akurjo-sama with the Shadow of Beauty  
immediately nya.

Akurjo : Ahahaha! It looks like everyonce in a while you say something that  
isn't stupid! That's right! Eternal youth will be mine! Ahahaha!

RanRan (looking embarassed) : ...I think...  
I think the joke went over her head...

---

(keep heading east and enter the tower. Nothing much to say here.  
Just reach the top floor)

(once you get to the final room. You'll see an old man. Talk to him)

Old man : Hm? What can I do for you?

Kurur : Er, are you the great sage?

Om : Precisely. I'm the great sage Polyanski.

Kururu : Pleased to meet you. My name is Kururu.  
I am the daughter of King Ferdinand and Queen Cornet. This girl is my friend,  
Crea Rosenqueen. By order of my grandmother Sieglinde, I am here to extend  
to you this invitation to her birthday ceremony.

Polyanski : I see, I see. Good job.

Kururu : Was that alright?

Crea : Perfect. This is the first time everything's gone perfect!

Kururu : Alright. I owe it all to you and the others.

Crea : Then, should we get back? Sonia-san said they would be waiting in town.

Polyanski : Wh-what? You're going back already?

Kururu : Ur, yeah?

Polyanski : I-I see. Take care.

Kururu : ...???

(simply use the Legdem puppet near Polyanski's room to exit the tower immediatly. Then return to town. Sonia and Randy are waiting on the port)

Sonia : Princess...you came back safely.

Randy : I'm so glad! I was so worried.

Sonia : Now all that's left is to wait for the ship to return.

Kururu : What's wrong here? It isn't back yet?

Sonia : Yes, it looks like we're waiting. (they both joins without anything equipped. Now go back to town. You'll see the father of that "Linda" girl coming to talk to you)

Man : Ahem...travellers. Could it be that you're knights?

Sonia : ..indeed. He and I are both knights. What is your business with us?

Man : Well actually I have problems... would you please stay over at my house so I can explain them?

Sonia : Thank you for your offer, but I'd like to know why you need our help. Now.

Man : ...actually my daughter might disappear tonight...

Randy : ....!!

Man : I-I don't know what to do. Could you please lend me your strength?

Sonia : But we have our own duty and...

Randy : We can definitely stay the night! We'll be waiting here anyway, so we might as well help someone while we can!

Sonia : Hey why are you so energetic? You're acting strangely.

Kururu : ..Randy is right.

Sonia : Princess?!

Kururu : Since we can't go back yet...I can't ignore people who need our help!

Sonia : ...understood.

---

Kururu : Huh? Where's Randy?

Crea : He went upstairs earlier.

(obviously you have to go upstairs too)

Randy : There's no need to be worry anymore. Big brother and his friends will protect you.

Voice : Okay. It's a promise then.

Randy : Yeah, I promise. So you don't have to worry!  
Big brother is invincible!

Voice : Right!

Randy : Princess...

Kururu : She reminds you of Linda, doesn't she?

Randy : Yes. I can't help it.... this kid looks so much like Linda.  
...I couldn't protect Linda, so I swear this time, I'll...

(go downstairs and you'll hear an explosion)

Kururu : Wh-what was that?!

Crea : It came from upstairs!

Sonia : Princess, let's hurry!

(once upstairs enter the room)

Randy : I won't let you take her!

Nyanshes : Nyahaha. We've been seen nya! Spotted nya! Spotted nya!  
(battle against 8 nyanshes. Super easy since they're still just Nyanshes.  
You can wipe them all out with just one group attack)

(after winning)

Nyanshes : Fall back nya! Fall back nya!

Randy : Hold it!

Sonia : Stop! Don't follow them!

Crea : Cello-san told us to look out for cats...  
I guess this is what he meant...

Kururu : Sonia!! Let's go after Randy!

(you can't follow him because of the rubbles so go downstairs exit and enter the forest to the east. Keep going east until you reach the crossroads)

Sonia : Where did Randy go?

Crea : There are some cats footprints here. They went this way.

(follow the path Crea showed you. You'll find Randy a few screens later)

Kururu : Where's the girl?

Sonia : You...!! Why did you disobey orders?!

Randy : ...

Kururu : You know Sonia, Randy was...

Burg : (Gahahaha! Those three completely fell in the trap BANG!  
All that's left is to put the "Meatball Stamp" on them!...)

(Note: The Meatball Stamp is something Burg puts on people to tell them he's coming for them. Sort of like a calling card)

Nyanshe 1 : (Question nya. Why don't we just capture them right here and right now nya?)

Nyanshe 2 : (We might fail if we're not following instructions correctly nya.)

Nyanshe 1 ! (I see nya. Makes sense nya.)

Burg : (It's good that you understand each other. We must reach our goal by respecting the plan we devised. That's "The Art of Evil" BANG)

(Burg here is a sort of parody of cliché villains that have some pride/honor)

Sonia : Watch out!

Kururu : Sonia!!

Crea : Sonia-san!

Kururu : Let's get back to town!

Randy : ...

Kururu : Randy, snap out of it! Don't stand there, help me carry Sonia!

(don't come back to town right now. Keep going east and you'll reach the mines. There go inside, and enter in the north all the way to the north of the screen. Once inside keep going and you should see a bird in one of the room. Talk to him and he will tell you that he's Chimera and prompt you to fight it. Pick first choice to accept. Chimera only take damage from spells and his element is fire so water-based spells will be very useful here. Once you beat him, he will tell you that he's a former puppet, Billy, and he's very grateful for what Cornet did for him. He will leave an egg behind him. Inspect it and pick the first choice to play your trumpet. You'll get a new puppet, Billy. Now you can head back to town.)

=====  
===== Blue cat =====

Man : M-my daughter..where is she?

Randy : ...

Man : N-no...

Mayor : What happened to this girl here? Did she get the "meatball stamp"...?

Kururu : Yes...

Mayor : I-in that case bring her to my house!

---

(another Sonia flashback)

Zolbaref : Hey hey, what's wrong? Finished already? It's a million years and ten days too early before a woman can beat me, Zolbaref of the Dawn!

Soldier : That's right! A woman doesn't have what it takes to be a knight!

Soldier : Maybe you'd be better off in the kitchen!

Soldier : Hahaha, girls can't be knights!

Soldiers : Hahaha!!

Sonia : (...I won't be defeated like this. Even if they laugh... this is the path I chose, the path I swore to on that day. I'll become a knight. I'll succeed my father. I'll protect the home my parents loved! This is my dream!! I won't be defeated! I will become a knight! I won't be defeated!!)

Sonia : I won't be defeated!!

---

Sonia : Ah... ah... ah...!

Kururu : Uwah, you surprised me! You started yelling all of the sudden!

Crea : Are you all right Sonia-san?

Sonia : Y, yes. What happened...?

Crea : You jumped in to protect us earlier...

Sonia : ...I see. Are you two hurt?

Kururu : No, we're alright. Thanks to you Sonia....

Sonia : Don't worry about it. I'm glad I could protect you. ...what about Randy?

Crea : He went outside. He said he was going to the harbor to calm down...

Sonia : I see.

Kururu : A-are you alright?

Sonia : Yes. I'm fine now. I'll go get Randy.

(outside of the mayor's house)

Kururu : Sonia, please don't be mad at Randy....  
You probably don't know about it, but Randy had a little sister named Linda.  
She was attacked by monsters and killed... It crushed Randy's spirit.  
He was upset that he couldn't protect his sister. He decided to learn fencing,  
but it was hard for him. He always ended up getting into fight...

Sonia : ...Randy went through something like that... I had no idea.

Crea : It's rather surprising... The way he acts now, its hard to imagine...

Kururu : But, then, on that day...

---

(yet another flashback, this time near the great tree behind Marl's castle)

Kururu : Randy! Why are you always picking fights?

Randy : ...

Kururu : Is it because you like fighting? Is it that much fun?

Randy : Shut up. I just want to get stronger! Stronger than anyone else!  
That's my responsability!

Kururu : ...because you couldn't protect your sister?

Randy : !!! ...who told you that?

Kururu : I heard uncle Gio talking about it...

Randy : ...

Kururu : Say, Randy. It's sad but people who've passed on don't come back.  
It isn't good to dwell on losing someone. I think your sister would be sad  
in heaven if she knew you were so depressed.

Randy : ...!!!

(and then several days later...in Kururu's room)

Randy : I swear on that sword that I won't be picking fights anymore!  
I will thrive to become a knight and protect people.  
From now on my dream is to become a knight to protect you.

---

Kururu : ...but that little girl, she looked exactly like his little sister...  
that's why he reacted like that...

Sonia : So that's why Randy is so lenient with you...

Kururu : So, please? Don't be mad at him.

(head for the harbor, some townspeople will tell you Randy went up in  
the park so go there)

Sonia : Princess. Let me speak with Randy alone for a minute.

Kururu : Alright...I understand.

Randy : Sonia-san...!! Have you recovered from your injury already?

Sonia : ...why did you act on your own earlier?

Randy : I apologize. Because of me, even you got hurt...

Sonia : It's not about that! Your duty is to protect the Princess.  
Didn't you swear it to her? That you will become a knight to protect her?!

Randy : ...but as of now, I can't protect anyone. I couldn't protect  
my own sister. Nothing changed since that day. ...when we return to  
Mothergreen, I'm resigning from knighthood.

Sonia : !!! ...I see. You don't care about your dreams or vows. You don't  
care about the Princess or Crea-sama. Or, even if those cats got me...

Randy : Of course that's not it! And even if I wasn't here, it isn't like  
you'd have any trouble! You're much stronger than me!.

Sonia : ...

Randy : Sonia-san...

Sonia : I'm not as strong as everyone thinks. Making your dream become a reality is quite difficult. To overcome the difficulties in being a woman in the knights, I have to appear strong. It's the only way to survive...

Randy : I swear that I will uphold my vow as a knight to protect the Princess. But as a man, I swear on that sword that I will protect you even if it costs me my life!

Sonia : Hahaha, thank you. But, somehow, I'm not expecting much.

Randy : Ack, that's so harsh! But one day, I'll become a knight worthy of your attention! Then...

Kururu : Aaah, it's the adult's word I guess. Maybe one day, I will...

Crea : (Teehee, Randy-san and Sonia-san became closer. Looks like things will get a little more interesting.)

(Randy joins the party again. Equip him and go downstairs)

Mayor : Good morning. Yesterday sure was hectic, wasn't it?  
This was found in the town. It's the last "Cat's eye". If you're in front of someone suspicious press the R1 button. If they're cats, this will reveal their true form. Please rid that town of the curse of those cats!  
(you got the cat's eye)

(of course you can abuse the eye and harass the townspeople with it to get some stupid reactions. Try it on the mayor's dog and instead of his usual "wan!" he will bark "three!" and be proud about it^^ . "Wan" being the normal bark for a dog in japanese but of course here it's a pun with one.  
Before going on with the plot, you can get another optional event in the bar with Etoile. Event 69th!)

Etoile : Seriously, what's the meaning of this? Young girls are being abducted one after the another, and yet I'm still here?! How could they have not noticed my smooth and spotless skin?!

Kururu : Perhaps you should put some cream on those crow's feet...?

Etoile : Crow's feet? That means I need to get some rest or else they won't... Wait. Did you want a closed casket funeral? Because its gonna take them a few years to find all of your head when I'm done with you. (reaches for her gun)

Etoile : Kururu-chan! And Crea too!

Kururu : So Etoile-san hasn't been abducted.  
What a shame, yet I am not surprised.

Etoile (pissed) : Ku-ru-ru-chan! Saying thing like that isn't good when you want to live to see 13. Why are you two here?

(explanation ensues)

Kururu : ...and that's how it is.

Etoile : I see. So you're helping too, Crea?

Crea : Yes, mother.

Etoile : Right. You're such a good child, truly my daughter! Well, let me give you some advice: First, the enemy's boss always has a base nearby. And they've always got an inside man somewhere in town, Got it?

1) Yes

2) No (if you pick this she simply repeats)

(1)

Etoile : Good luck!

(well finally time to end this chapter. All you need to do now is to head to the great sage tower and have a chat with your friend Polyanski again. Once in his room press R1 in front of him)

Polyanski : Uuuh! So dazzling BANG!

Kururu : "Bang"?

Crea : Look Kururu-chan. A cat's shadow...

Burg : Gahahaha! Seems like I got unmasked BANG! Nyanshes, come out BANG! Let's forget about the delicate "Art of Evil" this time BANG! Get them and put them with the others bang! You can just kill the guy BANG!

Nyanshes : Yes sir nya!

Randy : I won't let you! I'll protect them!! This time for sure, I'll protect them! (battle agaisnt Burg and 5 Nyanshes. You've got 4 people so it's super easy)

(after winning)

Burg : Gahahaha! I won't hold back this time BANG!  
Not in front of the likes of you, BANG! (he changes...color) Gahaha!  
This is the true strength of the Great Burg haha, BANG!  
From now on I'm Super Burg BANG!  
(he let loose some sort of energy wawes but Randy stops it)

Sonia : Randy!

Randy : A-are you alright?

Sonia : That was reckless!

Randy : ...have you forgotten? I swore to protect you!

Sonia ...!! You....

Crea : Ahem, doesn't it seem like there's a lovey-doverly mood between these two?

Kururu : Yup, it sure seems that way...

Burg (sweatdrop) : Hey! We're in the middle of our fight remember BANG?  
(battle time again, still 5 nyanshes and this time Super Burg!  
Still easy though^^)

(after winning)

Burg : Another failure BANG! I can't face NyanNyan-sama anymore BANG!  
In that case....I'll go and return to Myao-sama BANG!!

Sonia : Are you alright Randy?

Randy : Yes.

Sonia : We were saved thanks to you.

Randy : No, I barely did anything...

Sonia : However, you've still got a long way to go as a knight.  
In the first place you...

Crea : They're really got into that lovey-dovey mood again didn't they?

Kururu : Yep, I think they've forgotten we're standing here.  
Let's free the abducted people before they start doing stuff  
we don't want to see.

(pick up the key Burg left, and use it on the shiny spot on the shelves.  
You'll get into a secret room)

Girl : Thanks, big brother, you did come save me after all!

Randy : Sorry. And to think I promised that I would protect you too.

Girl : No, that okay. I knew you'd come!

Randy : (Linda...your brother got a little stronger and managed to  
protect someone today!)

Kururu : Well, let's go back to the town. I'm sure everyone's  
overjoyed right now!

(before going back to town don't forget you have to talk with the real sage.  
He's the old guy locked with all the girls)

Polyanski : To be surrounded by so many young girls... I'm so happy!

Kururu : Err...you're the great sage?

Polyanski : Hm? What is it?

Kururu : I'm Kururu, the daughter of King Ferdinand, and Queen Cornet.  
By order of my grandmother Sieglinde, I am to give you this invitation  
to her birthday ceremony.

Polyanski : Oh, I see. Good job. Defeating evil-doers like this,  
I feel like I'm watching Cornet again. I'm the owner of this tower,  
the great sage Polyanski. You can call me Polin~.  
I will definitely come for Sieglinde-sama's birthday ceremony.

Kururu : Alright!!

Crea : With this done, the mission is complete, right Kururu-chan?

(now you can head back to town. Yes you have to walk there again^^;;  
Once there visit the mother of the little girl you saved,  
she'll give you a jewel then head to the harbor)

Captain : Ah, you're here. Look at this!

Kururu : What's with that ship?

Captain : Incredible isn't it? Etoile-sama from the RosenQueen company  
gave it to us, saying it's to show her gratitude for helping her daughter.  
I tell ya what, rich people sure do things differently!

Kururu : Where is Etoile-san now?

Captain : She left after giving us the ship.

Crea : Mother probably left to go working...she was probably worried earlier  
so she dropped in on us to see if we were alright.

Randy : Princess?

Kururu : Ah...a lot happened on this trip, but in the end we're all going  
back home safely. I was thinking about that just now and it made me happy.

Crea : Kururu-chan...

Kururu : Hah, I'm weird right? We've had so many hardships, we experienced  
sad and painful times, and yet...why is that? It's such a weird feeling...

==== Chapter 5 =====  
==== Real travel =====

Sieglinde : Good work on your mission. I'm glad you came back safely.

Kururu : Thank you Grandmother!

Sieglinde : Sonia, Randy, you've done well too.

Sonia : Not at all, we were simply doing our duty.

Sieglinde : So what are your impressions about your first trip?  
Did you find your dream?

Kururu : No...I still don't see it clearly but I did learn something!

Sieglinde : Ho, and what is that?

Kururu : Pursuing your dream is really hard. Both Randy and Sonia here have suffered a lot for their dreams. But unless you overcome those hardships, I think it's impossible to realize one's true dream.

Sieglinde : ... Sonia, Randy, there's nothing I can say to thank you enough. Thanks to you, Kururu has grown.

Randy : We didn't do that much...

Sonia : No, as embarrassing as it is, we both still have a long way to go, too.

Sielginde : Kururu. From now on, don't sneak out of the castle whenever you feel like it. You will have to learn lots and lots of things about the outside world. Then you'll be able to grasp your dream.

Kururu : I understand Grandmother! Thank you!

Sieglinde : Ah yes. I nearly forgot. I know that you're all tired, but please come to my birthday ceremony tonight.

Kururu : I see. So it's tonight...

=====  
Kururu's room  
=====

Kururu : I still got time before the birthday part so I think I'll take a nap since I'm tired. Yaaaawn.

---

Voice : Kururu...

Kururu : Who...? Mother...?

Cherie : My name is Cherie. Your mother is my daughter...

Kururu : ....my grandmother? But my mother told me that grandmother went to heaven a long time ago!

Cherie : Listen well Kururu. You will soon go on a journey. It will be a painful journey, but if you overcome the difficulties, then your dream will come true.

Kururu : ...journey? Ah! Wait Grandmother!

Cherie : I am always with you, Kururu. Good luck...

---

Kururu : ...that was ...a dream?

=====  
Throne's room - birthday party  
=====

Kururu : Uwaahh, there are so many people here.

Crea : Some of these people aren't even from this kindgom...

Kururu : It's wonderful. A long time ago Mother and Father danced here.  
Ah that must have been so cool. I wanna dance here, too!

Crea : Really? Then shall we invite Cello-san next time?

Kururu : W-what does this guy has to do with anything?

(nothing much to do here, you simply need to talk to people around.)

(Randy)

Randy : Are you having fun Princess?

Kururu : Yeah. But you don't seem to be enjoying yourself Randy.

Crea : How about asking Sonia-san to dance?

Randy : H-hey, stop joking! Besides if I did that, one of these girls might try to kill me!

(Polyanski)

Polyanski : That Mustaki guy, he's still alive.  
He's quite a stubborn geezer, too.

Kururu : Polin, you know my great grandfather?

Polyanski : Yes. We've known each other since a very long time. We were both engineers working for the royal family back in the day.

(Mustaki)

Mustaki : I would have been fine if they hadn't called me. I feel uneasy at these sorts of things.

Kururu : I'd rather go see you in the village, anyway.  
It's so much more fun there.

Muustaki : I see, I see. You should come play in Orange village soon.

(Sieglinde)

Kururu : Happy birthday, grandmother!

Crea : I wish you a happy birthday, Sieglinde-sama.

Sieglinde : Thank you Kururu, Crea. Today, it's okay if you stay up late.  
Now, please enjoy the party.

Kururu : Yes!

