=====  
Script  
=====

-----  
Introduction  
-----

(In outer space, near the planet Saturn, two figures, blue one and a purple one, fight each other. The purple one sends a wave of energy to the blue one, causing him to buckle slightly. The two figures fly towards each other, causing an explosion. The purple one, now badly injured, flies away, chased by the blue one. Both figures head towards planet earth.)

(MegaMan leaps onto Rush from an exploding building. Bass and Treble appear from the building.)

Bass: MegaMan, today we finish this!

MegaMan: Hey Bass, why must I fight you? We are not enemies!

Bass: Shut up!

(Bass fires at MegaMan, who dodges it. He fires back at Bass, knocking him off Treble and into the building. A car containing Roll flies over to MegaMan.)

Roll: MegaMan!

MegaMan: Roll!

Roll: MegaMan, hurry! You must come with me!

(Bass stands up.)

Bass: You can't leave yet!

(Bass notices his buster trapped in some wires.)

MegaMan: Rush Jet!

(Rush activates his jet thrusters. MegaMan starts to fly away.)

MegaMan: Bass, we'll have to take care of this some other time.

(Bass desperately tries to free himself.)

Bass: No!

(Bass pulls himself free. However, this causes the elevator connected to those wires to fall. Just before it hits Bass, he reaches up and fires at it without looking, destroying it.)

Bass (thinking): Don't run away, you coward. You'll pay for this insult! I'll be back...

(MegaMan and Roll look at a view screen in the car.)

MegaMan: Dr. Light, what is the problem?

Dr. Light: A strange meteor has struck the Earth just awhile ago.

(The screen shows a strange, skull-shaped island.)

Dr. Light: This meteor seems to be emitting a powerful energy signature. Something this powerful must not fall into the hands of evil.

MegaMan: I understand, Dr. Light. I'm on it.

Dr. Light: Thank you, MegaMan. If you can, please bring the meteor back.

MegaMan: Ok!

-----

The Strange Island of Dr. Wily

-----

(MegaMan teleports onto the island and goes in the direction of the meteor. While going, Rush appears.)

Rush: Arf arf!

(A hologram of Dr. Light appears.)

Dr. Light: ... MegaMan! Can you hear me? I've searched the island, but can't find it on any map. It's a creepy island. Be careful, MegaMan. Your new weapon is ready. Take it with you!

(Rush ejects a ball out of him.)

Dr. Light: It's called the "MegaBall." You can kick it to attack your enemies! It's a powerful weapon!

MegaMan: Thank you, Dr. Light!

(The hologram disappears and Rush teleports. MegaMan continues, and eventually defeats a robot that looks like a crab in a shell. He moves forward and glares at Wily, who is sitting in his ship. Some clamps connected to the ship are holding a glowing purple ball.)

MegaMan (voice-over): It's Dr. Wily!

MegaMan: Dr. Wily?! Why are you here?

(Dr. Wily pops out of his saucer.)

Dr. Wily (voice-over): Nyahaha!

Dr. Wily: MegaMan, so you've come! How did you find my secret base? I'm impressed! But you're too late! I've just found something that's more powerful than this base! Ha! Ha! Ha!

Dr. Wily (voice-over): Now the world is mine!

(He enters his saucer and it starts to fly away.)

Dr. Wily (voice-over): Gotcha...!

MegaMan: Wait! Wily! I've got to go after him!

(MegaMan walks over to the crater and notices the remains of a robot scattered around.)

MegaMan: What's this? A robot? ... It's still alive. I must help it!

(Rush teleports in.)

Rush: Arf arf!

(MegaMan turns around to face Rush. Another hologram of Dr. Light appears.)

Dr. Light: ...man! MegaMan! Can you hear me?! Is anything going on?

MegaMan: Yes, Doctor! I've found a robot!

Dr. Light: What? Okay, I understand! I'll go there and pick it up. You go after Wily!

MegaMan (voice-over): I've got it, Doctor!

(The hologram disappears and both MegaMan and Rush teleport away.)

-----  
Robot Master Comments, Part 1  
-----

All of these are voice-overs. I don't remember each and every one of these, so if I missed one, please tell me.

Tengu Man [taunts]: "It's just a kid. Don't make me laugh."  
"I'll take on you! Be ready!" "Kid, you're almost not worth the effort." "Are you worthy of my challenge?"

[attacks]: "Tornado Hold!" "Take that! Feel my power!"  
"Yamawahatzi!"

[hits]: "Agh!"

[defeat]: "That was regretful / disgraceful."

