1. Introduction

A Quotes FAQ only, don't expect to find strategies about the game on this one.

Made purely for fun. Enjoy! (Or try to anyways.)

2. Quotes

Here they are, the quotes said in battle by the different characters in the game. Feel free to submit those that are missing (I bet there is a lot of them missing) Also, submit the condition in which they say it (Winning, losing, being hitten, etc..) as some sort of proof.

"You lack both skill and strength."
"What's wrong? Realized how hard you suck?"
"Ugh!"
"From the left side?!"
"You shouldn't get in my way, fool!"
"What a tremendous miss! Bravo!"

"A rare tactical error."
"Leave this battle or you shall suffer!"
"Wait until I analyze your attack patterns!"
"This attack should prove sufficient."
"You are attacking from the right?"
"The battle has ended for me, it seems."
"I need to recalibrate my weapons systems."
"Very interesting--- and very painful."
"Attack initiated."
"Futile."
"A minimal attack and a feeble effort."
"I have disgraced Duke Logan with this loss."
"Bid farewell to your ATAC and your life!"
"Your luck will run out. It always does."
"Probably not what I would have done."
"My next attack won't be so lethargic!"

"I am appalled by your lack of strength."
"You provide me with mild amusement."
"I'm sorry, were you trying to injure me?"
"A rear attack?"

"That wasn't much!"

"Your attacks are weak and unfocused!"
"From the rear?!"
"What power!!"
"The battle is already over for me?!"
"Hmmpmph."