(Gio)

Gio : To be honest, I was worried, but in the end it looks like that trip was a good experience for you, Princess. It seems like it helped you

mature a little.

Kururu : R-really? But, yeah, I think it was a good experience for me, too!

(going into the room below, Kururu will get kicked out of the way by some girls)

Sonia-fans : Kyaah! Look Look! It's Sonia-sama! She's soooo brave!  
Look how dignified she looks! She's soooooo dreamy!  
I wonder if she would dance with me?

Crea : It doesn't surprise me, Sonia-san is very popular.  
Even among the girls...

Kururu : Aren't I supposed to be the Princess around here?

(Sonia)

Kururu : You're so popular Sonia.

Sonia : Not really, its just strange for people to see a female Knight.

Kururu : It would have been nice to have worn a dress tonight.

Crea : That's true. It would have been neat to see Sonia-san wearing a dress for once.

Sonia : Haha, no thanks. Dresses don't suit me.

(Etoile)

Etoile : My, Kururu-chan. So you came back safely from your trip.

Kururu : Thanks to you Etoile-san. You came all the way to Blue Cat to check on us!

Etoile : My, what could you be talking about? I simply had some on-going business in Blue Cat, that's all.

Crea : Teehee, that's mother for you. You'll have to excuse her, she's not comfortable expressing her feelings like that.

(Hama)

Hama : There's always some idiot slimeball that tries to ask the Lady to dance with them at parties like this. Well of course they're greeted by a "Ohohohoho, even in a million years you won't be good enough to dance with me" ...and so the Lady always ends up with no one to dance with.

(Momi)

Momi : At these parties, there are always nobles who try to get to know the Lady.

(now simply attempt to leave to get the following event)

Voice : An intruder! There's an intruder in the castle!

Zolbaref : Sonia-sama! An intruder has been spotted entering the treasure room in the basement!

Sonia : Where is the intruder now?

Zolbaref : The intruder stole the "five treasures" and is presently trying to escape! We believe he's still within the castle walls!

Sonia : "The five treasures" you say? Those things that Cornet-sama brought back from when she entered "Beauty Castle"?

Zolbaref : Yes!!

Sonia : Why would they steal those...? Ready the troops for an emergency deployment! Do not let the intruder escape!

Zolbaref : Yes mad'm!!

Sonia : I apologize for the disturbance. Rest assured that the intruder will be apprehended immediatly. Please everyone, relax and enjoy the party.

Crea : A burglar eh... I wonder if everything will be ok?

Kururu : It sounds exciting! Let's go see!

(simply exit and you'll see Cello bumping into Kururu and losing 5 sphere-shaped gemstones)

Kururu : Ouch...

Kururu : Cello?! These...are the "five treasures"...?  
You're the burglar Cello?!

Kururu : (Why...)

Cello : (...)

Sonia : Princess, Crea-sama, are you alright?! Everyone, after him!

Sonia : Princess? Are you alright princess?

---

Crea : Kururu-chan, come on now, try to pull yourself together.

Kururu : ...

Kururu : Hey, Crea. What do you think about this? I don't think he's a bad person... I'm sure he has a good reason for it!

Crea : That's true. I don't believe he is a bad person, either.

Kururu : ... then, its decided!

Crea : Decided...? What do you intend to do?

Kururu : I will prove his innocence!

Crea : Kururu-chan.... does this mean you feel that way about him?

Kururu : ...I'm not really sure... But...

Crea : ...I understand. I'll help in any way I can!

Kururu : ...thanks Crea.

Crea : Teehee, well it's only natural. After all,  
"The two of us will always be together"

Kururu : Good! Let's take initiative!

Crea : Yes, first let's go get the "five treasures." Since he needed them,  
it must mean he has business in Beauty Castle.

Kururu : I see. Then, maybe if we go there, we'll see him again.

Crea : I'm almost positive we will. Well, let's hurry and get  
the "five treasures."

(Because of the theft there'll be soldiers everywhere in this chapter.  
They're totally useless except for a few ones who say funny things so ignore  
them. Go south to reach the castle and once inside go into the hallway on  
the left side of the stairs. You'll find a flight of stairs going down in  
one of the room there, it leads to the basement)

(upon entering that room)

Crea : Alright Kururu-chan. The treasure room is at the bottom of the basement.

Kururu : I knew that. This is my home, you know? ....wait....  
why do you know where our treasure room is?

Crea : Teehee, that's a secret!

(now go down the stairs. Though it's the basement of your home, there's still  
monsters inside. After going down a few stairs you'll see the following event)

Crea : From here on, there will be a lot of Soldiers...

Kururu : Yeah, but since it's such a peaceful country, they're mostly slackers.

Crea : Yes, but it would still be bad if they saw our faces.

Kururu : Then what should we do?

Crea : If I'm not mistaken, this basement is lit by Inochium lamps right?

Kururu : ...uh, I think so. I get it! If we turn out the Inochium lamps,  
they won't be able to see us!

Crea : The control room for the Inochium lamps is right here.

Kururu (sweatdrop) : ...why do you know these things...?

(enter the room on right in front of you and push the stick on the control panel. The lamps will go off)

Crea : Teeheehee, now we can proceed safely.

Kururu : "Teeheehee" ...give me a break! I'm sneaking around like a thief in my own house!

(just keep going down now. You'll get the next event once you'll be spotted by a soldier further down)

Soldier : Who goes there!

Soldier : The enemy! They've returned again!! (battle against three soldiers. They're easy of course, after all, grown up males are no match for a pair of twelve years old girls)

(after winning)

Kururu : Sigh...we got them.

Crea : Teehee, it looks like we're in the fast lane to becoming professional criminals!

Kururu (going mad) : If I knew I'd end up like this, I'd change my ways! (talking like she was commanding a mob gang) A'right boys, hurry up and snatch everything!

Crea (slapping Kururu with that old fan from chapter 1) : Take this. Kururu-chan, that would make us no better than common thieves. Remember that we're doing this to prove Cello-san innocent.

Kururu : Right, right.

(once you get near the bottom you'll meet an old friend)

Zolbaref : We meet again, thief!! Yesterday after you escaped, I was lectured for ten hours by Sonia-sama...today I will redeem myself! Thief scum, you will be a present for my beloved Sonia-sama!

(Battle against two soldiers and Zolbaref black. Zolbaref has a new skill, now his special attack affect all party members instead of one, aside from that he's still easy)

(after winning)

Zolbaref : A-again, I'll have to be lectured by Sonia-sama.... but it isn't such a cruel fate....

(go into the next room, you'll find the five treasures. Which are the orbs of fire, water, wind, earth and lightning that you had to collect in the first game)

Kururu : So those are the "five treasures"...

Crea : With those, we can enter "Beauty Castle".

Kururu : But it's a flying castle right? How are we going to reach it?  
It isn't like we can fly through the skies! We don't have wings!

Crea : Oh my, what are you saying Kururu-chan? Of course we're going to fly.

Kururu : ....what? Fly...in the skies?

Crea : Right. Mother has been secretly constructing a "flying ship".  
If we use it we can fly freely through the skies.

Kururu : For...real?

Crea : The flying ship is hidden in the basement under my house. Let's go~

Kururu : Argh...we're going to go sneaking into a house again.  
It feels like I'm becoming a bad person....

(now go back and use the Legdem puppet to get out. Before going to Etoile's house drop by Orange village in that house with the metal dog. Upon entering the owner will see the dog you saved in last chapter and will be delighted. As thanks he will give you the dog puppet. Just go near it and pick the first choice to play the trumpet to get it. Also if you don't mind walking all the way there, go back to the haunted mansion. There is a treasure containing illustraion number 4 which is very nice. Once you're done fooling around go into Etoile's house. Inside the grandma who's usually badmouthing Kururu will tell you that the basement can be entered from Etoile's room but only her knows how to open the entrance. Crea will mention that there's a puppet in that room and that it holds the secret to enter the basement.)

(talking to the puppet within Etoile's room)

Puppet : ...

Kururu : That's weird. This is puppet isn't talking to me...

Crea : It's alright. If we tell the puppet the password, it'll open the door to the basement. Inside this puppet's mouth there's something called a "mike" a device that collects people's voices. It will respond to my voice.

Kururu : Ma-maiku? A device for Co-collecting v-voices? I don't get it at all.

Crea : Teehee. Just watch.

Crea (to the puppet) : Carpaccio! Totocalcio! Hippopotamus!

Kururu : Ah, it opened Crea! Wait...what exactly does the password mean?

Crea : My, who really knows? Having a meaning is overrated anyway.  
More importantly, let's go to the flying ship.

(Get in the secret entrance. It leads to more basement-dungeon filled with monsters)

(upon entering)

Kururu : Incredible! You have a basement like this? Your family is ultra rich!

Crea : Ah, Kururu-chan.

Kururu : Yeah? (she suddenly falls)

Crea : Mother's booby-trapped the basement, so be careful.

Kururu (slowly climbing back) : You could really start warning me ahead of time...

Crea : Teeheehee. Also, Mother wanted the basement to be like an authentic natural cave, so she filled it with monsters.

(now you're free to explore the cave. Nothing really noteworthy. Since this is a trapped dungeon or so they say, treasure chest contains monsters. You can't escape those encounters but hey why should you do, they're just encounters like the random ones. There is some nice stuff here like an accessory that let you attack twice)

(upon reaching the last room)

Kururu : Th-this is the flying ship?! This can fly in the skies? ...I don't believe it.

Crea : How do you like it Kururu-chan? Isn't it great?

Kururu : It sure is great but...why do you guys have something like this under your house? ...Is Etoile-san planning for a coup d'etat or something?

(enter the ship and head for the brifge)

(on the bridge)

Crea : Mother!

Etoile : What's taken you two so long? I've been waiting.

Kururu : Etoile-san?! Why are you....!?

Etoile : Hohohohoho!! Don't underestimate the RosenQueen company. I figured your plans out quite easily.

Kururu : Fo-forgive us. We've been sneaking around and...

Etoile : Hoho, I'm not angry or anything. It's simply that since I've been to Beauty Castle in the past, I was thinking giving you some help.

Crea : Mother...are you sure you're not angry?

Etoiel : Of course I'm not. You're doing your best to help someone you care about. Isn't it natural for your mother to help her daughter? I've been in a similar situation, so I understand what you're doing, Crea.

Crea : Mother! ...I love you!

Etoile : Crea... Ah, you're just so cute! You're just like your me at that age!

Etoile : Momi! Hama! Prepare to launch the RosenQueen Company Airship Mk 1, Totocalcio!

Momi, Hama : Yes m'lady!

Momi : Super fast turbulence engine ignition! Power output 120%!!

Hama : High grade Inochium energy, preparation complete!!

Etoile : Launch!! Set the coordinates for Beauty Castle!

(you'll see the somewhat unimpressive launch^^)

Kururu : ...

Etoile : What do you think, Kururu-chan?

Kururu : It's incredible! There's still so many new things in this world!

Etoile : That's right. From now on, you should try to take in as much as possible. But, most importantly, you should never be afraid to fail. Even when we were building this ship, we ran into many failures... Learning from your past mistakes helps you grow as a person, so don't be afraid of making a mistake. If you keep moving forward, you'll make your dream come true! Kururu-chan, your friends are here for you, so believe in yourself, Kururu-chan.

Kururu : Yeah!

(you'll see a flashback of the scene where you bumped into Cello earlier)

Kururu : (...I'm sure he must have had a good reason...I'm sure of it... I'll believe in myself! Then he will surely...)

==== Chapter 6 =====  
==== Beauty Castle =====

(Kururu waking up after her "nightmare")

Etoile : Hohoho, did you dream of your prince, Kururu-chan?

Kururu : Eh??

Etoile : Hohohohohoho!! You're so much like Cornet when she was your age! That makes me feels nostalgic! I was always coming to save her when she was chasing her dream back then. See, Cornet made all sorts of mistakes and I had to come to the rescue, but she still captured her dream, so like I said, don't be afraid of making mistakes!

Momi : My lady, we're now 30 kilometers away from our target destination. We can see the tip of a castle in the horizon!

Hama : There's no mistake it's Beauty Castle!

Etoile : Alright. Kururu-chan, the goal is just up ahead. Are you ready?

Kururu : Yes.

Etoile : Do your best Crea. Help Kururu as much as you can.

Crea : Yes, mother.

---

Hama : Hm? My lady, the engine output is decreasing...

Momi : Here too. We're losing altitude...

Etoile : Could our little engine be tired out? Would you two go check the engine room?

Kururu : Leave it to us!

(engine room is at the complete opposite side of the ship, enter the room and you'll find some guys having fun with it)

Kururu : Wh?! What's going on here?

Crea : Seems like they managed to get here unnoticed.  
Our dear enemies work quickly.

Kururu : Geez, sneaking in and then acting like that...

Nyanko : Nya? We've been spotted nya. Get them nya!  
(battle against 5 Nyankos, they're a little tougher than Nyanshes but not by much, however they do deal damage super quickly so take them out fast)

(after winning)

Crea : The damages seem serious. We should tell Mother, quickly!

(back on the bridge)

Kururu : Etoile-san! The engine room has been attacked!  
The enemies have spotted us!

Etoile : I understand. Look there.

(you'll get a close up view of a bunch of Nyanko in balloons in full battle gear)

Crowdia : Hahaha, behold! The fearsome majesty of my elegant  
"Nyanko Anti-Aerial Defense Corp"!

Gao : Hey Crowdia! Stop acting cool and fly already!!

Kururu : Th-this is...?

Etoile : It would appear to be the defense corp of the infamous owners of Beauty Castle, the Marjory family.

Crea : Mother, what should we do?

Etoile : Prepare to fire!!

Momi : Yes, m'lady!!

Hama : Alright!!

Etoile : Fire!!

Crowdia (getting smashed by the hit) : Ah! Well done!!

Etoile : Hohohoho!! Fire at will! Fire, fire, fire, fire, fire, fire, fire, fire, fire, FIRE! OHOHOHOHOHOHO!

Kururu : Eh, what was that just now?!

Crea : It seems something has just crashed into the ship.

Etoile : Geez, they don't give up, do they? They just keep coming.

Crea : Mother. We will go investigate.

Etoile : Please do. We have our hands full right now. Be careful~

(while looking around you'll stumble on someone's whose head is stuck in the floor)

Crea : It seems this is what caused the disturbance.

Kururu : Its s-still alive?!

Gao : Oh? Heeeeeeeey, its you guys! Weren't y'all the brats I met in that fish's belly earlier? You're pretty brave to attack us head on, especially for humans!

Kururu (sweatdrop) : ....according to popular knowledge, I was under the impression that witches were supposed to be able to fly by using spells and broom sticks, you know, but....

Crea : I guess there are many different types of witches. No matter how you look at her, you just don't think "Witch" right?

Kururu : Yup. Seems more like a barbarian.

Crea : Perhaps her body is to compensate for her inability to cast spells?

Kururu : Well, admittedly, being that tough is almost as impressive as using magic.

Gao : Will you two shut up?! If you don't come to me then...here I come!!  
GUUUUUUUUUUTS!!! (Note: Originally, she says "Konjou" which means guts/bravery/spirit. She uses this a lot. It's difficult to translate it into English without sounding stupid.)

(battle against Gao and 2 Nyankos. Take out the Nyankos asap cause if all three attack the same target your character will definitely die. Gao can deal 100 damage by herself so beware)

(after winning)

Gao : Gahahaha! I was goin' easy on you cuz you're kids,  
but you're pretty good ain't ya?

(meanwhile just above...)

Nyanko : I love dropping explosives nya!

(back on the ship, guess where the bomb will fall)

Gao : Well den, round two! Ready?!...guhah?!

Gao : Ouch....what that hell was that?

Kururu : B-bomb!!!

Crea : Oh dear, we can't have that in here now. (pushes the door switch)

Gao : Wohaaaaa!! (she get sucked by the vacuum alongside the bomb,  
you'll hear it detonates right afterwards)

Crea : Whew, that was close.

Kururu : .....you're quite... rash... aren't you.....?  
(I'd say more like totally evil, poor Gao)

Crea : Teeheehee.

(alarm goes off)

Kururu : What now?

Crea : Seems like something happened. Let's go back Kururu-chan.

(back on the bridge)

Momi : My lady! Engine's output dropping! Altitude 2000!!

Hama : The rudder isn't repsonding anymore! At this rate we won't be able  
to control it or land anymore!

Etoile : ...

Kururu : Etoile-san.....

Etoile : We don't have any other choice...Momi! Hama! Prepare to fire the  
main cannon, the RosenMobby Cannon! Target : Beauty Castle!!

Crea : Mother!!

Etoile : We'll create a hole with the cannon then crash the ship inside!  
Don't worry since we've got the "five treasures" the attack can break  
through the barrier!

Momi : Charging inochium energy! Energy level 80%!

Hama : Aim set to Beauty Castle!

Etoile : Ready the counter shock shield! Prepare for the flash!  
(they all put on sunglasses^^)! Let's go! RosenMobby cannon fire!!  
(you'll see the shot)

Etoile : Engine full throttle! We're crashing into Beauty Castle!!  
Kururu-chan! Crea! Hold onto something!!

(Kururu crawl on the floor while Crea grab Momi somewhere)

Momi (turning red) : C-Crea-sama.. that, it's....

Hama : 500 meter to Beauty Castle!!

Hama : 400...300...20...100....impact coming!

Kururu : ....!!!

Crea : Kururu-chan, are you alright?

Kururu : u-uuh, yeah...uhh, we didn't die did we?

Crea : Nope! We made it into Beauty Castle!

(now talk to Etoile, she'll give you new weapon for Crea. Though it's a weapon you'll have to equip like an accessory. Don't miss it it's a one of a kind item and with it Crea will look like a perfectly insane mass murdering maniac. Then head out and step on the platform that's actually a lift though you won't see it moving. Get back into the castle you'll see a Nyanko greeting you "Welcome to beauty castle! ...by the way who are you again?" poor Nyankos, they're really not good with thinking^^)

(in one of the cell you'll find an old character from the previous game)

Goronzon : I am the former prime minister of the Marl kingdom, Goronzon.  
14 years ago, if my plan worked I would be king by now!  
This is all that girl's fault! One day, I'll...!

(leave him...if you're really interested to know what will become of him play Tenshi no Present^^ once you reach the end of the hallway you'll end up in Myao's room)

Myao : Nyahaha! I've been waiting on you nya! I'm supposed to prevent you from going any further nya. But, if you say the password, I'll let you go by nya. I'll give you a hint nya: The password is "Myao-sama, you're so sexy~" nya!

Kururu : Flat-chested.

Myao : That cannot be forgiven nya! I-I-I-I-I'll... I'll kill you nya!  
Come forth, my dear pet! "Pakkun dragon"!!  
(might be a pun on the dragon name here since pa with a conson afterwards can be the sound effect of something crashing and with the -kun suffix afterwards

you get pakkun. It's fitting since Myao's dragon always come crashing on her head^^)

(battle against the dragon, easy since it can't deal damage quickly but it can still confuse your characters though)

(after winning)

Kururu : It looks like the flat-chested one was crushed flat.

Crea : Teeheehee. This is called "divine retribution," where evil is punished and good prevails.