---

ClownMan [taunts]: "Yo, geeky! You've got no chance!"  
"Weakling, this isn't a joking matter." "I'll make you join my men!"

[attacks]: "Thunder Claws!" "Thunder Cannonball!" "Watch this!"

[hit]: "Ouch!" "What are you doing?! Mommy! What have you done to me?!"

[defeat]: "See you in my dreams."

---

GrenadeMan [taunts]: "I'll be nice on you!" "I'll punish you!" "Ahahahaha! Say hello to my cute bombs!" "Crush everyone! Ahahaha!"

[attacks]: N/A

[hit]: "Heehee!" "Oh yeah!"

[defeat]: "That felt good!"

---

FrostMan [taunts]: "Freeze!" "I will crush you! I'll make a popsicle out of you." "I'll crush you! I will... beat you!"

[attacks]: N/A

[hit]: "Ow! Dat hurt!"

[defeat]: "Uwaaaah!"

-----  
Evil Energy  
-----

(MegaMan runs into the lab holding a purple sphere.)

MegaMan: Dr. Light, how's it going? Will he be ok?

Dr. Light: I'm almost finished. The battery will be charged in ten minutes.

MegaMan: That's good. By the way, what do you make of these?

(MegaMan shows him the energy. Dr. Light examines it.)

Dr. Light: ...These? These seem to be energy resources... but I've never seen this type on Earth. I don't know where this energy came from, but we cannot let it fall into Dr. Wily's hands... You must recover all the energy immediately, MegaMan!

MegaMan: But where is Dr. Wily?

Dr. Light: That's a good question. We may be able to locate another energy emission from the radar room. When we find that meteor, we will find Dr. Wily.

(MegaMan runs into the radar room, with Dr. Light following. The lights dim. The rescued robot stirs. He looks at himself, and then looks around the room. He notices the evil energy. He picks it up, and memories of his battle with the purple figure spring up. He crushes the vial containing the energy in his hand.)

Robot: He... he still lives... Waaaarrrrgh!

(He transforms himself into blue energy and blasts through the ceiling out of the lab. MegaMan and Dr. Light dash in and stare at the hole in the roof.)

MegaMan: What the?!

Dr. Light: MegaMan, you must go after him! We don't know who he is, and it could be dangerous to leave him alone!

MegaMan: Yes sir! Let's go, Rush!

Rush: Arf!

(MegaMan jumps on Rush and they fly out the hole.)

-----  
The Mysterious Robot  
-----

(The robot dashes into a cave, with MegaMan following him.)

MegaMan: What power...! I've got to go after him!!

(He travels through the cave until he finds the robot.)

MegaMan: You are...! Wait! Who are you?!

Robot: Don't try to stop me from completing my mission!

(MegaMan and the Robot fight, resulting in a stalemate.)

Robot... I feel a strong sense of justice within you... Who are you...?

(ProtoMan's whistle is heard, and he teleports in.)

ProtoMan: Are you OK?

MegaMan: ProtoMan!

Robot: ...!

(The robot dashes through a blocked passage.)

ProtoMan: What happened? ...Who is he?

MegaMan: I don't know. (thinking) That robot was holding back. He didn't fight me with everything he had. I wonder why?

ProtoMan: ...He might be connected to Dr. Wily.

MegaMan: What?

ProtoMan: "Wily Tower" is just ahead from here. That's the name of Wily's new castle. That robot may be going there.

MegaMan: Maybe... I'll be careful. Thanks, ProtoMan.

ProtoMan: ...

(ProtoMan teleports out. MegaMan runs through the now-open passage.)

-----  
Duo  
-----

(MegaMan and Rush run into a cavern. MegaMan notices Wily Tower from a distance.)

MegaMan: That must be it over there!

(He jumps off the cliff.)

MegaMan: I can see it!

(A giant robot suddenly grabs him.)

MegaMan: Waaaahhh!! Ah...!

Rush: Awooo!!!!

(The dog jumps down and attempts to bite the hands holding MegaMan.)

MegaMan: Rush!

(The robot slams the fist with Rush on it on a metal wall and pulls back. MegaMan turns around to see Rush lying motionless.)

MegaMan: RUSH! Ruuuush!

Dr. Wily: Hahahahahahaha!

MegaMan: Huh?!

(MegaMan spins around to where Wily's voice came from.)

Dr. Wily: I'm impressed! I didn't think you'd make it this far, MegaMan! However, I don't have time to deal with you! Say goodnight!

