|Star Ocean: The Second Story Private Actions FAQ Version 3.5 |
|By: X Crono X |
|_____|
```

This is the Star Ocean 2 Private Actions Guide. Anyone familiar with the game will know that Private Actions play a big role in the game. It is what determines your characters friendship and romance levels, good or bad depending what choice you make. This could very well be the only version of this FAQ, if I receive confirmation for anything I might have missed. Or if I or anyone else discovers any other Private Actions I don't have listed then will update ASAP. This is my very first FAQ hope it's good and people gain a lot of help from it. Not sure if this might be the only FAQ that I ever write, who knows it could very well be. All I can say is if another great game like this comes out that I gain a lot of knowledge on, then could very well see another FAQ by me.