(search Myao's drawers you'll get Illustration 19, then hop onto the platform to get on the next floor, Nyanko-town. Not much to do here, it's always fun to talk with the Nyankos, one of them will tell you to take care because they're being attacked by enemies, in the bar you'll find some are getting drunk and speaking like old men, and you'll learn that they're the first victims of the rivalry between NyanNyan and Myao. Oh and there's also one who ask you if you're a new recruit and Kururu will answer "That's right nya!" and get away with it. Priceless. Oh and there also one who will sell you good stuff but at very expensive prices. Go to the next floor, you'll end up in a room with a giant screen and tons of roses)

Kururu : This mirror is huge! We don't even have one this big at home!

Crowdia : Hahaha! You've done well making it this far, my dear kittens. I am the elegant rose of the sword, Crowdia. You may refer to me as whatever you prefer, but do not forget the elegant part. To continue on, you'll have to find your way through my beautiful maze of roses and defeat me. There are plenty of traps, so you should take care. And please remember that you should not keep the beautiful waiting for too long. But I can understand you wanting to take the time to enjoy my beautiful maze. Have a good time! Hahahaha!

Crwodia (to herself) : But, at the same time, I should go and meet those girls. It is against my policy to make ladies wait. Besides, I should grace them with my beauty.

(after taking three steps in her own room)

Crowdia : ...well? Which side was the exit already?

(back on Kururu's side)

Crea : Teehee. Did you hear her? "Don't forget the elegant part"

Kururu : Why are witches so goofy? I expected the masters of the arcane arts to be a little more somber.

(talk to the mutant roses insides the enclosed rooms, they will give you stuff after beating them. Oh and since it's a maze there are more than one way to reach the exit this time. One by going east and then south and the other by going south and then east. Go south to get an optional event with Crowdia. If you get to her room without seeing it backtrack a bit and go west)

(said optional event)

Crowdia : Hm. Let's see... after turning right, should I go left, right or straight ahead? Wait! I've already tried left and right, and I ended up back here, so I should try... wait, let's see...

Kururu : Ah, it's the "elegant" person. She seems like a funny person.

Crea : My, that's right. What could she be doing?

Kururu : ...it looks like she's lost.

Crowdia (noticing them) : Hahahaha! I've found you my little kittens! Were you lost in my magnificent maze?

Kururu : No, we're fine. But you on the other hand...

Crowdia : Haha, no use trying to escape now. The flame of your worthless, fleeting lives shall fade away! The delicate petals of the flower called your life shall be dispersed throughout this beautiful maze of roses!

(she then got eaten by a mutant rose)

Crowdia : Uwah?! Haha, so you won our first duel!

Kururu : ...err no. We didn't do anything...

Crowdia : I acknowledge your victory! However, next time, things will turn out differently! Farewell! (the mutant totally ingests her)

Crea : Teehee, she's truly an entertaining person after all.

Kururu : I guess our "stupid" is the same as her "elegant"

(you'll be in Crowdia's room after wards, as usual check the drawers to get an illustration. On the next floor some Nyanko will teach you the rules for the upcoming minigame. Well it's easy cuz you can only do one thing : jump with the O button and move right or left. The goal is obviously to reach the top of the stairs before time runs out. Oh and the song playing during the minigame is "senshi no sadame" it's about living life as a Nyanko and is quite funny. Marjory is the one who sings it^^ Once you're done talk to the Nyanko behind you to get a reward, then move forwards and you'll be in Gao's room)

Gao : Yo guys, you're late!

Kururu (sweatdrop) : Y-you...didn't you crash into our ship earlier...?

Gao : Gahahaha!! This is nothing when you have guts!

Kururu : Hmm, somehow, it still seems to be impressive.

Crea : Yes. It seems having "guts" is quite helpful. Teehee.

Gao : Alright, right here and now, let's see! GUTS! Do you have it?! Yo, guys, that switch don't...

Kururu (stepping on it) : Ah, sorry, I was trying to remember the lyrics to a song, so I wasn't really listening to you.

Gao : Whoa! IDIOT! Pay attention when people are talkin to you!

Kururu : Hm... what did ya say? I zoned out again.

Gao : The damn walls are gonna crush us!

Gao (stopping the walls by herself) : Uooooh!! Guuuuuuuuuuuuuuuuuuuuuts!!!!

Kururu : Incrediiiiible.....

Crea : Well then, Kururu-chan. Shall we go?

Gao : Hey! What are ya running away for?! That's low! You guys! Don't let them escape! Guuuuts!!! If you've got any Guts, then...!

(battle against 6 Nyankos. Note that the background for that battle is neat with Gao stopping the walls during your fight^^ oh and also the Nyankos are pumped up by Gao's speech so dispatch them quickly as they can deal damage super quickly)

(after being defeated the Nyankos will run the hell away)

Gao : Hey! What the hell was that?! That's not what you call "Guts" you sissies!

Kururu : Well, do your best.

Crea : Fight! Fight! (said in english, japanese cheerleading use it all the time, since it's Crea here it's said in a cute but sarcarstic tone as usual)

Gao : Wait, you little...!! Uwwwooooh!! Guuuuuuuuuuuuuuuuuuuuuts!!!

(Kururu and Crea will leave the room and you'll hear the wall squashing Gao)

Crea : And she seemed to be really interesting, too. Such a pity.

(hop onto the lift, on the next floor you'll see a familiar face again)

Kururu : Ah! ....its you? Again?

Burg : Muwahaha! Today for sure, I will chop you into little pieces BANG! For the sake of our master Myao-sama! I can't let you go any further!! Gyahaha! Myao-sama, she's the best BANG!!

Crea : "Myao-sama"? What happened to "NyanNyan-sama"? Wasn't that it last time? "NyanNyan-sama is the best"?

Kururu : Yup, that's what he said.

Nyanko : Betrayal nya! Betrayal nya!

Burg : Shut up BANG! It's just a career move BANG! Now my master is Myao-sama BANG!!

Kururu : ....I guess bad guys have lots of personal issues, too.

Burg : Casting off my dishonor BANG... Casting off my old title

"Super Burg" BANG... I am reborn as "Hyper Burg" BANG!

(battle against Hyper burg and 5 Nyankos, Burg is pretty strong but nothing you can't handle)

(after winning)

Burg : I've lost again BANG!

Nyanko : We will get punished by Myao-sama nya!

Burg : Uuh, in that case..I'll ask NyanNyan-sama to give me a power-up BANG!

(now go right, you'll be in the ancient weapon factory, a Nyanko will tell you that the ancient people use them in their war but now they're just being discarded, in the next room another Nyanko will tell you that Marjory's room is just ahead and that you should save your game^^)

(in the next room)

Kururu : What is that....?

Crea : It's so beautiful....

Kururu : Its like its pulling me in....

Voice : Keep your grimey mits off my "Shadow of Beauty"!

Kururu : Who's there?!

Marjory : The Marjory family, assemble!

Kururu : Y-you're still alive?! H-how?!

Crowdia,Gao&Myao : Duh! Its cuz like, we're witches!  
(said in a childish tone to match Kururu's talking habit)

Kururu : u-uh..."cuz we're witches" they say...geez you...

Crea : Teeheehee. Despite their looks, they're quite the resilient bunch aren't they?

Marjory : Hohohohoho!! I won't let you have the Shadow of Beauty!

(battle start against the full Marjory family, you can't win it^^ For some reason all members have their own battle victory quotes)

(after losing)

Marjory : Hohohohohoho!!! What's the matter? Finished already?  
That's so boring. I don't care even if you're children,  
I won't show any mercy! Time for my final attack! Good Night Baby!

(she starts casting a spell but Cello steps in and send it back upon her)

Kururu : Ce-Cello?!

Cello : Are you alright?

Kururu : Y-yes! (I'm so glad I believed in him...I was right,  
he's not a bad person!)

Kururu : (Wh-what? Why is my heart racing? Could it be....I am...  
with this person....)

Marjory : Grr! Who the hell do you think you are?!

Marjory : Oh MY! What a handsome young boy!  
(Cho: Marjory, he's like 14 you perv.)

Gao : Oh god, here comes the sickness again.

Crowdia : Fuh. Some people...

Myao : The only cure for her disease is death nya.

Gao : Heh, even if she died it wouldn't cure her. She'd come back as a zombie or something. "PREEETTTTY YOUUUNG BOOOYS"

Marjory : Uhuh. Tell me boy, how about spending an unforgettable night with me?

(Cho: MARJORY HE'S 14)

Cello : Fuh(sort of a smirk). Sure, but only if you can defeat me.

Marjory : Hohohoho, I like 'em feisty! I'll force you into submission!

Cello : For my mother's sake...I'll be taking the "Shadow of Beauty" now!!

Cello (casting a spell on your party) : (Oh ye hallowed ancient gods, hear my prayers! Protect us from the darkness with thy sacred light!)

(battle time again, this time Marjory and her gang attacks deal very little damage so you can win it. Myao can heal so take her out first. Oh and if you think about losing to see what would happen to Cello forget it, it's simply game over^^ And go get help for yourself you need it^^;;)

(after winning)

Marjory : What a surprise. To think, there are still humans that can use those spells.

Crowdia : It looks as if this boy is one of the Ancients. I didn't know they were any left.

Marjory : ...It seems so. We should get serious.

Kururu : Cello...earlier you said that it was for your mother's sake...

Cello : ...my mother is ill...she has a very serious illness... to cure her, I desperately need the Shadow of Beauty!

Kururu : ...I see. So that's why you took the five treasures.

Crea : It's a good thing you believed in Cello-san isn't it Kururu-chan?

Kururu : Yes!!

(ground shaking)

Myao : Wh-what's going on nya!?

Nyanko : Marjory-sama, emergency nya! The Akurjo family nya!!  
Direct attack nya!!! (you'll see the Akurjo gang then suddenly crashing with a piece of the ceiling on the Marjory family)

Akurjo : The Akurjo family, assemble!

Gao : Ack! RanRan!

RanRan : Kyah! Gao-rin, it's been a while. Are you well?  
You're look~ing~good~

Crowdia : ...FonFon.

FonFon : Hohoho. It's been a while Crowdia. Now, I shall honor you with the ability to gaze at my adonic body as long as you wish!!

Myao : NyanNyan!

NyanNyan : ...keesheeshee. It's the flat-chested brat, Myao.

Akurjo : Hahaha, stupid cat. Thanks for helping us get in so easily!

Marjory : Myao! Did you betray us!?

Myao : Hehehe...I'm sorry nya. I simply wanted to have the big boobs medicine nya...

Gao : Big boobs? You're still like a pancake ya moron!

Akurjo : Hahaha! Of course! Only one of the pills was the real drug. The rest of them were complete garbage!

Myao : Then what were the other pills, nya?

Akurjo : Cat food! Hahahaha!

Myao : You tricked me nya! I won't forgive you for tampering with a maiden's pure feelings nya!

Crowdia : Fuh, you moron...

Gao : Gahaha!! That's great! You got buuuurned!

Akurjo : I must thank you too, Princess. I didn't think you would be such a big help to us. Thanks to you, getting te Shadow of Beauty was simple. With it, eternal youth will be mine!

Marjory : Using others to capture your dream and sneaking in while they're fighting between one another... you haven't changed at all, Akurjo. Hoho, the Shadow of Beauty won't give you any strength if you act like that! My eternal youth and beauty aren't from...

Akurjo : ...you think you're young and beautiful? I hate to be the one to have to break the news to you, but you have been tragically misinformed.

Marjory : SILENCE! My eternal youth and beauty come from....love!! It's because of love!!

Akurjo : Love?! That's absurd! Do you still believe in things like love?

Gao : Well, it is true that if she didn't rejuvenate herself, Marjory-sama would look like old leather by now.

Akurjo : Whatever. I'll be taking this now.

Kururu : Hold on!! We need that to cure his mother's illness!! Please, don't take it!!

Akurjo : ...heh. This boy's mother you say. What impressive filial piety. This is just so touching.

Cello : ...

Akurjo : But it has nothing to do with me!

Cello : ....!!

Marjory : HOLD IT! I'm not letting you have it!

(she casts a spell on the Shadow of Beauty which splits up and disappears)

Marjory : Ohohohoho!! That'll show you! If you want the Shaodw of Beauty, you're gonna have to travel the world for it!  
NO one messes with the great Marjory!

Akurjo : ...Marjory....I'll kill you!!

RanRan : Akurjo-sama, we should go. The castle is starting to fall.

FonFon : Let's get out of here!! If we fall from such a high place, we'll certainly die!! Its sooo scary~! (yeah FonFon is scared of heights)

Akurjo : I guess we have no choice. Let's retreat at once! NyanNyan!!

NyanNyan : ...Aye aye, sir nya. (they teleport away)

Crea : Kururu-chan. We should leave, too.

Kururu : Y-yes. You're coming with us, right...?

(Cello joins party, you'll need to equip him stuff later)

Marjory : Gao!! Hurry up and use your stupid strength to get rid of this stupid thing!

Gao : I know! ...god, why doesn't she ever shut the hell up?  
Uwooooh! Guuuuuuuuuuuuuuuuuuuuts!!!!

(the rock get crushed)

Marjory : Whew, I figured we'd die there.

Myao : Marjory-sama couldn't die from something like that, nya.

Crowdia : Indeed. Marjory-sama will outlive us all. She clings to this mortal coil with greater ferocity than that of a cockroach.

Marjory : Stop spouting nonsense and get ready to leave!

Marjory : Myao! Evacuate the Nyanko first! We'll stay until the last moment.

Myao : Roger nya!

(talking to Marjory)

Marjory : Hohohohoho!! Did you see Akurjos face just now!? She was nearly crying! Crushing the hopes of your enemies... its such a rush! I love it!

Kururu : ...is this really the right time to be laughing?

Marjory : Leaders must put on a brave face to inspire their followers.

Crea : Are you not going to leave?

Marjory : I'm the lord of this castle! I won't leave it until I must!  
You should be more concerned about getting out yourselves.

(talking to Crowdia)

Crowdia : Aaaaah... Our beautiful castle....alas, in the end, beautiful things  
must always disperse, like dust in the wind... this too is fate....

Kururu : I think she's finally cracked under the pressure.

(talking to Gao)

Gao : Hahaha, this is great! I've been bored lately, but now we get to fight  
fight fiiiiiiight! Its been so long since we got a chance to rumble with them!

Kururu : Aaah....for some reason, the collapse of society doesn't seem that  
far away...

(to escape simply follow the path behind the throne, where Myao went.  
Do explore around, there's a puppet to be found and an illustration so don't  
rush to the exit. When talking to the puppet pick the first choice to tell  
him, you're Cornet's daughter and first choice again to fight him. Duke's  
skills are extremely efficient against him since his element is fire.  
After winning Albatros is yours)

(once you reach the top floor)

Kururu : Aaaaaaaaah we're gonna crash!

Crea : My, this won't do at all.

Etoile : Quickly! Grab the ladder!

Kururu : Etoile-san!

(they start climbing but the castle is shaken and Kururu falls)

Kururu : Kyah!

Kururu : Kyyyaaaahh!!!! I'm goooooooooonna diiiiiiiiiiie!!

Cello : Kururu!!

Kururu : Cello!! You've...got wings....?

Cello : I didn't want you to see this...

Kururu : Just now...you called me Kururu.  
This is the first time you've called me by my name....

Cello : ...I-I don't know what you're talking about. Hold on.

Kururu : Yeah...

(you'll see Beauty Castle crashing into the sea...

awww they better fix it quickly)

(inside the Totocalcio)

Kururu : You saved me. Again. Thanks.

Cello : ...

Crea : Cello-san. What are you going to do now?

(he doesn't answer and leaves)

Crea : He seems to be depressed...

Kururu : He was so close to getting a cure for his mother,  
and then that witch....

Crea : Yes those witches. They sure were acting selfishly!

Kururu : Say Crea...I...

Crea : You want to go look for the pieces of the Shadow of Beauty, right?

Kururu : It'll be hard, I'm sure there will be difficulties and painful times  
ahead if I do this, but... But, I really want to help him. Randy and Sonia  
both overcame hardships to realize their dreams. Its like Etoile-san told me!  
I have to believe in myself! If we can save his mother then maybe he'll...

Crea : You don't have to explain, Kururu-chan. I understand.

Kururu : Thanks Crea! I'll do my best!

==== Chapter 7 =====  
==== Crossing the rainbow of hope =====

Etoile : How does it look? Can you fix it?

Momi : It's useless, my lady. We're missing three parts that are kinda  
important.

Hama : They musta fallen off when we cras--I mean, made an emergency landing.

Etoile : I don't believe it! There's no way to find them in all this mess!  
The whole island's a jungle.

Kururu : Cello....

Crea : He seems to be depressed.

(Talking to Etoile and the others won't get you anything but  
"we need the three parts" stuff so go into the jungle.  
Crea will notice Cello inside)

Crea : Say Kururu-chan. Isn't that Cello-san over there?

Kururu : Eh? Where, where?

Crea : Look over there.

---

(on the cliff where Cello is standing, someone's half hidden is speaking to him but it's a bit obvious to guess who is it if you look closely^^)

Voice : Don't you want to save your mother's life? Then collect the pieces of the Shadow of Beauty.

Cello : ...

Voice : What's wrong? Having second thoughts about that Princess girl?

Cello : Th-that's not it...

Voice : Which is more important... your mother's life, or your feelings for this little girl? Think about it.

---

Kururu : What is he doing up there?

Crea : He's probably thinking about his mother. If he can't get the three pieces of the Shadow of Beauty... Besides, with our ship in that state, he may have given up hope.

Kururu : ...three pieces? I see! that's it!!

Crea : What are you thinking?

Kururu : We need to find three parts to fix the ship! The Shadow of Beauty is divided in three parts too! If we can find the three parts of the ship, then he'll understand that you can't ever give up hope!

Crea : I see. It's a wonderful idea Kururu-chan.

Kururu : Hehe, thanks.

Crea : Teehee. Say Kururu-chan. I was thinking about it for a while, but... about Cello-san and you...

Kururu : ...yeah. But I don't understand it so well. Because, I mean, y'know, this is the first time I've ever felt this way. Whenever I think about him, I feel like my heart is being squeezed and my stomach feels weird and...

Crea : Kururu-chan, that means he's your "first love."

Kururu: First love...?

Crea : Yes.

Kururu : ...Feelings are weird... They change just like that...

The first time I met Cello, I hated him so much...  
And now I'm falling in love with him? It's really... weird.

Crea : Kururu-chan. Good luck. I'll be behind you, 200% Kururu-chan!

Kururu : Thanks Crea.

Crea : Well then, let's go look for the three parts.

Kururu : That's right! "Girls take the initiative!"

(talking to Cello won't get you anything he wants to be alone.  
So go inside the jungle. You'll reach an crossroads go wherever you want  
since anyway you'll have to explore the whole jungle in the end. For now  
the translation will assume you go south-east towards the T-rex)

(after going east for a little longer, the screen will start shaking)

Kururu : What's wrong Crea?

Crea : Ah, it sounds like footsteps..

Kururu : You hear footsteps?

Crea : Did you hear it Kururu?

- 1) Yup
- 2) Nah

(1)

Crea : We should be careful.

(2)

Crea : I see. Was it my imagination?

(keep on going east until you reach an opening)

Kururu (falling) : Augh!

Kururu : Geez! What kind of lowlife puts a trap in the middle of nowhere?!  
I really could do without drinking mud....uuurgh....

Crea : Kururu-chan, this isn't a trap.

Kururu : Not a trap? What is it then?

Crea : I'm guessing its the foot print of that fellow over there.

Kururu : Over there?

Kururu : Gyaaaaah!