(The robot sends several surges of electric waves through MegaMan's body. MegaMan screams in pain, but then a large blue light rushes through the arm of the robot, breaking it. MegaMan breaks free and runs towards Rush. He shakes Rush slightly.)

MegaMan: Rush? Rush...

(Rush wakes up and makes a reassuring noise. The blue light lands next to MegaMan and reforms into the robot MegaMan met in the cave.)

Robot: Are you okay?

MegaMan: Who are you?

Robot: My name is Duo. I was born with the sole purpose to eliminate the evil energy from this universe.

(The large robot starts to run towards MegaMan and Duo.)

Duo: Here he comes!

(The robot thrusts a fist at them. MegaMan grabs Rush and dodges to one side. Duo dodges to another side. Duo jumps into the air and turns himself into blue energy. He dashes through the robot's face, and then goes through its body, destroying it. He reforms next to MegaMan, holding a orb of

Evil Energy in his fist.)

MegaMan: Duo, that thing... It's just like the one that I gave to Dr. Light.

Duo: Yes. This is what you people call "Evil Energy." According to the studies I've done so far, the one who obtained the original energy must be a being of complete evil. This kind of energy absorbs the evil in a person's mind and then multiplies. Judging by the quick rate of its growth, it'll take over the planet in a matter of days! We must stop it!

(Duo crushes the energy.)

Duo: It seems that the original energy exists within that tower. But...

(Duo raises his hand and sends a small wave of blue energy towards the tower. However, it is deflected before it reaches the tower.)

Duo: ...a barrier prohibits me from going there. I will destroy the rest of the evil energy that has spread throughout the Earth. You search and destroy the energy sources for that barrier.

MegaMan: Let's do it!

(Duo transforms flies away.)

MegaMan: Time to go, Rush!

Rush: Arf!

(MegaMan and Rush run back through the cave.)

-----  
Robot Master Comments, Part 2  
-----

AquaMan [taunts]: "I'm AquaMan! But you can call me Handsome Guy!" "Finally, it's my turn! I'm Aqua Man!" "I've been waiting for you!"

[attack]: "Water Balloon!"

[hit]: "Nooooo!" "Boi oi!"

[death]: "That was luck!"

---

SwordMan [taunt]: "Let's make this a fair fight." "I won't hold back." "I'll do my best." "Nothing personal, but I've got orders."

[attack]: N/A

[hit]: "Not yet."

[defeat]: "Nice shot."

---

SearchMan [taunt]: "Begin mission. Yes sir!" "Hey boy! Come on!" "Ready? Yeah, let's go!"

[attack]: N/A

[hit]: "Ouch! Oh no!"

[defeat]: "Why me? Bonzai!"

---

AstroMan [taunt]: "I've come here, but now I don't know what to do!" "Oh, how did you find me? I feel so embarrassed!"

[attack]: N/A

[hit]: "I hate it when this happens! I can't take it anymore!"

[death]: "Good grief."

-----  
MegaMan vs. Bass  
-----

(While MegaMan is in Wily Tower, Bass and and Treble teleport in. Bass points a finger at MegaMan.)

Bass: MegaMan! You can't escape this time!

MegaMan: Bass! Stop it! I don't want to fight you!

Bass: You're so naive. That will be your downfall! I'm not the same weakling anymore! I've got new powers!

MegaMan: ...No way!

(Evil Energy floats over Bass and Treble.)

MegaMan: No! You don't know how dangerous it is!

Bass: Shut up! I'll defeat you! Come on, Treble!

Bass [taunts]: "Come on, Treble!" "You're history!"

(Bass and Treble jump into the Evil Energy and merge together.)

Bass: Let's do it! I'll show you what true power is!

MegaMan: No! That's not power! I must prove you are wrong again, Bass!

(MegaMan and Bass battle.)

[attack]: "Feel it!"

[hit]: "What?!"

(MegaMan wins the battle. Bass stumbles back, clutching his arm.)

MegaMan: You can't beat me with fake power! Wake up, Bass!

Bass: C... cu... curse you MegaMan! I'll never give up!

(Bass teleports away.)

MegaMan: ...Bass. Why you don't understand?

\*The "you" and the "don't" were switched by mistake.\*

(MegaMan continues through Wily Tower.)

-----  
Wily's Defeat  
-----

(MegaMan walks into an empty room.)

MegaMan: Where's this...?

(A ball of Evil Energy paralyzes MegaMan.)

Dr. Wily (voice-over): Gotcha!

(Dr. Wily's machine lowers to the ground.)

Dr. Wily: Wa ha ha ha! You're trapped, MegaMan! You can't move, can you! With this incredible energy, I can't be beaten. It's time I finally finished you off!

