Subject: Suikoden 108 Stars Complete List
Date: Wed, 22 Jan 1997 18:36:18 -0800

I have compiled a complete list of all 108 stars as they appear on the stone slab in your castle. It is intended for those who are absolutely "stuck" and cannot find a few. Use this list in conjunction with the Shoji faq (which can be found at www.gamefaqs.com) which the information is based. Hope this helps!