(boss fight against T-rex, he got a good skill that take out 120-150 HP to  
everyone but don't use it often. After winning pick up the  
cartridge-looking item)

Kururu : This is part of the ship!

Crea : Teehee, that's a step forward.

Kururu : Yup! We'll find the two other in no time at all!  
Let's keep it up Crea.

Crea : Yes.

(using the Legdem puppet before the opening where you fought the T-rex will bring you back to the crossroads, now let's go east, after crossing a few screens you'll get to an event with volcanoes)

Crea : I see something shining there. Perhaps it is a piece of the ship?

(you'll be inside a reddish cavern afterwards, there are quite a few treasures scattered within so be sure to explore it totally. Once you reach the end you'll end up in a nest, take the ship part that's here and you'll get the following event)

Crea : This is such a big nest...what kind of bird would need a nest this large...?

Kururu : Whatever it is, it can't be cute and tiny.

Crea : Really? We can't assume that is the case until we see it. It could be a very cute bird after all.

Kururu : Huh? Its getting dark? (boss appears)

Kururu : ....that is not cute.

Crea : Hohoho, ...seems we found out what sort of creature lives here after all!

(boss fight against Ptenarodon. Exactly the same kind of guy as the T-rex, after winning you're finally able to pick the ship's part)

Crea : Now we've got two of them.

Kururu : This is easier than I expected. I'm a little surprised.  
Someone must be looking out for us!

Crea : That's not it. Its because you're using your head and bravery and your feelings for Cello-san...

Kururu : Y-you think so? That's kinda embarrassing to say...

Kururu : Anyway, only one left! Let's go!

Crea : (Teehee. Kururu-chan is like an open book, that's why I like her)

(as usual go talk to Legdem, this time he teleports you to the cave entrance, go back to the crossroads and go north this time. You'll reach a waterfall keep going. You'll be in another cave afterwards. A greenish one this time around. If you meet some metal gellies do trash them, they'll give tons of Inochium. As usual do explore around since you'll find illustration 2 and a

puppet, Chiba. Chiba will ask if you're Cornet's daughter then prompts you to a fight, as usual pick first choice to say yes. Win and he's yours. Unlike Albatros he's tough so take care. His element is wind so having earth spells will make this far easier. Afterwards keep going until you reach the end of this cave. You'll find the last ship's part in the last room. Attempting to take it will of course prompt the boss to appear)

Kururu : Say, Crea. What do you think it's saying?

Crea : Hm... "Looks yummy!" perhaps?

Kururu : What's with this place?! Give me a break!

(boss battle against Brachisaurus. It can heal itself but that's about the only difference with the two others guys. After winning you can finally get the last part)

Kururu : This is the last part!

Crea : Now the only thing left to do is to go confess your feelings to Cello-san.

Kururu : Co-confess?! N-no, I just want to cheer him up!

Crea : Oh my. Is that so?

Kururu : Yes! Confessing...I just can't...

Kururu : I-in any case! Let's hurry and go check on him!

Crea : (that Kururu-chan...she's so cute to be all embarassed like that)

(teleport back using Legdem and head to the cliff where Cello was standing. Once there talk to him to trigger the following event)

Cello : What happened to you? You're all bruised up.

Kururu : ...here, look at these.

Cello : Those are....the ship missing parts? You went off and found all of them by yourselves?!

Kururu : Cello....I understand why you're feeling down. The Shadow of Beauty being scattered in three parts, the ship broke down...when stuff like that happens, its easy to get down. But you should never give up hope! It seemed impossible to find these parts, but look! That's why I know we can find the Shadow of Beauty parts, too!

Cello : I...no, nothing. You're surprisingly strong. Thank you...Kururu.

Crea : (Now Kururu-chan! Now is the right time to confess!)

Kururu : Cello....I....

Crea : (Just finish your sentence with "Love you" Kururu-chan!)

Kururu : Ah, no. It's nothing. Let's get back to the ship. (Cello joins)

(talking to Etoile back to where the ship is)

Etoile : Oh my! You found the three parts! You're such industrious children!  
It's like I'm looking at myself when I was a child!  
Let's begin making the repairs!

(within the ship)

Etoile : Everything's fine now! ...or it should be. Momi! Hama!  
Prepare to launch the Totocalcio!!

Momi : Yes, m'lady!!

Momi : Super fast turbulence engine ignition! No anomalies!

Hama : High grade Inochium energy, preparation complete!!  
No anomalies here, either!

Etoile : Depart!! Set the course towards Mothergreen!!

(Kururu gazing at the sky, later on, during the trip...)

Kururu : As long as you don't give up or lose hope, then your wish will come true... my own dream too, someday...

Akurjo : Because of that damn Marjory, the Shadow of Beauty is in pieces... Split up and find it!

NyanNyan : ....Sleepy nya.

Nyanshe : Sleepy nya, sleepy nya!

Akurjo (spitting blood) : cough..cough...eternal youth....idiots...

---

Kururu : Yaaaawn!

Crea : (yawning too but more gracefully^^)

Kururu : Whew, it seems like years since we were here...

Crea : A lot's happened, but in the end we returned safely.

Kururu : Yep. But the most difficult part is just starting. Alright,  
let's get ready for it!

(alright from now on you're free to use the Totocalcio to explore around and look for the Shadow of Beauty pieces. Simply talk to Etoile and select the first choice to do so. There are tons of Nyanko and Nyanshe around they'll give you hint about where the pieces are, those dummies. Everyone is scared stiff of those talking cats in towns it's quite hilarious^^ There are also lots of optional stuff to do in that chapter, we'll cover that as well. First let's go to Mothergreen. There head for the castle and climb the right tower, it's right after climbing the stairs leading to the throne room. In the top room you'll find Sonia, talk to her)

Kururu : Say Sonia, what's your favorite type of food?

Sonia : Food I like? Hmm...I enjoy fish-based meals I guess.

Crea : Do you hate any types of food?

Sonia : ...sweets.

Kururu : Hm, I see. I love sweets though.

Sonia : Haha, but sweets lead to tooth decay. You better take care of your teeth.

(Now go to the left tower, you'll find Randy there, talk to him of course)

Randy : Princess, can I ask your opinion on something? I was thinking about

treating Sonia-san to dinner, and I was wondering where I should take her...

Kururu : Woowoo, it's about time!

Crea : Teehee. Finally Randy-san is going in for the kill!

Randy : Er, well, what sort of place is popular with the girls?

Do you know Princess?

1) Yes

2) No

(1)

Randy : Wh-where?

a) Seafood Restaurant

b) Softcream shop

(a)

Randy : I got it! Thanks Princess! I'm going in, wish me luck!

Crea : Good luck Randy-san! And remember, don't give up!

Randy : Don't give up? Understood!

(Note: Originally, Crea says that Men should "attack until it breaks" followed by Randy saying "Hit until... it breaks." but the connotations there... aren't... good in English) (additionnal bor-note : hum, the connotations weren't good in Japanese to that's why Kururu says she got worried :))

Kururu : ....is this going to be alright? Somehow, I'm a little worried...

(2)

Randy : I see...crap, what should I do....?

(that's it for now, if you talked to the Nyankos in town, you've learned that a piece of the Shadow of Beauty is Paana Coota village, so get back to the ship and head there, it's the place most to the west on the world map. Not much to do inside the village, the shop has an interesting jewel but it's quite expensive, the Nyankos will tell you that they don't give a damn about the Shadow of Beauty but since it's a memento of her first love, the prince of the ancient people, Marjory will be pester them to no end if she's still alive that is. Nyankos sure are a faithful lot aren't they? Anyway go to the house with the boats and pick the first choice there to get a ride. You'll be taken to a jungle, in the next screen you'll get the following event)

Kururu : Whoa, there's so many plants here...

Crea : The province of Babaroa is the most secluded area of the Marl Kingdom. That jungle was here a long time before the kingdom was ever created.

Kururu : Eeeh...its weird that there's a place like this in the kingdom... I feel like I'm entering uncharted territory...

Crea (taking Cello away) : Say, Cello-san. Where do you live by the way?

Kururu (noticing) : ((Hey, what are you doing!))

Crea : ((My, Kururu-chan, did your face turn red all of the sudden?))

Kururu : ((B-because you grabbed his hand just now!))

Crea : ((Teehee, Kururu-chan you get jealous so easily. I was just asking him some questions for you. Don't worry, I wouldn't do anything to your Cello-san, Kururu-chan.))

Crea : Sorry about the interruption Cello-san. So, where do you live?

Celoo : My home...?

(you'll see a floating island)

Cello : My home is... really far away. It's another world from the one you're living in.

Kururu : ...!? Another world? What's that supposed to mean?

Cello : ...

Kururu : It's because I'm the King's daughter, isn't it? This doesn't matter, we're....we're friends aren't we?

Crea : Kururu-chan. If Cello-san doesn't want to talk about it, we shouldn't bother him about it.

Kururu : ....sorry Cello. I don't know a whole lot about you, so I wanted to ask you some questions...

Crea : Kururu-chan. Cello-san will tell us about it when he's ready to.

Kururu : ((But how I am going to understand him then...?))

(now go east for a couple of screens and you'll run into an elegant person)

Voice : Hahahahaha! We meet again, my dear kitten! Are you looking for something?

Kururu : Ah, you...errr, Crowdia! So you're still alive after all.... you haven't... drowned or anything.

Crowdia : Tsk tsk tsk. Have you forgotten, my darling kitten? You must always add an elegant to my name!

Kururu : ....yeah whatever, well then, your Elegancy, why are you here?

Crowdia : The same thing as you, obviously. I'm an elegant wanderer on a quest from m'lord for the Shadow of Beauty. It is but a regret that I will have to take it from you!

Voice : Hohohoho! Do you think it will be that easy?

Crowdia : Who's there?!

Fonfon (making a very gay entrance) : Now, you've been graced by my body! Go on, look as much as you want to! Look at this beautiful body of mine!!

Kururu : ....it's that weirdo again...

Crowdia : Why are you here, FonFon?

FonFon : Oh dear, isn't it obvious? I'm here for the Shadow of Beauty!

Crowdia : Well whatever, but could you stop flexing? Seeing that grotesque body of yours... it's making me nauseated.

FonFon : Grotesque???! Damn you!! How can anyone not understand the pure beauty of my throbbing muscles?!

(the two of them start taking various poses)

Kururu : ...what do you think, Crea?

Crea : Hmm, indeed this is a beautiful body. He has great proportions, that's for sure. He has both mass and definition, with no excess body fat.

(you'll see Cello nodding to that^^)

Crea : Unfortunately, his right Latissimus Dorsi appears to be slightly larger than his left, throwing off body symmetry.

(Cello nods again^^)

Kururu : ....thanks a bunch. Those two just keep argueing over who's more beautiful. They're so wrapped up in their own worlds, they don't understand each other at all...

Kururu : !! ("They don't understand each other"...?! ....This is like how I desperately want to know more about Cello! But in the end, I didn't understand his feelings at all...)

NyanNyan (suddenly appearing for no reason at all) : ...Here I am~!

NyanNyan : An experiment...I'm here to help settle your argument nya!

(she cast a spells and you see both FonFon and Crowdia souls changing bodies)

FonFon in Crowdia's body (trying to flex) : Help with our argument?  
Did you actually do anything?

Crowdia in FonFon's body : More importantly FonFon, I need you to admit that I am more beautiful.

FonFon in Crowdia's body : I'm sorry my dear, I cannot simply just give...eh? Something isn't right...

Crowdia in FonFon's body : Gyaaaaaaah!? This is not my bodyyyyyyyyyy!!!!?

FonFon in Crowdia's body : Noooooooo!!! I'm a, I'm a woman!!! Give me back my beautiful body!!

Crowdia in FonFon's body : Uuurgh!! A man, I'm a man! Muscles, everywhere!  
I'm UNCLEAN! (he runs away)

FonFon in Crowdia's body : Give that back!!! (running after him)

Crea : Oh dear. This has become quite the event.

Kururu : Let's get going! We'll get the Shadow of Beauty before them!

(on the way there'll a bunch of Nyanko and Nyanshe telling you stuff like FonFon and Crowdia are long time rivals, and they're rivalising about beauty of course what else? Also Crowdia is a narcissist which is obvious but unlike Marjory she hates men, while FonFon is a flaming homosexual who hates women...ahem. They also mention how they're glad they didn't get to be NyanNyan rats lab for once. After a few screens, you'll see Crowdia. She'll be called "Crowdia?" now though while FonFon will be called "FonFon?")

Crowdia? : Aaah...if I still had my wings I could fly up there in an instant.... my beautiful wings....where could they be.... sniff...

Kururu : ...is she alright? She seems to be a little depressed.

Cello : Of course she's depressed. Suddenly being forced to live in another person's body like that....

Kururu : And not just anyone else's body, its her mortal enemy's... She might even be suicidal.

Crea : Excuse me, would you like to come with us?

Kururu : Crea?!

Crea : Perhaps we'll find a way to get you back in your original body. In the meanwhile, you can help us get the Shadow of Beauty.

Kururu : What are you saying Crea! She's one of Marjory' servants, remember? She'll never agree to those terms...

Crowdia? : I will gladly accept your offer!

Kururu : See?

Kururu : ...uh? Wait, what? You're okay with this?

Crowdia? : Of course! This is wonderful! This is a fantastic suggestion! Ah, little lady...you're like an Angel of Mercy descending from the shining Heavens to rescue a lost soul...

Crea : Oh my, you have such a way with words, teehee.

Crowdia? : If I ever return to my former elegant body, I shall bestow the Shadow of Beauty upon you to show my appreciation!

(Crowdia? joins with nothing equipped as usual)

Kururu : ...for some reason, its like "common sense" and her "logic" aren't even in the same ballpark.

(keep going east as usual, you'll run into some Nyankos who'll make fun of Crowdia^^ Later on you'll be in front of a huge rock)

Kururu : Its so big!

Crea : This is a problem, we won't be able to get in any further because of it...

Cello (tying to slash it) : Kuh...it's useless.

Kururu : What should we do...? (they all start to look at Crowdia?)

Crowdia? : Why are you looking at me like that?!

Crea : Well, you have all those muscles, so maybe you could break that rock for us.

Crowdia? : Smash them bare handed?! I am an elegant and refined swordswoman, not a Barbarian! I'd never...

Crea : It won't really be you, it'll be that guy! Or do you want to stop looking for your body?

Crowdia? : Urgh...this is...

Crowdia? : ....(goes and break the rock with a punch)

Kururu : Awesome!

Crowdia? : ...how surprising. To think that guy has such strength... I guess even such a grotesque body can be useful at times.

Crea : Is this your first time seeing things from his perspective?

Kururu : !

Kururu : Seeing things from his perspective...

(now you'll be in another cave, it leads to the aerial garden but before reaching that place be sure to explore the tunnel most to the north, there's another chimera inside. This time it can only be hurted by using skills. Cello has great skills already, equip the three Mustaki puppets on Kururu (Duke, Albatros and Chiba) and you'll get another really good skill. FonFon third skill can damage the enemy too but it doesn't do much and you'll have to listen to his lascive comments while he does it, so you may not want to, it's quite scary. Once you beat it will tell you he was one of Cornet's old puppets who got reincarnated, Tell. He will lay an egg and leaves, plays the trumpet in front of the egg to get another puppet, Tell)

(after exiting the cave you'll reach a tower, within there'll be a Legdem puppet and a teleporter, hop into it, you'll reach the aerial garden which is still floating after all that time. Get inside for the next event)

Voice : Hooohohoho! You're so slow Crowdia.

Crowdia? : FonFon!!

FonFon? : Those hideous wings are actually good for something. It was pretty easy to get here.

Crowdia? : Give my body back!!

FonFon? : I could say the same thing to you. Once I get the Shadow of Beauty, I'll be taking my body back!!!

FonFon? (leaving) : Hooohohoho! Until then!

(explore the aerial garden now, careful the chests tends to be hidden by the invasive vegetation. There are tons of money and lots of good items so don't miss any. Also those annoying Nyanko will be in your way again but some of them do say interesting stuff like how the ancient people used to live in the aerial garden before and that Marjoly was also alive at that time and came to that place before)

(you'll see a slightly different than usual, Cherie statue in one of the room. Inspecting it will tell you that there are lots of symbols and buttons on it)

Kururu : What's this?

Crea : Perhaps its the language of the ancient people?

(once you reach the top of the structure)

FonFon? : Hooohohoho! I'm the first to get to the Shadow of Beauty!! I should get an amazing award from Akurjo-sama!

FonFon? : ...but before this...I'll be taking my body back!

(battle start against FonFon? and 3 cockatrices, careful do take all the cockatrices out immediatly cause FonFon? can deal 150+ damage to the whole party in one attack)

(after winning both exchanged souls return in their bodies)

FonFon : Uwoohh!! Craap!! If I had my own body I would have finished all of you with a single blow! We'll settle this next time! I won't forget this!

(that idiot then jumps from the balcony)

FonFon : ....huh? I'm back in my body?!

FonFon : Gyaaaaah!!! I'm afraid of heights!!!! I'm going to die!!!

(he falls and Crowdia go rescue him)

FonFon : Crowdia....why?

Crowdia : Eh...I wonder why? Since I've been in your body I've been thinking about how things are from your perspective..... I suppose walking a mile in your shoes helped me understand you a little bit more.

FonFon : ....

Crowdia : But don't misunderstand. This certainly doesn't mean that I approve of you or your ways. After all, I am Crowdia, the true and only elegant one.

FonFon : As a fellow worshipper of beauty, I too, came to accept you.

....but in the end, victory shall be mine.

Crowdia : As promised, you may take the Shadow of Beauty. I will excuse myself now. Let's meet again, my dear kittens! Haaahahaha!

(now go grab the Shadow of Beauty part)

Kururu : Viewing things from someone else's perspective...

Kururu : I'm sorry Cello. I wanted to know more about you, and ignored your feelings. That way would never help me understand you.  
I was being a selfish idiot.

Crea : Kururu-chan...

Kururu : Sorry Cello, I won't ask anymore.

Cello : Kururu....

Cello : Thanks, Kururu. I can't tell you now...but, someday...

Kururu : Right! I'll be waiting!

Kururu : Good, let's go! Let's find the next part of the Shadow of Beauty!!

(now get back, talk to the Nyanshes on the way down they will give you the location of the next piece and also tell you that they will wait for you there cuz the most important part about being a villain is to never give up. For once they got something right, go Nyanko-tachi "take the initiative"!)

Nyanshe : Another piece of the shadow of beauty has been spotted in RosenQueen Land nya.

Cello : RosenQueen Land?

Crea : RosenQueen Land is the amusement park managed by my mother.

Kururu : It's the biggest theme park in the Marl Kingdom.

(now go to the tower with the teleporter and use the Legdem puppet to teleport back, you will be in the village where you landed. You'll notice that there's a new location on the map, RosenQueen Land, but don't go there yet, get back in Mothergreen and head to the Orange village. There speak to people around the village, a man in red will mention the Redhot village and the Eringya valley, nothing else to do here except watching the Nyankos getting totally drunk in the pub but that's only funny for a few minutes. Get back to the ship and both Redhot village and Eringya valley will be available to select on the world map. Pick Redhot village it's just a little north of Paana Coota where you found the first piece of the SoB)

(in Redhot village you'll notice that there'll be RanRan but she just complains about the SoB being in RosenQueen Land. Go and talk to a man all dressed in blue in one of the houses. He will ask who you are pick the second choice to tell him "Cornet's daughter" After some ramblings about what Cornet did for the village in the previous game he will tell

you he has a present to give you since you're her daughter but you must first pass some test to prove your identity and that is....the grand Marl's kingdom quizz!! Here are the questions, beware if you fail once you can't re-take it, besides the whole thing is hilarious with the guy asking question going totally overboard)

Q1 : What is Kururu's true name!?