(Wily charges the blaster on his machine.)

Dr. Wily: Good-bye! MegaMan!

(When the blast fires, Duo dashes in and counters the blast with his body.)

MegaMan:D... Duo!

(Duo pushes the machine into the back of the room and reels back, panting. MegaMan breaks free of the Evil Energy.)

MegaMan: Duo, thank you! Are you OK?

Duo: ...yeah ...! Look out!!

(Wily's machine comes back, this time without the blaster.)

Dr. Wily: Curse you! It seems that robot can't move anymore. Wa ha ha!

(ProtoMan's whistle is heard, and ProtoMan appears next to

Duo.)

ProtoMan: I'll take care of this robot!

MegaMan: ProtoMan! Thanks!

(ProtoMan and Duo warp out.)

MegaMan: Wily! You must be stopped!

Wily: Silence fool! I'll defeat you and conquer the world!

(MegaMan and Wily fight. Dr. Wily's flying machine collapses broken onto the ground and Wily falls on his hands and knees.)

Dr. Wily: S... sorry! I was wrong! Please forgive me!

MegaMan: ...That's the same old apology Wily! Over and over again...

(A ball of Evil Energy escapes from Wily's machine.)

Dr. Wily: W... what!

(The Evil Energy ensnares MegaMan.)

MegaMan: Uwaaaah!

(The building collapses.)

-----  
Thank You  
-----

(Duo walks towards the wreckage of Wily's Tower. Eventually, he finds MegaMan lying unconscious on the ground. Duo kneels beside MegaMan.)

Duo (thinking): This is not good. He's been affected by the Evil Energy. He will die soon!

(Duo transforms his hand into some of the blue energy and places it on top of MegaMan's chest.

Duo: If your mind is not completely taken by the evil, you'll be saved. MegaMan... I can see into your mind...

(Duo views several images of MegaMan doing acts of good: destroying rouge robots, saving two children from a GutsDozer, and catching a bank robber. The Evil Energy comes out of MegaMan and is destroyed by Duo.)

Duo: You... have been working so hard for justice.

(He stands up, smiling.)

Duo: With your help, this planet will survive.

(ProtoMan runs up to Duo and MegaMan.)

ProtoMan: What happened? MegaMan!

Duo: He's going to be okay. He will regain consciousness soon.  
My job is done. I must go. I'll leave MegaMan up to you.

(Duo turns around and starts to walk away. Then he stops.)

Duo: But... there's one more thing.

ProtoMan: Hm?

Duo: I have a... favor to ask.

(Screen goes black.)

Roll: Wake up! Wake up, MegaMan!

(MegaMan's eyes open to find Roll standing in front of him,  
with Dr. Light, Auto, and Eddie in the background. A huge  
smile breaks out on Roll's face.)

MegaMan: Roll!

(Roll hugs him.)

Roll (tearfully): MegaMan, you're okay!

Auto: Alright!

(Auto tosses Eddie in the air.)

Eddie: Yippee!!

(MegaMan's eyes water.)

MegaMan: Am I alive?

Dr. Light: Yes, you are. Duo saved you.

MegaMan: Duo...!

(MegaMan stands a cliff with Rush staring at a sunset.)

ProtoMan: Duo is gone.

(MegaMan turns around to find ProtoMan sitting on a tree  
branch.)

MegaMan: ProtoMan!

ProtoMan: MegaMan, I have a message to give you from Duo.

MegaMan: From Duo? What is it?

ProtoMan: He said, "Thank you."

MegaMan: Duo... Me too. Thank you... Duo!

-----  
Saturn Exclusive Battles  
-----

(MegaMan encounters CutMan.)

CutMan: Hey MegaMan, long time no see! You're looking sharper than before!

MegaMan: You... you're CutMan! Why are you here? Don't you remember what happened last time we fought?

CutMan: Shut up! I still remember that you defeated me a long time ago! I want revenge!

MegaMan: Cut that out! CutMan, we don't have to fight.

CutMan: I won't lose this time.

(CutMan and MegaMan battle. MegaMan wins.)

---

(MegaMan encounters WoodMan in SearchMan's stage.)

WoodMan: I won't let you pass here, MegaMan!

MegaMan: WoodMan! Are you still working for Wily?

WoodMan: I'll defeat you this time. For Dr. Wily!

MegaMan: Don't fight me, WoodMan. You have no chance to win.

WoodMan: Let's do it! Get ready, MegaMan!

(MegaMan and WoodMan battle. MegaMan wins.)