- 1) Kurusale Cherie Marl Q
- 2) Zolbaref Oscar Hasselbach

Q2 : What's the currency of the Marl's kingdom?!

- 1) Yen
- 2) Inochium

Q3 : What's the name of the school Kururu is attending?

- 1) Royal holy academy of Paprika
- 2) Municipal holy academy of Papaya

Q4 : What's the king Ferdinand favorite dish?

- 1) Steamed river fish Redhot style
- 2) Fried river fish prepared with the Orange sauce

Q5 : Wher was Queen Cornet born?

- 1) Mothergreen
- 2) Orange villlage

(once you're done, he will call you Princess Kururu and reward you with a Flare puppet, play the horn and he will join. Now head back to the ship and head to Mothergreen for another optionnal event. Go and enter Etoile's house and you'll see the following event)

Kururu : Say Crea...why are you helping me so much? Just because we're friends?

Crea : Hmmm...yeah why...of course we're friends but...more importantly, because I love you Kururu-chan.

Kururu : Wh-?

Crea : Teehee. It's the same for you and Cello-san right? You help him because you lo-...

Kururu (bumping into Crea) : Hahaha, do-don't pay attention to her, she's just rambling... hahaha....

Cello : ....

Cello : I keep you company only for the sake of getting the Shadow of Beauty back.

Kururu : Ah...th-that's right...I guess.

Crea : Hmm...well anyway, that's the reason why. And, I will keep on helping you two, because you're both my friends.

Cello : ...

Crea : Mother taught me that you must help your friends when they're in

trouble.

Kururu : Haha, Crea you really are your mom's kid.

Crea : Yes. Like mother, like daughter, right?

Cello : (Friends....family....she sure is lucky...)

(now go in Etoile's room, the one with the secret pathway, you'll see a book lying on the floor, pick it up, it's Etoile's diary. Select the first choice to read it. Inside you'll learn that Etoile found Crea ten years ago and raised her like her own child. Crea's hometown was attacked by monsters, Etoile and her guards were fighting them but couldn't save her parents because Etoile failed to finish off the monsters. She talks about her guilt of robbing Crea from her real parents then she mentions how insecure she felt about raising Crea without a father but Crea was a kind girl and never reproached her or ask questions about that. And thus Etoile strengthened her resolve of making Crea her true daughter. Etoile then mentions that she never told the truth about it to Crea because she feared her reaction and wonder that if she learns the truth someday will she be able to forgive her. But since she's growing older Etoile feels like the day she would have to tell her is getting closer...)

Crea : I-it can't be...Mother is...she's not my real mother....

Kururu : T-there must be a mistake about this Crea! Of course Etoile-san is your mother! There's no other way!

Kururu : Right, Crea?

Crea : ...

(now go down and get back to the entrance, Etoile will appear)

Kururu : Ah, Etoile-san!

Crea : ...!

Kururu : (....this is horrible timing... what should we do?)

Cello : (There's only one thing we can do : leave it to them to sort it out)

Kururu ( I can't do that...)

Etoile : What's wrong? Acting all sneaky like that...

Etoile : ? Oh my? What happened Crea? You look like you've seen a ghost. Is something bothering you? You know you can tell me anything Crea.

Crea : ....

Etoile : What's wrong Crea? Come on, tell your mother what's wrong.

Crea : I learned about the secret you kept from me! My... my... give me back my real parents!

Etoile : ....!!

(talking to Etoile)

Etoile : ...

Kururu : Etoile-san...

Etoile : I knew this day would come, eventually. There's no way I could have kept it a secret forever. I knew it, but I was afraid... I was afraid that Crea would leave if she knew the truth. And, because I was so afraid, I couldn't say anything... I'm not fit to be a mother after all...

Kururu : That's not true! You're the only mother for Crea, Etoile-san! You're the one that told me to that you must believe in yourself... you're a wonderful mother for Crea, Etoile-san! You have to believe in yourself!

Etoile : ...thank you Kururu-chan.

(now go in Crea's room)

Kururu : Crea... even though you don't have the same blood as Etoile-san, that doesn't mean she's not your mother. She was the one who raised you and loved you. I'm not really good at saying this sort of thing, but, isn't that more important to being a family than blood?

Crea : ...

Kururu : Right, Crea?

Crea : I was shocked to learn that she's not my real mother... but, I don't hate or anything... Up until now, she's taken care of me like her real child. But... I don't know if that's because she loves me or just because she feels guilty for letting my real parents die.. I was afraid, so I acted like that...

Kururu : I understand. Etoile-san will understand too. Let's go talk to her, together.

Crea : B-but...w-what if its true? What if the only reason she's treated me this way was to atone for her mistakes?

Cello : You're wrong. If it was just to make up for her mistakes, she wouldn't love you like that.

Crea : !!

Cello : ...I've heard a similar story. It was about a lone woman who picked up and raised an orphan. Once he grew older, she used the orphan to do bad things for her sake. The kid, despite knowing what he was doing was wrong, agreed to carry out her evil deeds because he was afraid of losing her affection...

Cello : In this world, there are parents who don't love their children, blood relation or not. The fact that your mother loves should tell you your answer.

Kururu : Cello...

Cello : ...sorry, I spoke too much. Just forget about it.

Kururu : Crea, Cello is right. Etoile-san is your mother.

(Crea joins back oh and btw she hasn't anything equipped...whee.  
Go back near the entrance, you'll see Etoile collapsed)

Crea : Mother?!

Kururu : What's wrong Etoile-san?!

Momi : It looks like anemia.

Hama : The shock she received earlier might have...

Crea : ....mother...

Crea : I'm going to look for the medicine!

Kururu : I'm coming with you!

Momi : If you're looking for the medicine, we've got a powerful panacea  
in the underground dock, Crea-sama.

Hama : Since it's very valuable it's stored in a safe with the other valuables.

Crea : Understood. Thank you Momi, Hama.

(now get back in Etoile's room and talk to the puppet, though actually Kururu  
will rather scream the fantabulous password "Carpaccio, Totocalcio,  
Hippopotamus!!" then hop into the cave. You'll have to go all the way through  
again, well at least now you know why there was a Ledges puppet in there that  
you didn't have to use the first time. In the last room there'll be, for some  
reason, a new treasure chest, open it to get the panacea and you'll get the  
following)

Kururu : Huh? Is this a letter?

Crea : Ah, that's...

"My mother,

My mother is a beautiful, smart and a very cool person.

Ten years ago she, together with the queen, saved the king of an evil witch.  
I think this is great.

Now she's the head of the RosenQueen corp. but she's still very kind with me.  
I want to be like her when I grow up, I'm so proud she's my mother.  
I love you Mom.

Createur RosenQueen, 2nd Grade, royal academy of the holy Paprika."

Crea : This...I... I wrote this in second grade. To think she kept it here  
with our valuables for such a long time...

Kururu : This is the proof that you're very important to her Crea.

Crea : Yes...

Crea : Mother....(putting back the letter) Well let's go back.

Kururu : Yeah, with this panacea Etoile-san will be better in no time!

(attempt to leave but someone will stop you)

Burg : Gaahahaha! The Phantom Thief Burg is here BANG!

Burg : In order to finance my world's conquest, I will take the valuables of the RosenQueen house BANG!

(he get the chest from earlier and get away)

Crea : Hold it, those are my mother's!

Kururu : Crea!! What's with her going alone like that...

Cello : We should hurry, she'll be in trouble by herself.

Kururu : Alright!

(now go and use that Ledgem puppet to get back to the entrance, you'll see Momi and Hama guarding it)

Momi : You're late, we were coming to see what happened.

Hama : Huh? Where's Crea-sama?

Kururu : Did you see Crea and a huge demon-cat coming this way?

Momi : What?

Hama : Nope, haven't seen something like that. Right, partner?

Momi : Indeed. What happened?

Kururu : The cat I was talking about just stole the safe and Crea is chasing after him!

Momi : What?

Cello : Kururu, we may have missed on our way here, we should go back.

Kururu : I see, let's go!

Hama : Then, we'll be watching this entrance.

Kururu: Alright, I'm counting on you!

(go back in the stupid cave again, oh and in case you're wondering, even if you didn't use the Legdem puppet you still wouldn't have run into Crea on your way back. Anyway for now just head for the last room again. Just before reaching Ledgem again you'll see Crea)

Crea : Give me back the safe!

Burg (sweatdrop) : You're one tenacious kid BANG. But then that means there must be something very valuable in that safe right, BANG?! The RosenQueen family is the wealthiest in all the Marl kingdom BANG. Now that I've got their treasure, I will be able to resume my plan for world domination BANG! ....so that's why I can't give it back BANG. Hmmm, thinking about it, I've just done a pretty good summary, haven't I BANG? Well then, time to leave you guys, farewell BANG!

(Crea clings to him)

Burg : Huh?!

Crea : I won't let you have it!

Burg : Damn brat, didn't you understand already BANG?  
Bad kids should be punished, BANG!

Kururu : Crea!! (Burg get suddenly shot)

Kuruur : Etoile-san!

Crea : Mother, you should be resting!

Etoile : I can't rest when my precious daughter is in danger!

Crea : ...!!!!

Etoile: Let's go, Momi, Hama!!

Momi : My lady, you still haven't recovered...

(Burg starting to get pissed because he's ignored as usual)

Hama : That's right, this is too reckless my lady.

Etoile : Silence! I would die a hundred times over before to protect my daughter!

Momi : We understand my lady!! If you're this determined, then we won't stop you!

Hama : Let us assist you!!

Etoile: Don't worry Crea, you're mother's here.

(battle start against Phantom Thief Burg. Etoile, Momi and Hama are ridiculously strong but Burg is quite pumped up and tends to do 200 damage per round to all characters, so be sure to watch Kururu and Cello HP)

(after winning)

Etoile : Are you alright Crea? Are you hurt?

Crea : ...why? Why did you come to rescue me? Not just today, but you're always helping me...

Etoile : It's only natural for a parent to help her child. Even if I were to lose my life, it wouldn't bother me as long as I helped you.

Crea : ...but I'm not your real child... I'm just a stranger...

Etoile : Idiot!! You're not a stranger! We may not be related by blood, but you're my one and only daughter, Crea.

Crea : ...Mother!!

Etoile : Crea!!

Crea: Mother....

Crea : (I get it, it doesn't matter if we aren't related by blood. The person who raised me, loved me, cared for me... can only be my Mother. The time we spend together, it can't be replaced by blood. The most important thing is the bond we share, the one that ties our hearts together)

Crea : Mother, I'm sorry. And...thanks.

Etoile : Well then, everyone. I'll be waiting for you on the Totocalcio.

Etoile : Ah yes, I nearly forgotten. Here, take this.

(You'll get the Genocide 1000, another weapon for Crea like the Inferno 500. Note that you cannot equip both at once even though that'd be awesome)

Crea : This is?

Etoile : From now you may run into increasingly dangerous situations, so I want you to have this. If I know you have this, it'll make me feel less uneasy. After all, what kind of Mother would let her daughter go out without any highpowered firearms for protection? Ohohohohoho.

Crea : Thank you mother.

Etoile : Hohoho, good luck, Crea.

Etoile : Kururu-chan, Cello-san. From now on, please watch over my daughter.

Kururu : When I grow up, I want to be a woman like Etoile-san.

Crea : ...yes, I would like to be more like my mother, too.

Kururu : Alright!

Crea : Thank you, Kururu-chan, Cello-san. If you two weren't there, I would...

Kururu : What are you saying? You're usually the one who's bailing us out anyway!

Cello (struggling to say something nice) : ....we're...friends....anyway...

Kururu : ...!! That's right! When your friends are in trouble you gotta help 'em out!

Crea : Yes, that's right.

Kurur : Well then, let's go!

Crea : Yes. (Crea joins the party again, and you must equip her again damnit)

Cello : (Family...)

(whew that was a incredibly long optionnal event, now let's head to Ros...errr Eringya valley for yet another optional event. It's the location just north of Mothergreen, you can't miss it. Once you get there talk to the, ahem, mushroom there and they will tell you that Burg has been causing them trouble so you'll need to go kick his butt again. Oh and also the townsfolk there will be all delighted by Kururu's fashion sense. Then again they're mushroms and they get around naked in pots of sort so Kururu won't feel too good about their praise even though it's the first time someone actually said something good about her pants. Go west of the village and talk to the giant mushroom there, it's Kinoko, the guardian deity of the Eringya. Pick the second choice to get.... inside it. This is actually a dungeon so explore it well, there are some very good items like one that cuts in half the Inochium cost of spells or another one that reduce the HP needed for skills by more than half! Oh and there's also Illustration 9 for those of you that like Randy. After a few minutes you should reach the last room of the dungeon where you'll witness the following)

Burg : GAAAHAAHAAHAAH!!! I'll use you guys to make a new menu, centered around the "Eringya Hamburger" BANG! And I will use the money earned to fund my plan for world domination BANG! The tyrannical rule of Myao-sama and NyanNyan-sama will soon come to an end BANG! I will be the one who will write history BANG!

(Kururu and Crea close in on him from behind)

Burg : Gaaahahaha! Nobody will see this excellent plan coming BANG!

Kururu (looking tired) : Errr... we just uncovered your plan....

Burg : My god! To see through such a carefully crafted operation... you're not just ordinary humans, are you BANG?

Kururu (sweatdrop) : Well actually, you just completely explained it to us.

Burg : Damn it! Eavesdropping is unfair BANG! Even evil-doers have a reasonable expectation of privacy, you know BANG! Since it has come to this, I'll have to silence you forever BANG!

(battle against Extra Burg, thankfully he's way easier than Phantom Thief Burg. Usual boss tactics will work well)

(after winning)

Burg : I will remember this BANG!!

(you can go back now, talk to the mushrooms people here, they will call you heroes but won't give you anything though. So what's the point of doing this? Well once you get back in the village the shop will be open and have awesome

stuff to sell, like a suit to be immune to all staut effects or the triple beater to let a character attack three times consecutively though it's very expensive. There's someone in one of the house who will also give you a very good jewel. Now get back to Mothergreen for...another optionnal event. Head to the Marl castle and go into that "Sonia tower" you've been previously in that chapter. Talk to Sonia in the top room, it's time to play matchmaker again)

Kururu : Say Sonia, do you like to go to the Theater?

Sonia : Yes, I do.

Crea : What kind of genre do you like?

Sonia : The ones with a lot of action. I was quite a tomboy before, like you Princess, so I really get into that kind of stuff.

Crea : Hey, that's pretty surprising.

Kururu : Yeah, it feels like we've become closer to each other now, Sonia.

(now time to go see Randy in the other tower to deliver the news)

Randy : Princess, can I get your opinion on something? I was thinking about taking Sonia-san to see a play, and I wondering what kind of play would be the best...

Kururu : Plays?

Crea : Now this is a difficult question. If you don't pay attention to the tastes of your partner, things can get ugly, and you'll have a terrible time and maybe never see each other again.

Randy : P-please don't scare me like that! I-I just wanted y-your opinions!

Crea : Teeheehee. Time to play cupid again, Kururu-chan.

Randy : What kind of play would be good princess?

- 1) I know! Let me decide this!
- 2) I don't know

(1)

Randy : R-really? Then tell me!

- a) Lovey dovey romance!
- b) Action!

(a)

Randy : I get it! I was thinking about that, too!

Kururu : ...really?

Randy : Alright! This is perfect!

Crea : When the mood get right, give her a nice big kiss, alright?

Randy : Whoa come on, be serious! If I did that, she'd slice me in two!

(b)

Randy : I get it! I was thinking about that, too!

Kururu : ...really?

Randy : Alright! This is perfect!

Crea : When the mood get right, give her a nice big kiss, alright?

Randy : Whoa come on, be serious! If I did that, she'd slice me in two!

(2)

Randy : I-I see...guess I'll stick with a romantic one then...

(Whew. We're done with optionnal events. For now at least. Time to head to RosenQueen Land at last! it's located between Redhot village and Mothergreen. Upon getting there your character will gaze at the enormous statue of a young Etoile)

Kururu : ..what's this? Is that... Etoile-san?!

Crea : Teehee, that's right. This is my mother's pride, the "Statue of a Girl Without Peer"

Kururu : A girl without peer huh? ....she's really... ...something...

(get inside, there are quite a few places you can enter, like a shop where a monkey will sell you stuff, a inn where the host is a cat, etc...those are robots developped by the RosenQueen company but the Nyankos still think they're simply living animals speaking like they do and they're quite happy with the idea. You'll find Burg in one of the shop and you can actually buy stuff from him for a change. He got good stuff like the jewels needed to cast the ultimate spells. Go further in the park and you'll run in a place where a bunch of Nyankos and Nyanshes are gathered)

Nyanko : Nyaaa!! Charge nyaaaa!!

Nyanshe : They're nothing nya! Victory will be ours nyaaa!

(they'll start to fight, seems like Nyankos are better with melees weapons and fire arms while nyanshes tend to be magic users)

Nyanko : Fire nyaa!! Strike nyaa!!

(the shot will be deflected and instead crash into and behead Etoile's giant statue)

Kururu : Waah, Etoile-san's face just went flying!!

Crea : Oh dear, when mother hears about this... it won't be good.

Kururu : Hey, I wasn't here when it happened, ok?

Crea : Let's just pretend we didn't see it and keep going.

(now you're free to move around, the cats are still at it though.  
Go back and you'll notice that the way going south previously guarded  
by Nyanko is now cat-free. Go there and you'll run into two weirdoes.)

Pokonyan : Are you alright Pekonyan?

Pekonyan : If I wasn't slowing you down, you could escape successfully  
Pokonyan!

Pokonyan : What are you saying nya? I could never escape without my beloved  
Pekonyan!

Pekonyan : Aaaaah Pokonyan!

Pokonyan : Pekonyan!

Pokonyan : Alright, let's get away together now nya. Somewhere far away...  
somewhere we can live in peace nya! Just the two of us nya!

Voice : I won't allow that nya!

Pokonyan : Myao-sama!!

Myao : Where do you think you're going nya? Have you forgotten the  
Nyanko's Law nya?

Pokonyan : I..that's...

Myao : "Nyanko's Law, Article 1 Subsection A"!!

Pokonyan : "Nyanko's Law, Article 1, Subsection A : Going against the  
master's orders is forbidden" nya!

Mya : Is that clear nya? Come, let's go back nya. And never again will you  
meet with that one from NyanNyan family nya! Grab him nya!

Pekonyan : Pokonyan!

Pkonyan : Pekonyan!

(talk to Pekonyan)

Pekonyan : The one I love is serving under my master's rival...  
what a tragic fate nya. What should I do nya?

- 1) Leave it to us!
- 2) I have no idea

(1)

Pekonyan : Really nya? Thanks nya!! Please, go meet with Pokonyan and  
give him this nya! (you get Pendant of love)

Pekonyan : I wish you success and may the divine protection of the most  
holy feline be with you nya!

(go further east, you'll run into a Nyanko standing in front of a building.  
Note that those hoodlums have drawn graffiti all over Etoile's portraits >\_<)

Nyanko : Hurry up and enter or you'll miss the play nya!

(enter that place, take a right after climbing the stairs and you'll see the  
L-kun puppet, talk to him. That jerk talks in Satsuma-ben btw making him  
being even more rustic than he looks. Oh and in the same room there's a  
Nyanko that'll teach you the Nyanko law so you can realize how tough  
their life are)

(talking to L-kun)

L-kun : I-I'm just an ordinary stuffed animal! So leave me alone!

L-kun : ...? huh, you're not one of those cats ain't you?  
Don't scare me like that.

Kururu : Hey, we didn't do anything to scare you, that was all you.

L-kun : Huh? This trumpet, it's Cornet's! You're... Cornet's daughter?

- 1) Yes
- 2) No

(1)

L-kun : So you really are! Its nice to meet you! Could you get rid of  
those cats, please? Since they're here they totally ruined the  
circus performance.

Kururu : I see...

L-kun : Let's get rid of those cats together! We can kill two birds  
with one stone like that! Now, please play the trumpet!

- 1) Yep!
- 2) Nada!

(1)

(L-kun joins)

(talking to the nyanko)

Nyanko : Us Nyanko have a "Nyanko's Law" and the rules are very strict.  
Nyanko's Law, Article 1 : Going against the master's orders is forbidden  
Nyanko's Law, Article 2 : Oversleeping is forbidden.  
Nyanko's Law, Article 3 : Before returning home, hands must be cleaned and  
mouth wash must be used.  
Nyanko's Law, Article 4 : You must use the proper greetings at all times.  
Nyanko's Law, Article 5 : Staying up late at night is forbidden.  
Nyanko's Law, Article 6 : Teeth must be brushed after each and every meal.  
...That's about it.

(now keep going in the theater, you'll reach a room with no lights soon)

Kururu : Huh? It's pitch black in here, I can't see anything.

Voice : Welcome nya. For today we'll present you "The Karukansky and the

Bakenekof" nya. Please enjoy yourself and watch until the very end nya.

Crea : Those cats... this must be how it is for them.

Kururu : To think they can't be with the ones they love because of something stupid like that... its sad...

Cello : (Together with the one you love...to make it come true in reality it's...)

Kururu : Hm? Something wrong?

Cello : No, that's nothing.

(exit on the other side of the room and you'll reach Pokonyan)

Pokonyan : Who are you nya? Do you have some business with me nya?

Kurur : ...here take this. Pekonyan told us to give it to you.

Pokonyan : It's Pekonyan's pendant nya!

Kururu : Are you two lovers?

Pokonyan : T-that's right nya!

Crea : In that case, we will help you two. You shouldn't let your masters' selfishness keep you apart!

Pokonyan : But how will we be able to do that nya?

Crea : Simple. If you can get the Shadow of Beauty piece before them, you can say "If you don't agree to our marriage, then we'll break it!"

Kururu : ...geez Crea, that's blackmailing, you know.

a

Crea (to Pokonyan) : And your masters wouldn't want to lose it, so they'll agree.

Crea (to Kururu) : And in the confusion, we'll grab the Shadow of Beauty and everyone will be happy.

Kururu : Everyone will be happy, huh?

Pokonyan : I got it nya! I'll do my best for the sake of my beloved Pekonyan nya!

(he joins with nothing equipped obviously. Though he's lvl.35 he's got crappy stats. but there's a trick. Remember the Love pendant you got? It's a neat accessory that boost all stats by 5 and max HP by 10. Well when equipped on Pokonyan it actually doubles all of his stats making him awesome! Fill the remaining of his accessories slots with stuff that allow him to attack more like some double/triple beater and you'll get a cat-war-machine. Now keep on going and you'll reach the exit of the theater. Some Nyanko will tell you that the SoB is at the top of Etoile' statue so let's go there. It's a dungeon actually so there'll be events and boss inside...sigh)

(upon entering a bunch of Nyankos)

Nyankos : This is as far as you go Pokonyan!

Pokonyan : G-guys?

Nyankos : We understand your feelings but we can't let you go past this point nya! For the sake of our master, Myao-sama! We will be the one to find the Shadow of Beauty first nya!

(battle against three Nyankos and three Nyankies, careful of the Nyankies explosives don't let them time to attack)

(after winning)

Nyankos : If you think you can push us around, you're wrong nya! Let's go guys nya! Nyanko fusion!!! (they actually really fuse and you'll see a giant Nyanko. Their theme song "Soldier's law" will kick in and you'll

even be given an explanation of how nyanko fusion works. It's because of love and courage that all Nyankos possess....or so it claims. It has the power of a 100 tons giant it also says, well isn't that frightening?)

Nyanko : Let's go nya! Giant Nyanko charge, go nyaaaaaaah!!!

(battle time again, this time against giant Nyanko. He's more cute than scary honestly. Usual boss tactics work fine)

(after winning)

Nyanko : Myao-sama, we're sorry nya! We've been defeated nya!

(ignore the cat pile and keep on going up, you'll get the Shadow of Beauty part once you reach the top floor)

Kururu : Alright! All that's left to do is to explain the situation to your masters.

Pokonyan : Nya.... I'm really nervous nya.

Crea : Get a grip. You're doing this for the sake of you love right?

(Myao and NyanNyan appear)

Myao : Nyahahaha! This time victory is mine nya! Nyahahaha! NyanNyan lost nya! NyanNyan lost nya!

Nyannyan : ...(grumble grumble) nya.

Myao : Good job Pokonyan! Now give the Shadow of Beauty nya!

Pokonyan : No nya.

Myao : Nyaaaaat?!

Pokonyan : If you don't accept my relationship with Pekonyan, I'll break it into a billion pieces nya!

Pekonyan : Pokonyan...you're willing to go so far for my sake nya...

Pekonyan : Pokonyan!

Pokonyan : Pekonyan!

Pokonyan : Myao-sama, I'm sorry nya...but I really want you to accept it nya!

Myao : No way nya, no way nya, no way nya!! I'll neeeever allow you to date a cat from NyanNyan house!

Pekonyan : Please NyanNyan-sama!

Kururu : Then you don't care about the Shadow of Beauty then?! Wouldn't that bother both of your bosses?

NyanNyan : ...they have nothing to do with this, nya.

Myao : That's right nya! This a cat problem nya!

Crea : ... It looks like my plan isn't working...

Kururu : It can't be...those two are in love right? Why can't you agree to their relationship? What's so wrong with it?!

Myao : Shut up nya! If you're going to interfere, I'll burn you to ashes nya!!

(battle against Myao and NyanNyan, they got lots of HP and can heal themselves but they don't deal too much damage so it's not hard, it just take a while)

(after winning)

Myao : You, who dared to oppose the will of your master, nya! Do you know the fate of Nyankos who violate the Nyanko Law, Pokonyan?

NyanNyan : ...You love this cat that much, Pekonyan?

Pekonyan : Yes NyanNyan-sama!

Pokonyan : I love Pekonyan too, Myao-sama!

Myao : Grrrr nya....!!

(Myao and NyanNyan start to cast a spell on Poko&Pekonyan)

Kururu : Stop it!! What are you doing?!

(the two cats get turned into some small lights and disappear)

Myao : This is the only solution to those who break the law.

Kururu : There has to be another way! They loved each other!  
Why can't you understand that?! You didn't have to send them to heaven!

Crea : Kururu-chan, if we hurry we might be able to save them!  
Let's hurry downstairs!

(if you speak to Myao and co, they will keep spouting stuff about how the "law" is absolute etc... go down and use Ledge to teleport back)

(outside the statue you'll see those two lights the cats turned into)

Kururu : Why? This...this is too sad... Why couldn't they be together...

(the lights will turn back into normal, non-demon cats)

Kururu : This...what happened?!

Nyanko : Pokonyan and Pekonyan have been excommunicated by our masters nya.

Nyanshe : As servants, their relationship could never be approved.  
So the masters turned them into normal cats, nya.

Crea : Then those cats are...

Nyanko : Yep. That's Pokoynan and Pekonyan. Myao-sama and NyanNyan-sama may act like bitches, but they really do care about their servants.

(back on the statue)

Myao : Sob sob, Pokonyan...

NyanNyan : Don't cry Myao. If you cry you'll get all moist and you'll be even more flat-chested, nya.

Myao : Don't act so big nya! You're crying too nya!

(back on Kururu' side)

Kururu : They're finally together... I'm so happy.

Crea : Well that's good. I did have my doubts for a minute there...

Kururu : Yeah its great! It feels really lonely when you can't be with the one you love... No matter how big the obstacles may be, for the sake of someone you love, there's no mountain too high or valley too low to keep you apart!

Crea : That's right. As long as you have love and courage, then there's nothing you can't overcome.

Kururu : (Yes, if its for someone you love, you can give it your all!! I will too!)

Cello : (If you have love and courage then there's nothing you can't overcome...eh?)

(now go back, on your way to the ship speak to the Nyanshes that guarded an alley they will let you go through as the reward for helping Pekonyan, nothing noteworthy there's only a shop you should check and they will mention the WhiteSnow village so you'll be able to get there later on. Once you're back in the ship head once again to RedHot village for another optional event. It's the second part of the quiz you took earlier, so go see that guy in blue. He will tell you he has another stuffed toy looking like flail and ask you if you want it. Pick the first choice to say yes, the room will get dark, the Nyanko's warrior theme will start...time for the Grand quizz!)

Q1 : What is Myao complete name!?

- 1) Myao Bakenekof
- 2) Myao Karukansky (<- This one)

Q2 : What's the name of Etoile flying ship?!

- 1) Carpaccio
- 2) Totocalcio (<- This one)

Q3 : What's the name of the main weapon of the Totocalcio?

- 1) RosenQueen canon
- 2) RosenMoby canon (<- This one)

Q4 : What are the members of the Marjory family often called?

- 1) Idiots (baka)
- 2) Morons (manuke) (<- This one)

Q5 : Where was Princess Kururu born?

- 1) Mothergreen (<- This one)
- 2) Orange village

(blow your horn next to the new puppet and you'll get Flare in his dragon form. Now let's go back to Mothergreen for...another optional event! Oh and while you're in RedHot village be sure to check the Flare statue in the center there's an Inochium master jewel inside. Anyway once you get in Mothergreen head for the castle and go speak to Sonia again)

(speaking to Sonia)

Kururu : Say Sonia, what would you want as a present?

Sonia : Present? Well, the girls in the fan-club give me plenty of weapons and battle gear....

Crea : But those aren't really good presents for a woman.

Sonia : Haha, well considering the way I am, I like them.

Crea : I don't think so. I'm sure a nice gentleman will give you a great present. Right~Kururu chan?

Kururu : Right~Crea.

Sonia : ???

(now go speak to Randy as usual)

Randy : Princess, if I could have your opinion one more time. This time I was thinking about buying a present for Sonia-san and I was wondering...

Crea : You don't know what to get her.

Randy : Yes, that's right. I wanna choose something that would...err... convey my...uh..feelings somehow.

Crea : My, how wonderful! How about following his example Kururu-chan? Right Cello-san?

Cello : ...hm? What are you talking about?

Kururu : I-it's nothing, nothing!! She's a bit touched in the head is all!

Randy : Errrr, so what do you think...?

Kururu : Ah, right about that...

Randy : What would be good?

- 1) I know!
- 2) I have no idea!

(1)

- a) a Ring
- b) a Sword

(a)

Randy : I see, that'll be perfect!

Crea : Good luck Randy-san. The most important thing is to be bold!

Randy : "Bold" you say...?

Randy : Thanks, but I...

Kururu : What are you saying? Just like with anything, its a gamble!  
"Men take the initiative" right? Don't give up!

Randy : I-I see! Alright! I'll do my best!

(b)

Randy : I see, that'll be perfect!

Crea : Good luck Randy-san. The most important thing is to be bold!

Randy : "Bold" you say...?

Randy : Thanks, but I...

Kururu : What are you saying? Just like with anything, its a gamble!  
"Men take the initiative" right? Don't give up!

Randy : I-I see! Alright! I'll do my best!

(talk to him again afterwards)

Randy : (Hmmm, how should I confess after giving the present...?)

Randy : ("I love you!")

Randy : ("Follow me!")

Randy : ("Je t'aime, Sonia")

Randy : ("I beg of you! Please marry me!")

Randy : (....I think the last way is probably the most accurate of how I feel....)

(now go back to the ship, talking to the nyanko near the fountain on the way they will tell you that the last part of the SoB is in Ice village. Before going there check the places you haven't seen yet. Also do get back on BlueCat and talk to te painter on the top of the hill he will give you Illustration 7 as promised in Ch.4. Also pay a visit to your pal, Polin he has something for you.Afterwards head for Ice village! It's the place most to the north. Finally, time to end this chapter!)

(once in Ice village , look around, you'll learn that the Shadow of Beauty could be located at the top of the "Ice palace" which is also

the castle where the first Queen of the ancient people resided.  
Go north of the village and you'll end up in an icy cavern)

Crea : How beautiful.

Kururu : Its soooo c-cooold

Crea : Ah, Kururu-chan, it's slippery so be careful.

Kururu : Geez, I know! I'm not stupid!

(right after she nearly falls and clings to Cello then go blush in  
a corner after realizing what happened)

Crea : My, my, that Kururu-chan. She did slip on purpose so should  
grab Cello-san.

Kururu : I-it wasn't on purpose!!

Crea : Hmmm, but Cello-san moved closer so he could be the one that  
caught you...

Kururu : I-is that so? You really mean it?!

Crea : Wouldn't this be the perfect time to confess?

Kururu : ...

Crea : What's wrong Kururu-chan?

Kururu : I'm afraid.

Crea : Eh?

Kururu : Until now, I kept thinking of how I could confess my feeling  
for him. But... what if he says he doesn't feel the same way?  
Just thinking about that scares me... I'd rather it be the way it is now,  
instead of being rejected.

Crea : Kururu-chan....

(get a little further inside the cave to get the next event)

RanRan : She loves me!

RanRan : She loves me not.

RanRan : She loves me....

(realizing there's just one petal left, she throws away the flower)

RanRan : ....sigh.... what am I doing? I just keep giving up...

RanRan : No! I can't live in fear of rejection! Today, for sure,  
I'll be brave enough to confess my feelings!

(now keep on exploring the cave, careful though : it's one of the few  
dungeons that has more than one path leading to the exit, meaning you

can easily miss a good chunk of it. After getting past the room with Ledges you'll be in a abandoned station)

Kururu : What's this?

Crea : It looks like some sort of vehicle.

Cello : This is a vehicle ancient people used in the past. They used to ride it to reach the ice palace.

Kururu : Ehh, I wonder if it can still move.

(now board the train and head for the engine room)

Crea : This looks like the driver's room...

Kururu : Hmmm, its even weirder than the one in the Totocalcio.

Crea : Look Kururu-chan. There are levers here.... maybe we should try moving them?

- 1) Stop that
- 2) Let's go!

(1)

Crea : My, it isn't like you to be so passive.

(2)

Crea : Roger!

(after selecting 2)

Kururu : I-it's moving?!

Crea : We're lucky. This will make it easy to reach the ice palace.

Kururu : For real. It seems too good to be true. This is the first time we've caught a break.

(now go back in the middle of the train to the car with the bar to meet a bunch of cats)

Nyanshe : This is pretty good nya.

Nyanshe : Surprisingly so nya.

Kururu : W-where did you come from?!

Nyanshe : Nya? We've spotted the enemy nya! Get them nya!

(battle against 6 Nyanshes super easy of course)

(after winning)

Kururu : Geez....those guys are everywhere!

Crea : It looks like something is coming up behind us.

Cello : It looks like they've found a way to chase us.

Crea : They'll probably be able to board our vehicle from the rear.  
Let's go stop them.

(get into the last car)

RanRan : Alright you guys, now go get rid of those brats!

Nyanshe : Yes nya!

Nyanshe : RanRan-sama, without warning or even an establishing shot,  
the enemy has appeared nya!!

Ranran : We're so lucky, they came out by themsleves! You won't get  
in the way of my battle with Gao-rin!

(battle against RanRan and three Nyanshes. RanRan is moderately tough  
even though she's yelling Guts!!! during her attacks^^)

(after winning)

RanRan : Eeeh, you're better than I thought! But those skills are  
useless against me...

(you see Gao crashing into the train and getting buried under a pile of cats)

RanRan : Ohmigod Gao-rin!

Gao : Ouch, ouch ouch....

Gao (shaking the cats away and getting up) : Marjory family, assemble!

Nyanko : ...yup nya!

RanRan : You're finally here Gao-rin! I've been waiting for you!

RanRan : Gao-rin!! Let's have a race okay? The first one to get the  
Shadow of Beauty wins! I'll show you how much stronger than you I am now!

Gao : Whaaat? Stronger than ME? Kid, you must be dreaming!

Gao : Gwahahahaha, but it sounds like fun. You're on!

RanRan : And the loser has to do whatever the winner says, a'right?

Gao : Sure whatever! I'm gonna win anyway so it doesn't matter!

RanRan : ...it's a promise then. (she get back on her train and leaves)

Gao : Alright!! There's no way I can lose this!!

(rushing aboard Kururu train and leaving too)

Kururu : Those people... they're...

(get back inside the train again, it'll be filled with Nyankos.  
Talking to them you'll learn a few interesting stuff like how Gao and  
RanRan are of the same tribe, and how Gao saved RanRan life when she  
was a kid. That's how RanRan became infatuated with Gao. Anyway get  
back in the first car, you'll see Gao on the ground)

Kururu : Hey, what's wrong? Are you alright?

Gao : Uuuh... that machine... its so confusin' ... I looked at and I got  
all dizzy and den... Math and machines... we don't mix.

Gao : Tch, at this rate I won't catch up to RanRan... I guess it means  
I gotta drag this heap of metal to the finish line!

Gao (tripping) : Crap, it's been so long I've seen one of these things,  
it freaked me out....

Gao : Uwooohh!! GUUUUUTS!

Crea : Oh dear, you shouldn't overexert yourself so quickly.

Kururu : That's right. I'm really impressed by the Guts you have,  
but right now its useless. You can't settle everything with Guts.

Gao : Heh...I know that. But for my dream...

Kururu : Dream?

Gao : That's right! My dream is to be the strongest in the world!  
I can't lose to RanRan! If I do, I can't reach my dream! Everyone gets  
depressed once in a while, but whenever you feel like giving up, you gotta  
remember that would be forsaking your dream! In bad times, you just gotta  
grin and bear it, and take a step forward! That's why... That's why I keep  
moving forward for my dream! It'll come true if I never give up!

Gao : That's Guts!! The most important thing is to not think about what's  
gonna happen and keep going after your dream!

Kururu : Don't think about what's gonna happen to go after your dream....

Kururu : (I was a afraid of Cello's reaction, so I didn't want him to know  
my feelings... but she's right! The most important thing isn't the result!  
I just have to keep going!)

Kururu : (But geez, learning this from someone like that...)

Crea : I'm not really interested in winning that challenge, but there is a  
way to catch up to the other vehicle...

Gao : How?

Crea : If we remove the other cars, it will have less weight to pull,  
so it'll go faster.

Cello : I see. Good idea.

Gao : Then we'll need the Nyankos up here. There were ten of those little

boogers with me. Let's go get them!! (Gao joins with....nothing equipped)

(you have to look in the train for the nyanko now. I guess they overheard the talking since they're hiding...or at least they're trying to.  
Look out for their tails, there are two of them per car)

(once you got them all, go back on the first car)

Kururu : One, two, three...

Kururu : Ok! All ten of 'em are here!

Gao : Alright! Then I'll get rid of the other cars!

Gao : Uwwwoooooohhh! (cars get removed)

Kururu : Now we should catch up in no time.

Gao : Good!! Let's go up top so we can get 'em when we catch up!

(upstairs)

Kururu : There they are!

Cello : Look out! It looks like they're ready for us!

Gao : Interesting! Giving up a warm welcome like that...

(battle against 6 Nyanshes, ultra easy as usual)

(after winning)

Burg : I was waiting for you BANG!! Today will be the day I turn you all into burgers BANG!!

Burg (jumping on your train) : Hop!!

(then he falls between two cars and get crushed between the tracks and the trains)

Kururu (sweatdrop) : That was underwhelming.

RanRan : Ohmigod you came, Gao-rin!

Gao : I caught you, RanRan. Let's see if you're gotten stronger than me!

RanRan : (Its impossible to convey true feelings with words. But, when fighting, the body and the heart become one! Accept my feelings, Gao-rin!!)

RanRan : Here I am!!

Gao : Come on!!

(battle against RanRan and 5 Nyanshes, same as before)

(after winning)

Gao : You still got a lot o' training before ya catch up with me.

RanRan : (I lost...my feelings... they didn't reach her...)

Crea : I feel kind of bad for her....

Kururu : Yeah.. I don't feel right about crushing someone's dream like that...

Nyanko : Emergency nya!! We'll be reaching a dead end soon and we can't use the breaks nya!!

Crea : Oh dear, this is a problem.

Nyanko : Hurry and come down here nya!!

(speaking with RanRan and Gao won't do much, RanRan is panicked and Gao suggests jumping in front of it and stopping it with her bare hands and lots of guts...typical. Go downstairs, the Nyanko will tell you they want you to pull a lever, they tried but Nyankos' strength doesn't seem to be enough to move it. Go towards the lever and push O, you'll see Cello, Kururu and Crea, all pulling like mad and falling on the floor)

Kururu : Huff...puff...impossible, it didn't even budge!

Gao : Impossible ain't a word in my vocabulary. In case like this, use Guts!

Gao : Let's go!!!! Guuuuuuuuuuts!!!!

(the train begins to slow down)

Kururu : Great!! Incredible!!

Nyanko : As expected of our Gao-sama nya!! The most brutal person in the world nya!!

Cello : We shouldn't celebrate just yet...

Crea : That's right. We may have slowed down, but we're still moving...

Nyanko : Do your best Gao-sama nya!!

Gao : Leave it to me!! Guuts!!!!

Nyanko : I-it doesn't work nya?!

RanRan : .....

Gao : .....

Nyanshe : RanRan-sama! In your state, it's too dangerous nya!  
You're still hurt nya!

Gao : Uuuwoooohhh!!!

RanRan : Haaaaaahhh!!!!

Nyanko : W-we're cheering for you nya!!

Nyanshe : Yes nya!! Hang in there RanRan-sama nya!!

Nyanko : Guts nya, Gao-sama!!

Gao : RanRan! If we don't coordinate and work together we won't stop it!  
Our thoughts, our bodies must work as one!

RanRan : (Our thoughts and bodies working as one...)

RanRan : Ok, I got it!

Gao : Now, let's gooo!!! Both of us!

RanRan : Move as one body!

Together : GUUUUUUUUUUUUTS!!!

(the train stops)

Nyanko : Gao-sama!!

Nyanshe : RanRan-sama!!

Gao : Whew, we're safe. Man, I'm beat, I can hardly stand up.

RanRan : Gao-rin...

Gao : RanRan, without you, we woulda...

Gao : Let's call this battle a draw, alright?

RanRan : Gao-rin!

Gao : We'll battle again. You're my rival, right?

RanRan : ...yes! next time, I'll win for sure! Then when that happens...

Gao : Feel free to come at me any time you want! Gahahahahahaha!

Kururu : (Crea. I swear I'll confess to Cello when we get the last piece  
of the Shadow of Beauty)

Crea : (Eh?)

Kururu : (Looking at those two gave courage! Going all out for the sake  
of your dream and your love... it seems right, y'know?)

Crea : (I see. Good luck Kururu-chan!)

(you'll be in the ice palace station. Hanging around there'll be a bunch  
of cats, Gao and RanRan. Gao is too tired to get the SoB so she'll leave  
it to you and RanRan is reflecting upon her status of "rival" and seems happy  
about it so she doesn't care about anything else. Get inside the entrance and

you'll be in another ice-cave type of dungeon. Nothing special here, do pay attention to a big enemy called "ManMofu" as it's quite tough, tons of HP and high attack power. Oh and there's also another Chimera to find here so explore well. Once you'll find it pick first choice to fight it. This one only takes damages from physical attacks so no strategy here just keeping attacking it. He's actually super weak compared to the other enemies in this dungeon. Once he's defeated he will lay an egg and you'll have to blow your horn to get the last egg puppet. Kururu complains saying that the egg smells btw. Anyway resume your climbing after a little while you'll finally reach the palace. Goes up the stairs and you'll see the SoB. Grab it and that's the end of the chapter...finally!!)

Kururu : This is the last piece of the Shadow of Beauty....

Crea : Kururu-chan, it's time to...

Kururu : Yeah.

(she gives the piece to Cello)

Kururu : Cello, with this, you can help your mother...

Cello : Yeah. Kururu. Crea. I am really grateful. I...

Crea : Kururu-chan. Kururu-chan. This is the time!

Kururu : Y-yes.

Kururu : Ce-Cello, you know, I... I...about you...well...

Crea : (Yes, go on Kururu-chan!)

Kururu : I...

Crea : (Hang in there Kururu-chan. Just a few more words!)

Kururu (screaming all of a sudden) : Please marry me!!

Cello : ...!!

Kururu : I-I know I'm just 12 years old and I can't cook or clean house but... but when I grow up I'll do it all, and I'll be a wonderful wife! Even if my parents are against it, I won't care! If that were to happen, I'd throw away my status as Queen! So, please...!!

Cello : ...

Cello : Kururu...

Kururu : Cello...

Cello : Kururu, I... you, I...

(the room gets suddenly dark)

Akurjo : Hahahaha!! This is the end of this boring romance subplot!

Akurjo : Good job Cello. Now give me the Shadow of Beauty! Ahahahaha!!!!

(they both teleport away, Kururu get on her kness and you'll see on the back a tear rolling down on the cheek of the giant statue of the ancient's queen ...who looks disturbingly similar to Cherie)

=====  
Final chapter  
=====  
Eternal feelings  
=====

(Kururu, having the same nightmare as in Chapter 6)

(upon waking up)

Crea : Kururu-chan...

Kururu : Crea, I...

Kururu : Where are we? Where is Cello?! Where is he?!

Etoile : We've received an emergency message from Mothergreen a little while ago. Akurjo built a gigantic castle in the Wonder woods. Cello-san is most probably there...

Kururu : I see...so it wasn't a dream....

Etoile : Kururu-chan....

Kururu : I'm not gonna go down that easily! A lot's happened... everyone who's helped me...

Kururu : I did my best... I confessed to him... I'm not gonna go down that easily! I won't give up! I swear, I'll save him and get his answer! That old lady picked the wrong girl to mess with!

Etoile : You've become quite strong, Kururu-chan. And to think, up until recently, I just thought of you as a child...

Crea : Kururu-chan, I'll coming, too. I'll support your love, until the very end!

Kururu : Thanks, Crea.

Crea : Teehee, it's only natural since "the two of us will always be together."

Etoile : Momi! Hama! We're going!! Launch the Totocalcio!!

Mom&Hama : Yes m'lady!!

Momi : Super fast turbulence engine ignition! Power output 120%!!

Hama : High grade Inochium energy, preparation complete!!

Etoile : Kururu-chan, we're ready to go!!

Crea : Let's go Kururu-chan! To the wonder woods! To where Cello-san is!

(you're free to go in any of the spots you discovered in the previous chapters

though there's not much to do there. Do visit Etoile's house though the puppet there will give an item that restore 30HP per turn. Once you're ready to move on with the story head for Ajurko's castle which is where the haunted house used to be. The Wonder woods have really changed and are called the Weird Woods now, the layout is a bit peculiar with "infinite alleys" so if, after crossing a few screens the backgrounds doesn't change at all, go back. It's not that hard to get to the exit though)

(once you reach the entrance)

Kururu : So this Akurjo's castle....

(you'll get a better view of a reddish sinister-looking castle)

Crea : Cello-san is here...

Randy : Do you plan on going in there?

Kururu : Randy! Sonia!

Crea : Why are you here?

Randy : Etoile-sama told us. We're here to help you out.

Crea : Mother...

Sonia : We heard everything Princess!

Sonia : You're going to get lectured like never before when get back!  
You'd better be prepared!!

Randy : She's acting like that, but she's really worried about you two.

Sonia : Hush, you. Don't say things like that.

Kururu : Randy...Sonia....thanks.

Crea : Come Kururu-chan, let's go.

(Sonia and Randy joins and they haven't anything equipped....  
it's probably the last time I have to type that lame line....I'm so happy XD)

(get into the castle after a few screens you get to face the most persistent character of the game)

Burg : Gahahahaha!! Finally it's time for the final battle BANG!! The one who will be featured on the ending will be me, BANG!!

Burg : Here I come BANG! "Burg's Ultimate Form" BANG!!

(battle against Burg's Ultimate Form)

(after winning)

Burg : And I used my final form too....how mortifying BANG!! (he runs away)

Kururu : We can't waste any time, let's go!

---

(you will see Beauty Castle descending towards Akurjo's castle)

Marjory : Hooohohohoho!! Looking down at this world from the sky sure puts me in a good mood!

Crowdia, Gao&Myao : Welcome back Marjory-sama!

Marjory : Ah, getting our dear castle back from the ocean took a little longer than I expected. Sorry for making you worry, guys.  
I know you were lost without me.

Myao (to Crowdia&Gao) : Marjory-sama is still alive. I owe some money now nya.

Gao : I know what ya mean. She's one persistent old hag, that's for sure.

Crowdia : Indeed...farewell, our beautiful days of peaceful relaxation...

Marjory : Come on guys! Time to settle the score with the Akurjo family!  
Get to work!

Crowdia, Gao&Myao : Yes, Marjory-sama!!

Marjory : Prepare yourself, Akurjo. I will make you regret the day you decided to cross the Legendary Witch, Marjory! Hooohohohoho!!

---

(you'll hear a very loud crashing sound as Beauty Castle ram into Akurjo's)

Randy : Wh-what?!

Crea : It came from upstairs? Did something happen? Let's go see!

(go up the stairs and through the second floor, you'll see some Nyanko along the way meaning Marjory's forces already invaded^^. After a few screens you'll end up into a creepy gym)

Voice : Houhouhouhou! Welcome little missies. How about joining me to work out a good sweat? Let's Pump! It! Up!

FonFon (making his gay entrance) : Now! Look as much as you want at my magnificent muscles!

Kururu : Get out of my way, you....

Kururu : Flaming fruitcake crossdressing... sucky... dumbhead!

FonFon (after getting petrified for a second) : F-flaming... fruitcake...

crossdressing... You little brat!!!!

(battle gainst FonFon and two whitewinds, the whitewinds can heal so take them out quickly, FonFon is annoying since he can decrease your attack power making Randy and Sonia useless so do this quick)

(after winning)

FonFon : Aren't you quite good? If you start training well, you too could become splendid builders someday.

(castle is shaken again)

FonFon : Hm, it's awfully noisy today.

(suddenly a bunch of Nyankos charge and run him over. Get the chests in his room there's an illustration. Follow the nyankos and go upstairs. If you run into an hydra be careful it's an enemy as tough as normal boss, use Randy's dragon buster against it, it deal extra damage against dragons-type creatures. After crossing a few more screens you'll end up in another super creepy room that for once is truly witch-like)

NyanNyan : ...more lab rats have been delivered, nya.

Nyanshe : It's a big shipment nya! Big shipment nya!

NyanNyan : ..keesheeshee. Let's start the experiment nya.

Nyanshe : Yaaay! Experiment nya! Experiment nya!

(battle start against NyanNyan and 5 Nyanshes, typical boss battle, easy as long as you dispatch the cats immediatly)

(after winning)

Nyannyan : ...the experiment failed nya!

(the castle shakes again and NyanNyan's lab is starting to get messed up)

Nyanshes : Let's get away nya! Run nya!

NyanNyan : ...I agree nya! Let's escape nya!

(grab the two chest, one illustration and a accessory that greatly boosts INT, afterwards keep on going up. This time you'll end up in a dojo-looking sort of room with tons of Nyanko laying around totally beaten up)

RanRan : Geh. There's still more? This is soooo annoying...!  
Why isn't Gao-rin with you guys?

RanRan : ...whatever. I can kill some time by taking care of you guys. Come on!

Kururu : We're in a hurry, get out of the way!

(battle against RanRan and two Walrus, since they can deal a lot of damage eliminate them in the first round as usual. RanRan is the toughest of Akurjo's minions but she's not that hard as long as you heal everyone fully each round)

(after winning)

RanRan : Ow ow... and I was waiting to play with Gao-rin, too! I'm soooo pissed off at you guys! If that's how you want it to be...

Voice : Uuuuwwwoohhh!! Guuuuuuuuuuuuuts!!!!

RanRan : Gao-rin's voice! Wait! Let's play together Gao-rin <3!  
I won'tlose this time!

(she then goes after her, get the chests in her room, there are two illustrations, one of RanRan which is neat since she's the only member of the Akurjo's family that is cute and the other one is Gao's...well that's not surprising to find it here after all. Keep climbing you'll reach a crossroads eventually. South leads to a Nyanshe-town which is similar to the one in RosenQueen land. Nothing to do here except to listen to those silly cats. Keep going east to move on with the story and get the next event)

(you'll be faced with FonFon, RanRan&NyanNyan)

FonFon : According to Akurjo's orders...

RanRan : ...You won't be setting...

NyanNyan : ...another foot past this point nya! Keesheeshee.

Voice : Hold it!!

(Crowdia, Gao&Myao appears)

Crowdia : How dare the three of you pick on a couple of little girls!

Gao : We're your opponents!

Myao : Now you'll see the true power of the Marjory family nya!

Crea : Everyone...

Gao : Don't get us wrong, this ain't for you!

Crowdia : Then inescapable wind of destiny blows... it is our destiny to defeat these three.

Myao : ...that's all there is to it, nya.

Kururu : Ok... I got it. Thanks.

Crea : Come on Kururu, let's hurry to find Cello and the Shadow of Beauty!

(talking to those guys gain won't do much, the Marjory trio will keep

repeating the same stuff, the Akurjo ones are pissed because they think they're just here to act cool except RanRan which is super proud of Gao as usual. After climbing even more stairs you'll be in the hall of the haunted house again facing...Cello)

Cello : Kururu...

Kururu : Cello! Did she hurt you? I'm so glad I found you!

Cello : Stay back!!

Kururu : Eh!?

Cello (unsheathing his sword) : I will kill you all here.

Kururu : Cello... what are you saying?!

Cello : I won't allow anyone to stop my mother!

Kururu : Mother...?

Crea : Impossible...

Cello : That's right....my mother is Akurjo.

Kururu : Wh-what!? That can't be...

Cello : Mother's.... Akurjo's goal isn't eternal youth! She's actually very ill... But, thanks to you, she was able to get the Shadow of Beauty. With it, her illness will be cured. Now, all that's left to do is to get rid of those in her way and everything will be settled.

Kururu : You're lying right Cello?! Because... all this time, we were together, doing our best! All of this was for the sake of Akurjo?!

Cello : ...that's right.

Kururu : Lies! I... I still believe in you!

Cello : ...!!

Cello : Sh-shut up!! Die already!

(battle against Cello. He's alone but still quite tough. He will boost his def and int and uses his puppet's, Ancient Weapon, spells against you. Genocide strike can kill a full health Sonia so you should give her something to raise her max HP)

(after winning)

Cello : Kuh...

Kuruur : Cello!!...

Crea : Cello-san, you lost on purpose...?

Kururu : Are you alright? Hold on Cello!!

Cello : It's better...this way...I'm...tired....

Cello : I did everything I could to repay her for saving me back then...

Cello : But... I knew it from the start. The only reason she took me in was because she was interested in having someone with the blood of the Ancients. But, for someone without a family, to be able to have the warmth of a mother... I did a lot of bad stuff.

Cello : But, Kururu... Since I met you.... the more I thought about you... the more confused I became... what should I do?

Kururu : That can't...Cello...

Cello : When you confessed to me....I was so happy....  
I love you too, Kururu...

Kururu : ...!!

Cello : But... I'm so tired... goodbye, Kururu.... forgive me....  
for being so... weak...

(he collapses)

Kururu : Cello!!

Crea : Cello-san!!

Kururu : Cello... why, Cello, why didn't you say that earlier?!  
My feelings... he suffered so much because of them...

(Marjory and her gang show up)

Marjory : Oh my. Its so gloomy in here! Are we interrupting something?

(looking at Cello)

Marjory : Hmm, you can still save him.

Kururu : Really? Can we really save him?!

Marjory : Ah, yes. All of one's life force comes from the heart. If you can light the flame within his heart before it completely disappears, then he will be saved.

Kururu : Light the flame of his heart... how can I do that?

Marjory : Well, with the feelings of the one who loves him, of course.

Kuruur : My feelings...but he'll suffer because of them again...

Marjory : Kid, you're working my last nerve. Hurry up and save him!

(she casts a spell that sends Kururu into Cello's body)

Crea : Good luck Kururu-chan! Please god, protect them both...

Myao : Marjory-sama, you know doing that kind of thing isn't good for a villain, don't you nya?

Crowdia : Exactly. This will make it impossible for us to get a large following among evil-doers.

Gao : Yup, we're supposed to be the bad guys, remember?

Marjory : Quiet! I know that already! I intend to get some sweet payback for the kindness I showed them!

---

(inside Cello's heart)

Kururu : It's completely dark...I gotta find the fire in his heart!

(move in any direction and you'll get the next event)

Kururu : There! Is that it? It's nearly gone...

Kururu : Cello! Can you hear me Cello? Answer me! Please Cello!!

(Cherie will appear)

Cherie : Kururu...

Kururu : Y-you're...

Cherie : My poor Cello...to close your heart so much....

Cherie : Listen well Kururu. Right now the fire of Cello's heart is on the verge of going out. You won't be able to light it if his heart stays closed. Kururu, step into the light, and watch Cello's past.

Kururu : Cello's past...?

Cherie : Now Kururu. Inside the light.

---

(you'll be in one of the room of the aerial garden, this time it's not in shambles but looks perfectly clean. In the room we'll be a younger Cherie and an advisor both with wings in their back)

Cherie : Did ya finally wake up?

Kururu : Where am I?

Cherie : This is our castle! We found you unconscious in the forest, and brought you here. I'm Cherie, the lord of this place. Not bad, eh? You can rest as long as you need to.

Advisor : Cherie-sama. I sense something familiar about this one. She might be one of their agents...

Cherie : You don't give people enough credit!

Advisor : B-but...

Cherie : Pweeetty please?

Advisor : Well err..alright then, but just this once.

Cherie : Teehee, thanks. Well it's settled then. Make yourself at home!

Kururu : T-thanks.

Kururu : (Those people just now....ah, I see. I really travelled to the world of the past!)

(you're free to move around. Do get out of the building to explore the tower outside, there are awesome items inside like one accessory allowing you to attack four times! Talk to people since they're the ancients you'll learn some neat stuff like how their treasure the "Shadow of Beauty" can grant people's wish. You'll also learn that since the king and queen, Cherie's parents, died in battle she became the queen. She has a big brother but he eloped with a witch named Marjory and gave her the Shadow of beauty as a present. Yes. That does mean what you think it does. Marjory's FAMILY! You'll also learn that Cherie is close to a boy named Cello and that they met when Cello saved her from a dragon in a forest. Kururu will wonder if the whole "saved from a dragon in the forest" is a sort of ritual in her family. Ah and Cello parents died in the war too. Some old man will tip you the existence of another treasure the "Light of Beauty" who supposedly has the same power as the shadow one. A girl will tell you that, though they all got wings, they can't fly through the skies. Oh and as usual the kids pick will pick on Kururu's poor fashion sense calling her the "pumpkin alien" Once you're done enter Cherie's room, it's the one guarded by soldiers. Youll notice her singing a familiar song ^\_^)

Cherie : Oh, hi! Did you need something?

Kururu : N-no. That song right now was...?

Cherie : Ah, you heard that? It's a lullaby from my country. I love that song. My mother always used to sing it for me. Oh, hi Cello!

Kururu : (Cello! he's still a kid but there's no mistake it's Cello! So Cello lived here during this time...but then, how come he's living in our time now...?)

Cherie : Ah, that's right, let me introduce you. You're....err what's your name by the way?

Kururu : Ah, Kururu. My name is Kururu!

Cherie : Kururu...what a cute name.

Cello : ...

Cherie : Geez, Cello, you gotta introduce yourself too!

Cello : ...

Cherie : I'm sorry. That kid, he's been really quiet since he lost his parents in the war...

Kururu : I-it's fine. I don't mind.

Cherie : That won't do Cello! You'll never get a girlfriend if you act like that! Remember, smile, smile! You look best when you're smiling.  
Pwettyyy pleeease?

Cello : ...I'll try.

Cherie : Geez, you always say that. Sorry Kururu, he doesn't look like it, but he's really a good kid. He doesn't trust people easily cuz of the war. If people weren't so stupid and could stop fighting and actually care about the feelings of others, then maybe this world would...

Cello : ...Cherie. It's prayer time soon.

Cherie : Alright, we'll talk later, Kururu.

(now go to the top of the building)

Advisor : Emergency princess! The King's brother's troops are under attack!

Cherie : Uncle is...!

Advisor : They'll be here soon! Princess, use the Light of Beauty and escape! We can't afford the royal bloodline to disappear! As long as you survive, a future is still possible!

Cherie : But then... you... I'll fight, too!

Advisor : I won't allow that! Please, Princess, your life must be spared! Understand that Cello? I'm entrusting her to you! Please, get her to safety!

(talking to Cherie)

Cherie : Why..? Why... why can't people stop fighting...?

Cello : We have to hurry Cherie. Otherwise we'll...

Cherie : I know! Kururu, you come with us! The Light of Beauty is hidden in a secret room on the floor below. Got it?

1) Yes

2) No

(1)

Cherie : Let's hurry!

(enter the room with the Cherie statue in a corner)

Cherie : The password is..."Cherie" ...it opened!

(inside)

Cherie : Cello, Kururu. The Light of Beauty can grant wishes by reacting to the feelings of people.

Kururu : ...granting wishes by reacting to people's feelings?

Cherie : That's right.... but it can't end wars. Maybe because there's so

much hatred in this world. But, surely there's a peaceful future somewhere. If we believe and pray for it, it'll will take us there!

Cello : To the future...?

Cherie : But, if we messed up, we may end up in a different future... but even if we end up living in different times, our hearts will still be bound together!

Cello : Cherie...

Cherie : Stop making that face... smile, smile! Now, let's trust our hearts and travel to the future!

Cherie : Answer our feelings, Light of Beauty!

(the Light of !beauty reacts and sceens turns white. You'll be returned with Cherie withing Cello's heart afterwards)

Cherie : This is how Cello arrived in your era. Our time, the Ancient's Era... the very people who built it were the ones who destroyed it with their own hands. The few that survived were able to create a new world.

Kururu : So you and Cello are both Ancients...

Cherie : That's right. When he arrived in this era, I wasn't with him. Burdened with the wounds of the past, his eyes were not looking towards the future. Afraid of what you might think of his past, he hid them in the bottom of his heart.

Kururu : Cello...

Cherie : Despite how he looks, Cello is a good kid and is easily hurt. Like letting Akurjo take him in or being distressed by your feelings for him... and letting the wounds of the past never heal... the only one who can free him from this pain is you, Kururu. Your feelings can heal his heart.

Kururu : But my feelings made him suffer before...

Cherie : That isn't true. Reciprocating his feelings can cure his heart. Believe in your feelings... The feelings toward one another is a wonderful thing. Come on Kururu. "Girls take initiative" right?

Kururu : Cello...

Kururu : Cello...! It doesn't matter what happened in the past! Stop trying to carry all the burden by yourself! If we carry it together, it won't be as heavy, right? Trust my feelings! Cello!

Kururu : Cello...!!

Cello : Kururu...!!

Cherie : It's been a while Cello.

Cello : ? ...Cherie? Are you Cherie?

Cherie : Haha, we haven't seen each other for a while. You've grown up to

be really handsome. Take care of my grand daughter. Don't make her cry, okay?

Cello : Huh? Then Kururu is...?

Cherie : That's right. I ended up coming a few decades before you. I faced a lot of hardships, too, but all in all I was happy with my life. I got married and gave birth to a beautiful girl named Cornet. And later, she gave birth to Kururu here... Cello, don't live in the past anymore. I'm really glad I came to the future. Cello, its okay to open your heart to others...

Cello : Cherie...

Cherie : Ah, stop it. How many times do I have to tell you?  
Smile, Cello, smile.

Cello : ....yeah. I'll try from now on.

Cherie : Heehee. You really do look your best when you smile, Cello.  
Kururu, take care of him will you?

Kururu : Grandmother...!

Cherie : Well then, time to go, I guess. Good luck, you two! Maybe if there were more people like you, the Ancients could have avoided destruction.

Kururu : Grandmother!

Cello : Cherie!!

Cherie : Farewell, Kururu, Cello. Don't ever forget your feelings toward each other!

(Cello heart's world will be filled with stars, rainbows and other lovey-dovey stuff as he flies outside of it carrying Kururu)

Cherie : Their feelings are trascending both space and time...

---

Randy : Princess!

Sonia : Are you alright, Princess!

Crea : Welcome back Kururu! You too Cello-san!

Kururu : I'm back, Crea!

Crea : I was sure both of you would be back safely.

Cello : Thank you Crea.

Crea Teeheehee.

Kururu : Huh? Where is Marjory and her gang?

Crea : They went upstairs, shouting things like "Revenge" and "Time to settle the score!"...

Kururu : Cello...

Cello : Let's go upstairs too. I'll settle things with mother with my own hands.

(Crea, Cello, Randy and Sonia joins the party. They're....totally unequipped of course, why it's only the final dungeon so it's natural to go around with naked characters of course...Once you're ready don't go up yet, visit the room around there is a few stuff to grab like illustrations 11&12 for instance and some jewels for the ultimate spells. Also there are new enemies to fight to complete the notebook. If you so wish, you can go do a sidequest now. Remember where the Light of Beauty is? You can go get it, as well as Illustration 20, by leaving Akurjo's Castle now and going back to the Aerial Garden's Secret Room and putting in the password.)

(one you reach the top of the stairs)

RanRan : Akurjo-sama? What's wrong? Are you alright?!

FonFon : So Akurjo-sama was ill...

NyanNyan : ...I didn't know nya.

Marjory : And here I made a special trip, just to pay you back!  
What kind of host are you?!

Kururu : Akurjo?!

Cello : Death spasms...!!

Akurjo : Cello...how good of you to come back, you ungrateful son...!

FonFon : Son? This kid?

RanRan : Akurjo-sama had a child?

Akurjo : That's right. We're not related by blood, but who would have thought you'd betray me this way? The Shadow of Beauty is totally useless.

NyanNyan : ...so your goal wasn't eternal youth nya.

Akurjo : Of course. I wanted to to use the Shadow of Beauty's powers for... its strength to grant wishes by using people's feelings...!  
I wanted to use it to cure me, but it didn't resonate...

Cello : ....

Akurjo : Don't get near me! You traitor!

Kururu : How can you say that?! Cello didn't betray you! Do you know how much he suffered because of you? Even though he knew you were just using him, he never stopped considering as his mother!  
Can't you understand that?!

Akurjo : Silence, brat!! I'm going to die anyway! So I might as well take you all along with me!!

(battle start against the full Akurjo's family. They're tough but so are you by now, so go all out. If you can survive the few first rounds you should be fine, take out NyanNyan first as she can heal the others and also cast annoying spells. Sonia and Randy might have troubles surviving the first rounds so make them defend if that's the case. Akurjo's tough but her minions die easily)

(after winning)

Akurjo : Ahahaha... losing to a bunch of kids... my end is certainly near. I'm ready, go on, finish me! Its only fitting for someone like me to die alone...

Kururu : You're wrong. You're not alone. You have comrades that care about you. Even rivals. Even Cello here!

Akurjo : ...!! Tsk. Ridiculous.

Cello : Mother.

Akurjo : ...!! Cello...you're still calling me mother?!

Kururu : Answer our feelings!

Cello : Shadow of Beauty!!

(the SoB reacts and cure Akurjo)

RanRan : Akurjo-sama!!

FonFon : Akurjo-sama...you always insult us but...

NyanNyan : ...we don't want you to die nya!

Marjory : Well, as for me, I could care less. But, since we're here, we might as well. Everyone, concentrate together!

Cello : Mother...!!

(Akurjo gets completely healed)

Cello : Mother!!

RanRan, FonFon&NyanNyan : Akurjo-sama!!

Akurjo : You guys...hmp. Seems like I forgot something after all. Something quite big...

Cello : Mother...

Akurjo : Living might not be so bad after all...

(she casts a spell that splits the ground in two making her unreachable)

Akurjo : This time, I admit my defeat! I'll be returning to the Netherworld to cool my head!

Kururu : Akurjo!!

Akurjo : Ahahaha!! I'll be coming back someday! Marjory!!  
We'll finish things then!

Marjory : What?! Can't you just be honest for once and say "thanks"?

Myao : Yeah, cuz you're the perfect model of being upfront nya.

Marjory : You said something?

Myao : Not a thing nya!

Marjory : Good, I got my Shadow of Beauty back. Let's go.

Akurjo : Cello...

Cello : Mother...!

Akurjo : Hmph. Take care of that little girl.

Crea : Kururu-chan, Cello-san, we have to hurry, the castle is falling apart!

(you have to go all the way back down now)

(once you reach the bottom of the stairs)

Kururu : ...!? What's wrong Cello?

Cello : ...

Crea : ...are you worried about your mother?

Kururu : Cello...

Cello : Sorry, Kururu.

Kururu : ...I understand. I'll believe in you, I'll be waiting.

(Cello get closer and kiss her)

Cello : Thanks Kururu. I'll swear I'll be back!

Kururu : Yes! Promise me, alright?

Cello : Yes, I promise. (he leaves)

Kururu : Remember, you promised!! Cello...

Crea : Are you sure it's okay Kururu-chan? Doesn't it feel like  
you're being dumped?

Kururu : Do-don't be silly! Let's get going!!

(outside)

Crea : Look Kururu-chan! The castle is...!

(Akurjo's castle collapse and the woods return back to normal)

Crea : Kururu-chan...

Kururu : I'm alright. Cello will definitely come back. After all, he promised. Now let's go! Back to our home!

(you can either walk back or use the Ledges puppet on the left of the screen)

(in the throne room of Marl castle)

Kururu : Father! Mother!

Cornet : Hey, Kururu. I heard it all! Really you're...

Ferdinand : It's fine. In the end she came back, safe and sound. Randy and Sonia too, you did well. Thank you.

Sonia : You're giving us too much credit, your Highness.

Randy : (Whoa, am I glad. And here I thought he'd be mad about this)

Etoile : Crea, you did well too. As expected of my daughter.

Crea : Thanks Mother.

Cornet : ...

Sieglinde : Cornet. Kururu did the same thing you did when Ferdinand got abducted by Marjory. Doing her best for the sake of someone she loved, it's a magnificent thing. I'm really grateful for the courage and determination you showed back then.

Cornet : ...

Cornet : Really this kid...you always makes me worry so much.....

Kururu : Mother....I'm sorry.

Cornet : ...you did all you could right, Kururu?

Kururu : Yeah...I heard a lot about the stuff you've done before, Mother. How there were good times and bad times... but, now, I...

Crea : Kururu-chan... she fell asleep. She must be exhausted.

Etoile : It's quite natural. A lot's happened.

Cornet : Welcome back Kururu. Rest well.

(credits will roll)

(4 years later)

Crea : What nice weather, right Kururu-chan?

Kururu : Yeah...that's right.

Crea : ...let's hope we'll meet Cello today, alright?

Kururu : Yes... but even if we don't, there's always tomorrow,  
and the day after. He promised, and I believe in him.

(rumbling sound)

Crea : Oh my? Whatever could that sound possibly be...? (a dragon appears)

Crea : Oh my! Its a big scary dragon!

Kururu (sweatdrop) : Don't say it like it's a good thing.

(a boy appears and slash the dragon)

Cello : It's the second time I saved you here. You alright, Kururu?

Kururu : Cello....!

Cello : I'm back. Sorry it took so long, Kururu.

Kururu : You've really...you've really made me wait so much...

Crea : Come on Kururu-chan, hurry and go over to him!

Cello : I'm here now, Kururu.

Kururu : ...Cello. I was so worried that you might not come back...  
I was so sad...

Cello : Sorry, Kururu. But from now on, we'll be together forever.

Kururu : ...yeah.

Kururu : Yes!

Cherie (suddenly appearing as usual): I'm so glad for you two, Kururu, Cello.  
Good luck to you from now on.

(they'll kiss again and you'll get a nice artwork of the two of them along  
with the word "fin")

Puppets  
-----

Unlike the first game, puppets aren't fighting with you as party members. Instead they're equipped by puppeters and can be summoned in battles to use their spells or skills. Equipping puppets also increase all stats of a puppeteer. Well in short they're quite similar to Personae in...those Persona games. Crea can't equip puppets since she doesn't carry the blood of the ancients, but through a system developed by the RosenQueen corp. she's able to equip and summon monsters, which works the exact same as pupppets. Puppets and monsters get experience after each fight just like characters and level up too. When they level up, they may learn new spells and skills and the stat boost they give to the puppeteer is increased too. Below will be a list of all puppets in the game, we'll also include their spells and skills and how to get them.

Miscellaneous stuff

=====  
Elements  
=====

Most puppets and monsters are affiliated to an element. Same goes for spells and skills, most of them deal elemental-based damage. This is important to know since attacking a monster with the opposite element will make your attack twice as powerful. On the other hand attacking with the same element as the monster will make it half as effective. Here are the elements used in the game.

火 : fire  
水 : water  
風 : wind  
地 : earth  
聖 : holy  
魔 : evil  
雷 : thunder

Fire and water are opposed elements, wind and earth too and same goes for holy and evil. Thunder is a bit different since there is no opposed element to it. Thunder-based attacks are also slightly more powerful than the other elemental attacks.

=====  
Etoile music room's puppet  
=====

When you visit Etoile's mansion, you'll find a room with a piano and a puppet. That puppet will ask you to play your trumpet for him, agree to do so and he will give you a reward. Careful, if you fail to this in one chapter you will miss all the following rewards even if you play in every chapter afterwards. It will still give you the last reward in chapter 8 though.

Chapter 1 : 56Ic  
Chapter 2 : 116Ic  
Chapter 3 : 243Ic  
Chapter 4 : 300Ic  
Chapter 8 : 2438Ic, triple beater  
Final chapter : Recovery tanker omega (restore 30 HP every turn)

=====  
Characters specific items  
=====

Both Kururu and Crea have a few exclusive items. For Crea it's the Inferno 500 (インフェルノ500) and Genocide 1000 (ジェノサイド1000) weapons. They're both optional. Inferno can be gotten right after crashing into Beauty Castle. Talk to Etoile and she will give it to Crea. Genocide is

obtained automatically after clearing the "Crea real parents" event in chapter 8. Simply visit Etoile's room after getting the first piece of the Shadow of Beauty and read the diary lying on the ground to trigger that event.

Kururu got three specific items. The first one is the "Escaping Z" thing (トンスラーZ). Having it equipped increase the chance of success of the run command in battles. You'll find it in Akurjo's house in chapter 3. The second one is the sexy pants (せくしいぱんつ), she receives it automatically at the beginning of chapter 4. Equipping it will increase the chances of a monster joining after a battle. The last one is the Pheromone X (フェロモンX) and this dramatically increase the encounter rate. Never equip it unless you're near a goddess statue and want to level up.

===== Getting the Light of Beauty =====

The Light of Beauty is in a hidden room on the third floor of the Aerial garden. You must input the password "Cherie" into the statue to get the entrance to open up. It's really easy to miss since you can only do this during a very short time window in the game. You must get there after Cello joins back the party in the final chapter and before fighting Akurjo. So once Cello joins back exit Akurjo's castle teleport back using Ledgem to the ship, fly to Paana Coota village again and there walk all the way to the Aerial garden. That's quite a detour but you'll get Illustration 20 and the Light of Beauty which, once equiped on Kururu, will allow her to use one of the most useful attack in the game.

===== Optionnal events in chapter 8 =====

Lots of events in chapter 8 are timed meaning if you miss the time window to do them, even if you're still in chapter 8 they won't be availalbe anymore. Here they are with their respective time restraints.

Crea's birth event : Available after getting the first piece of the SoB and before getting the last piece.

Quizz : The first one is available after getting the first piece of the SoB and must be done immediatly otherwise you'll miss on the second one completely since it must be done after having completed the first quizz AND getting one more piece of the SoB.

Randy and Sonia event : First event is available at the start of the chapter. The other must be done after having completed the previous event AND getting one more piece of the SoB. So get back to the castle everytime you get a piece of the soB to get the next event of that serie.

Save Eryngia valley! : Available after getting the first piece of the SoB and before getting the last piece.

## Frequently asked questions

---

Well not so frequently actually but aside from the hate mails for the butchered translation there is a few questions that do come back. At least twice! So here are the answers to those. More might be added later.

Q : Where can I buy this game?

A : Try ordering it from HimeyaShop. You'll have to fill the request form though. If that doesn't work try one of the following : Akibado, Celga, Rinkya or Shopping Mall Japan. They buy stuff from auctions sites and ship them to you so that probably won't be cheap.

Q : Why are you calling Akurjo's cats "Nyanshe" while it's written as "Nyancy" in the game!

A : All name's romanizations come from the booklet found in the Tenshi no Present limited edition. So they're official somehow. The guy who wrote it probably didn't remember about Little Princess I guess. You could always try to blame him but his name isn't written on the booklet. That's too bad.

Q : What's with all the "sob"? Are you trying to be funny?

A : SoB is short for Shadow of Beauty obviously.

Q : When will you finally post the Angel's Present translation?

A: I don't know.

Q : Is Kururu in Little Princess the reincarnation of Kururu in Rhapsody?

A : Figure that one out by yourself.
